AGENDA ITEM: REQUEST APPROVAL OF ENROLLMENT INTO SWETT & CRAWFORD, A CGSC COMPANY, VOLUNTARY GROUP SUPPLEMENTAL INSURANCE PROGRAMS

BACKGROUND INFORMATION:

Staff requests approval of enrollment into the Swett & Crawford voluntary group supplemental insurance programs.

Swett & Crawford, a CGSC Company, offers enrollment in group supplemental insurance plans, through Transamerica Life Insurance Company and Combined Insurance Company of America, to individuals on a voluntary and optional basis. Plan benefits include specified accident and sickness, specified illness (including critical care, cancer protection, and bridge of medical gap), and life insurance.

These benefits supplement the medical and life insurance benefits offered by the District and are optional for employee purchase. By providing these benefits as part of a group plan, individuals who would otherwise be ineligible for coverage due to a pre-existing condition may be eligible for coverage under this option. The program allows employees to purchase the supplemental insurance via Swett & Crawford and the premium will be deducted monthly from employees' paychecks, without interest.

Swett & Crawford has presented the information to the District Health Insurance Committee and the Committee has expressed interest in providing their members the access to these products. Participation is strictly voluntary but in order for the employees to purchase these services, the District needs to enroll as a participant of the program.

Teen Pregnancy Prevention

RESOLUTION NO. 14-15/27

DESIGNATING MAY, 2015 AS TEEN PREGNANCY AND PARENTING EDUCATIONAL SUCCESS MONTH

WHEREAS, approximately one million teens in the United States become pregnant each year; and

WHEREAS, teen pregnancy compromises the health, economic and educational future of our teens and costs our State hundreds of millions of dollars each year; and

WHEREAS, teen pregnancy affects disparate populations disproportionately; communities of color and economically disadvantaged are especially affected by a lack of resources and the negative effects of unplanned teen pregnancy and sexually transmitted disease, including HIV/Aids; and

WHEREAS, teen pregnancy and sexually transmitted infection rates are not just the product of individual characteristics, but are substantially influenced by social determinants, including but not limited to: poverty, educational attainment, unemployment, and a lack of community engagement and social resources; and

WHEREAS, in 2013, there were 26.5 births for every 1,000 adolescent females aged 15-19, or 273,195 babies born to females in this age group, making the U.S. teen birth rate if higher than that of many other developed countries, including Canada and the United Kingdom.

WHEREAS, the State of California ranked 21 out of 51 states (50 states + the District of Columbia) on the 2013 final teen birth rates among females ages 15-19; and

WHEREAS, the increase in the number of younger sexually-active female teens creates a larger group of teens at risk for sexually transmitted diseases; and

WHEREAS, teenage mothers often seek prenatal care late in their pregnancy, if at all, and they frequently suffer higher than average levels of toxemia, anemia and cervical trauma; and

WHEREAS, babies born to teenage mothers are often born prematurely and with low birth weights which can result in long term disabilities and hundreds of thousands of dollars in hospital bills; and

WHEREAS, unemployment, underemployment and dependence on public welfare are often a result of teenage parents' inability to complete their education; and

WHEREAS, pregnancy has been determined to be the greatest single cause of female students dropping out of school and teenage fathers are also significantly less likely to complete high school than their non-parenting peers; and

WHEREAS, reducing teen pregnancy and sexually transmitted infections is important to our community, and schools play a significant role in helping parents educate their children about sexuality and sexual health; and

WHEREAS, the LUSD believes that students—to protect their health—deserve accurate, balanced sexuality information and assistance in developing skills in communication and making healthy decisions; that they can make healthy, safe, and responsible choices and good decisions for their future when they are given knowledge, skills, and access to services; and

WHEREAS, the LUSD Board of Education values and encourages the development of public health strategies based on science and evidence, focused on prevention, centered on the community, and guided by the principles of social justice, and

WHEREAS, the LUSD Board of Education recognizes community concerns to improve adolescent health and provide supportive environments which demonstrate that we as a community value our youth and their place in our society; and

WHEREAS, both research and experience demonstrate that by protecting their educational rights, providing high quality educational options, and assuring access to support services such as child care and case management, schools can help to ensure the educational and future success of both pregnant and parenting teens and their children.

NOW, THEREFORE, BE IT RESOLVED, that the Lynwood Unified School District Board of Education supports comprehensive, medically accurate sex education, that is age and developmentally appropriate, is free of bias and discrimination, and embodies the values of honesty, respect, and responsibility.

BE IT FURTHER RESOLVED, that the Lynwood Unified School District advocate and support programs, as well as engage in broad-based, district-wide efforts and strategies, involving parents, media, churches, businesses, agencies, educational institutions, policymakers, and health care providers to prevent adolescent pregnancy and its associated problems;

BE IT FURTHER RESOLVED, that it is our goal to ensure equal access to the quality educational programs and support services that are critical to removing barriers to school success for young parents and their children.

BE IT FURTHER RESOLVED, that the Lynwood Unified School District, in collaboration with the City of Lynwood, host a Teen Parenting and Pregnancy Prevention event on May 14, 2015 at Bateman Hall to support, empower, and provide resources to pregnant and parenting teens;

BE IT FINALLY RESOLVED, that the Lynwood Unified School District Board of Education hereby proclaim May 2015, as "TEEN PREGNANCY AND PARENTING EDUCATIONAL SUCCESS MONTH" and supports all efforts to reduce unintended parenthood and teen pregnancy and to provide resources to parenting teens.

▪ **Board Members' Reports**

- **Mr. Morales** commented how Board members do not always know the specific needs of every school in the District. His recent visit to Lynwood High School made him aware of the condition of the athletic gym. He said he would not have known of the condition of the facility and the sports equipment if not for this actual visit to the school site. He emphasized the importance of providing students with the proper resources, not only academically but also in the areas of sports. Mr. Morales made a commitment to address this particular need within the next 12 months.

Mrs. Lopez added that principals should bring to the Superintendent's attention what is lacking in the schools and communicate those needs to the Board. She said it is important for administrators and the Board to be on the same page in this regard.

MINUTES
REGULAR MEETING
OF THE BOARD OF EDUCATION
TUESDAY, April 14, 2015

Mr. Morales agreed with Mrs. Lopez and added that the work of improving schools will never be done. This was the same message he gave at the recent Principals' meeting. His comment earlier was not meant to be given as a bad note. He said the Board will not always highlight the positive things happening at the District, but instead share how they intend to responsibly address issues and areas for improvement. Mr. Morales reported that the District will soon have an educational foundation that will help raise funds for much needed resources. This is an example of how the Board strives to do their part, while acknowledging the valuable work every LUSD staff does. On that note, Mr. Morales shared his experience working with Ms. Jackie Brown serving students at Rosa Parks. It gave him an opportunity to see the quality of service LUSD staff provide, as well as the challenges they face.

- **Ms. Alma-Delia Renteria** reiterated the need for staff and administrators to be accountable and communicate the school needs to the Superintendent and the Board. As Mr. Morales has stated, Board members have their own 9 to 5 jobs and are not at school sites all the time to be aware of their problems and needs. However, she said Board members are willing to sacrifice and add school visits to their busy schedules.

Ms. Renteria visited 6 elementary schools last week. She remarked how there are good things happening in the classrooms that the District needs to highlight. She was pleased to see 2nd graders engage in "one-step math" – a Common Core exercise. She was excited to observe 3rd graders complete their ELA performance test, ably writing more than 4 paragraphs. She also highlighted how the AVID program is now offered at the elementary level and that 6th graders are already looking into colleges/universities. She hopes that these types of experience are highlighted in press releases. On the contrary, Ms. Renteria also acknowledged the much needed technology upgrade at all schools. She is excited to see what Chief Technology Officer, Mr. Gittisriboongul, can do to ensure schools have the technology students deserve. Ms. Renteria shared how she intentionally seeks to see the good things happening at the school sites, as well as issues that need to be addressed.

Ms. Renteria made a personal recommendation for the white walls at Abbott ES to be painted with artwork. She said this is an opportunity to engage the community, specifically local artists, to help enhance the learning environment.

- **Ms. Gonzalez** reported her partnership with former Lynwood Mayor, Ms. Aide Castro, in putting together an event focusing on Teen Parent Awareness and Prevention. St. Francis Medical Center and other local businesses have extended their support for this endeavor. Ms. Gonzalez said students who face obstacles, including teenage pregnancy, should be afforded opportunities to continue their education, pursue college and prepare themselves for a career. This is the 2nd annual event, which she hopes will not be a one-day occasion, but an ongoing effort to provide assistance and resources to students in this life situation. Ms. Gonzalez thanked staff who are working in different committees to make this event a successful one.

Ms. Gonzalez shared that the District is looking into partnering with the Latino International Film Institute, a program spearheaded by actor Edward James Olmos. Industry professionals will co-instruct with regular teachers in film-making, particularly in directing, scriptwriting, filming, editing and casting.

Ms. Gonzalez asked administrators to inform Early Childhood, preschool, and child care staff of the availability of stipends for those who are working and at the same time continuing their education. Information is available on the Office of Child Care website under "Educating Early Childhood Educators" link, and on the LAUP website under the "Aspire" link.

- **Mr. Gary Hardie, Jr.** said he was aware of the condition of the high school gym and joins Mr. Morales in the commitment to address the athletic needs. He reminded senior students to be "safe and smart" as they go to their life-changing, memorable prom.

Mr. Hardie welcomed SEIU members in purple and gold. He shared that one of his best days as a Board member was serving alongside staff in the cafeteria and driving a golf cart at FHS campus. He commended staff for their genuine concern for students, treating them like their own children. Mr. Hardie remarked that

when a staff member refers to students as “my kids”, it is evidence of one taking ownership and responsibility to look after LUSD students and embrace them as family. He thanked staff for taking part in the process of breaking barriers for kids who are victims of their environment. He added that it is important that adults serve as models for these children. He said every staff member plays a different role, yet everyone is in the same team.

- **Mrs. Lopez** reported visiting 17 schools and all the preschools, as her vacation permitted. She inquired about the ongoing construction at Abbott ES and commented how the work should have been completed sooner, especially since there is only an office that needs to be rebuilt after being damaged by a fire. Mr. Gothold confirmed that the work is being paid for by the fire insurance coverage and committed to provide the Board with the timeline of the project.

Mrs. Lopez thanked administrators, teachers, principals and staff, who responded to the solicitation for donation toward the Marco Antonio Firebaugh Fundraising Dinner. She shared that 110 tickets were sold, but that donations are still welcomed to benefit more AB540 students at the three high schools.

○ **PUBLIC COMMENT/COMMUNICATIONS**

No action or discussion is permitted on any item not included on the posted agenda per GC§ 54954.2 (a).

No action may be taken and no discussion held on items raised by the public except as provided in GC§54954.2 (b).

Ms. Peggy Wilson, District Records Technician, greeted the Board and all bargaining unit representatives. She inquired about a correspondence she had sent the Board members (of which Mrs. Lopez confirmed receipt). Ms. Wilson asked the Board to reconsider realignment of the position she holds (District Records Technician), especially as they negotiate with CSEA. She stated that the Department of Homeland Security (DHS) has created a new dynamic for the position she holds and for her department. She remarked that the same may be true throughout the country. She added that the Student Services staff have more experience and perspective with the impact of the new DHS provisions, more than their superiors, that it becomes necessary to communicate these issues to those who should be held accountable. Her correspondence provided a glimpse of what is going on at the Student Services Dept. She said that she personally continues to perform her duties under circumstances beyond her control. She hopes to work together with administration and the Board in determining how to make student records available. She also offered the Board a job description and recommendation for the position she holds.

Ms. Linda Vaughan waived her time to speak before the Board, stating that the Superintendent had already addressed her concerns.

Mr. Anthony Jackson highlighted for the Board the longevity of his service and involvement at LUSD. He shared that he was a 1979 LHS graduate and that his three daughters, who are pursuing their careers, are also LUSD alumni. He asked the Board, as they go through contract negotiations, to consider their hard work and the time they have given to the District. He hopes that the negotiations will be done with fairness.

Ms. Aurora Vergara shared that she had been a campus monitor for three years and a food service worker for 20 years now. She invited Board members to visit the school sites and experience what service workers do for the District.

Ms. Sylvia Amezquita, is a LUSD parent and also a campus monitor. She brings with her nine years of experience as campus monitor at a different district. She has four daughters enrolled at LUSD. She said that she treats every student at Wilson ES as her own. She is a proud member of SEIU/Local 99.

Ms. Jackie Brown thanked Mr. Hardie, Ms. Gonzalez, and Mr. Morales, for having spent a day working along food service workers at Rosa Parks. She invited Ms. Renteria and Mrs. Lopez to do the same and offered to set up the day and time for their visits. She distributed copies of the Local 99 newsletter, which highlights accomplishments in 2014 – including the “Walk-a-Day” (referring to the Board members’ visit).

Ms. Saliem Aregaye, SEIU/Local 99 Representative, said she looks forward to the negotiations. Referring to earlier public comments given before her, she said these are personal stories of parents, community members, and workers, who are dedicated to LUSD. She remarked that SEIU is committed to help retain and attract the best people to work for LUSD.

Mr. Adolfo Lezama shared that he has worked at LUSD for a total of 25 years (15 years as an employee, 10 years as a volunteer). He has raised his children in Lynwood. He pleaded for the Board to give campus monitors more hours to work. As he approaches retirement, he was disappointed to discover that he does not have retirement benefits due to the limited hours that he worked (as part-time). He asked the Board to grant him more working hours to be entitled to benefits and added that he loved working with the students.

CONSENT AGENDA

All items on the Consent Agenda will be approved with one motion, which is not debatable and which requires a unanimous vote for passage, and if any member of the Board, the Superintendent, or the public, so requests, an item shall be removed from this section and placed in the regular order of business following the approval of the Consent Agenda.
