Good Evening Board President Briseida Gonzalez and the board of education, Superintendent Gothold, Members of the Cabinet, and the Lynwood Community, my name is Samantha Torres, and I am the Student Board Representative and ASB representative for Vista High School.

During the last three weeks, Vista has been very busy promoting "Celebrate My Drive" a campaign that promotes safe driving. Out of 3,000 schools that participated, Vista ranked in the top 100. The final ranking numbers will be released December 1, 2014. At that time we will find out if Vista won either \$25,000 or \$100, 000.00. Whether we win or lose, Vista is very grateful for everyone that committed and pledged to be safe drivers. A special thanks to FHS and LHS for supporting Vista in this event.

On Monday, October 27, 2014, over thirty Vista students attended CSUDH for a campus field trip. Students toured the campus and received information on admission and academic programs available for students.

We had two guest speakers who were cancer survivors share their stories and explain the importance of being aware of symptoms and how to be a support for family and friends who've had cancer. A special memory was conducted for friends and family members who have passed away from cancer.

TO: Board of Education, Superintendent and Cabinet

FROM: Debra Ramirez, ASB President

SUBJECT: Student Board Report

Board President Ms. Gonzalez, Members of the Board of Education, Superintendent Paul Gothold, Lynwood Unified School District officials, fellow students, friends, and family members. Good evening.

My name is Debra Ramirez, and I am the Associated Student Body President at Lynwood Community Adult School.

The Lynwood Community Adult School is finishing the month of October with a flourish. Today, the Adult School hosted a luncheon honoring Students of the Month for September and October. Approximately, forty-nine students from the Atlantic Site, and thirty-one students from the Imperial Site were recognized for their academic achievement (B or better), consistent leadership and contribution to the learning environment, and their superior attendance. We, at the Adult School, believe that this tradition of student recognition supports our philosophy of empowering students to become successful in the workplace, home, and the community.

Students in the English as a Second Language (ESL), Adult Basic Education (ABE), and the Adult Secondary Education (ASE) programs have just completed their pre-testing portion of the Comprehensive Adult Student Assessment System (CASAS). Because the Adult School receives federal funds from Title 1 of the Workforce Investment Act, this testing is required, and the results are used to demonstrate learning gains.

On October 31, 2014, the Tri City Regional Adult Education Consortium of Lynwood Unified School District, Compton Unified, Paramount Unified School District, and El Camino Compton Center will submit its preliminary regional comprehensive plan. The Tri City Adult Education Consortium will continue to meet every Tuesday until the plan is finalized.
