## Religious Holiday Calendar

(as required in 14 Del. C., Chapter 2707)

As part of a state requirement, a list of recognized holidays is posted below. Please be aware that this list is not exhaustive and does not represent all religious or cultural observances.

At MOT Charter, we value and respect the rich diversity of our school community. We understand that many additional holidays are meaningful to our students and families. Because of the wide range of global religious and cultural traditions, it is not feasible to list every observance individually.

If your family have questions or need assistance related to school attendance or accommodations, please contact the front office. We are happy to support you.
