

BEAUFORT HIGH SCHOOL

## Current Phase

Not Yet Started

## Design Firm

Jumper Carter Sease  
Architects, PA

## CM Firm

Thompson Turner  
Construction

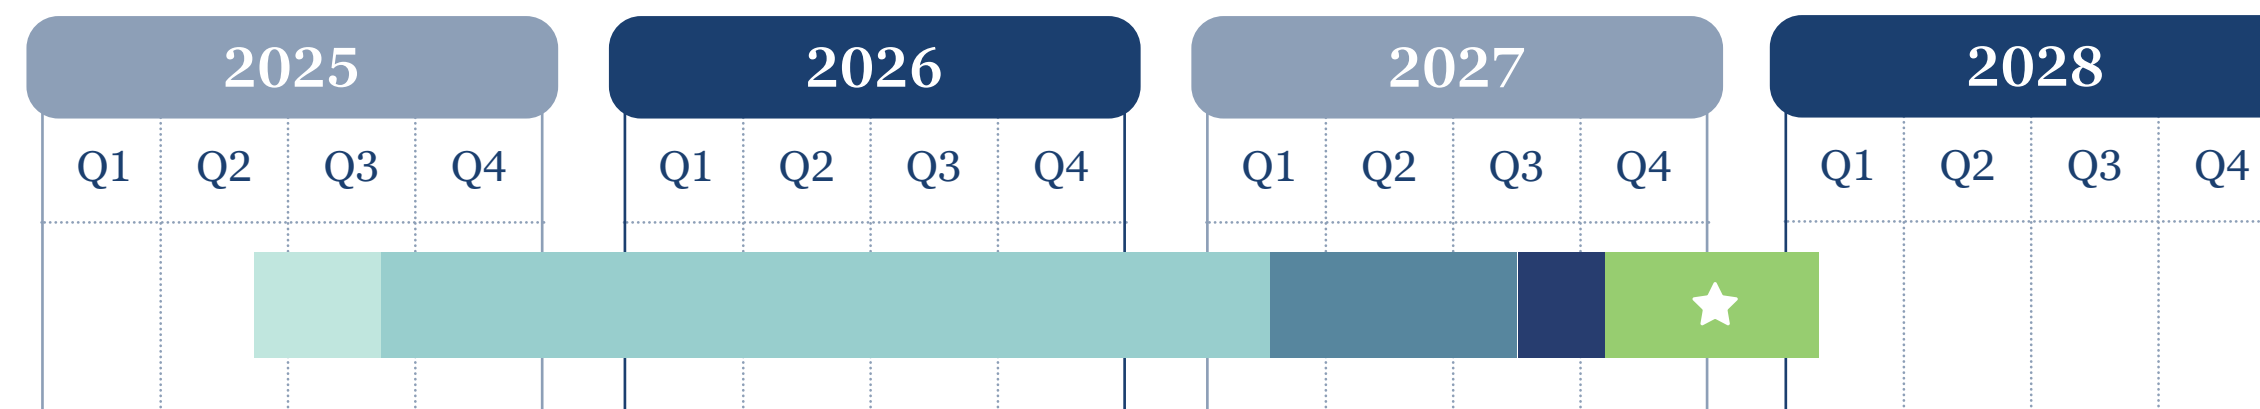

## Project Overview:

The HVAC scope of work is based on system replacements at multiple schools. Project priority is focused on locations primarily served by R22 refrigerant (which is being phased out), age of systems, and condition.

## Tentative Project Schedule

|                     |                     |
|---------------------|---------------------|
| Architect Selection | Design & Permitting |
| Construction        | Closeout            |
| Completion          |                     |

*Project Details as of June 2025*
