

Pulitzer Winner Kevin Sack Returns to Jacksonville for Book Talk

Kevin Sack with Robyn Sieron and LaTasha O'Neal Austin

Jacksonville's own Pulitzer Prize-winning journalist **Kevin Sack** was recently in town to speak about his new book, *Mother Emanuel*. The book is a sweeping history of the Charleston church that was the site of horrific, racially motivated murders a decade ago. Sack writes about perseverance and the outpouring of forgiveness for the killer.

Among those attending Sack's book signing at the Main Library was his former teacher at The Bolles School, who oversaw *The Bolles Bugle*, where Sack once served as editor.
