ANNOUNCING THE STERLING W. HALL '74 SCHOLARSHIP FUND

AS PART OF THE WILBRAHAM & MONSON ACADEMY ENDOWMENT

ABOUT THIS SCHOLARSHIP

The Sterling W. Hall '74 Memorial Scholarship Fund has been established in his memory by his Omega Psi Phi Fraternity Inc. line brothers so that, together with family, fraternity, friends, high school and college classmates, all can honor his legacy of athletic and academic achievement at the Academy.

When fully funded, the scholarship will benefit a student with demonstrated financial need who excels in at least one varsity sport and who exhibits the traits that so defined Mr. Hall: friendship, character, perseverance, uplift, and community service. Preference will be given to a student from the Springfield, Massachusetts area.

Sterling W. Hall was born in Springfield, Massachusetts, and graduated from Wilbraham & Monson Academy in 1974. A talented athlete, Mr. Hall played on the Boys Varsity Basketball Championship and JV Football teams. He was also deeply involved with the Academy's African American Student Association. After graduation, Mr. Hall attended Trinity College, and studied at the Wharton School of Business, earning his MBA in Economics. Beloved by his community, he was Treasurer at Gandara Health for over 15 years, served as a housing Counselor for Springfield Neighborhood Housing, and was a loyal member of Les Amis D'Escoffier in honor of his father, "Wendy," a longtime chef at the Federal restaurant.
