10.B. Superintendent's Report

Superintendent Crosthwaite thanked Dr. Gilchick from the Los Angeles County Department of Public Health (DPH) for joining the Superintendent's Office on Facebook Live to discuss vaccinations, school re-openings, and safety protocols.

Superintendent Crosthwaite addressed Minnesota's verdict for the Derek Chauvin murder trial as a step in the right direction. He announced the coalition of African-American parents working with Lynwood Unified School District; the group has drafted a resolution, a call to action, for the District to further support its African American students.

Superintendent Crosthwaite highlighted the reopening of our schools: with Helen Keller and Washington Elementary opening on March 22nd, we now can report a full reopening of all District Elementary Schools. He profusely thanked District teachers who have volunteered to return to in-person instruction. Along with other school sites, he specifically thanked Ms. Verduzco of Washington Elementary School, whose site has seen a return of half of its teachers, including all of its 6th grade team.

Superintendent Crosthwaite emphasized to the community that Lynwood Unified School District has had zero transmissions of COVID-19 since the original shutdown in March of 2020. He encouraged concerned parents and community members to schedule appointments with their school sites to see safety protocols in place at our schools firsthand.

Superintendent Crosthwaite thanked Eddie Gonzalez, the creator of Netflix show, "On My Block," for participating as keynote speaker at Lynwood High School's Career Day. Other social media highlights included Lynwood Community Adult School's Nicholas Castellano's first place win in Technical Drafting at the SkillsUSA competition. He will be advancing to State Finals, representing LCAS and Region 3 of SkillsUSA. These two individuals are reminders of the talent coming from Lynwood Unified School District.

10.B.1. Presentations:

10.B.1.1. Facilities Update

Mr. Gregory Fromm, Chief Business Official of Business Services, addressed facility emergency resolutions. Resolution No. 20-21/24, approved on February 11, 2020, enables the timely transition for relocating Lynwood High School to Lynwood Middle School's campus. It allows for the repair and replacement of facilities, the procurement of equipment and services, and the necessary relocation of students and operations.

Because of the necessary relocation of students and the reconfiguration of operations caused by the unavailability of Lynwood High School, repairs and other equipment are needed at the District's middle schools and other campuses to provide adequately equipped facilities and available space for classroom instruction and essential educational services.

School Plans for Student Achievement (SPSA) - Plan Alignment

Dr. Shawna Dinkins, Assistant Superintendent of Educational Services, addressed Board Agenda Item No.

15.A.4.: Request Approval of School Plans for Student Achievement and District Parent and Family Engagement Policy. In this presentation, Dr. Dinkins spotlighted the District's Mission and Objectives, which

have guided the development and implementation of various plans we have aligned: Board Priorities, LCAP Goals, Equity, Diversity, and Inclusion Plan, and our School Plans for Student Achievement (SPSA). Dr. Dinkins expounded on the SPSA's continuous improvement cycle, emphasizing the monitoring and evaluation of the plan's effectiveness and need for stakeholder input, including that of our English Learner Advisory Committee (ELAC), the School Site Council (SSC), and school-site parents, staff, and students.

10.B.2. Recognition:

10.B.2.1. Nutrition Services

Mr. Fromm introduced Vanessa Jones, the Director of Child Nutrition, who assisted in the recognition of the hard work of over seventy-five Nutritional Services employees.

Superintendent Crosthwaite acknowledged the pandemic's shutdown began on March 13, 2020. The following Monday, March 16, 2020, our Nutritional Service workers' admirable arrival back to work, without hesitation to assist those in need in our community.

Mr. Morales added that the need to feed our students and our community did not stop when the pandemic arrived. He thanked the Nutrition Service workers for the blessing of their return to work and their dedication to our students.

10.C. Board Members' Reports

Mr. Del Real-Calleros thanked the Human Resources department for welcoming him back to the District and Superintendent Crosthwaite for enlightening him regarding the progress our District has made in light of distance learning.

Mr. Del Real-Calleros has been counting the days of virtual learning and is happy to see the return of students to campus. He thanked our teachers who opted to return to in-person instruction in our classrooms, and mentioned, as a teacher for LAUSD, he feels optimistic towards his own return to campus.

Mr. Del Real-Calleros, along with Dr. Castro, attended an English Language (EL) Professional Development workshop. The workshop provided insight into the progress the State of California has made since the repeal of Proposition 227.

Mr. Del Real-Calleros visited Lynwood High School to see progress made on the facilities update. He thanked Superintendent Crosthwaite for addressing the guilty verdict of Derek Chauvin for the murder of George Floyd, equating it to the Rodney King trials in the early 1990s, but with a better outcome.

Mr. Hardie welcomed students back to on-campus instruction and expressed excitement for school re-openings as his daughter returned to school. Mr. Hardie paid homage to District staff and teachers for their part in the reopening. He was highly satisfied with our schools' maintenance and following of protocols, along with the abundance of signage and direction for parents and students alike.

Mr. Hardie thanked Nutrition Services workers who courageously came back to work, even during closure, to make sure the community's needs were met. They are truly the unsung heroes of the Lynwood community.

Mr. Hardie also addressed the George Floyd murder trial, having been prepared for a let-down. With Chauvin's guilty verdict, we saw accountability and took another step towards justice in our country. Our nation made it clear that we are all entitled to liberty and our humanity. He hopes it is one day second-nature to do the right thing in our nation's law enforcement and criminal justice systems.

Dr. Castro thanked educators who have returned to campus and recognized staff and administrators who have worked hard to ensure our campuses are safe.

Dr. Castro announced her participation in the LCAP (Local Control Accountability Plan) process and the upcoming due date this July for a three-year Plan. She also reviewed District SPSAs, or Single Plan for Student

Achievement, which focus on growth, parent engagement, and students' college readiness. She reflected on Dr. Dinkins' highlight of the continuous improvement cycle and addressed Superintendent Crosthwaite, asking for additional time in the LCAP process for teachers to review and identify additional supports needed for our students.

Dr. Castro asked Superintendent Crosthwaite to use the additional one-time California Assembly Bill 86 funding (AB-86: COVID-19 Relief and School Reopening, Reporting, and Public Health Requirements) for student mentoring and tutoring as well as professional development for our teachers. She asked Superintendent Crosthwaite to consider creating a committee for additional support, to ideate summer learning and address issues such as pandemic trauma and early childhood education.

Dr. Castro called the Board to action, inviting them along with watching community members, to become part of the collaborative creation of the LCAP. With only 20 LCAP members for over 13,000 students, we need further involvement in the process. New members can drive student success with services for foster and unhoused youth, English Learners (ELs), newcomer students, special education students, and others of underserved populations. Dr. Castro wishes to reimagine education for the Lynwood community and close the achievement gaps in our schools.

Mr. Morales mentioned his school site visits regarding the student's return to in-person instruction, and specifically his alma mater, Washington Elementary School. He is proud of the drop-off zone and the protocols in place regarding COVID-19. Mr. Morales was excited about the upcoming Secure and Safe Entrance grand opening and appreciative of all of the labor-intensive work by MOT and staff to create durable guidance arrows.

Mr. Morales acknowledged the District's partnership with Think Together, supporting our classrooms with instructional assistance, tutoring, and substitute teacher staffing. He hopes things will go back to normal with increased vaccine availability.

Mr. Morales thanked Dr. Crosthwaite, and by extension, the Cabinet, for time spent and support given to the Board. Doing it all for the students at the end of the day. He wanted to inspire the Cabinet to do what they do best: to provide tools for our students' futures, and to be proud of them when they finish their path in the Lynwood Unified School District. He understands there is a long road ahead, but with the Cabinet's and Board's hard work, it can be achieved.

Mrs. Lopez thanked each of the Board Members and the Cabinet. She recognized as needs flow down and are delegated from Dr. Crosthwaite to the Cabinet, Cabinet will work together and can be counted on, which makes all the difference.

Mrs. Lopez turned her attention to the Board Agenda items to be passed, expressing her concerns with services being rendered prior to Board approval. Mrs. Lopez emphasized a need to give the Board a chance to review and approve agenda items rather than ratifying items in which services have already begun.

12. PUBLIC COMMENT/COMMUNICATIONS

The following individual submitted her public comment via live teleconference.

Maricruz Sanchez

Ms. Sanchez's son, Matthew, is a student at Firebaugh High School. She informed the Board that her son should be graduating this year, but his initial enrollment into elementary school was postponed due to his end-of-year birthday. Ms. Sanchez gave the Board a history of her son's bullying and lack of services which she believes to have led to his suffering academically. According to Ms. Sanchez, her son has not yet received the dyslexia accommodations he needs to achieve. After years of requesting further evaluations and services, her son was finally approved for Special Education services in 2020. She wants further help ensuring her son can graduate. She thanked Mr. Hardie for his attention to the issue.

Mrs. Lopez asked Superintendent Crosthwaite to assist Ms. Sanchez.

ITEM PULLED FOR SEPARATE VOTE

- 15.A.14. Request Approval to Enter into an Agreement with Local Muralists to Design Six Murals for the Lynwood Unified School District

Mr. Hardie motioned to discuss this item; Seconded by Dr. Castro.

Superintendent Crosthwaite gave further detail about the Agenda Item, reporting Visual and Performing Arts Coordinator Dr. Mariana Astorga-Almanza has been in conversation with local artists to add color to our schools through six murals at different campuses.

Mr. Morales desired to move the mural location at the current Lynwood Middle School campus, as the current location's view would be obstructed by portable classrooms.

Superintendent Crosthwaite clarified the mural committee will be collaborating with MOT regarding mural placement, cleaning, and durability.

Dr. Castro requested a preview of the mural designs prior to their execution. She asked for more promotion of the murals along with stakeholder input on the designs.

Superintendent Crosthwaite confirmed this Agenda Item merely requests approval to draft the proposal with the muralists; the designs will come after approval for each standalone mural, along with community input for a joint-effort mural to be designed and painted by members of the community. He emphasized how the diversity of muralists chosen best represents and engages our community.

Mr. Hardie mentioned a muralist contact he would like to share with the Board. He believes arts are a beautiful way to express culture and heritage and inspire our students.

Mr. Del Real-Calleros approved of the selection of muralists. He conceded with Mr. Hardie on the usage of vibrancy and pops of color in the murals, as these will facilitate inspiration for the students on campus.

Mr. Del Real-Calleros motioned to approve Agenda Item 15.A.14; Seconded by Dr. Castro.

Items passed with 4-0 votes, with one abstention.

17. ADJOURNMENT

These assignments are to be agreed upon by the affected teacher and approved by the Governing Board.

14.C.1. Review of Emergency Repairs and Consideration of Need for Continued Action at District Middle School Sites in Relation to the Transition of Moving Lynwood High School to Lynwood Middle School Campus

Rationale:

On February 11, 2021, the Board adopted Resolution No. 20-21/24, authorizing the emergency repair and replacement of facilities and procurement of equipment and services to enable timely transition of moving Lynwood High School to Lynwood Middle School campus. Because of the necessary student relocation and reconfiguration of operations caused by the unavailability of Lynwood High School, repairs and equipment are needed at the District's middle schools and other District campus sites to provide adequately equipped facilities and available space for classroom instruction and essential educational services. Resolution No. 20-21/24 delegated to the District's Superintendent or designee the authority to execute contracts and take all actions necessary to execute and implement those contracts, such that one or more contractors may be selected to perform the necessary emergency repairs.

If a person with authority delegated under Public Contract Section 22050(b) orders action under Section 22050 without giving notice for bids, that person is required to report to the Board of Education within specified time periods the reasons justifying why the emergency will not permit a delay resulting from a competitive solicitation for bids and why the action is necessary to respond to the emergency. Actions listed in the Public Contract Code include the repair or replacement of a public facility, the procurement of necessary equipment, services, and supplies, or other related and immediate action required in the case of emergency.

The Board of Education also is required to review the emergency action and determine, by a four-fifths vote and at each regularly scheduled meeting, that there is a need to continue the action taken. When the Board of Education reviews the emergency action, it must terminate the action at the earliest possible date that conditions warrant so that the remainder of the emergency action may be completed by giving notice for bids for contracts.

The administration requests approval to enter into an agreement with Azar Event Center to host the Breakthrough Coach training on July 26-27, 2021 and the Lynwood Unified School District Administrators' retreat on August 2-4, 2021.

Secretaries will gain the skills necessary to become highly efficient in their role as right-hand to their administrators.

The LUSD Administrators' Retreat is designed to team build and revisit the progress and goals of the current academic year while ensuring that all administrators are clear on their roles and responsibilities. In this three day retreat, the revised Strategic Plan will be used to guide the development of the District and site priorities based on the achievement data and other relevant indicators. The District and site priorities will include specific accountability measures to ensure alignment of resources and personnel.

15.B.2. Request Approval for Temporary Increase of Substitute Teacher Rate of Pay for Day-to-Day and Long-Term Assignments from May 14, 2021 to December 31, 2021

Rationale:

Administration requests approval for a temporary increase in the substitute teacher rate of pay from \$155 per day to \$180 per day for day-to-day assignments and from \$185 to \$210 for long-term assignments (21 or more days in same assignment) from May 14, 2021 to December 31, 2021.

As we return to more in-person instruction, in order to maintain safe, small student groups and appropriate supervision of students, we anticipate an increased need in substitute teacher assistance. Even before the pandemic, the recruitment of substitutes is an on-going issue in finding appropriate numbers of qualified subs, and there is a shortage of substitutes throughout the County. A temporary increase in the rate of pay will enhance the District's ability to recruit substitutes and make Lynwood Unified School District more attractive to subs who work for multiple Districts in the area to assist in our efforts in returning to in-person instruction and provide additional tutoring support, as needed.

Current sub rates for neighboring Districts are below:

DISTRICT	DAILY RATE	LONG-TERM RATE
ABC Unified School District	\$125	\$140
Compton Unified School District	\$180	\$245
Downey Unified School District	\$150	\$180
El Rancho Unified School District	\$150	\$210
Los Angeles Unified School District	\$202	\$273
Montebello Unified School District	\$160	\$200
Norwalk-La Mirada Unified School District	\$150	\$180
Paramount Unified School District	\$150	\$180
Torrance Unified School District	\$120	\$160

15.D.4. Request Approval to Renew Usage Agreement of the PeopleSoft Financial System with the Los Angeles County Office of Education for the 2021-2022 School Year

Rationale:

The administration requests approval to renew usage agreement of the PeopleSoft Financial System with the Los Angeles County Office of Education (LACOE) for the 2021-2022 school year.

A large majority of the Los Angeles County school districts are utilizing the LACOE PeopleSoft Financial System for various business applications including accounting, purchasing, and inventory. For school districts of our size, using the PeopleSoft System is less expensive than maintaining an in-house system due to the economy of scale. The estimated annual cost is approximately \$85,000.00.

Teen Pregnancy Prevention & Successful Parenting Education Month

RESOLUTION NO. 20-21/40

Designating May 2021 as Teen Pregnancy Prevention and Successful Parenting Education Month

WHEREAS, approximately one million teens in the United States become pregnant each year; and

WHEREAS, teen pregnancy compromises the health, economic, and educational future of our teens and costs our State hundreds of millions of dollars each year; and

WHEREAS, teen pregnancy affects disparate populations disproportionately; communities of color and economically disadvantaged are especially affected by a lack of resources and the negative effects of unplanned teen pregnancy and sexually transmitted disease, including HIV/AIDS; and

WHEREAS, teen pregnancy and sexually transmitted infection rates are not just the product of individual characteristics, but are substantially influenced by social determinants, including but not limited to: poverty, educational attainment, unemployment, and a lack of community engagement and social resources; and

WHEREAS, the increasing number of younger sexually-active female teens creates a larger group of teens at risk for sexually transmitted diseases; and

WHEREAS, teenage mothers often seek prenatal care late in their pregnancy, if at all, and they frequently suffer higher than average levels of toxemia, anemia, and cervical trauma; and

WHEREAS, babies born to teenage mothers are often born prematurely and with low birth weights which can result in long term disabilities and hundreds of thousands of dollars in hospital bills; and

WHEREAS, unemployment, underemployment, and dependence on public welfare are often a result of teenage parents' inability to complete their education; and

WHEREAS, pregnancy has been determined to be the greatest single cause of female students dropping out of school and teenage fathers are also significantly less likely to complete high school than their non-parenting peers; and

WHEREAS, reducing teen pregnancy and sexually transmitted infections is important to our community, and schools play a significant role in helping parents educate their children about sexuality and sexual health; and

WHEREAS, the Lynwood Unified School District (LUSD) believes that students-to protect their health-deserve accurate, balanced sexuality information and assistance in developing skills in communication and making healthy decisions; that they can make healthy, safe, and responsible choices and good decisions for their future when they are given knowledge, skills, and access to services; and

WHEREAS, the LUSD Board of Education values and encourages the development of public health strategies based on science and evidence, focused on prevention, centered on the community, and guided by the principles of social justice; and

WHEREAS, the LUSD Board of Education recognizes community concerns to improve adolescent health and provide supportive environments which demonstrate that we as a community value our youth and their place in our society; and

WHEREAS, both research and experience demonstrate that by protecting their educational rights, providing high quality educational options, and assuring access to support services such as child care and case management, schools can help to ensure the educational and future success of both pregnant and parenting teens and their children.

NOW, THEREFORE, BE IT RESOLVED that the Lynwood Unified School District Board of Education supports comprehensive, medically accurate sex education, that is age and developmentally appropriate, is free of bias and discrimination, and embodies the values of honesty, respect, and responsibility.

BE IT FURTHER RESOLVED that the Lynwood United School District advocate and support programs, as well as engage in broad-based, district-wide efforts and strategies, involving parents, media, churches, businesses, agencies, educational institutions, policymakers, and health care providers to prevent adolescent pregnancy and its associated problems.

BE IT FURTHER RESOLVED that it is our goal to ensure equal access to quality educational programs and support services that are critical to removing barriers to school success for young parents and their children.

BE IT FINALLY RESOLVED that the Lynwood Unified School District Board of Education hereby proclaim the month of May 2020, as "TEEN PREGNANCY PREVENTION AND SUCCESSFUL PARENTING EDUCATION MONTH" and supports all efforts to reduce unintended parenthood and teen pregnancy and to provide resources to parenting teens.
