Welcome Back to School – 2025–2026

Dear Computech Families and Community,

It is with great pride and excitement that I welcome you to the 2025–2026 school year at **Edison Computech Middle School**! As the proud principal of this incredible school, I am honored to continue our long-standing tradition of academic excellence, student-centered innovation, and a deep commitment to serving the whole child.

The 2024–2025 school year was truly remarkable. We made strong instructional strides, enhanced our systems for meeting the social and emotional needs of our students, and strengthened our partnerships with families and the greater community. Together, we ensured that every student was supported, challenged, and celebrated.

We also experienced an impressive list of achievements that reflect the talent, determination, and heart of our students and staff. Among our many accomplishments:

- **Championships in football, golf, girls' basketball, and track**
- **Top finishes in regional chess competitions, Battle of the Books, & Water Polo**
- **Strong showings in Science Olympiad and Tournament of Technology**

These victories speak not only to skill but to teamwork, perseverance, and school pride.

Our **School Site Council** worked diligently to establish a student-centered school plan, while our **PTSO and community partners** stepped up in tremendous ways—filling resource gaps and creating meaningful opportunities for our students. Last year, we received over **950 on-time applications**, and we are thrilled to welcome the **396 students** who accepted their spot in the next class of **Computech Champions**!

📅 **Important Dates & Information**

- **WEB Orientation for Incoming 7th Graders**:

- Our After School Program begins the second day of school on **Tuesday, August 19th** from after school until **6:30 PM**

💡 **2025–2026: The Year of INVENTION**

This year, our theme is **INVENTION**. As a school community, we will:

- Invent **new ways of learning** and delivering high-quality instruction

- Innovate how we **access resources and opportunities** for students

- Facilitate creative environments where students can **thrive as inventors, innovators, and critical thinkers**

Every child will be **seen, heard, and loved** at Computech, as we remain committed to meeting their academic and social-emotional needs—all while continuing to be **California's premier criteria-based magnet school**.

I am incredibly excited for the year ahead and cannot wait to see the growth, creativity, and excellence our students will bring to life. Thank you for your continued partnership and for being a part of the Computech family. Together, let's make 2025–2026 a year to remember.

With gratitude and pride,

Tobaise Brookins, Principal
