Health Savings Account

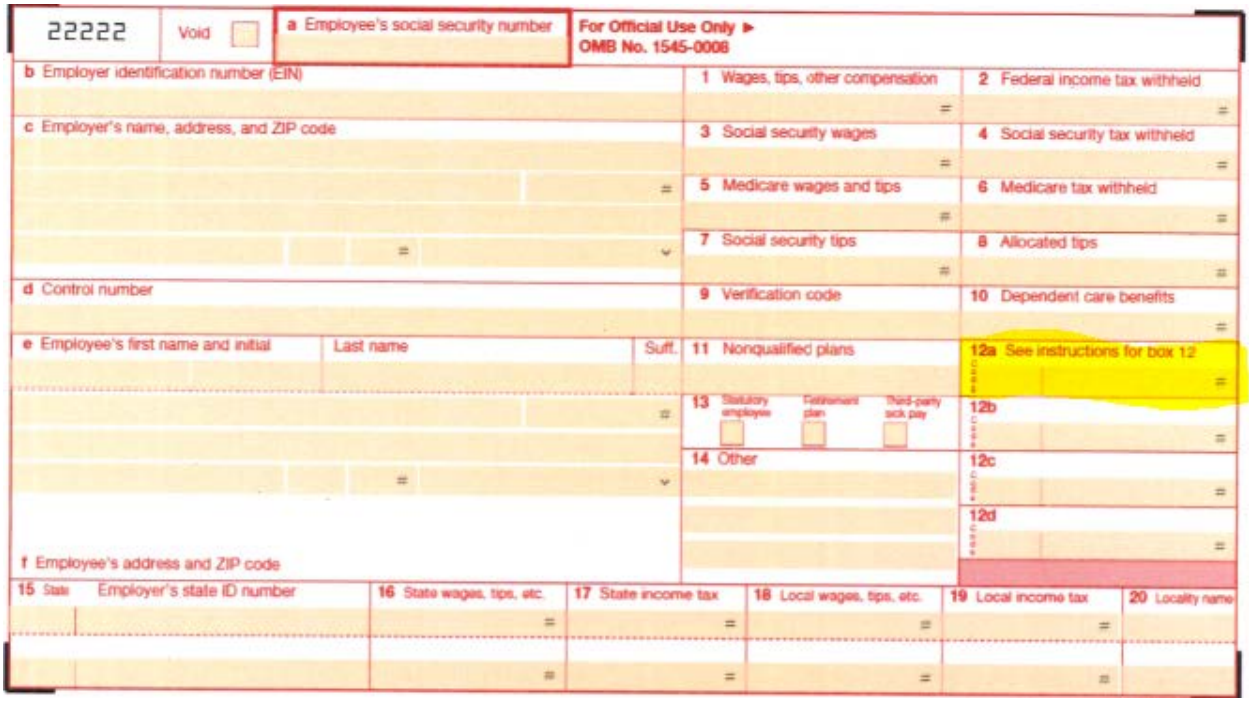

Is the $1000/$2000 the County is contributing to my Health Savings Account or any additional money I chose to contribute to my Health Saving Account considered taxable income?

Answer: NO

Will the amounts show up on my W2?

Answer: Yes. The County's contribution and your contribution will be on your W2 in box 12a, Code W.

Example of W2:

According to the instructions provided by the IRS (copy and pasted):

Report in box 12 only the amount treated as substantiated (such as the nontaxable part). Include in boxes 1, 3 (up to the social security wage base), and 5 the part of the reimbursement that is more than the amount treated as substantiated. Report the unsubstantiated amounts in box 14 if you are a railroad employer.

Code W—Employer contributions to a health savings account (HSA). Show any employer contributions (including amounts the employee elected to contribute using a section 125 (cafeteria) plan) to an HSA. See *Health savings account (HSA)*.
