Dear Parent/Guardian:

Barnstable Public Schools is pleased to announce our participation in the Community Eligibility Provision (CEP) of the National School Lunch Program. While all of our students have access to breakfast and lunch at no cost, this special provision means that families are no longer required to complete a meal benefit application.

School districts are still required to conduct Direct Certification and notify households of the results. This notification is to let you know that your child has qualified for free meals based on Direct Certification.

The child(ren) listed below will receive free meals at school. Students are eligible if they:

- receive MA SNAP, MA TAFDC or
- receive Medicaid AND has a family income as measured by the Medicaid Program that does not exceed NSLP income guidelines or
- live in a household with a child that receives Medicaid AND has a family income as measured by the Medicaid Program that does not exceed NSLP income guidelines

If there are other children in your household who aren't listed, they also qualify for free meals.

If you are not receiving Supplemental Nutrition Assistance Program (SNAP) benefits and have been approved for free school meals, you may be eligible for SNAP which provides monthly financial assistance to purchase groceries to Massachusetts residents who qualify. Find out if you are eligible for SNAP today by calling Project Bread's FoodSource Hotline at 1-800-645-8333 and a counselor can help you apply over the phone. Sharing Information with Medicaid/CHIP

Dear Parent/Guardian:

If your children get free or reduced price school meals, they may also be able to get free or low-cost health insurance through Medicaid or the State Children's Health Insurance Program (CHIP). Children with health insurance are more likely to get regular health care and are less likely to miss school because of sickness.

Because health insurance is so important to children's well-being, *the law allows us to tell Medicaid and CHIP that your children are eligible for free or reduced price meals, unless you tell us not to.* Medicaid and CHIP only use the information to identify children who may be eligible for their programs. Program officials may contact you to offer to enroll your children. Filling out the Free and Reduced Price School Meals Application does not automatically enroll your children in health insurance.

If you do not want us to share your information with Medicaid or CHIP, fill out the form below and send in.

(Sending in this form will not change whether your children get free or reduced price meals).
