LAS VIRGENES UNIFIED SCHOOL DISTRICT

CONTIGUOUS PARCEL EXEMPTION FORM
MEASURE "E" - 2026/27

Based upon the ballot measure placed by the Las Virgenes Unified School District for the November 3, 2015 election, any parcels that are contiguous to each other, used solely for owner-occupied single-family residential purposes and held under identical ownership may, upon approval of an application from the owners thereof submitted to the School District, be treated as a single parcel for purposes of the special assessment. Any one approved application from a qualified applicant will provide for such treatment for the remaining term of the assessment, so long as all of the parcels continue to be held under identical ownership and are owner-occupied. The Board of Education of the Las Virgenes Unified School District will approve this reduction in assessments upon filing of this application with the School District provided all information contained in the application is true and correct.
