Regarding:	Lynwood High School Student Report to the Board

Good evening board President Mrs. Gonzalez, Board Members, Superintendent Mr. Gothold, District cabinet members, parents, teachers, students and Lynwood community. I am Larissa Campa, a senior at Lynwood High School. I am excited to be serving as a representative of Lynwood High School and sharing with you and the community all the great things happening at Lynwood High School for this school year. And now, this is Lynwood High School's first student board report of the school year:

OPENING DAY – Yesterday, August 25th was Lynwood High School's first day of school. Reopening the doors at 6:00am for the annual Senior Sunrise, where my fellow senior classmates and I, enjoyed the sunrise on our last first day of school. The rest of the students arrived on campus later and were ready to kick off the new school year. Teachers and staff were ready to open the doors to the school and their classrooms and welcome the eager Knights returning to school.

GRADE LEVEL EXPECTATIONS ASSEMBLY – On Thursday, September 12 and Friday September 13, the Lynwood HS administrators will have grade level expectations assembly in order to inform our Lynwood Knights about our schools new rules, policies, and expectations.

FALL CLUB RUSH: "CLUBCHELLA" – Next week, September 2nd – 5th Lynwood High School will hold our annual Club Rush week during lunch. Our clubs, organizations, and sports teams will have tables at lunch to promote their club and encourage more students to join the over 40 clubs and organizations on campus. All of our Knights are excited to join clubs, and are really looking forward to the first meetings.

BACK TO SCHOOL DANCE – September 5th ASB will be hosting a back to school dance. With the help of our Lynwood High School Link Crew leaders, our goal is to encourage as many 9th graders as possible to attend this back to school luau themed dance titled "Endless Summer".

FALL SPORTS – The year may have just begun, but our athletes were never gone. After their tough practices during the summer, our Lynwood High School Football Team is kicking off the year with their first game next Friday, September 5th away at Hawthorne High School. Our Lady Knights Volleyball Team is starting off their year with their first game on September 4th. This game will be played at home.

COLLEGE WEEK – September 8th – 12th Lynwood HS will be holding our annual College Week. We will be having various competitions to raise college awareness. There will also be presentations about the various colleges and universities.

BACK TO SCHOOL NIGHT – On Wednesday, September 17th we will be having Back to School Night. The School Board and District Administrators are also invited and welcome to attend. The event will begin at 4 PM with a College Fair, followed by a parent meeting at 5 PM and classroom visitations after the meeting.

LINK CREW – Two of our Science teachers, Ms. Galima and Ms. Hekking, along with many other teachers and staff, decided to bring an amazing program to Lynwood High School called Link Crew. A group of about fourteen 9th graders are assigned to two upperclassman leaders who will be there to help and/or support them throughout the school year. During the summer, all 9th grade students were invited to attend an orientation, where they got to meet the Link Crew teachers and staff, their Link Crew leaders and they got to work together with their Crew in icebreakers and an introduction to Lynwood High School. We had an incredible turnout where almost all of our incoming freshmen attended. Link Crew leaders will provide help in academics, support outside the classroom, encouragement to participate in various school programs and activities. Link Crew Leaders' main goal is to lead 9th graders into success.

Ladies and gentlemen, this concludes the Lynwood High School Student Board Report.

LUSD STUDENT BOARD REPORT – August 26, 2014

To: Board of Education
From: Jacqueline Godoy, Student Board Representative

Good evening Board President Briseida Gonzalez, Board Members, Superintendent Mr. Paul Gothold, District Cabinet Members and Lynwood Community. My name is Jacqueline Godoy, Student Board Representative from Marco Antonio Firebaugh High, and this is our Board Report for August 26th, 2014.

ASB

ASB Leadership members have been busy bees working hard throughout the summer to prepare a fun, successful year for the entire student body. The focus of our school and ASB Leadership is "Pride and Ownership". We want Firebaugh High School to have a positive school culture and for it to be a community where every student feels happy, satisfied, and safe at school. Besides encouraging students to be spirited, we want them to be proud to be a Firebaugh Falcon.

FHS

FHS is off to an amazing start. This new school year, it was decided to go from 2 lunches into 1 lunch. Firebaugh has not had 1 lunch in many years, so there was a lot of nervous excitement to see how this worked out. And everything thing did. Students are able to eat in more places around the campus and not feel crowded having to only be in the cafeteria area and blacktop. More lunch lines have been opened as well as a la carte stands. It was a relief that everyone was fed on time and there was plenty of room for students to sit. In fact, there was about 15 minutes left until the lunch ended with no lines and lots of empty benches. Our teachers have been enjoying the one lunch as well, not keeping themselves all in their classrooms but rather walking around and interacting with students.

Firebaugh will also be introducing our new Falcon Stage where ASB will be using it for pep rally's and other activities to create unity and spirit. It was difficult last year with two lunches because the classes were divided and having class competitions wasn't effective. During lunch time, 11th and 12th graders will be able to eat and rest at the "Junior-Senior Plaza".

FHS also welcomes 2 new AP's, Mr. Mireles and Ms. Smith. In addition, we also have 3 new counselors. Ms. Edwards, 12th grade counselor; Ms. Astorga, 11th grade counselor; and Ms. De La Torre, counselor for all underserved students. Having three additional new counselors, students are already feeling very confident on being able to have more access and support.

SPORTS

This school year we have joined a new CIF league called Prep League. In joining this new league, we've added three new sports to FHS – cross country, tennis and track & field.

Last Friday, our football team had a scrimmage at Southgate High. It was just a friendly game and no score was recorded. The first official game is away this Friday at St. Paul. And then another away game on Friday, September 5th at Marantha High. The first home game won't be until the end of September. Next week, Tuesday, September 2nd, our girls volleyball team will be having their first home game. It will be held in the gym at 3:30. They will also be having another home game on Thursday, September 4th. So, please come out and cheer on our girls to victory.

This concludes the Marco Antonio Firebaugh High School Board Report.
