

Enterprise High School Parking Space Painting Guidelines and Information 2025-2026

EHS students will have the opportunity to paint and personalize their parking spot on campus. The proceeds of this fundraiser will go towards helping improve the Enterprise High School campus to promote more success among our students.

The cost to paint and personalize a parking spot will be **\$100**. The \$100 fee will include the \$40 parking decal for the 25-26 school year. All lots, (red, blue, orange, and yellow) are fair game with the exception of designated teacher parking areas. **Students wishing to paint a spot will need to come to the main office beginning July 14 between 8:00 a.m. and 4:00 p.m. to turn in money and paper work. The first day to purchase a new spot will be July 14, 2025 at 8:00 a.m. This date is only for students that are wishing to paint a parking spot.**

In order to purchase a painted parking spot and decal, students must bring the following items:

2. Driver's License
3. Vehicle registration
4. Proof of vehicle's insurance.
5. Design of what they will paint in their parking spot..

Guidelines for your Design:

Think of your spot as a t-shirt you would wear to school. Your parking spot must meet dress code approval. Any design associated with gangs; advertising drugs, alcohol, violence, obscene language; political advertisements, handicap symbols; symbols that may cause confusion, anything that promotes illegal activities, or anything that is not approved by administration will not be permitted. You may include your name, jersey number, instrument, hobby, famous quotes, slogans, or anything unique to you as it meets with administrative approval.

Students must submit a design or sketch for administrative approval before they are allowed to begin painting or personalizing their spot. Payment must be submitted to Mr. Ream in the main office. You must have your design and payment at the same time in order to reserve your spot. Please make checks payable to Enterprise High School and add Parking Spot Design on the memo line. This must be paid for in person at Enterprise High School.
