To: Board of Education
From: Jacqueline Godoy, Student Board Representative

Good evening Board President Briseida Gonzales, Board Members, Superintendent Mr. Paul Gothold, District Cabinet Members and Lynwood Community. My name is Jacqueline Godoy, Student Board Representative from Marco Antonio Firebaugh High, and this is our Board Report for September 9th, 2014.

FHS

This Friday, September 12th will be our Back to School Pep Rally. Cheer & Drill will perform and there will be a class competition including a teacher team. This will be the first in many class competitions to see who will hold the title of Class of the Year for 2014-2015. Another pep rally will be held next Friday, September 19th for our fall sports teams. We'll be introducing football, girls volleyball, tennis, girls golf, and cross country to the student body - and another class competition will take place.

The student body has been getting used to the new one lunch change and FHS has been having great success in the a la carte stands and our additional lunch lines. Students are being fed on a timely basis and there's plenty of space for students to feel comfortable without being crowded.

We received some teacher feedback about how glad and productive the professional development they've been receiving at their Catapult Training. During the meetings they discuss Common Core and the use of the golden ticket! Teachers are feeling outstanding about the students and believe that they are capable of greatness.

Today at 5pm, administration will be having their first parent meeting in the lecture hall. The purpose of the meeting will be to just remind and inform the parents what the students expectations are.

Next week on Monday and Tuesday, there will be college workshops for seniors and juniors. The workshops will give information on how to fill out the UC and CSU college applications and how to create their personal statements.

This Thursday football will play away against Century High and then the following week will be at Warren High.

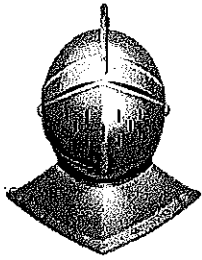

Last Tuesday and Thursday, our girl's volleyball team, both JV and Varsity, were victorious! So far, they remain undefeated.

ASB

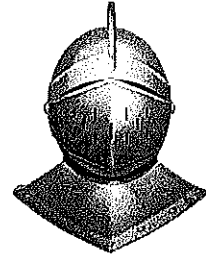

Last Friday, at our Club Rush information meeting, we were very excited to see a packed library with all the students interested in participating in Club Rush. A total of 22 clubs already signed up for Club Rush which will be held next week during lunch from Tuesday, September 16 to Thursday, September 18.

Last Friday evening, the Avid Club held a Shakey's Night and raised money for their college field trips. Many of the teachers and students were there interacting and supporting Firebaugh. It was a successful night seeing everyone having fun and enjoying their food.

This concludes the Marco Antonio Firebaugh High School Board Report.
