7. E. Request Approval of Appointment of Authorized Agent for 2022-23

Rationale

It is requested that the Board of Education appoint the Superintendent as Authorized Agent for the Fiscal Year, under the authority of Education Code section 35035(f) "Additional Powers and Duties of the Superintendent," which states "Enter into contracts for and on behalf of the District pursuant to Section 17604." Education Code section 17604 "Delegation of powers to agents; liability of agents," which states:

"Wherever in this code the power to contract is invested in the governing board of the school district or any member thereof, the power may by a majority vote of the board be delegated to its district superintendent, or to any persons that he or she may designate, or if there be no district superintendent then to any other officer or employee of the district that the board may designate. The delegation of power may be limited as to time, money or subject matter or may be a blanket authorization in advance of its exercise, all as the governing board may direct. However, no contract made pursuant to the delegation and authorization shall be valid or constitute an enforceable obligation against the district unless and until the same shall have been approved or ratified by the governing board, the approval or ratification to be evidenced by a motion of the board duly passed and adopted. In the event of malfeasance in office, the school district official invested by the governing board with the power of contract shall be personally liable to the school district employing him or her for any and all monies of the district paid out as a result of the malfeasance."
