LUSD BOARD REPORT – SEPTEMBER 24, 2013

To: Board of Education
From: Karen Aviles, ASB Vice-President

Good evening Board President Maria Lopez, Board Members, Superintendent Mr. Paul Gothold, District Cabinet Members and Lynwood Community. My name is Karen Aviles, ASB Vice-President from Marco Antonio Firebaugh High, and this is our Board Report for September 24th, 2013.

ASB hosted Firebaugh's "Welcome Back To School" assembly this past Friday, September 20th. We presented the fall sports to our student body, held two class spirit competitions and Mr. Hua surprised everyone by being dressed in the Falcon mascot costume. It was an overall success. Our school was filled with spirit and enthusiasm.

This Saturday is FHS Dodgers Game Night and there are still tickets available. If anyone would like to purchase tickets, please contact the student store at FHS. Flyers were left on the table in this boardroom.

Our first dance of the school year is happening this Friday, September 27th. We're calling it "Flight Of The Falcons". It's only \$5 or free for students who purchased an ASB activities card.

Club Rush started today and will go on until Thursday, September 26th.

Our Back To School Night is on Thursday, September 26, along with our Senior Parent Night. Having both these events on the same evening has been very successful bringing us strong attendance with lots of seniors and their parents wanting to hear about all the senior activities going on for the school year.

El Camino College is offering Sociology and Theatre after-school on the FHS campus starting September 23rd. The classes are worth 10 college credits.

The QuestBridge due date is quickly approaching and our Falcons are working diligently on their applications. Recipients of the QuestBridge scholarship receive full tuition to one of the 35 partner colleges, which are among the top in the nation. We hope to build on our previous successes — to date Firebaugh is proud to have 4 QuestBridge scholarship recipients.

Two games ago our varsity football team almost scored a win losing by only a ²³ touchdown. But this past Saturday, they took home the win with a score of 30-~~26~~. This was a very important win because it's been 12 games since we last had a victory. This weekend we play away and then the following Friday, as everyone probably knows, we play our cross-town rivals - Lynwood High.

Girls Volleyball has been on a winning streak since their first game. Tonight we hope to remain undefeated and score another victory against Mission High from San Gabriel. Next week, we will be playing against Lynwood High on October 1st in the FHS gym.

This concludes the Firebaugh High School Board Report. Thank you.

BOB – Lynwood Knights are on a road to success, and organization is a priority at Lynwood High School. Every student was issued a 3 ring binder and 6 additional spiral notebooks. At first students were a little bit upset about the idea of having to bring this huge purple binder they call BOB to school every day. But as the days passed, students have found it very helpful and are glad that the binders were handed out. We believe that a well-organized student is a student who is aiming for a higher performance in his or her academics.

HISPANIC HERITAGE MONTH – In honor of Hispanic Heritage Month, La Raza, one of our many groups at Lynwood High School hosted during lunch a day where students shared information about their culture. Students distributed flyers with tons of information and spoke to many students about the Latino culture.

CLUB RUSH WEEK – September 17-19 Lynwood High School held the annual Club Rush week during lunch. It was great to see the enthusiastic vibe brought by our Knights. A great amount of our Knights were learning about our various clubs and organizations. Proudly I say that there will be many new members to our clubs this year. Club rush was a success!

CAMPUS CLEAN UP DAY – We had a campus clean-up day, this past Saturday. Many of our students, mostly seniors showed up to work on cleaning up our school. Students earned community service hours, but most importantly they take pride in maintaining a clean campus.

COLLEGE WEEK – This week we're hosting College Week. We will be having a door decorating contest, where every class decorates their door of a college of their choice, the most creative door will win. We will also be having an essay contest and an art contest where students will create something based on the theme "A Knights Journey to College."

BACK TO SCHOOL NIGHT – This Thursday, September 26th we will be having Back to School night. The School Board and District Administrators are also invited to attend. We will have a College Fair at 4 PM. And at 5 PM there will be an information meeting for parents in the PAC. Classroom visitation with teachers will begin at 5:30 PM.

FOOTBALL SEASON – Next week, on October 4th, the Lynwood High School team will be hosting the Lynwood City Football Game, the rivalry game against Firebaugh High School. All Knights are excited for this first ever rivalry game against our cross-town rivals the Falcons! We hope both Knights and Falcons have a great time!

FALL SPORTS – After five games, our volleyball girls have been⁴ defeated. Way to go Lady Knights! The volleyball team played a game today against Morningside and have another one tomorrow against Inglewood. The Girls Tennis Team has matches scheduled for Thursday and Friday of this week. The Cross Country team will have its first meet on Thursday.

SENIORS – The seniors are beginning to feel the pressure as they begin their college applications that soon they will be submitting. Even though many say they are scared to venture out into the real world, many are excited for this new beginning. Also there will be a meeting for seniors and their parents October 1st to go over expectations for seniors, senior activities and most importantly the college application process. Lastly seniors who have not passed the CAHSEE will be taking it October 1st and October 2nd.

Ladies and gentlemen, this concludes the Lynwood High School Student Board Report.

TO: Board of Education, Superintendent and Cabinet
FROM: Javier Olguin, ASB President
SUBJECT: Student Board Report

Members of the Board of Education, Superintendent Paul Gothold, Lynwood Unified School District officials, fellow students, friends, and family members. Good evening.

My name is Javier Olguin, and I am the Associated Student Body President at Lynwood Community Adult School.

The month of September has been a very busy month at the Adult School. Registration began on the 19th of August, and is still ongoing for English As a Second Language classes, Independent Study classes, and GED classes (depending on available space). To date there have been over 1500 students registered in all of the Adult School's programs which include Adult Secondary, Career Technical Education, English As a Second Language, Adult Basic Education, and GED.

On Thursday, October 3rd, the Adult School will host the annual Vocational Nurse graduation and capping/pinning ceremony. Twenty-two new nursing students will be given pins and caps to signify their entry into the program, and twenty-one graduates will be honored for their achievements. Lynwood Community Adult School is also happy to announce that it will hold its Open House on Thursday, October 10th at the Atlantic Site. Open House hours will be 9:00am to 11:30am.

Additionally, in the month of October, the Atlantic Site will host a Career Fair on Thursday, the 17th beginning at 10:30am. Representatives from local colleges and trade technical schools will be available to speak to Adult students about further educational and trade technical options that are available after graduation.

Because the GED testing form and format will change in 2014, all GED candidates who have begun testing on the old 2002 test form will have until December 31st to pass all sections of the GED examination in its present format. If a candidate does not pass all five sections by that date, he/she will have to take and pass all five sections of the new GED test in 2014. To accommodate the anticipated demand, the Adult School has established two testing dates in October (7th, 8th, 9th, and 21st, 22nd, 23rd) and two testing dates in November (4th, 5th, 6th, and 18th, 19th, 20th). The cost of the test for non-students is \$130 and \$120 for Lynwood Community Adult School students.
