<b>Score 2</b>	Moderate participation/success
<b>Score 1</b>	No participation/implementation not successful

**1<sup>st</sup>** – Use assessment rubric to rate each of the action points in districts Local Wellness Policy

Content details	Score #
<b>Nutrition Guidelines: Food and Beverages Sold</b> – -Under CN program all food & Beverages meet federal Nutritional standards and snacks are all Smart Snack approved. A determination will be made on snacks outside of meal service times.	3
<b>Nutrition Guidelines: Food and Beverages</b> Provided: District and SHAC will make a determination on how to proceed.	1
<b>Wellness Goals: Nutrition Promotion and Education</b> – Participation is encouraged and has leveled out. Will investigate ways of increasing participation	2
<b>Wellness Goals: Physical Activity</b> – There are multiple opportunities throughout district for PA outside of classroom. We will determine the best means of recording and keeping that data	3

## Comments for approval etc.

The SHAC plans to implement a more streamlined assessment tool and/or Wellness Plan and policy that allows for a more robust evaluation of district health goals and their implementation and will continue to meet all federal and state guidelines. We look forward to serving our community!
