

Welcome

Regular Board of Education Meeting October 8, 2020

Closed Session: 5:30 p.m.
Open Session: 6:00 p.m.

Closed Session

October 8, 2020
5:30 p.m.

Thank you for joining us.
The public meeting will begin as soon as the
Board of Education reconvenes into Open Session.

Welcome

Regular Board of Education Meeting October 8, 2020

Open Session: 6:00 p.m.

Student Reports

10.A.1. Vista High School

10.A.2. Firebaugh High School

10.A.3. Lynwood High School

10.A.4. Lynwood Community Adult School

10.A.5. Pathway High School

Superintendent Presentation

October 8, 2020

Facilities Update

Lynwood HS Emergency Repair

Recap

- June 16, 2020 sudden collapse of ceiling soffit
- District hired structural engineer:
 - analyzed plans and specifications
 - inspected buildings
 - coordinated with Division of State Architect
- Engineer opinions:
 - Areas with same design and construction as collapse present a risk of same failure
 - Falling plaster and other materials could cause serious injury or death, property damage
 - Failure could occur at any time
- District has acute shortage of facilities:
 - COVID-19 social distancing protocols reduce maximum occupancy levels of school buildings
 - Lack of capacity exists upon reopening under either a hybrid instructional model or full reopening

Facilities Update

- The emergency situation will not permit delay for bidding, and (2) the repair work contracts are needed to respond to the emergency because:
 - There is ongoing risk of imminent collapse and danger of physical injury, property damage
 - Delay for bidding would result in danger extending into year 2021
 - Facilities shortage continues due to health measures
 - Public health issues and reopening status remain fluid and dynamic
 - Changing status of LA County COVID-19 metrics
 - Uncertainty of progression under State tiers
 - School districts within County currently can reopen with waivers, some are in process

Facilities Update

Demo started on the Shower/Locker Room on October 5th

Complete a "mock interview"	60%	80% 69%	✓ 75%	NA 100
Participate in an SLO-Skills USA, CAIHOSA etc.	50%	60% ✓63%	✓ 75%	✓ 84% 75%
Participate in a community service event or greater global event ** Need To Define Better	50%	75% ✓88% Invited to Participate	✓ 100% Invited to Participate- Consider part of CTSO ?	✓ 100 100%
"Mock Application"	80%	90% 69%	✓ 75%	✓ 100% 100%

CalAPS Progress

CalAPS commits to providing learning opportunities based on labor trends, the local labor market, student interests and when appropriate, aligned to districts' CTE pathway sequences.

	Year 2	Year 3	Year 4	Year 5
Aligned to BUSD PW	50%	Monitor ✓82%	✓ 89%	Monitor
Aligned to LUSD PW	50%	Monitor ✓75%	✓ 89%	Monitor
CalAPS PW	69%	75% 67%	✓ 94%	✓ 96% 80%
CA/LA Job Growth <10%	25%	23% ✓14%	✓ 13%	15% ✓13%
CA/LA Job Growth <15%	30%	30% 36%	✓ 31%	35% *Revise to 30%
CA/LA Job Growth >15%	45%	47% ✓53%	✓ 56%	50% *Revise to 55%

Sectors/Pathways

Courses Offered In The Following Sectors:

- Education, Child Development & Family Services
- Fashion & Interior Design
- Hospitality, Tourism and Recreation
- Information & Communication Technologies
- Marketing, Sales and Services
- Health Science and Medical Technology
- Manufacturing and Product Development
- Public Services
- Building and Constructions Trades
- Arts, Media & Entertainment

Courses Added in 2019-2020

- Health Occupations Course 2
- Esports Gaming Course 1 & 2
- Fashion, Apparel, Merchandising & Design 1 & 2
- Firefighting Occupations Course 3- EMR
- Stage Production Technology 1 & 2

No New Courses Added in 2020-2021

Current Courses

- Early Childhood
- Baking and Pastry
- Careers In Education
- Culinary Arts
- Esports Gaming 1 & 2
- EMT
- Entrepreneur 1 & 2
- Firefighting 1, 2 & 3
- Athletic Training
- Health Occupations 1 & 2
- Heavy Construction 1 & 2
- Graphic Production
- Law Enforcement 1 & 2
- Makerspace 1 & 2
- Fashion, Apparel, Merchandising & Design 1 & 2
- Stage Production Technology 1 & 2

- Enrollment Numbers
 - 334 Distance Learning After-school
 - 341 Distance Learning During the Day TOTAL = 675
- *Increase of 162 Compared to Fall 2019

Courses Within The Day or On-Site Only

- Bellflower High - Stage Production
Technology, Athletic Training, Diversified
- Buena Vista High- Graphic Production
- Firebaugh High- Health Occupations
Esports Gaming (Spring Semester)
- Mayfair High- Athletic Training
- Odyssey Stem Academy-
Makespace/Art

Current Industry Partners

- LA City Fire
- LA County Fire
- Think Together After-School Program
- LA County Emergency Medical Services
- Labwerkz Print Shop
- Cassidy's Corner
- Lakewood Regional Medical Center
- City of Lakewood
- Farmers and Merchant Bank
- Southwest
- Carpenter's Union
- Bigger Hammer
- Workforce Development Board
- Game Crossing LLC
- JC Customs
- LGE-CTS

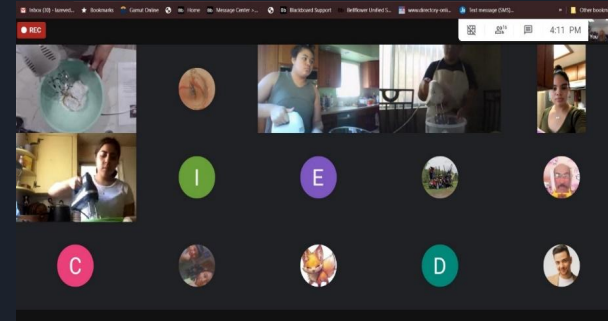

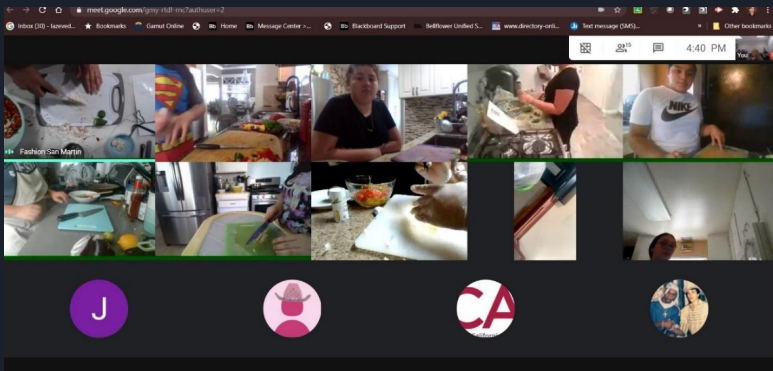

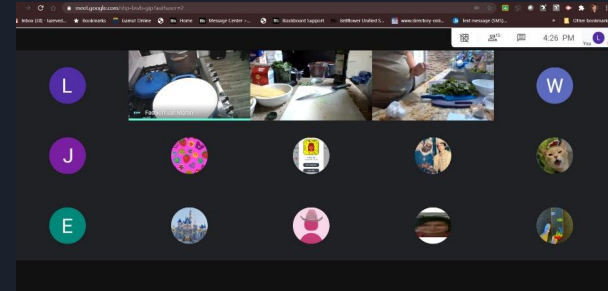

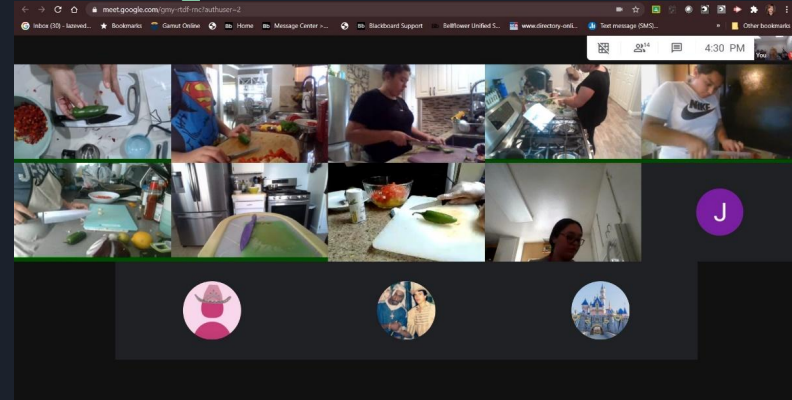

Current Industry Certifications/Dual Enrollment/Credit By Exam

- Fire 1- LBCC Credit By Exam
- Culinary Arts & Baking/Pastry- CCC Credit by Exam
- Fire 1, 2 or 3- LA Metro- West LA College Credit
- EKG, Medical Lab Tech- CCC Dual Enrollment
- EMT- National Registry Exam, California EMT License
- Southwest Carpenters Union- Certification
- Health Occupations, Firefighting, Law Enforcement- CPR/First Aid/AED Certification
- Athletic Training- CCC Credit by Exam
- Careers in Education 2- CCC Credit by Exam

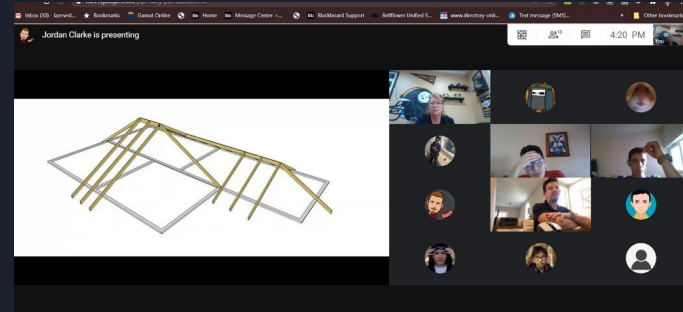

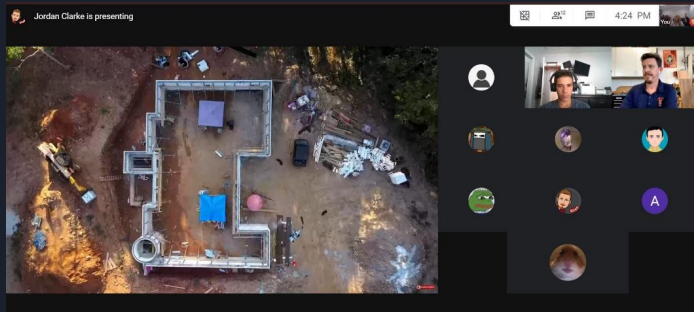

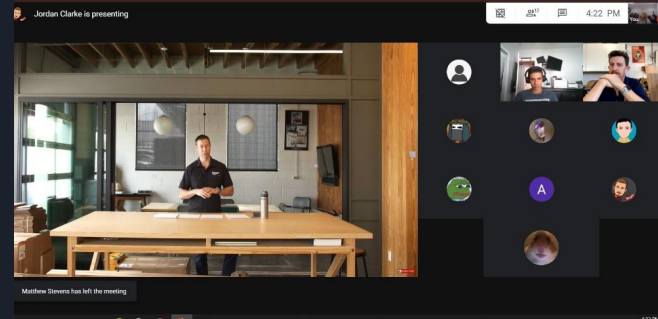

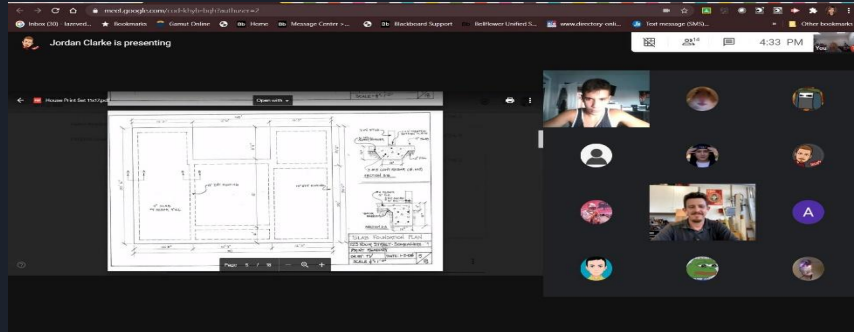

CTE Distance Learning

What does that look like?

Culinary Arts & Baking & Pastry With Fashion San Martin

Heavy Construction With Jordan Clarke

Careers In Education & Early Childhood With Isel Taylor

Isel Taylor is presenting

Bloom's Taxonomy

- Create**: combining information, concepts, theories to form a unique product, response, creation and originality.
- Evaluate**: making decisions and supporting views, requires understanding of values.
- Analyze**: identifying components, determining structure, logic and semantics, determining conditions and consequences.
- Apply**: transferring abstract or theoretical ideas to practical situations.
- Understand**: relating to your own words, paraphrasing, summarizing, discussing.
- Remember**: memorizing information, recalling, being able to remember, but not fully understand the material.

Intelligent Lighting

Intelligent Lighting refers to any light that has an onboard system of control.

Intelligent lights have different **channels** that control different features. Some of those features include **intensity**, **color**, **pan**, **tilt**, and **strobe**, to name a few.

Intelligent lighting is controlled by data. More specifically, this protocol is called **DMX**.

Often time, the light source in intelligent lighting is **LED**.

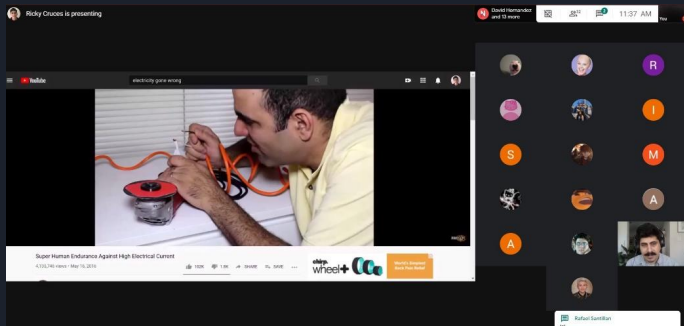

The image shows a Google Meet window. On the left, a presentation slide titled 'Intelligent Lighting' is displayed. The slide contains text explaining that intelligent lighting has an onboard control system with channels for intensity, color, pan, tilt, and strobe, and is controlled via the DMX protocol using LED sources. On the right, a grid of participant avatars is visible, with one participant's video feed shown in a larger window at the bottom right.

Ricky Cruces is presenting

David Hernandez and 10 more

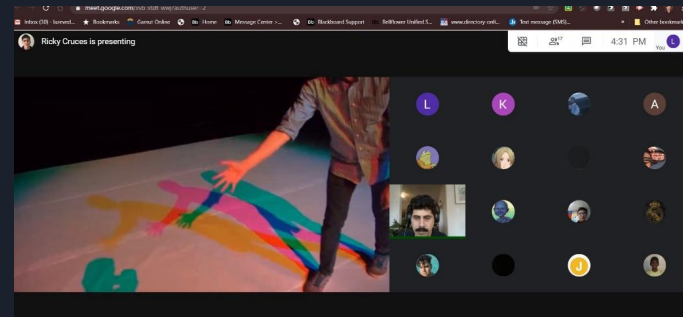

11:37 AM

The image shows a Google Meet window. On the left, a YouTube video player is embedded, showing a man in a yellow shirt working with electrical equipment. The video title is 'Super Human Endurance Against High Electrical Current'. On the right, a grid of participant avatars is visible, with one participant's video feed shown in a larger window at the bottom right.

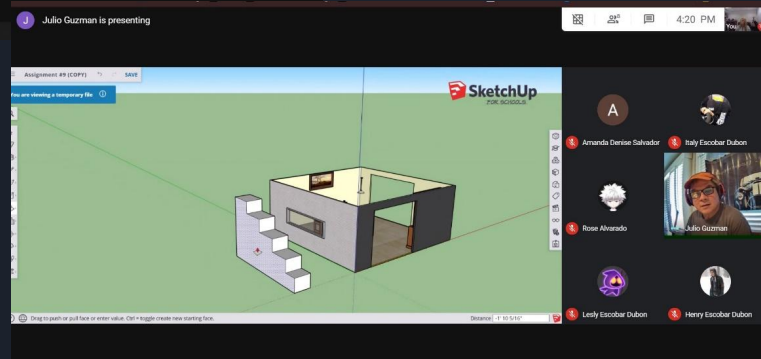

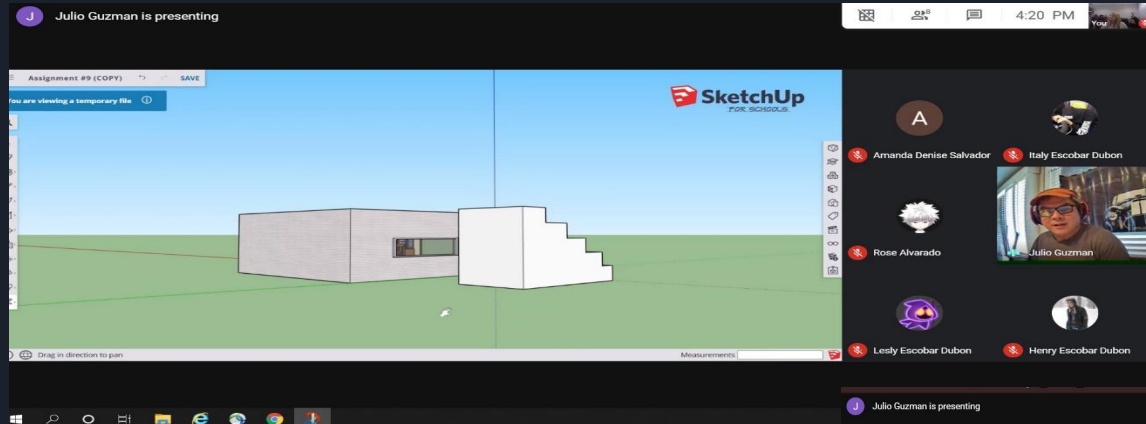

Ricky Cruces is presenting

4:31 PM

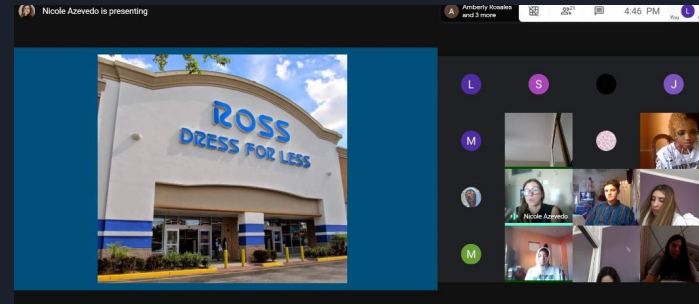

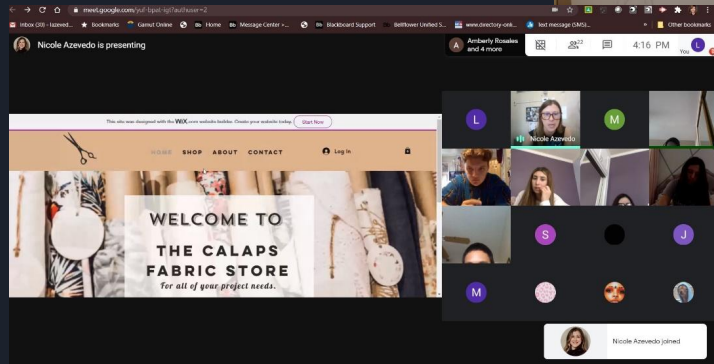

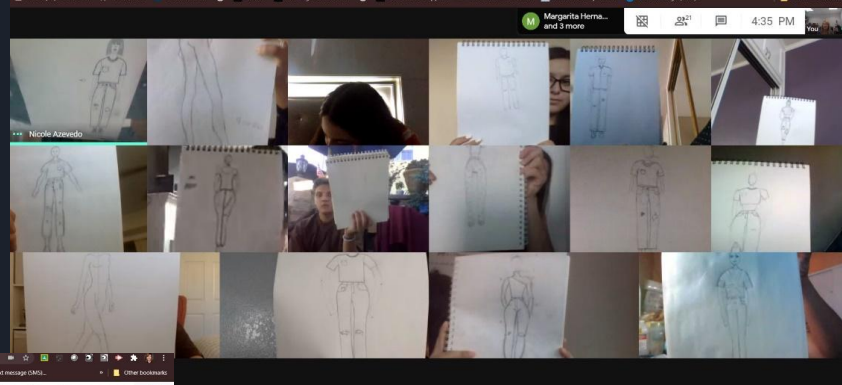

The image shows a Google Meet window. On the left, a large video feed shows a person interacting with a large, colorful, abstract projection on a stage. On the right, a grid of participant avatars is visible, with one participant's video feed shown in a larger window at the bottom right.

Health Occupations 1 & 2

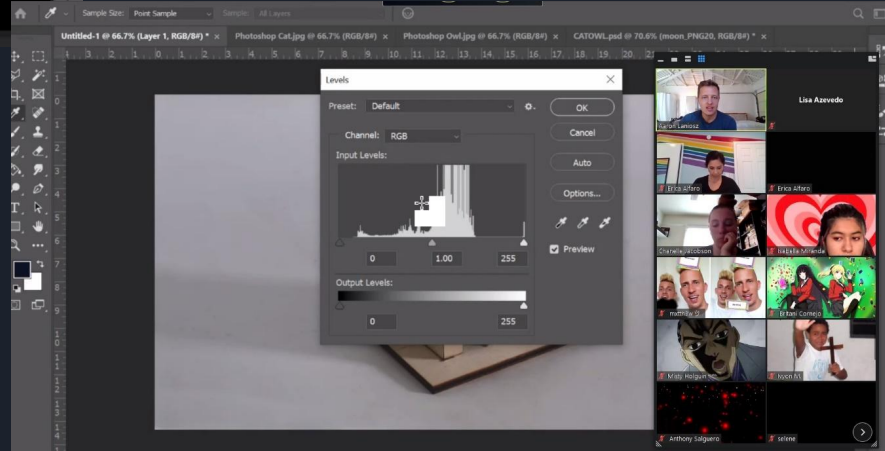

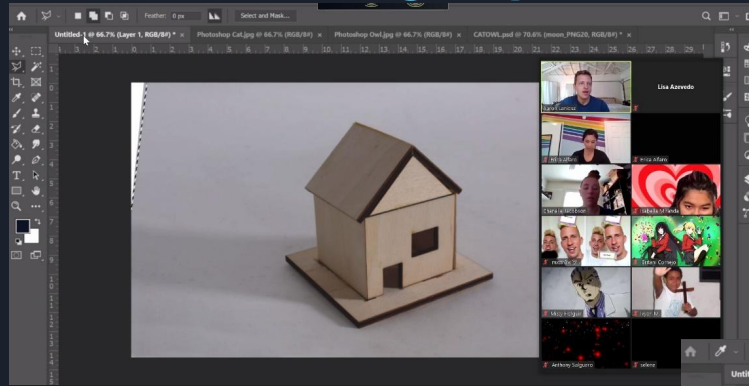

With Jasmine Jenkins

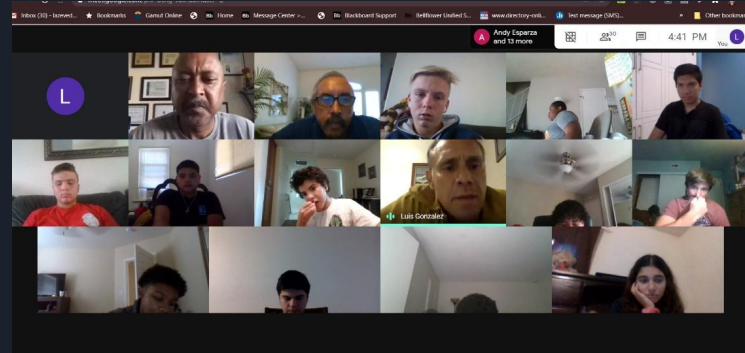

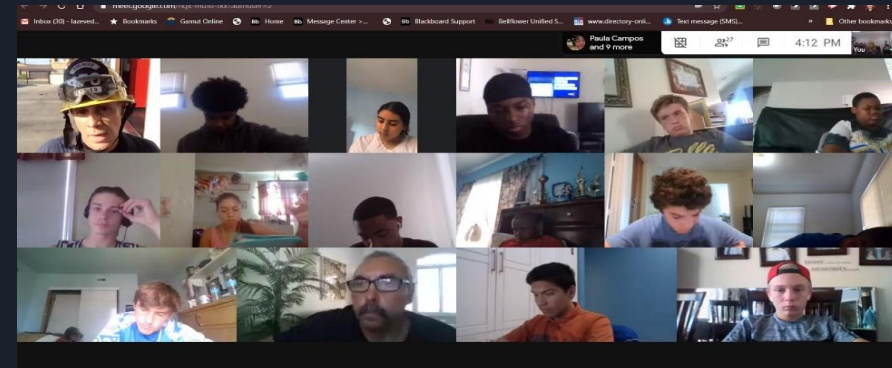

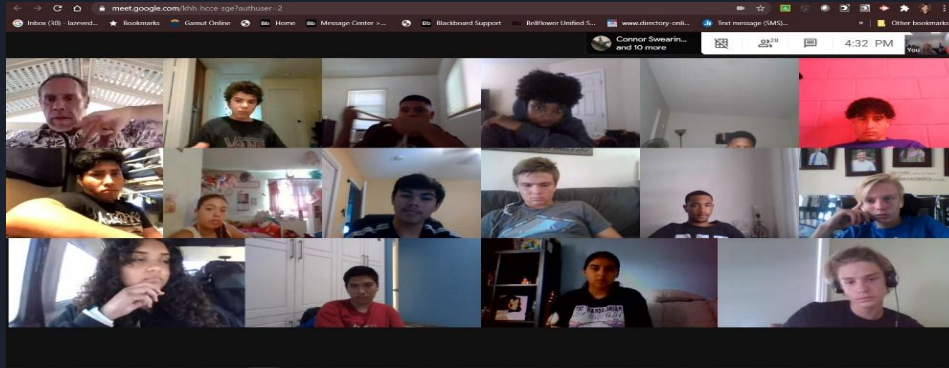

Health Occupations 1 With Mina Garcia & Judith Varma

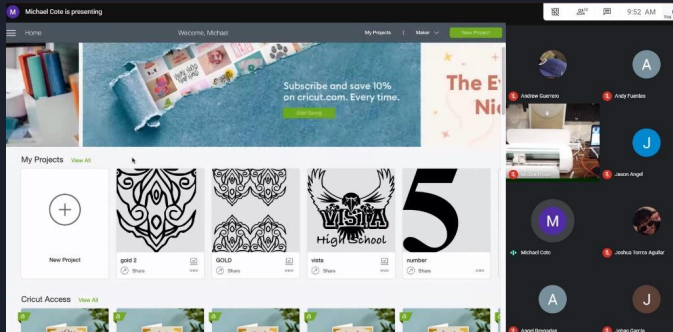

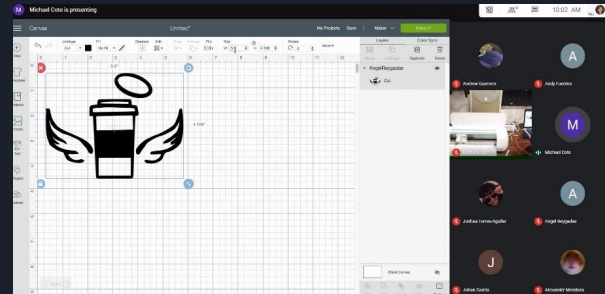

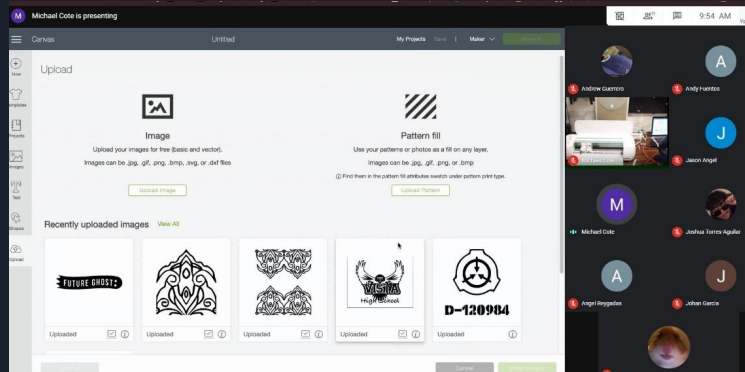

Art/Makerspace- Odyssey Stem With Erika Alfaro

Firefighting With Luis Gonzales, Abel Avalos, Alvarez Perez & Brent Burton

Graphic Production- Vista High With Michael Cote

Goals for 2020-2021

- Provide Support/Resources to Teachers Focused Upon Google Classroom- Distance Learning
- Offer Student “Kits” To Develop CTE Skills During Distance Learning
- Provide Oxford Academy Medical Simulations to Health Pathway Students
- Provide iCEV online
- Improve Pathway Completion Rates
- Continue To Improve Current Courses
 - Certificate For Each PW/Or Exam
 - Additional Dual Enrollment or Articulation Agreements
- Apply for Additional Grants
 - K12 SWP 20-21

Questions...

Presentation

Charles Drew
Partnership

Charles Drew Partnership

- Establishment of Programs to increase access to STEM based instruments
- Provide a targeted and focused middle school program
- Establish a Pathway of matriculation to undergrad education a CDU.
- Leverage the talents and resources of both institutions in transforming the economic, cultural and social environment of the greater los angeles area.

Charles Drew Partnership

- Provide LUSD students with priority access to other pipeline programs, including but not limited to:
 - Saturday Science Academy
 - Med-Stimulations, Opportunity Scholars, Public Health Academy (PHA)
 - Admission to CDU
