Dear Parents/Guardians,

The students of South Middle School are once again offered the opportunity to participate in our student led FCA (Fellowship of Christian Athletes) Huddle. We will meet on the Wednesday afternoons listed below right after school from **2:55-4:00pm starting in the GYM.** The goal of the organization is to bring students together to build friendships, build character, encourage Christian commitment, and foster group discussions all while having some good clean fun. Relevant lessons, sports and snacks will always be a part of the huddle.

Please email me OR fill out the slip below verifying permission and that your child will have transportation home on the dates listed. Students should be picked up or walk home by 4:10pm as there will be no staff to supervise them beyond that time. Also, **save the meeting schedule**. I use parent emails for updates throughout the year, so please include yours. Feel free to contact me at adraper@fca.org if you have any questions about FCA or just want to introduce yourself.

Sincerely,
Mr. Andrew Draper – FCA Rep / Camps Director adraper@fca.org
Ms. Lana Leonard – South MS Club Advisor/Contact lleonard@ecasd.us
