Dial 911 if life or limb is threatened!

1. **REPORT THE INJURY OR INCIDENT:** Immediately report your work injury or incident to your supervisor. If it is a medical emergency, call 911 and seek treatment immediately.
2. **IF MEDICAL CARE IS NEEDED:** Contact the InterAID Triage Nurse by calling **(800) 367-5020**
3. **TRIAGE NURSE:** The Triage Nurse will ask you questions about your work related injury and will give you treatment advice. If necessary, the Nurse may direct you to a medical provider for additional treatment.
4. **TELEMEDICINE DOCTOR:** If needed, the Triage Nurse will connect you to a Telemedicine Doctor. The Telemedicine Doctor will provide additional instructions about your medical care.
5. **RELEASED FOR DUTY / RESTRICTIONS:** If the Doctor releases you back to full duty then you are able to return to work. If you are given restrictions, then an interactive dialogue will be scheduled before you are able to return to work.
6. **FILL OUT YOUR PUBLICSCHOOLWORKS ACCIDENT REPORT ONLINE:** You will receive a follow up email to your district email account requesting additional information to ensure that your incident is reported to your district.
