### Considerations:

- Priority will be given to open enrollment applications of students living within the district.
- If the student participates in any athletic program governed by IHSAA, he/she may not be eligible to participate at the new school. The parent or guardian should check [IHSAA rules](#) before submitting an application.
- The transfer request is not complete until the resident school has released the student, submitted the request to the requested school and it has been accepted. The student should remain enrolled in the resident school until there is an effective start date at the requested school.
- The district will notify parents of acceptance and the effective start date or denial.
- Transportation of open-enrolled students is the responsibility of the parent/guardian.

## Decision-Making Criteria, Revocation, and Appeals:

### Space Availability

All applications will be considered on a space-available basis. The district will use its maximum enrollment to determine the space availability according to state law and district policy.

When there is a transition from one school to another, such as elementary school to middle/junior high school, a new application is required due to different capacity limits.

### Attendance and Disciplinary Infractions

Open-enrolled students are expected to follow all discipline and attendance policies and regulations applicable to all Weiser School District students. Failure to meet these conditions may result in revocation of this Open Enrollment transfer and return to his/her resident school.

### Appeals

Appeals of an administrator's denial or revocation of open enrollment for students wanting to attend the Weiser School District will be directed to the district's Board of Trustees for administrative review. The appeals process will follow the district's policy and process for appeals and must be aligned to Idaho Code 33-1410.
