# Section 125 Plans

## Section 125 Plan Information & Rules

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

### Here's How It Works

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible – all you must do is enroll.

### Is It Right For Me?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about \$70 more each month if you participated in your employer's Section 125 Plan – that's a savings of \$840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 31 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

IRS specified changes in family status include:

- Change in legal married status
- Change in number of dependents
- Termination or commencement of employment
- Dependent satisfies or ceases to satisfy dependent eligibility requirements
- Change in residence or worksite that affects eligibility for coverage

Section 125 Plan Sample Paycheck		
	Without S125	With S125
Monthly Salary	\$2,000	\$2,000
Less Medical Deductions	-N/A	-\$250
Tax Gross Income	\$2,000	\$1,750

**You could save \$70 per month in taxes by paying for your benefits on a pre-tax basis!**

# Flexible Spending Accounts

First Financial Administrators, Inc. | [www.ffga.com](http://www.ffga.com)  
1.866.853.3539 P.O. Box 161968 | Altamonte Springs, FL 32716

## Medical FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and pay for out-of-pocket medical expenses not covered under your medical plan. If your plan includes a grace period option, you have additional time to incur and claim against unused funds in the new plan year. Keep in mind that remaining balances after the grace period is exhausted will be forfeited under the use-it-or-lose-it rule.

**Your maximum contribution amount for 2025 is \$3,300.**

### Medical FSA Highlights

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

**NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.**

## Dependent Care FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

**You may allocate up to \$5,000 per tax year for reimbursement of dependent care services.**

**If you are married and file a separate tax return, the limit is \$2,500.**

### Dependent Care FSA Highlights

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

# Health Savings Account

First Financial Administrators, Inc. | [www.ffga.com](http://www.ffga.com) | 1.866.853.3539  
P.O. Box 161968 | Altamonte Springs, FL 32716

A Health Savings Account (HSA) is a great way to help you control your healthcare costs. It works in conjunction with a qualified High Deductible Health Plan (HDHP) to combine tax-free savings earmarked for qualified medical expenses. An HSA allows you to set aside money to pay for higher deductibles associated with a lower monthly premium HDHP. The money you save in monthly insurance premiums is reserved for eligible medical expenses you incur in the future. Eligible expenses include things like co-pays and deductibles, prescriptions, vision expenses, dental care, therapy and medical supplies.

## Health Savings Account Highlights

- Balances roll over from year to year and earn interest along the way.
- Portable – you keep it even after you leave employment.
- Tax advantages – invest money in mutual funds to grow your tax savings for either future healthcare costs or retirement.
- Pay for expenses with a benefits debit card that gives you immediate access to your money at the time of purchase.
- Expenses also can be reimbursed through our online portal, online bill pay directly to your provider or submitting a distribution request form.
- Receipts are not required for reimbursement but be sure to save them for tax purposes.

## Who Can Participate in an HSA?

- You must be enrolled in a qualified High Deductible Health Plan (HDHP).
- You cannot be enrolled in Tricare or Medicare or covered under your spouse's traditional (non-HDHP) health care plan.
- You cannot participate in a general purpose Flexible Spending Account (FSA) or Health Reimbursement Arrangement.
- Limited Purpose Flexible Spending Accounts are permitted (dental and vision expenses only).
- You cannot participate if your spouse has a general purpose FSA or HRA at their place of employment.
- You cannot participate if you are being claimed as a dependent on another person's tax return.

Proper vision care is essential to your overall well-being. Regular eye exams at any age will help prevent eye disease and keep your vision strong for years to come.

Your employer provides you with a vision plan to take care of you and your family's needs. You must enroll in the vision plan each plan year and premiums are typically paid through payroll deduction. Here are just a few of the areas where you will save money with your plan:

- Eye Exams
- Eyeglasses
- Contact lenses
- Eye surgeries
- Vision correction

# Hospital Indemnity Insurance

MetLife | [www.metlife.com](http://www.metlife.com) | 800.438.6388

Hospital stays are costly. If you or a family member find yourself in the hospital due to a sudden accident or illness, you may struggle financially, even if you have a good medical plan. With a hospital indemnity plan, you can rest assured those extra expenses won't be a financial burden.

Unlike medical plans, there are no deductibles to meet with a hospital indemnity plan. As soon as you incur a qualified event, you can file a claim and start receiving benefits.

The plan pays a lump sum benefit in a previously specified amount. The money can be used for medical costs, insurance deductibles, groceries, transportation, childcare – the choice is up to you!

## Prepare For the Unexpected

If you've heard of heart attacks, strokes, organ transplants or paralysis, then you're familiar with critical illness. It's likely you or someone you know has experienced one of these life-altering events. Often times, a critical illness has a powerful impact on people's lives, affecting their livelihood and finances.

A critical illness plan can help with the treatment costs of covered illnesses. Benefits are paid directly to you, unless otherwise assigned, giving you the choice of how to spend the money. Plus, there are plans available to provide coverage for you, your spouse and dependent children.

Prepare now for the unexpected with a critical illness insurance plan. The plan helps you focus on getting well rather than worrying about finances. Visit the Employee Benefits Center and view policy for more details.

# Accident Insurance

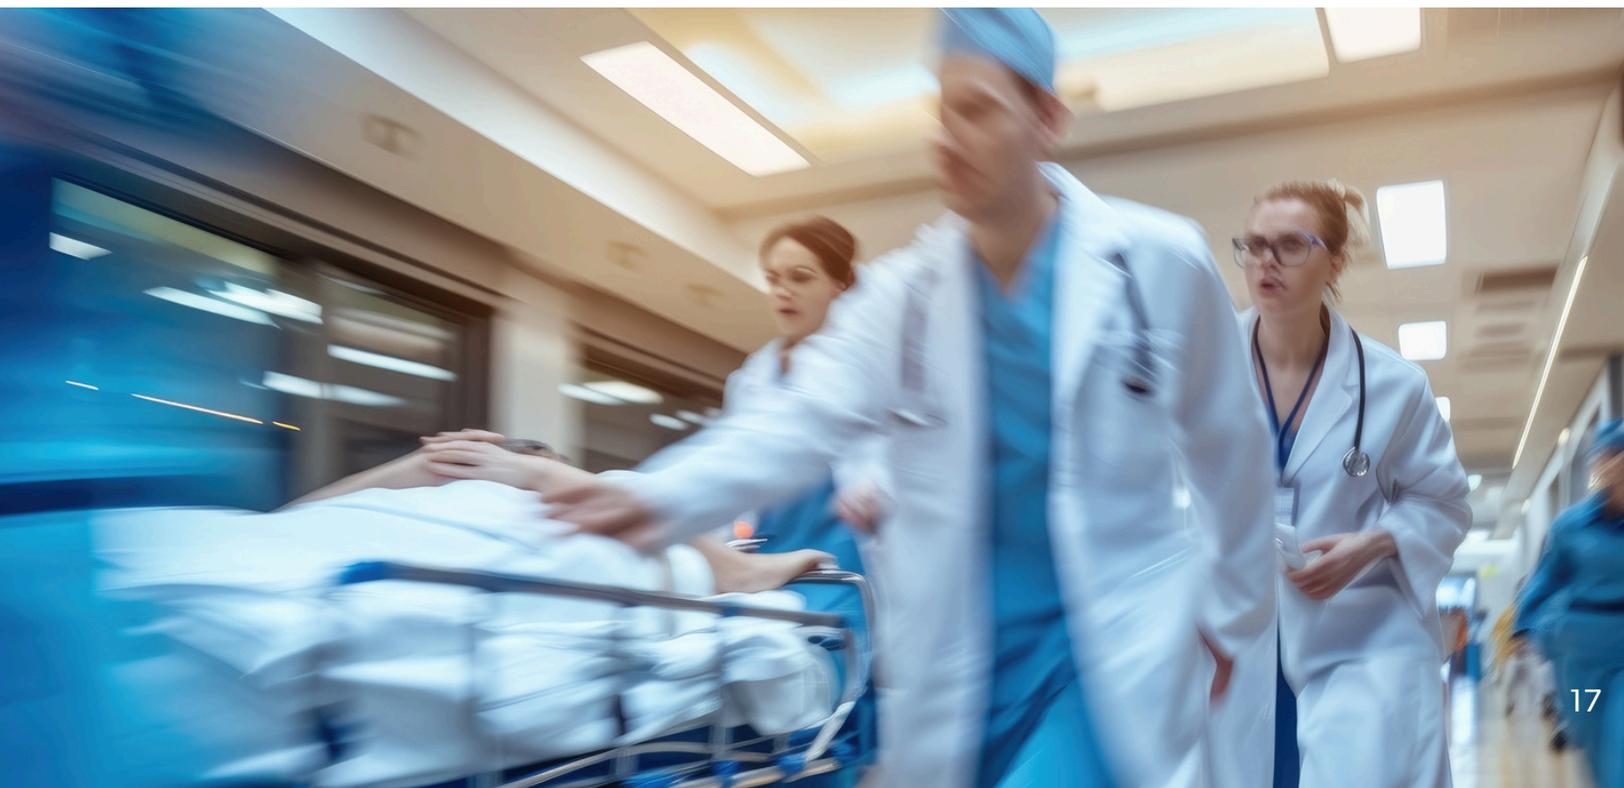

Aetna | [www.myaetnasupplemental.com](http://www.myaetnasupplemental.com) | 800.607.3366

The costs associated with an injury can add up. Between hospital visits, exams and treatment, out-of-pocket costs could put you in a financial hardship. An accident plan pays benefits directly to you so you can determine where to spend the money. It's comforting to know that an accident insurance policy can be there through all stages of your care, from initial treatment to follow-up care. Accident coverage is available to you through payroll deduction and may provide a benefit for costs associated with:

- Concussions
- Lacerations
- Broken teeth
- Emergency room visits
- Ambulance, ground or air
- Intensive care unit

# Disability Insurance

American Fidelity | [www.americanfidelity.com](http://www.americanfidelity.com) | 800.662.1113

## Why Do I Need Disability Insurance?

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

College ISD offers Employer Paid LTD. You may buy up for more coverage and/or elect an STD policy.

# Cancer Insurance

American Fidelity | [www.americanfidelity.com](http://www.americanfidelity.com) | 800.662.1113

Thousands of Americans are diagnosed with cancer each day. No doubt, the news is devastating, both personally and financially. It's impossible to anticipate a cancer diagnosis, but it is possible to prepare for it with a cancer insurance plan.

It is likely that your major medical coverage will not cover all the costs associated with a cancer diagnosis. Supplementing your major medical with cancer insurance may help you pay for related expenses, such as copays and deductibles, specialists, experimental treatment, specialty hospitals, travel expenses, in-home care and more.

Premiums are paid through convenient payroll deduction to ensure your policy remains in force if you should need it. Benefits are paid directly to you, so you can choose how to spend the money. Visit the Employee Benefits Center and view policy for more details.

## Employer-Paid Term Life & AD&D Insurance

Life insurance protects your loved ones. It pays a benefit so they can afford to pay for funeral expenses, pay off debt and maintain their current standard of living. It is one of the best ways to show you care. Your employer provides all 20+ hours per week employees a \$10,000 policy. The cost of this policy is paid for 100% by your employer. This is a term life policy that is in effect while you are employed.

## Voluntary Term Life Insurance

Voluntary life insurance is term life coverage you can purchase in addition to the basic life plan provided by your employer. It will cover you for a specific period of time while you are employed. Plan amounts are offered in tiers so you can choose the amount of coverage that works best for you and your family. Because it's a group plan, premiums are typically lower, so it's more affordable to gain the peace of mind that life insurance provides. Limitations apply, please see policy for details. Visit the Employee Benefits Center for more details.

## AD&D Insurance

A common misconception is that Accidental Death and Dismemberment insurance, or AD&D, is the same as life insurance. But that's not the case. The difference is that AD&D insurance covers you in the event you were to die due to an accident. It would also pay a benefit if you were severely injured due to an accident.

# Identity Theft Protection

iLock 360 | [www.ilock360.com](http://www.ilock360.com) | 855.287.8888

Millions of Americans report having their identity stolen each year. People are online and mobile more than any time in history, so it's no surprise that identity theft is on the rise. And it goes far beyond simply having your credit card number stolen. While credit card fraud is one of the highest reported types of identity theft, it also includes bank, loan, phone and tax-related fraud.

Identity theft insurance won't prevent your identity from being stolen. But it will be there to alert you if any suspicious activity is noticed under your name. The plan includes credit bureau monitoring, social security number usage and lost wallet protection. Accounts are monitored daily so you can rest easy knowing your identity is being protected even while you sleep. The sooner you can take action to close your accounts, the quicker you can recover your identity.

Employee + Spouse	\$7.50	\$11.00

## 403(b) Retirement Plan

Research shows that Americans are living well past retirement years. Are you saving enough to be able to enjoy those years? A 403(b) plan can help you get there.

It's an IRS-approved retirement plan that allows you to set aside money on a pre-tax basis for your retirement. Contributions are conveniently made through payroll deduction, so money is moved from your paycheck into the account automatically. Now is the time to take full advantage of this opportunity to maximize your retirement savings!

## 457(b) Retirement Plan

The 457(b) plan is an employer-sponsored voluntary retirement savings plan that allows you to save money for retirement on a tax-deferred or ROTH basis. One significant way the 457(b) differs from the 403(b) is that distributions are never subject to the 10 percent tax for early withdrawal.

Contribution Limits

\$23,500	TBD

Participants aged 50 and older at any time during the calendar year are permitted to contribute an additional \$7,500.

Life is full of unexpected events that may impact your health insurance coverage. Under the Consolidated Omnibus Budget Reconciliation Act, better known as COBRA, you have the right to continue your group health coverage such as medical, dental, vision insurance and flexible spending accounts for a limited period of time.

## COBRA Highlights

- Temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work, divorce, death or a child no longer qualifying as a dependent. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.
- Either you or your family member are responsible for notifying your employer of a divorce, legal separation or child losing dependent status within 60 days of the event. In the case of termination, death or reduction in hours, your employer will be responsible for letting the provider know that you have the right to continue coverage under COBRA.
- Benefits will remain identical to what you had while employed. However, you will be responsible for paying the full premium, plus any applicable fees.

First Financial Administrators, Inc. provides COBRA administration services for the following plans:
