LUSD BOARD REPORT – FEBRUARY 25, 2014

To: Board of Education
From: Denisse Gonzalez, ASB Board Representative

Good evening Board President Briseida Gonzalez, Board Members, Superintendent Mr. Paul Gothold, District Cabinet Members and Lynwood Community. My name is Denisse Gonzalez, ASB Board Representative from Marco Antonio Firebaugh High, and this is our Board Report for February 25th, 2014.

Last Wednesday, Firebaugh hosted the annual Math-a-thon event for the third and fourth graders. Tomorrow, we'll host the fifth and sixth graders in our gym. Come on out and cheer them on.

On Saturday, February 22nd, a campus beautification day was held. Students and parents had the opportunity to show their pride and ownership by cleaning up various areas of the campus that needed some extra attention.

The Young Actors Club, advised by Ms. Kate Thomas, performed in a very funny play called "Televisions Finest" this past Thursday and Friday after school which was well attended by students and parents.

Our second All Star Falcon academic awards assembly of the school year will be held this Friday. All students who achieved a 2.0 or higher will receive a special All Star Falcon t-shirt. Certificates will be given out and designated as Platinum, Titanium, Gold, and Silver depending on which GPA the student earned for semester 1.

Our academic decathlon team, coached by their advisor Ms. Amber Palma, won several awards at the Los Angeles County Academic Decathlon. Jimena Sanchez won two silver medals in essay and interview, and a gold medal for top FHS decathlete. Brenda Solis earned a bronze medal for interview. Willebaldo Solis earned a bronze medal for history. And the entire team won a bronze medal and 3rd place trophy in the super quiz category. Firebaugh congratulates them for all their hardwork and dedication.

This past Saturday, the Young Black Achievers with their advisor Mrs. David^S hosted a field trip and took 50 African American students to the black college expo at the Los Angeles Convention Center. 8-10 African American students were accepted to a number of colleges and universities across the country on the spot. Most students received between 2 and 8 acceptances ON THE SPOT! It was an exciting day!

Tomorrow, Firebaugh's Young Black Achievers will be participating in the 1st annual district wide Teen Summit. This conference is organized by the District African American Advisory Council. The day will consist of a line up of motivational speakers to encourage African American students about school, life skills, career paths, and college. Professionals from every walk of life will be present, and celebrities will be there to provide support and encouragement.

The Society of Hispanic Professional Engineers Club (SHPE) with their advisor Mr. David Ramirez just ended their 4 month long mentorship with Will Rogers Elementary students. They showed them how to build model rockets, conducted some budgeting activities, and taught them skills to enhance presentations. The purpose of this mentorship was to get these 3rd graders to 6th graders excited about a future in engineering.

Our boys soccer team played in the 2nd round of their CIF playoffs at Rialto High this afternoon. We're excitedly waiting for the results.

Congratulations to our girls soccer team and the boys & girls basketball teams for a well played season. They didn't make it past the 1st round of their CIF playoffs. So, now we wait for the spring sports season to start. Attached to this report is our boys volleyball, softball, and baseball schedule – please stop by any of the games to cheer on our Falcon Athletes.

And lastly, FHS would like to pass on an opportunity that is open to any Lynwood Unified high school senior student. HUB Cities Career Center in Huntington Park is looking to hire senior students to learn and earn up to \$400. Work experience is offered along with skill building workshops in interviewing, leadership, work readiness, and career pathways. Contact them by emailing. Interested seniors can do an internet search on HUB Cities, or email them at soar@hubcities.org.

This concludes the Firebaugh High School Board Report.

Date: February 25, 2014
To: Board of Education, Superintendent and Cabinet
From: Adrian Alvarez, Student Board Representative
Regarding: Student Board Report

Good evening board President Gonzalez, board members, Superintendent Mr. Gothold, District cabinet members, parents, teachers, students and Lynwood community; I am Adrian Alvarez, Commissioner of Student Affairs at Lynwood High School. This is Lynwood High School's student board report for February 25, 2014:

Trash Your Band – In an effort to promote a cleaner campus, ASB is beginning a monthly program "Trash Your Band." Every month we will cover 5 trash cans with 5 different band or performer names. Students will then be encouraged to dump their lunchtime trash in these trash cans. The trash can that fills up first will be the winning group and their music, and only their music, will be played during that week's Friday lunch rally. We hope this encourages more students help pick up any trash around campus.

Black History Month Celebration – On Friday February 28th, there will be an assembly in honor of Black History Month. Students will be enlightened on historical African-American figures who have achieved greatness. There will also be a festival after-school with more performances and plenty of food.

8th Grade Visitation – On March 4th, students in the 8th grade from the middle schools will visit Lynwood High School. There will be tours and presentations put together by our administrators, AVID and ASB students. Following the tours and presentations, the 8th graders will attend an LHS fair in the gymnasium where our academics programs, clubs and organizations and athletics teams will showcase their programs for our future Knights from the class of 2018.

SRLA – Lynwood High School has 8 students running the Los Angeles Marathon on Sunday, March 9th. We are very excited for them and wish them a great race day!

This concludes the Lynwood High School Student Board Report for February 25, 2014.

Re: Board Report

Good Evening Board President Briseida Gonzalez and the board of education, Superintendent Gothold, Members of the Cabinet, and the Lynwood Community, my name is Andrea Diaz, and I am the Student Board Representative and ASB representative for Vista High School.

Black History Awareness Assembly- will take place Friday, February 28, 2014 at 11:30 a.m. in recognition of Black History Month.

Financial Aid Workshop- Students participated in the annual Financial Aid workshops on Monday, February 24, 2014 and today, Tuesday, February 25, 2014. Workshops will continue the rest of the week.

African-American Teen Summit- Approximately 10 students will be participating in the teen summit with Vista teachers Dr. Madison and Ms. Jones-Hundley.

L.A. Trade Tech Field Trip - Vista High School students will participate on a campus tour of LA Trade Tech on Thursday, February 27, 2013. Student will learn of the different programs available for students.

This concludes the Vista High School report. Thank you.

Dr. Jean L. Jones, Principal

March 5, 2014

TO: Board of Education, Superintendent and Cabinet
FROM: Darylana Thompson, LVN Student Resenting the Adult School
SUBJECT: Student Board Report

Members of the Board of Education, Superintendent Paul Gothold, Lynwood Unified School District officials, fellow students, friends, and family members. Good evening.

My name is Darylana Thompson, and I am an LVN Student at Lynwood Community Adult School.

During the month of February, English as a Second Language (ESL), Adult Secondary Education (ASE), and Adult Basic Education (ABE) students have been testing using exams from the Comprehensive Adult Student Assessment System (CASAS). The CASAS test measures students' reading, math, and high school subjects in a life skills context. The pre-test places each student into a functional level (ESL Low Beginning to ESL Advanced, ABE Low Intermediate to High Intermediate, ASE Low to High). The post-test will determine if the student has attained a score high enough to be considered a level completion. If the student scores higher than what is considered a level completion, that student will attain a benchmark for advancing to the next level (benchmark/pay point). So far, year to date, the Adult School has earned 786 benchmarks.

In our Adult Secondary Program, forty-five students took the California High School Exit Examination (CAHSEE) on February 4th and February 5th. The next CAHSEE test will be administered on March 4th and March 5th.

As part of the Adult School's continuing effort to encourage student achievement, the Adult School is, once again, promoting the Student of the Month program. Each month, outstanding students are selected because they display the following qualities:

- Works exceptionally well with other students
- Has a "B" average
- Has a consistent and exceptional attendance record
- Participates frequently in class discussions
- Observes due dates and adheres to classroom rules
- Is respectful of others' rights, and promotes learning in the classroom

Many adult students are excited about this program. All honorees for the months of December, January, and February will be honored at a luncheon with Dr. Jones on February 27th. It is anticipated that forty Students of the Month will be in attendance.

Adult School students and staff have also been participating in projects that celebrate African American History. The theme of this year's event is the "Golden Jubilee of the Civil Rights Act". The projects will be on display at the Atlantic Site on February 27th.

The California Legislature has committed funds through Assembly Bill 86 to form consortia of K-12 and community College districts to collaborate and develop plans for "expanding and improving adult education services by creating linkages between the two educational systems." Not only will this collaboration create linkages but it is anticipated to "provide seamless transitions for students." To this end, Lynwood Community Adult School is participating in the Southwest Los Angeles Adult Education Consortium. The consortium members are Compton Unified School District, Paramount Unified School District, Lynwood Unified School District, El Camino College Compton Center, and Compton College District. The group is working on submitting a Project Management Plan that spells out project planning roles and responsibilities, organizational structure, shared leadership strategies, and methods of communication.
