The administration requests approval to enter into an agreement with Disciplina Positiva, to provide two series of workshops in person and streamed virtually for our Migrant Education parents and families between March 2022 and May 2022.

The partnership with Disciplina Positiva will allow the Migrant Education parents and families to experience two educational workshop series. Phase I is titled, 'Dealing with My Child's Academics, Social-Emotional Development, and Routines During and Post-Pandemic Stages', and Phase II titled, 'Raising Responsible, Independent, and Resilient Children During and Transitioning Into a Post-Pandemic Period'.

Each workshop will be conducted for the duration of two (2) hours. Parents will learn through a series of experiential activities and tools that will help them face challenges they may experience on a daily basis with children and teens. Topics include; homework, stress, anxiety, depression coping skills, and daily challenges. Parents will familiarize themselves with the process that turns mistakes into learning opportunities while finding life purpose through goal setting. In addition, parents will understand how important family traditions are in order to positively impact the child's life short-term and long-term. As a result, children will feel understood and alleviate power struggles. Children and teens will be motivated to pursue a higher education by having great coaches on their side (parents) who will help them be positive citizens in this society.

It is imperative to cultivate positive relationships with parents and families. Engaging them in opportunities to observe connections between academic achievement and social-emotional well-being would greatly benefit parents of the Lynwood Unified School District. This opportunity will provide Migrant Education parents and families an opportunity to reflect on personal parenting styles and the importance that communication plays between parent and child.

The workshops will be uploaded to the District's YouTube page for anyone who cannot attend. Each series will offer six (6) workshops. Total cost for twelve (12) workshops, not to exceed \$11,850.00.

Rationale:

The administration requests approval of the Every Student Succeeds Act (ESSA) Program Evaluation Assurances and the annual Title I, II, and III Federal Addendum for the 2022-2023 school year.

Each year all Local Education Agencies (LEA) that receive categorical funds must provide a program evaluation and review the legal assurances for each program. Federal Addendums are meant to supplement the LCAP to ensure that eligible Local Educational Agency has the opportunity to meet the LEA Plan provisions of the Every Student Succeeds Act (ESSA).

Federal funds are used in the following areas:

Title I, to support intervention programs for children and youth.

Title II, to support effective professional development.

Title III, for effective language instruction for English Learners and Immigrant Students.

Lynwood Unified School District in conjunction with the Los Angeles County Office of Education, will outline Federal Addendums for the progress and plans to further initiatives for students.

Rationale:

Pursuant to Education Codes 41020-41020.8, school districts are required to conduct an independent audit of all funds and activities under the control of the Governing Board each year. The Education Codes further require that the audit report be presented to the Governing Board for acceptance.

The 2020-21 Financial and Compliance Report is submitted under separate cover.

14.D.4. Request Approval of Contract as a Secondary Frozen Food Distributor

Rationale:

The administration requests approval for KB Food Distribution to provide frozen and staple food items as a secondary distributor to Lynwood USD as agreed upon in the contract terms.

Current circumstances, including both federal and state emergency declarations due to the Covid-19 pandemic, have reduced staffing and caused a disruption in the food supply chain, which is not advantageous at this time. In light of these circumstances and with the flexibility provided by California Department of Education, the District would like to exercise the option, as stipulated in 2 CFR 200.320 (F)(2), to enter into a 90-day noncompetitive contract with KB Foods Distribution as a secondary frozen food distributor in the event that we are unable to procure frozen foods from the contracted primary distributor Gold Star Foods.

**14.D.5. Request Ratification of Attendance to the School Superintendents Association 2022
Education Finance Cohort Webinar Between March 2022 and April 2022**

Rationale:

Staff requests ratification of participation in the School Superintendents Association 2022 Education Finance Cohort four-part webinar between March 2022 and April 2022.

This program provides the practical skills needed in strategic fiscal management, finance policy analysis and financial leadership that will allow school leaders better deploy resources to their districts on behalf of the students they serve.

The cohort will provide the following learning objectives across all four session:

- Identify common (but often ill-understood) cost drivers in education.
- Analyze how policy affects equity and resource use.
- Effectively consume and use education finance information.
- Strategically allocate resources to reach desired outcomes and avoid unintended consequences that can negatively impact students, schools, and communities.
- Grapple with productivity and financial tradeoffs.
- Communicate finance strategy and decisions to myriad audiences.

Participants:

Gregory Fromm, Chief Business Official, Business Services
Brenda Romero, Director of Fiscal Services

The cost of registration fee is \$2,500.00 per person.

14.D.6. Request Approval to Renew the Lease Agreement with Volunteers of America Los Angeles for the Usage of a Classroom at Abbott Elementary School to Continue to operate the Head Start Program from March 1, 2022 to February 28, 2027

Rationale:

Staff requests approval to renew the lease agreement with Volunteers of America Los Angeles for the usage of a classroom at Abbott Elementary School to continue to operate the Head Start Program from March 1, 2022 to February 28, 2027.

Volunteers of America Los Angeles has operated the Head Start Program at Abbott Elementary School since the beginning of the fiscal year 2012-13. The Head Start Program has provided and continues to provide critical services to the community. The previous lease agreement for the Volunteers of America Los Angeles Head Start Program has generated \$2,000.00 per month in rental income, plus utilities costs (pro-rated).

Staff recommends the renewal of the new lease agreement, at the same amount of \$2,000.00 per month, plus utilities costs (pro-rated) for the period of March 1, 2022 to February 28, 2027 for an additional 60-month term lease agreement. The District retains the right to terminate the lease agreement on July 1st of any year during the term of this agreement, with 90-day notice with cause.

**14.D.7. Request Approval of Service Agreement Between Southern California Edison and
Lynwood Unified School District for the Charge Ready Schools Pilot Program Participation**

Rationale:

Staff requests approval of service agreement between Southern California Edison and Lynwood Unified School District for the charge ready schools pilot program participation.

Southern California Edison (SCE) will provide services for electrical vehicle charging stations at Firebaugh High School (total of eight charging ports). All charging equipment will be separately metered on a time-of-use rate and will be maintained and kept in working order by SCE for the duration of the term.

There is no cost for the units or installation and the required construction documents and permitting fees. The only cost to the District will be for the Division of the State Architects (DSA) inspection services, estimated at \$10,000.00. The charging units will generate revenue for the District and will vary based on the actual amount of use. Based on a California average of \$11.00 per charge, the District will need to have each charging station used four (4) times per month over the life of the agreement in order to recoup our initial investment.

Resolution No. 21-22/48 - Transgender Day of Visibility on March 31, 2022

Board of Education

TRANSGENDER DAY OF VISIBILITY

RESOLUTION NO. 21-22/48

To Honor and Recognize March 31, 2022 as Transgender Day of Visibility in the Lynwood Unified School District.

WHEREAS, one million Americans are transgender and have bravely overcome significant hardships to build vibrant and thriving communities, often in the face of systemic and interpersonal prejudice, discrimination, and violence; and

WHEREAS, we cannot simply celebrate visibility without also recognizing that it does not always equal justice; still far too many Trans people, in particular Trans women of color, continue to face profound threats to their safety and wellbeing; and

WHEREAS, for each Trans person killed or lost this year and in years past we mourn, we honor, and we recognize and celebrate the work that is being done by Trans advocacy groups to continue to fight for dignity and equal rights for members of the Trans community, to build inclusive and healing spaces, and to protect and defend those who are most vulnerable including people with disabilities and in prison; and

WHEREAS, Trans activists have expanded judicial recognition of constitutional protections for gender identity and expression, and provided a greater number of people with the basic protections needed to ensure human dignity and self-determination, however these rights are still not universally guaranteed, with laws varying by state and locality and regressive measures still being pursued; and

WHEREAS, we also celebrate the beauty and resilience of Trans people through history and of those who are with us today, and we recognize that Trans people have contributed and continue to contribute in myriad ways to the betterment of our society and our city, often working at the forefront of social justice activism and human rights work; and

WHEREAS, Trans people, and in particular Trans women of color including Sylvia Rivera, Miss Major, and Marsha P. Johnson, were instrumental in the creation of the modern gay rights movement in the United States, from the 1965 Dewey lunch counter protests in Philadelphia to the Stonewall riots in 1969 to the creation of radical new civil rights organizations; and

WHEREAS, as a result of determined activism and advocacy, Trans people now serve as religious and educational leaders, reach the highest levels of athletic competition, star in film and television, and serve in prominent government positions, beginning to reverse many years of tragic exclusion; and

WHEREAS, Trans and gender nonconforming Americans have made profound strides in challenging social and political norms that had forced many to live in secrecy regarding their gender identity, sentenced them to coercive medical and psychological treatments, and denied them employment and housing opportunities; and

WHEREAS, Trans people have shown great strength in the face of adversity and empower others to explore and embrace their full selves by living their truth; and

WHEREAS, in Lynwood Unified School District, we believe in the inherent value of each and every person, including our Trans and gender nonconforming students and staff, without exception; and

WHEREAS, the International Transgender Day of Visibility is an annual holiday celebrated around the world;

NOW, THEREFORE, BE IT RESOLVED, that the Lynwood Unified School District do hereby honor and recognize March 31, 2022, as a day dedicated to celebrating the accomplishments and victories of transgender and gender non-conforming people while raising awareness of the work that is still needed to save trans lives.
