## WELCOME | 2025-2026 SCHOOL YEAR

We are excited to welcome our children, staff, families, and community members as we embrace this fresh beginning and the many possibilities that lie ahead. We are thrilled to begin this next chapter together. Your ongoing support enriches our schools, and we are truly grateful for your partnership in nurturing the hearts and minds of our children. With optimism and anticipation, we look forward to a year filled with growth, connection, and meaningful learning.

One of the highlights of my summer was seeing our learners out and about in the community. Whether at local events, parks, the library, or just around town, it was a joy to connect with students and families in a relaxed setting. As a community member for 31 years, these moments were especially meaningful to me, a heartfelt reminder of the strong, caring community we are fortunate to be part of and how inspiring it is to see our learners thriving beyond the classroom. This sense of connection fuels our work and strengthens our commitment to making STMA a place where every child feels valued, supported, and empowered.

STMA has a proud legacy of excellence, and we are honored to continue that tradition with you. In partnership with our exceptional staff, supportive families, and generous community, we remain deeply committed to empowering every child to become a self-directed learner, effective communicator, and active, responsible, and respectful citizen.

This year, we reaffirm our commitment to fostering an inclusive learning environment where every student is seen, heard, valued, and celebrated. We are focused on cultivating lifelong learning skills that nurture positive attitudes, self-worth, and a strong sense of belonging, engaging and empowering each student to thrive both in and beyond the classroom.

Rooted in our vision is a steadfast commitment to educating the whole child, a pursuit that defines us as the pride of our community, consistently achieving excellence in academics, arts, activities, and athletics. Grounded in our core values, which reflect the heart of who we are, we work closely with our stakeholders to bring this vision to life.

Guided by our strategic plan, we remain centered on our most important priority: putting students first. This plan, developed in collaboration with voices from across our community, provides a clear and unified path forward. We encourage you to explore the plan on our website to see how it shapes our collective work.

Strong schools are built on strong partnerships, and we are truly grateful for yours. Community engagement is key to our success, and we invite you to play an active role in shaping the future of our schools. One way to get involved is by serving on one of our school or district advisory councils. To share your interest, simply scan the QR code and complete the STMA Interest Indicator.

You'll also notice this year's calendar showcases student artwork that reflects the creativity and imagination of our learners. Their talents shine brightly and remind us that the arts are an essential component of a balanced, high-quality education.

Thank you for your continued trust and support, we never take it for granted. With optimism and a shared sense of purpose, we look forward to another successful year of learning, growth, and connection. Together, through collaboration and collective wisdom, we are shaping a brighter future and enriching the lives of our children, families, and community.

Here's to a year filled with meaningful moments and new accomplishments.
