LUSD BOARD REPORT – OCTOBER 8, 2013

To: Board of Education
From: Laura Maya, ASB Secretary

Good evening Board President Maria Lopez, Board Members, Superintendent Mr. Paul Gothold, District Cabinet Members and Lynwood Community. My name is Laura Maya, ASB Secretary from Marco Antonio Firebaugh High, and this is our Board Report for October 8th, 2013.

ASB

Our Back to School Night and Senior Parent Night on September 26th was a success! We had a great turnout and received positive feedback from the parents and students. To enhance the parent's experience we had food vendors come and sell during the night to feed our busy parents. And several clubs were represented to show our parents how their child can get involved in school.

ASB is busy preparing for our Homecoming, which will take place on Saturday, October 26th. The varsity football game will start at 5pm at the LHS stadium and the dance will immediately follow in the FHS gym. This year's theme is "A World of Color".

Leo Club is hosting their first blood drive of the school year tomorrow, October 9th in the FHS gym. Walk-ins are welcome, so feel free to stop by and help save a life.

The Button Club will be selling buttons for Breast Cancer Awareness month and all profits made will be donated to Find A Cure For Cancer because together we can fight against cancer!

FHS

Next Wednesday, October 16th, the PSAT will be administered. This test will prepare our students for the SAT college admission test. We wish all our test takers good luck.

And speaking of college, our seniors stress levels are rising in trying to balance their academics, extra-curricular activities, and college application work. With the support of administration, counselors and teachers, our Senior Falcons are getting it done.

SPORTS

Girl's volleyball played their rivalry game against Lynwood High on October 1st. It was a full house with over 500 in attendance. Even though we lost, what grew stronger was our pride and spirit. We hope to win at the next girl's volleyball rivalry game against

LHS on November 6th.

As everyone knows, our football team played the first annual rivalry game against Lynwood High this past Friday. Our side was packed with students, alumni, and parents. And like the volleyball rivalry game, our school pride and spirit shined bright. FHS looks forward to hosting next year's game.

This concludes the Firebaugh High School Board Report. Thank you.

Date: October 8, 2013
To: Board of Education, Superintendent and Cabinet
From: Adrian Alvarez, Student Board Representative
Regarding: Student Board Report

Good evening board President Lopez, board members, Superintendent Mr. Gothold, District cabinet members, parents, teachers, students and Lynwood community, I am Adrian Alvarez, I am glad that I have the opportunity to share with you all everything happening at Lynwood high. And now, this is Lynwood High School's student board report for October 8, 2013:

Rivalry week- Knights at Lynwood High School prepared for the battle of the century when the long awaited first annual cross town rivalry football game approached. On Thursday October 3rd, Lynwood High School had "Funky Falcon Day." Students dressed in their "tackiest" outfits. A lot of gold, black, and burgundy was seen on campus that day. And on October 4th, a pep rally was held during lunch to pump up that Knight spirit. We had our band, drill team, color guard, cheerleaders and our Knight Mascot perform. We also had our varsity football players say a few words to the excited crowd about that night's game. Later that day, the Lynwood Knights defeated the Falcons in front of a full house. They bleachers were packed on both the Firebaugh side and the Lynwood side. The whole city of Lynwood came out to the game. Although the Knights beat the Falcon, the Falcons are always welcomed into our Castle. Almost every student commented on how that night was one of the most fun times they have had at Knight City.

Seniors- This past Saturday, October 5th, seniors took the SAT one last time before submitting their Cal state applications. Last week and this week, the College and Career Center is also having Cal State Application workshops in every 12th grade English class. Students are applying online at CSU Mentor for Cal States and getting all the assistance they need from our College and Career Center.

PSAT- On Wednesday Oct. 16, all sophomores will be taking the PSAT. In addition, about 300 juniors will also be taking the PSAT.

Football Season – After last week's victory the Lynwood football team continues to prepare to play Downey High School this Friday October 11th at Downey High School. Next week the football team return home to play our long-time rivals, the Dominguez Dons.

Re: Board Report

Good Evening Board President Maria Lopez and the board of education, Superintendent Gothold, Members of the Cabinet, and the Lynwood Community, my name is Destiny Lopez a Senior and ASB President at Vista High School and Student Representative to the Board for the 2013-2014 school year.

New Student Lunch Benches- On behalf of Vista High School students, I would like to thank the Board of Education and Superintendent Gothold for approving the purchase new student lunch benches. The benches arrived last week and it truly has changed the feel of the campus. Thank you.

Old Benches

New Benches

Driver's Education Course- Vista High School students will begin the Driver's Education course offered by Ms. Irma Lopez at Firebaugh High School. Classes will take place Saturdays from 8:00 a.m. to 2:00 p.m. Students will earn a Driver's Permit upon completion of the course.

Great American Shakeout- Vista High School will participate in the Great American Shakeout earthquake simulation on October 17, 2013.

Cancer Awareness- The Cancer Awareness assembly will take place on Wednesday, October 23, 2013. Health professionals from St. Francis hospital will speak to the students of the importance of early detection and how to support family member fighting the disease.

Thanksgiving Food Drive- The California Cadet Corp has started collecting non-perishable foods for the 2013 Thanksgiving food drive. We are seeking volunteers to donate food for families in need. If you would like to donate non-perishable foods, please drop the items off at Vista High School located on 11300 Wright Road in care of Major Oscar Luna.

This concludes the Vista High School report. Thank you.

October 8, 2013

TO: Board of Education, Superintendent and Cabinet

FROM: Javier Olguin, ASB President

SUBJECT: Student Board Report

Members of the Board of Education, Superintendent Paul Gothold, Lynwood Unified School District officials, fellow students, friends, and family members. Good evening.

My name is Javier Olguin, and I am the Associated Student Body President at Lynwood Community Adult School.

The month of October will be a very active month at the Adult School. The first activity occurred on October 3rd, when the Vocational Nursing program conducted its Capping/Pinning ceremony for 22 new students, and celebrated the graduation of 21 students. The joyous graduation was well attended, and many nursing students were recognized for their academic achievements. It is also interesting to note that over half the graduating class has already been accepted by colleges and universities to work on their Baccalaureate degrees and/or RN degrees. In addition, LVN graduates continue to be successful in passing the National Council for Licensure Examination as evidenced by the 85% passing rate of the 2011-2012 class.

The next activity at the Adult School will be its Open House which will take place on Thursday, October 10th at 9:30am at the Atlantic Site, and at 6:30pm at the Imperial Site. Associated Student Body members will be eagerly waiting to guide visitors through the facility.

Increased demand for the GED test continues to grow. In response to this demand, the Adult School has added additional testing dates for this month. The GED test will now be given on the following dates: Oct. 7,8,9,21,22,23,28,29, and 30.

On October 17th, the Adult School will host a College/Career fair. Representatives from local colleges and trade technical schools will visit classrooms to discuss further career/educational postsecondary options.
