---

Good evening board President Espinoza, board members, Superintendent Mr. Velasquez, district cabinet members, parents, teachers, students and Lynwood community, I am Karina Robles and this the Lynwood Middle School 9<sup>th</sup> Grade report for May 10, 2011.

## **Pentathlon**

Lynwood Middle School 7<sup>th</sup> and 8<sup>th</sup> graders competed in the annual Orange County Pentathlon. LMS did extremely well and demonstrated their academic prowess. A total of 123 medals and 6 plaques were won by our students. LMS did an exceptional job with honor and Tiger pride.

## **LMS Science Fair**

Lynwood Middle School will participate in the District Science Fair to be held on Tuesday, May 17, 2011. Several Lynwood Middle School students will participate and represent our school's science program.

## **Math Academy**

On April 30, 2011, Lynwood Middle Students concluded their participation in the Math Academy facilitated by Dr. Hammond. For two Saturdays of every month, students were given enrichment classes covering content standards in Math. Students were given a celebration to conclude their participation in this program.

## **PIQE**

Parent Institute for Quality Education (PIQE) is a statewide research-based and comprehensive parent involvement program. We are proud to offer PIQE workshops with our parents which began May 5<sup>th</sup>, 2011

### **Firebaugh High School Orientation**

A high school orientation will be conducted by Firebaugh High School for our Lynwood Students. A great introductory for our students ready to meet the next challenge of their high school career.

### **LMS CST Star Testing**

**On Tuesday, May 3, 2011, Lynwood Middle held their annual STAR testing for the 2010-2011 academic school year. We had excellent attendance rate and the students worked diligently to demonstrate mastery of the course of study.**

On behalf of Lynwood Middle School and the Lynwood Tigers, we thank you for the opportunity to share in our successes. This concludes the LMS student Board Report. Thank you.
