MINUTES
SPECIAL MEETING
OF THE BOARD OF EDUCATION
TUESDAY, November 26, 2013

Mr. Wong presented the First Interim Report (PowerPoint posted on the website). Highlights of this report include:

- The District filing a "Positive" certification, three years in a row; which entails that the district projects meeting its financial obligations in the current and subsequent two fiscal years.
- Projections under the proposed Local Control Funding Formula

In response to Mrs. Lopez query, Mr. Wong said that a committee to oversee LCFF should be in place by March 2014. Mr. Crosthwaite added that the district had already pre-identified stakeholders, which should facilitate creating the committee in a timely manner. Mrs. Lopez directed staff to proactively start the process and ensure the involvement of parents, students, and union groups.

Mr. Solache stressed that the objective is to determine the best use of funds. He said staffing issues should also be addressed when sufficient funding becomes available. Mr. Wong added that the district's main goal is to narrow the achievement gap and funds should be allocated for this purpose.

Mr. Solache and Mrs. Lopez commended Mr. Wong for his diligence and the excellent work he has done for the district and asked that the same gratitude and appreciation be extended to Mr. Wong's staff as well.

Ms. Gonzalez shared that the LCFF guidelines for implementation should become available in March. She commented how other school districts are already in the preliminary stage of planning. She asked what preparations are being done and asked that every parent advisory group be kept in the loop.

Mr. Gothold said that January is a critical month in terms of the State Department of Education approving regulations, while lobbyists and special interest groups attempt to keep some categorical funds. District stakeholders will be asked to participate in a thorough process of determining implementation once these State guidelines are in place and approved. The district's strategic plan is a starting point. Parents and union groups will definitely be asked to participate.

▪ **Board Members' Reports**

- **Mr. Morales** – No report.
- **Mrs. Chavez** attended the luncheon on November 21st to honor parent volunteers.
- **Ms. Gonzalez** participated in a focus group hosted by the city on the development of a civic center project. The community projects included possible partnerships with the district. Ms. Gonzalez also shared receiving calls from parents about some issues which she asked staff to address.
- **Mr. Solache** attended the FHS volleyball playoffs. He shared that as CSU and UC applications were due, he helped write recommendations for students. It brings him joy to see students complete college applications and shares in their excitement when they are accepted. A college-bound culture has been created and is visible in the community. This is another evidence of how the work of the board produces results. With his transition to the city council, he said that the work he does for the community stands for what it is; he claims to have a clear conscience. He hopes staff have a restful break during the Thanksgiving week and returns on Monday with renewed energy to tackle the work for the remaining days of the year.

He closed by greeting everyone a Happy Thanksgiving and expressed gratitude to the community for entrusting him with a bigger responsibility as he moves on to the City Council.

- **Mrs. Lopez** welcomed and greeted everyone a Happy Thanksgiving. She thanked the community, administrators, and staff for a job well done and the service that benefits every student. Mrs. Lopez shared about the passing away of a former LHS student, currently enrolled in Pathway and solicited prayers for this student's family. She thanked the administration for the luncheon event for parent volunteers. She said it was worth honoring these parents who selflessly give their valuable time and effort to help in the schools. Mrs.

Lopez, together with the Superintendent, attended a Thanksgiving Event at Plaza Mexico today.

No action may be taken and no discussion held on items raised by the public except as provided in GC§54954.2 (b).

Ms. Linda Vaughan brought to the board's attention an error on page 4 of 8, of Agenda Report 13.3, on the section on "Longevity", which should read January 1, 2014. After hearing Mr. Wong's positive budget report, Ms. Vaughan hopes that the board will not include thousands of dollars for a special election. She suggested that a committee be formed to include staff, parents, and union members as the board considers filling the vacant board seat. She expressed her concerns over past disconnect between the union groups and the board. She understands how reaching an agreement will not always be possible, but she said it would be healthy to solicit union participation in major decision-making.

He was grateful to everyone who made his success possible, recalling how he won every election. He expressed pride for this board and confident the district is under good leadership. He described his years in the board as difficult and challenging. Yet, he believed this board did their best in advocating for students, parents, and employees. He thanked and commended the union groups for working with the board during tough, difficult times. Agenda Report 11.7
Page 1 of 2

Assembly Bill (AB) 86 (Chapter 48, Statutes of 2013), Section 85, appropriates \$1.25 billion (approximately \$200 per prior year enrollment) in the 2013-2014 school year to support the integration of academic content standards in instruction adopted pursuant to various *Education Code* sections. CCSS implementation funds can be expended for any of the following purposes:

- Professional development for teachers, administrators, and paraprofessional educators or other classified employees involved in the direct instruction of pupils that is aligned to the academic content standards adopted
- Instructional materials aligned to the academic content standards including, but not limited to, supplemental instructional materials
- Integration of these academic content standards through technology-based instruction for purposes of improving the academic performance of pupils, including, but not necessarily limited to, expenditures necessary to support the administration of computer-based assessments and provide high-speed, high-bandwidth Internet connectivity for the purpose of administration of computer-based assessments

As a condition of receiving CCSS implementation funds, the District, is required to:

- Develop and adopt a plan delineating how the CCSS implementation funds will be spent. The plan must be explained in a public meeting of the governing board of the school district and then be adopted in a subsequent public meeting.
- Report detailed expenditure information to the California Department of Education (CDE) on or before July 1, 2015, including, but not limited to, specific purchases made and the number of teachers, administrators, or paraprofessional educators that received professional development.

CURRENT CONSIDERATIONS:

Lynwood Unified School District's goal is to transition instructional programs based on California State Standards to the Common Core State Standards. Furthermore, LUSD's adopted Strategic Plan, outlines high-quality professional learning, resources, and timelines related to instructional planning, and systems to measure student achievement.

In addition, with the shift to the Common Core State Standards and the new Smarter Balanced Assessment Consortium, we recognize the need to incorporate technology into our programs. Our goal will be to administer the common core state assessments through computers beginning in 2015. Therefore, we will need to provide specific coaching and professional development in this area.

Lynwood Unified School District Proposed Expenditures	Estimated Cost
Professional Development	\$ 561,000
Technology	\$1,626,000
Curriculum Materials & Supplies	\$ 603,000

AGENDA ITEM: REQUEST APPROVAL TO ADMINISTER THE CALIFORNIA HEALTHY KIDS SURVEY TO STUDENTS IN FIFTH, SEVENTH, NINTH AND ELEVENTH GRADES

BACKGROUND INFORMATION:

The administration requests approval to administer the California Healthy Kids Survey to students in fifth, seventh, ninth, and eleventh grades with parental consent during the month of March 2014.

The survey is a comprehensive data-driven decision making process on improving school climate and student learning environment for overall school improvements. The survey is a research-based core module that provides valid indicators of students' drug and alcohol use, school violence, and resiliency and youth development.

Furthermore, as a condition to Local Control Funding Formula (LCFF) guidelines, school districts are required to measure school climate by surveying students, parents and teachers. Lastly, districts receiving Tobacco-Use Prevention Education (TUPE) and S3 funding are required to conduct the biennial California Health Kids Survey.

AGENDA ITEM: REQUEST APPROVAL TO ENTER INTO AGREEMENT WITH HOWARD FEDDEMA TO FACILITATE LOCAL CONTROL FUNDING FORMULA MEETINGS BETWEEN FEBRUARY 1, 2014 AND JUNE 30, 2014

BACKGROUND INFORMATION:

The administration requests approval to enter into agreement with Howard Feddema to facilitate Local Control Funding Formula (LCFF) meetings between February 1, 2014 and June 30, 2014.

AB 97 (Ch. 47, 2013) replaces the existing revenue limit and categorical funding structure with the Local Control Funding Formula (LCFF), which not only changes the way districts are funded but also makes programmatic requirements for certain categorical programs inapplicable and introduces new accountability provisions.

The intent of LCFF is to focus on improving outcomes for all students. With this in mind, Howard Fedemma will work with Lynwood Unified School District to facilitate conversations with site administrators, teachers, other school personnel, and parents to solicit input in order to craft programs and services that meet the needs of the District as outlined in the District's Strategic Plan. Not to exceed five meetings.

CONSENT TO ASSIGNMENTS

WHEREAS, the certificated employees listed below have signed a consent form pursuant to *Title 5 Section 80005(b)*. In most cases, there is an obvious match between the class curriculum and the authorization(s) listed on the selected credential. However, there are some elective classes for which there is no match. If no credential exists that authorizes the curriculum, and elective credit is being given, the employing agency should select the credentialed teacher whose knowledge and training best fulfills the needs of the students. In such assignments, the teacher's consent is required. Effective January 31, 2001, with the approval of Title 5 Section 80005(b), the individual the District selects with the approved subject area knowledge and training must hold a credential based on a bachelor's degree and a teacher preparation program including student teaching. These include but are not limited to classes in life skills, leadership, student skills, conflict management, teen skills and study hall.

AGENDA ITEM: REQUEST APPROVAL OF THE 2013-2014 SENIORITY LIST

BACKGROUND INFORMATION:

Administration requests approval of the 2013-2014 Seniority List. A draft of the seniority list was provided to the Lynwood Teachers Association (LTA) and posted for five days. Because the seniority list is subject to changes based on the submission of back-up documentation, the list can and will continue to be revised.

Any challenges to the information on the seniority list will be thoroughly examined and corrections will be made in cases where the information from the employee can be substantiated through documentation.

While the Board of Education takes action to approve the seniority list once a year, employees and administrators are still obligated to accept and to correct the record if new verifiable information is brought to light.

HONORING NELSON MANDELA

Resolution No. 13-14/21

*Honoring the life, accomplishments, and legacy of
Nelson Rolihlahla Mandela and expressing condolences on his passing.*

Whereas, Nelson Mandela was born on July 18, 1918, as Rolihlahla Mandela, in Transkei, South Africa as a Xhosa born to the Thembu royal family; and

Whereas, Nelson Mandela was a South African anti-apartheid revolutionary, politician, activist, lawyer, and philanthropist who became a political activist as a young man and rose through the leadership ranks of the African National Congress (ANC), becoming the ANC President; and

Whereas, on August 5, 1962, Nelson Mandela was arrested for his political activism to end the discriminatory policies of apartheid;

Whereas, during his imprisonment Nelson Mandela remained resolute, refusing offers to renounce his struggle against the Government of South Africa in exchange for his freedom, and became widely viewed as a martyr for the anti-apartheid movement; and

Whereas, upon his release, Nelson Mandela resumed a top leadership role in the ANC and led the party in negotiations that resulted in South Africa's first multiracial elections; and

Whereas, following the first fully representative, multiracial national elections, Nelson Mandela was elected on May 9, 1994, and inaugurated on May 10, 1994 as President of the Democratic Republic of South Africa under a Government of National Unity; and

Whereas, Nelson Mandela's defiance of injustice, and his commitment to peace and reconciliation, played critical roles in the negotiation process that led South Africa to abolish apartheid, a system of racially focused social, political, and economic discrimination, and to ultimately adopt in its place a system of multiparty democracy and universal suffrage for all South Africans; and

Whereas, the United States Congress contributed to the attainment of the political ideals and goals for which Nelson Mandela struggled, by enacting the Comprehensive Anti-Apartheid Act of 1986 (Public Law 99-440) on October 2, 1986, and has honored Nelson Mandela by passing the Mandela Freedom Resolution in the House of Representatives on September 18, 1984 (H. Res. 430, 98th Congress), and in the Senate on October 10, 1984 (S. Res. 386, 98th Congress), by adopting the resolution concerning United States support for the new South Africa on October 5, 1994 (H. Res. 560, 103rd Congress), and by awarding Nelson Mandela the Congressional Gold Medal on July 29, 1998; and

Whereas, President Nelson Mandela served as President of South Africa from 1994 to 1999, and led the transition from minority rule and apartheid to multicultural, multiracial democracy, and played a critical role in initiating South Africa’s ongoing efforts to foster national reconciliation and end the diverse, deep-rooted, and enduring social, political, and economic inequalities created by apartheid; and

Whereas, Nelson Mandela continued his social justice and human rights work upon his retirement in 1999, primarily through the Nelson Mandela Foundation and its two sister organizations, the Nelson Mandela Children’s Fund and the Mandela-Rhodes Foundation; and

Whereas, because of his commitment to equality and peaceful reform, people around the world celebrate Nelson Mandela Day on July 18 of each year, in recognition of Nelson Mandela’s birthday, by devoting their time to community service in honor of his legacy; and

Whereas, Nelson Mandela leaves a legacy that transcends his time and place in history, which will guide and inspire generations to come: and

Now, therefore, be it resolved by the Board of Education of Lynwood Unified School District that the District:

- (1) Honors the life, accomplishments, and legacy of former South African President Nelson Mandela;
- (2) Extends its heartfelt sympathies and condolences to the members of the family of the late President Nelson Mandela and his fellow citizens;
- (3) Requests the Superintendent to communicate these expressions of honor and condolence to Nelson Mandela’s family and to the Parliament of the Republic of South Africa; and
- (4) Requests the Superintendent to identify an appropriate and lasting program for the District to honor Nelson Mandela’s legacy.

Passed and adopted by the Governing Board of the Lynwood Unified School District on January 21, 2014.

**AGENDA ITEM: REQUEST APPROVAL OF RESOLUTION NO. 13-14/22 - ENDORSING
FEBRUARY 2014 AS AFRICAN-AMERICAN HISTORY MONTH TO BE
CELEBRATED IN ALL SCHOOLS OF LYNWOOD UNIFIED SCHOOL
DISTRICT**

BACKGROUND INFORMATION:

The first national week-long observance of African-American History was in February 1926 by noted Black scholar and historian Dr. Carter G. Woodson. It was expanded to a month-long observance in 1976. Each year a theme for the observance is selected by the Association for the Study of African American Life and History, an organization founded by Dr. Woodson. This year's national theme is "Civil Rights in America".

The purpose of the African American History Month is to call attention to the many cultural, social, spiritual and economic contributions of African-Americans to the United States. It is, therefore, requested that the School Board endorse the National African-American History Monthy and encourage its celebration in all LUSD schools.

AFRICAN-AMERICAN HISTORY MONTH

RESOLUTION NO. 13-14/22

Endorsing February 2014 as National African-American History Month to be Celebrated in all Schools of Lynwood Unified School District

WHEREAS, the history of African-Americans here in the United States, as well as throughout the ages, is indeed unique and vibrant, and it is appropriate to celebrate this history during the month of February which has been proclaimed as African-American History Month; and

WHEREAS, the history of the United States is rich with inspirational stories of great men and noble women whose actions, words, and achievements have united Americans and contributed to the success and prosperity of the United States; and

WHEREAS, among those Americans who have enriched our society are the members of the African-American community—individuals who have been steadfast in their commitment to promoting brotherhood, equality, and justice for all; and

WHEREAS, from the earliest days of the United States, the course of its history has been greatly influenced by Black heroes and pioneers in many diverse areas, from science, medicine, business, and education to government, industry, and social leadership; and

WHEREAS, the official, national, week-long celebration of African-American history initiated in February 1926 by noted Black scholar and historian Dr. Carter G. Woodson has expanded to a month-long observance during February; and

WHEREAS, each year, African-American History Month focuses upon a theme of the history of the African-American people, and 2014's theme is "Civil Rights in America", chronicling the important milestones by African-Americans and others in the battle for civil rights and equal treatment under the law; and

WHEREAS, the story of African-Americans is a story of resilience and perseverance. It traces a people who refused to accept the circumstances under which they arrived on these shores, and it chronicles the generations who fought for an America that truly reflects the ideals enshrined in our founding documents. It is the narrative of slaves who shepherded others along the path to freedom and preachers who organized against the rules of Jim Crow, of young people who sat-in at lunch counters and ordinary men and women who took extraordinary risks to change our Nation for the better. During National African-American History Month, we celebrate the rich legacy of African-Americans and honor the remarkable contributions they have made to perfecting our Union; and

WHEREAS, this annual designation prompts our diverse community to become aware of, recognize, and celebrate the many cultural, social, spiritual, and economic contributions of African-Americans to the United States, as well as to promote understanding and harmony among all people; and

WHEREAS, the Lynwood Unified School District provides its diverse study body with programs and services that emphasize ethnic pride, cultural sensitivity, positive intergroup relations, and cross-cultural commutations; and

WHEREAS, during National African-American History Month, we pay tribute to the contributions of past generations and reaffirm our commitment to keeping the American dream alive for the next generation. In honor of those women and men who paved the way for us, and with great expectations for those to follow, let us continue the righteous cause of making America what it should be -- a Nation that is more just and more equal for all its people; and
