

EXPECTATIONS FOR BLENDED LEARNING SUCCESS

Thriving in ABE means showing up each day ready to learn, staying connected with classmates and teachers, and asking for help when needed. With the right routines, support, and a positive mindset, students can grow and succeed!

A flexible and innovative online learning program designed for 1–5 grade students

— SUCCESSFUL AND ENGAGED STUDENTS...

- Participate in lessons and collaborate with classmates
- Remain logged on during all instruction
- Check Google Classroom and school email daily
- Use WCPS equipment as outlined in the Acceptable Use Policy
- Follow all WCPS Policies & Procedures including the WCPS Code of Conduct
- Contact teachers if additional support or clarification is needed
- Attend live in-person assessments, as required
- Have cameras on with entire face visible using blurred backgrounds
- Are fully dressed and in an appropriate, quiet space for classes

— SUPPORTIVE AND ENGAGED PARENT/GUARDIANS...

- Support regular attendance
- Ensure reliable internet for daily use
- Provide students with a suitable & quiet space with limited distractions for class
- Create a consistent daily schedule with meals, breaks, activity, & down time
- Communicate with teachers to support students
- Ensure that students are on time for classes and attend regularly
- Ensure student materials are picked-up on material exchange days
- Provide transportation for students to attend mandatory state/local testing
- Check student progress regularly on APEX, Google Classroom, & ParentVUE
- Ensure that WCPS has updated parent phone numbers and email addresses
- Contact school when students are sick or unable to attend class
- Encourage students to **stay in touch** with friends

WHAT DOES WCPS PROVIDE?

- Highly qualified educators
- Access to WCPS Essential Curriculum
- Use of a WCPS-issued Chromebook
- Participation in activities/events at home school
- In-home education at no extra cost
