Dear Parent/Guardian,

This is to inform you that all students entering the 9th and 12th grades will be required to show proof of recent meningococcal conjugate vaccination (MCV4).

- ☐ All 9th grade students will be required to show proof of one dose received on or after 10 years of age.
- ☐ All 12th grade students and students attending our Hinsdale District 86 Transition Program will need to show proof of MCV4 immunization in one of the following ways:
 - ☐ Two doses of MCV, with the first dose being on or after 10 years of age, and the second dose being on or after the age of 16 years.
 - ☐ A second dose is not necessary if the first dose is given on or after the 16th birthday.

[Immunization Requirements-Illinois](#)

Acceptable proof of vaccination compliance are as follows:

- ☐ A letter or note signed by your healthcare provider identifying the date the MVC4 was administered.
- ☐ Printout from your provider's electronic medical record (EMR) that indicates the vaccine was administered.
- ☐ Current Certificate of Child Health Examination form, specifying the date the MCV4 was administered.

*** Our District follows a First Day Exclusion Policy. Students with missing meningococcal conjugate vaccines will be excluded from entering school on the first day.**

*** Arrange for an appointment with your physician as soon as possible! Please submit health information via email or fax to the Health Office. Once submitted, the health office will notify you of any missing information. Please contact us with any questions.**

Sincerely,

Central Health Office
