

## Dear UPK Families:

Due to our grant provided for UPK, all of our toys, art supplies and snacks for the school year will come directly from that. Please do not plan on sending any supplies or snacks in with your child(ren). We will be supplying various choices such as: pretzels, Goldfish Crackers, apples, mandarin oranges, other seasonal fruit, crackers, graham crackers, granola bars, etc.

\*Any food allergies or restrictions will also be noted and provided to us from Mrs. Moore, our school nurse.

We would like to ask that you send in the following that is more personal to your child(ren):

- **Blanket and/or stuffy for rest time** (This is kept at school. Please make sure it is one that if by chance is left at school, would not cause any problems.)
- **Change of Clothing in a labeled ziplock bag** (We do get messy at times and accidents happen. Please include shorts/t-shirt, long pants/long sleeved shirt, underwear and socks.)
- **Water Bottle labeled with your student's name, non-spillable and preferably a flip-top lid & straw** (will be sent home daily to be refilled and sent back the next day)
- **A family picture** to post on your student's cubby. Nothing bigger than a 4x6 please 😊
- **Full size backpack**, large enough to fit a folder, shoes, water bottle and lunch box if needed.

\*Any questions or concerns, please feel free to reach out to your teacher. We are looking forward to a great year!

Sincerely,  
The UPK Team
