### **PART III - STUDENT EXPECTATIONS**

At IJ Holton Intermediate School we are a community of staff, students and parents dedicated to fostering a school of positive behavior. The remainder of this document is to assist in learning our school expectations and how each area represents multiple areas of PBIS.

## **ELECTRONIC DEVICES**

- Please refer to the APS District Cell Phone Policy: [Cell Phone Policy: Grades K-8](#)
- Games, phones, Smart watches, and electronic items should not be brought to school, and the school is not responsible for their damage or theft.
- Laser pens and lights are both a safety and nuisance concern. They are not allowed in school, at school activities, or on buses.

## **HALLWAYS**

All students will have a pass while in the hallways. Students should take care of restroom and drink needs at designated breaks.

## **LUNCHROOM**

### *Cafeteria Privilege and Loss*

Students will eat in the cafeteria during their lunch period. Some students may lose this privilege for specified periods of time because of infractions at lunchtime. Those who do lose privileges may be assigned to a different area during their lunch period. Excessive infractions will result in the notification of parents and additional disciplinary actions.

### *Lunch Procedures*

- Students will be assigned to a specific lunch period. IJ Holton is a closed campus school and students are not allowed to leave the building unless they have checked out in the Attendance Office with a parent or guardian.
- It is expected that students will keep their proper place in the food lines, observe good table manners, and clean up after themselves. If students sit down at a table and notice that the table or the floor around it is dirty, they should notify a lunchroom supervisor; otherwise, that table may be expected to clean up the mess.
- After eating, place all papers and scraps in containers; return all dishes and trays to the proper places. Food, drinks and utensils may not be taken out of the cafeteria. Minnesota State Law forbids the bringing of food prepared at home to school to be distributed to other people.
- Restroom passes must be obtained from lunchroom supervisors. Students remain in the cafeteria for their entire lunch period unless other areas are designated. Supervisors will dismiss students.

## **MOVEMENT BREAK**

Students will go outside for approximately fifteen minutes after eating lunch. During this time, students are not allowed back in the building. Students will be outside each day unless it is raining, less than 0° F, or unplayable field conditions. If students wish to play in any snow, boots, coats, gloves, and snowpants are require.

## **PHYSICAL EDUCATION**

### *Medical Excuses*

For physical education exemption, a medical excuse must be obtained from a doctor and delivered to the school nurse. If a doctor has not been seen, a note from the parent or guardian should be taken to the PE teacher to request an excuse for that day. Such notes will allow students to be excused for up to three consecutive school days from PE class. Requests to be excused for more than three consecutive school days must be approved by a doctor. These missed days will need to be made up with the PE teacher.

## **PART IV – ACADEMICS**

### **ACADEMIC DISHONESTY**

Academic honesty and personal integrity are fundamental components of a student's educational experience. It is necessary to devise a written policy on academic honesty that is fair and involves a procedure that can be clearly understood and followed in the interest of justice and due process.

## **DEFINITION OF ACADEMIC DISHONESTY (CHEATING)**

Presenting, as own work, material that is not a true or valid representation of own ideas or helping others to do the same.

Some forms of Academic Dishonesty are as follows:

- Working with other students on an assignment (without teacher permission)
- Using written or online material on an assessment without the teacher's permission
- Copying another person's work/practice
- Copying from a published work
- Knowingly allowing others to copy your work
- False score reporting

## **DETERMINATION OF ACADEMIC DISHONESTY**

Any staff member who has reason to suspect that a student has participated in academic dishonesty will follow the steps outlined below:

- Meet with the student involved, provide evidence of suspected academic dishonesty, discuss and determine whether it has occurred.
- If there is sufficient evidence of academic dishonesty, the student and teacher will meet with administration. The goal of this meeting will be to discuss strategies to help the student make better academic choices in the future.

## **POTENTIAL CONSEQUENCES OF ACADEMIC DISHONESTY**

- Warning
- Discipline referral
- Parent contact by the teacher
- Redo the assignment/assessment
- Receive a zero for the assignment/assessment

## **GRADING AND REPORTING**

The following grading practices in APS are a culmination of the district grading and reporting committee work from the 22-23 and 23-24 school years. This work consisted of a review of the current context, 5-12 staff surveys in 22-23, and collaboration in professional learning by the student and staff grading and reporting committees in 23-24.

These grading practices apply to students in grades 5-12.

### *Parameters for Student Grades*

Teachers will utilize the following parameters for grading and reporting for students. School leadership teams will develop procedures for staff to follow in implementing these parameters. The procedures will be shared with staff, students and families at the beginning of the school year.

### *Graded Categories*

Teachers will provide small group activities, performances, discussions, and presentations that create opportunities for students to work on the skills imperative to the learning process.
- Reassessments: In Austin Public Schools, reassessment is another opportunity for students to learn and demonstrate their knowledge. Reassessments will be provided to students and are a component of the Summative & Performance Assessments category. When Practice Work & Formative Evidence assignments are completed prior to the original summative assessment, students wanting to reassess will work with the teacher to do additional learning to prepare for the reassessment. Teachers have the option to give students flexibility if there are extenuating circumstances.
