13. C. HUMAN RESOURCES - CERTIFICATED

13. C. 1. Request Approval of Resolution No. 24-25/48, Reduction or Discontinuance of Particular Kinds of Certificated Services

Rationale

The administration requests the approval of Resolution No. 24-25/48, reduction or discontinuance of particular kinds of services.

The District has determined a need for the reduction of particular kinds of certificated services. For certificated employees, the Education Code requires that the Board pass a resolution to identify the particular kinds of services or programs that may be reduced or eliminated in the upcoming fiscal year. Certificated staff potentially impacted by this action will be served with a statutory layoff notice by March 15, 2025.

The resolution will direct the Superintendent/designee to determine which employees are to receive notice of layoff as a result of the service reduction/elimination, pursuant to California Education Code 44955 and 44949.

Resolution No. 24-25/48, Reduction or Discontinuance of Particular Kinds of Certificated Services

BOARD OF EDUCATION
LYNWOOD UNIFIED SCHOOL DISTRICT

RESOLUTION REGARDING REDUCTION OR DISCONTINUANCE OF PARTICULAR KINDS OF SERVICES, DEVIATING FROM THE SENIORITY ORDER, AND ESTABLISHMENT OF TIEBREAKING CRITERIA

RESOLUTION NO. 24-25/48

WHEREAS, the Board of Education ("Board") of the Lynwood Unified School District ("District"), upon the recommendation of the Superintendent, has determined that it is in the best interest of the District, and the welfare of District schools and students thereof, to reduce or discontinue particular kinds of services enumerated herein; and

WHEREAS, it is the opinion of this Board that the following kinds of services be reduced or discontinued for the 2025-2026 school year; and

WHEREAS, it is the opinion of this Board that it is necessary by reason of the following reductions and discontinuances of service to decrease the number of certificated employees by the equivalent of 22 full-time equivalent ("FTE") non-management certificated employees for the 2025-2026 school year; and

WHEREAS, it is the opinion of this Board that it is necessary by reason of the following reductions and discontinuances of service to decrease the number of certificated employees by the equivalent of 8 full-time equivalent ("FTE") management certificated employees for the 2025-2026 school year; and

WHEREAS, in determining the services to be reduced or discontinued, the Board has considered all assured and/or attrition known as of the time of this Resolution, and the reductions set forth herein are in addition to any known and assured attrition; and

WHEREAS, this Board is authorized by Education Code section 44955 to deviate from terminating certificated employees in order of seniority where the District demonstrates a specific need for personnel to teach a specific course of study; and

WHEREAS, the Board has determined that it has a need to retain certificated employees as identified in **Exhibit A**, because they possess specialized training or experience that more senior employees do not possess; and

WHEREAS, the Board has determined that as between employees with the same seniority date, the order of terminations shall be based solely on the basis of the needs of the District and the students thereof, as determined by the Board-adopted criteria set forth in **Exhibit B**; and

WHEREAS, Education Code section 44846 requires the Board to establish the order of employment of certificated employees and the certificated seniority list is set forth in **Exhibit C**; and

WHEREAS, the Education Code requires that various actions be taken and notices be issued prior to March 15th of each school year regarding layoffs of certificated personnel resulting from reductions or particular kinds of service.

NOW THEREFORE, BE IT RESOLVED, DETERMINED AND ORDERED by the governing Board of the Lynwood Unified School District, that for the 2025-2026 school year, the particular kinds of services to be provided by said District shall be and hereby are reduced or discontinued to the extent set forth herein, as follows:

1. Pursuant to Education Code sections 44949 and 44955, the following particular kinds of services shall be reduced or discontinued at the close of the 2024-2025 school year. These services, listed by full-time equivalent (FTE) positions, and performed by certificated employees are as follows:

Multiple Subject Credential	15	FTE
Adult Education Teacher Credential	2	FTE
Counselor (Pupil Personnel Services Credential)	1	FTE
Single Subject Physical Education	1	FTE
Total Non-Management Certificated FTE:	**19**	**FTE**

2. Pursuant to Education Code sections 44949 and 44955, the following particular kinds of services shall be reduced or discontinued at the close of the 2024-2025 school year. These services, listed by full-time equivalent (FTE) positions, and performed by certificated management employees are as follows:

Assistant Principal	3	FTE
Coordinator	2	FTE
Assistant Director	1	FTE
School Nurse Services Credential	1	FTE
Total Management Certificated FTE:	**7**	**FTE**

3. The Superintendent or his designee is hereby directed to serve notices of layoff in accordance with Education Code sections 44949 and 44955. In addition, the Superintendent or his designee is authorized, where deemed necessary, to issue additional notices of layoff to certain other employees whose rights may be affected.

4. An exception from the order of layoff may be sought because of the special training and experience of certain certificated employees which others with more seniority do not possess as set forth in **Exhibit A**.

5. The Governing Board has determined that, as between certificated employees who first rendered service in a probationary position on the same date, the order of layoff of said employees shall be determined by reference to the tiebreak criteria to be assigned as set forth in **Exhibit B**, a copy of which is attached hereto and incorporated herein by reference.

6. The Governing Board hereby adopts the Certificated Seniority List in **Exhibit C**, a copy of which is attached hereto and incorporated herein by reference, which may be corrected from time to time by the Superintendent or his designee based on valid evidence presented by any certificated employee of any change. Such corrected Certificated Seniority List shall be valid absent action by the Governing Board.

7. Due to the reduction or discontinuance of particular kinds of services, the number of employees of the District noticed pursuant to Education Code sections 44949 and 44955, as applicable, will not be reemployed for the 2025-2026 school year. Furthermore, the Superintendent, or their designee, is delegated the authority to take all actions necessary and proper for purposes of this Resolution.

Julian Del Real-Calleros, President of the Governing Board Of Education of the Lynwood Unified School District

I, Alfonso Morales, Clerk of the Governing Board of Education of the Lynwood Unified School District, do certify that the foregoing Resolution was regularly introduced, passed, and adopted by the Governing Board at its special meeting held on March 4, 2025.

LYNWOOD UNIFIED SCHOOL DISTRICT
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

CERTIFICATED PERMANENT AND PROBATIONARY PERSONNEL THE DISTRICT SHALL SEEK TO EXEMPT FROM THE ORDER OF LAYOFF BY VIRTUE OF THEIR CREDENTIALS, COMPETENCE, ASSIGNMENT, EXPERIENCE OR CERTIFICATION

The Lynwood Unified School District Governing Board will seek to deviate from the order of certificated layoff, pursuant to Education Code section 44955, based on special training, experience, or credential that others with more seniority do not possess:

1. Certificated personnel who possess a valid Bilingual Cross-Cultural Language and Academic Development Authorization (BCLAD) Certification or Bilingual Authorization Spanish (BASP) who are currently teaching in a dual language immersion program.

    a. Employees with a BCLAD or BASP certification will be skipped and retained because bilingual educators are critical to supporting English learners. Many districts struggle to hire and retain bilingual teachers, making it essential to keep those who hold this certification to comply with state-mandated English learner programs, dual immersion programs and education requirements.

2. Certificated personnel who meet the Early Childhood Education (ECE) requirements to teach Transitional Kindergarten (TK) who are currently teaching Transitional Kindergarten.

    a. Employees meeting the ECE requirements for Transitional Kindergarten (TK) will be skipped and retained because of the expansion of universal TK in California. The demand for qualified TK teachers is rising, and retaining these educators ensures compliance with state regulations while maintaining program stability.

DETERMINATION OF SENIORITY AMONG CERTIFICATED EMPLOYEES WITH THE SAME SENIORITY DATE ("Tie-Breaker Resolution")

Education Code section 44955 requires the governing Board of Education, as between employees who first rendered paid service to the District on the same date, to determine the order of termination solely on the basis of the needs of the District and its students; and

Education Code section 44955 requires that upon the request of any employee whose order of termination is determined as stated above, the governing Board of Education shall furnish in writing no later than five days prior to the commencement of the hearing held in accordance with Section 44949, a statement of specific criteria used in determining the order of termination and the application of the criteria in ranking each employee relative to the other employees in the group.

For 2025-2026 school year, to meet the requirements of Education Code section 44955, the governing Board of Education determines the needs of the District and the students thereof by establishing the following tie-breaking criteria. Qualifications submitted to the Human Resources Office after March 15, 2025, will not be considered.

Exhibit "B" to the Layoff Resolution establishes the tie-breaking criteria for employees who first rendered service in a probationary position on the same date, as follows:

1. The Board of Education determines that the needs of the District and the students of this District are best served by resolving seniority ties within the meaning of Education Code sections 44955, subdivision (b), and 44846, by applying the criteria set forth in paragraphs 4 through 8 below.

2. Between employees who first rendered paid service to the District in a probationary position on the same date, the order of termination of said employees shall be determined by reference to the following criteria and the application thereof to each employee.

3. The criteria set forth in paragraphs 4 and 8 below are listed in priority order and each criterion shall be used only if the preceding criteria do not delineate the order of termination.

4. As between certificated employees possessing the same seniority date as defined in Education Code section 44845, those who possess a Permanent Clear Credential shall be considered more senior than those who hold a Preliminary Credential.

5. Assuming that all the preceding paragraphs do not resolve all ties between certificated employees having the same seniority date, those who obtained their Permanent Clear Credential at an earlier date shall be considered more senior than those who obtained their Permanent Clear Credential at a later date.

6. Assuming that the preceding paragraph does not resolve all ties between certificated employees having the same seniority date as defined in Education Code section 44845, those who possess the appropriate English Language Learner ("ELL") authorization to teach English Language Learners will be regarded as having greater seniority for purposes of determining seniority order than certificated employees not having certification/authorization to teach English Language Learners. For purposes of tie-breaking, all those who possess BCLAD, BASP, and ELA1 authorizations shall be considered more senior than those possessing other ELL certificates/authorizations.

7. Assuming that the preceding paragraph does not resolve all ties between certificated employees having the same seniority date as defined in Education Code section 44845, those who possess a Master's Degree or Doctorate Degree shall be considered more senior than those without either advanced degree.

8. Assuming that all the preceding paragraphs do not resolve all ties between certificated employees having the same seniority date, then the tie will be broken by a lottery conducted by the Office of Human Resources. The affected certificated employees in each tie group and a bargaining unit representative will be invited to attend. In the event an affected employee does not attend, a representative from the office of Human Resources will draw in the lottery on behalf of the absent employee. Participants drawing higher lottery numbers will be regarded as having greater seniority than participants drawing lower numbers.

ADOPTION OF SENIORITY LIST

Education Code section 44846 requires the Governing Board to establish the order of employment of certificated employees, and the attached Certificated Seniority List may be corrected from time to time by the Superintendent or his designee based on valid evidence presented by any certificated employee. Such corrected Seniority List shall be valid absent further action by the Governing Board.

SUBJECT: Initial Proposals of SEIU Local 99 for Negotiating Successor Collective Bargaining Agreement.

Good evening:

As required by CA Govt. Cd. Sec. 3547(a), and in accordance with the provisions of Article XXII of our current Agreement, SEIU Local 99 submits our written request to commence negotiations for the 2024-2027 fiscal years. Our initial proposals for modifications or alterations of this Agreement include the following items for public notice:

1. Adjust wages, benefits, and other compensation to recruit and retain the highest quality classified employees; to provide at least a living wage for all employees; and, to achieve economic justice and equity within this district, among other school districts and education institutions, and throughout our local labor market.
2. Review and adjust work rules and other terms and conditions of employment to conform with best practices of school district employers.
3. Review and adjust contract language to comply with any relevant changes in local, state, and federal laws and other regulations.

As these negotiations involve the entire collective bargaining agreement, we further propose amending any and all sections of the current agreement to incorporate and implement the items noted above. We also propose to bargain Article VI (Salaries), Article VII (Benefits) for the reopener years of the current agreement. Thank you for taking the necessary steps to add to the next Board agenda.

Sincerely,
