Lafayette

School Corporation

REGISTRATION 2025-26

As one school year winds down, the new one is just around the corner. **All returning students need to complete an updated registration.** The online registration can be accessed beginning **Thursday, July 10**, through the LSC PowerSchool Parent Portal or by scanning the QR code below.

Families of new students will need to visit their school for onsite registration.

Online Registration

Opens July 10

Onsite Registration

Noon-7 p.m. Thursday, July 24
9 a.m.-4 p.m. Friday, July 25

Oakland Elementary

9 a.m.-4 p.m. Tuesday, July 15
Noon-7 p.m. Wednesday, July 16

Parents of returning students having difficulty accessing the online registration Parent Portal may also attend on-site registration for additional help.

Every returning student needs to have a new registration form completed. The process is quick, and the majority of the registration process is confirming information that is already in the system. It is especially important that we have updated contact information for all our students. Registering returning students in advance also helps our schools adjust for class size fluctuations and minimizes disruptive changes to schedules once the school year begins. Thank you in advance to all our LSC families for taking the time to complete these registrations in July.

 Noon- 7 p.m. Thursday, July 31
 9 a.m.-4 p.m. Friday, Aug. 1

FUNDING OUR SCHOOLS, SUPPORTING OUR CHILDREN

In 2025, Lafayette School Corp. had 7,051 students enrolled. The funds to educate these students come from the Education Fund, the Operations Fund and Debt Service Fund.

The Education Fund allows for instructional expenses that include salary and benefits for teachers, paraprofessionals, principals and other instructional staff. Additionally, this fund pays for instructional supplies and equipment. The Education Fund is primarily supported by the State of Indiana (98.4%) and other miscellaneous sources (1.6%).

The Operations Fund allows for operational expenses that include salary and benefits for custodians, bus driver, maintenance workers, technology staff and other operational staff. Additionally, the fund covers utility expenses, liability insurance, building maintenance and repairs, bus replacement and other operational expenses. Revenues for the Operations Fund come from local property taxes (60.1%), excise and financial institutions taxes (4.3%) and other miscellaneous revenues (35.6%).

The Debt Service Fund provides for the repayment of school corporation debts. Revenues for the fund come from local property taxes (86.6%) and local excise and financial institution taxes (13.4%).

We work to be careful stewards with this money, providing the best education possible for every student enrolled in the Lafayette School Corp.
