CAREER TRAINING, LICENSING AND CERTIFICATION PROGRAMS

DOG GROOMING

Dog grooming is one of the most exciting and rapidly growing careers. Are you interested in making dog grooming a career? This course is designed to provide you with the required hours and skills to become a registered Suffolk County Dog Groomer. Our professional grooming instructor will share their expertise in a learning environment that combines theory and practical skills. The program includes basic grooming techniques, breed recognition, first aid, flea and tick evaluation and treatment, coat type, body language, anatomy, skin disorder identification, and clipping and scissor techniques. A 30-hour externship is necessary for the completion of this course. Student is responsible for securing internship. **50 classes**

ASC1020
26FA: 09/29 – 04/27 M/W 6:00 PM – 9:00 PM
Location: BTC Tuition: $2,044

Additional Requirement: A current tetanus vaccination and scrub top is required.

See page 45 for low cost dog grooming services.

VETERINARY ASSISTANT

If you love working with animals, take the first step towards your new career and learn how to become a veterinary assistant. You will have the opportunity to combine theory and practical skills while studying veterinary terminology, surgical preparation and post-operative care, small and large animal nursing and animal first aid. You will be introduced to holistic methods such as animal nutrition, preventive and alternative medicine. You will have the opportunity to arrange your own 30-hour externship and complete hands-on training in a veterinary hospital under the supervision of a licensed veterinarian. **61 classes**

ASC1000
26FA: 09/08 – 05/20 M/W 6:30 PM – 9:30 PM
26FB: 09/09 – 05/28 T/Th 6:30 PM – 9:30 PM
Location: BTC Tuition: $2,826

Additional Requirement: A current tetanus vaccination and scrub top is required.

Animal Science

CONTINUING EDUCATION

BASIC ANIMAL CARE AND FIRST AID

Animals can't tell you what's wrong with words, but they can communicate in other ways. Learn how to watch behavior and take vital signs so you can identify illnesses and injuries early. Learn about external anatomy, parasitology, infection control, laboratory skills, nutrition, first aid, and alternative and preventative medicine in this basic animal care course. **27 classes**

ASC1010
26FA: 09/29 – 01/21 M/W 6:00 PM – 9:00 PM
Location: BTC Tuition: $1,274

Additional Requirement: A current tetanus vaccination and scrub top is required.

Appearance Enhancement

CAREER TRAINING, LICENSING AND CERTIFICATION PROGRAMS

BARBERING

Barbers are in high demand! Whether you are interested in working in a traditional barbershop or executing the latest trends in a high-end salon, Eastern Suffolk BOCES Barbering program is the first step to a successful career. Cutting and styling techniques, shaving and beard designs, shampoos, rinses and conditioning treatments are just a few of the skills you will learn from our professional Barbering instructor in a state-of-the-art facility. Throughout the program, you will be provided with valuable experience working with visiting clients in our student clinic. Successful completion of the program will prepare you to take the New York State Licensing exam. **134 classes**

AEP6000
26FA: 09/08 – 06/18 M/T/W/Th 6:00 PM – 10:00 PM

CAREER TRAINING, LICENSING AND CERTIFICATION PROGRAMS

EASTERN SUFFOLK SCHOOL OF PRACTICAL NURSING

RECOGNIZED AS ONE OF THE TOP 10 PRACTICAL NURSING SCHOOLS IN NEW YORK STATE

Are you looking for a career that offers opportunity for growth and advancement? Did you know that nursing is one of the fastest growing and highest demand jobs in the nation? Consider becoming a Licensed Practical Nurse.

Eastern Suffolk BOCES School of Practical Nursing provides a New York State accredited program that encompasses 1,260 hours of classroom, virtual, lab and clinical experiences in area hospitals, long term care and rehabilitation facilities.

We understand transitioning into a new career can be challenging. The program incorporates a collaborative approach to create a supportive learning environment and enhance learning experiences for every student. Students assume the responsibility by identifying their goals, applying learning to professional practice, and evaluating their progress towards their career goals. Faculty actively participates in the learning process, serve as role models, mentors and facilitators of student learning. The program provides a variety of resources including case management services, study groups, individualized and small group extra help sessions and career services are available that will assist you throughout the program. Through this collaborative endeavor, we are confident you will find everything you need to become a practical nurse.

Full and Part Time Programs Available:

Eastern Suffolk School of Practical Nursing offers an 11-month and a 17-month certificate program which combines foundational nursing concepts with hands on clinical experiences to prepare you to take the NCLEX-PN for licensure as a Practical Nurse and the opportunity to pursue advanced college training with one of our articulating college partners.

Program Schedule:

Full Time Program:

- 11 month, September through August
- Monday - Friday, 8:30 a.m. to 3:00 p.m

Part Time Program:

- 17 month, part-time evening, September through June
- Monday - Thursday from 6:00 p.m. to 9:30 p.m. **AND** the following September through April Monday – Friday from 8:30 a.m. to 3:00 p.m

Skills, Simulated and Virtual Labs:

Lab assignments and rotations are a safe place for students to practice and develop clinical skill and knowledge through hands-on experiences. Realistic patient scenarios are utilized to enhance learning. Each scenario will enable you to apply your knowledge and practice nursing skills in a controlled and supportive environment. Through repetitive practice and debriefing sessions, you will be able to identify areas for improvement, build confidence before transitioning to a hospital or long-term care setting.

Our simulation lab is equipped with a range of high-fidelity mannequins that resemble human anatomy and physiology. Physiological responses such as realistic breathing patterns, heartbeats and bleeding are replicated, all of which will provide you the ability to learn and practice a wide array of clinical procedures and interventions.

The program incorporates virtual experiences that will help prepare you for lab and clinical rotations and build the confidence you need to become a practical nurse. Clinical skills and decisions are integrated with video segments, which will teach you how to respond as a practical nurse. You will make decisions that affect patient care, treatment and outcomes for your patient.

As a graduate of our program, you will have a wide range of career opportunities across New York State and the country. Graduates earn a diploma in Practical Nursing and are eligible to become a Licensed Practical Nurse.

Prerequisites:

HEGIS Code 5209.00, 5209.10, and 5209.10 and 5209.20

- Successful score on the Nurse Entrance Exam
- Satisfactory faculty interview.
- Completed application packet.

(TEAS) for Practical Nursing candidate is determined based on a test performance. Students must earn a combined total of five or more points (program scoring rubric) to move forward with the application process. Registration for the Entrance Exam (TEAS) can be completed online at www.esboces.org/AEV

https://adulteducation.esboces.org/programs-services/eastern-suffolk-school-of-practical-nursing/admission-process

Eastern Suffolk School of Practical Nursing is located at the Adult Education Center in Sayville. Upon acceptance, students are required to complete a background check and random drug screening. For more information about the program, Federal Financial Aid or Gainful Employment, please visit our Adult Education website at: www.esboces.org/nursing

Health Sciences

CAREER TRAINING, LICENSING AND CERTIFICATION PROGRAMS

PREPARATION FOR PRACTICAL NURSING ENTRANCE EXAM (TEAS)

A career in nursing is both challenging and rewarding. The first step in the process for entry into the Eastern Suffolk School of Practical Nursing is a successful score on the entrance exam (TEAS) which assesses vocabulary, reading comprehension, English, and math skills. Prospective candidates seeking admission to the Practical Nursing Program who want to improve their reading comprehension, English, and math skills are encouraged to take this course. Students will be pre-tested and post-tested to assist in identifying strengths and weaknesses in reading comprehension, English and math. Students enrolled in the prep course will be eligible to take the Nurse Entrance Exam (TEAS) immediately following completion of the course. The completion of this course does not guarantee admission into the Practical Nursing Program. **18 classes**

LPN1200

26FA: 10/07 – 12/12	**T/Th**	**6:00 PM – 9:00 PM**
26WB: 01/13 – 03/19	**T/Th**	**6:00 PM – 9:00 PM**
26SC: 04/14 – 06/11	**T/Th**	**6:00 PM – 9:00 PM**
Location: SAEC		**Tuition: $749**

PHYSICAL THERAPY AIDE

Be part of an emerging trend in health care! Physical Therapy Aides are in demand and are employed in private physical therapy practices, chiropractic offices, long-term care facilities, rehabilitation centers, fitness centers and hospitals. Learn how to assist the physical therapist to deliver quality care to their patients. The responsibilities of the Physical Therapy Aide include: moving patients from one therapy area to another, preparing and organizing the location for the patient's session, setting up any needed equipment, assisting with the patient's treatment session, fulfilling office and clerical duties such as ordering supplies, calling patients to set up and or confirm appointments. Course of study includes theoretical concepts, practical skills and hands-on experience working in a clinical setting. 30-hour internship is required. **25 classes**

HCA6020

26FA: 09/09 - 12/23	**T/Th**	**6:00 PM – 9:00 PM**
26SA: 03/10 - 06/11	**T/Th**	**6:00 PM – 9:00 PM**
Location: BTC		**Tuition: $884**

PRACTICAL NURSING ENTRANCE EXAM (TEAS)

Candidates must take and pass the Nurse Entrance Exam to be considered for enrollment in the Practical Nursing Program. The exam assesses vocabulary, math, English and reading comprehension. A successful exam score grants the candidate an interview with faculty and does not guarantee admission to the Practical Nursing Program.

LPN1210

Location: SAEC **Tuition: $183**

Register for exam at www.esboces.org/AEV. Testing is ongoing; several dates are available. Please note: the fee for the Nurse Entrance Exam is non-refundable.

PHLEBOTOMY TECHNICIAN

Our phlebotomy training program will prepare you to become a skilled technician and will enhance the skills of the individual currently employed in the health care field, i.e., CNA, LPN, or RN. You will learn various techniques of phlebotomy such as: vacuum method for venous blood withdrawal, autolet blood withdrawal for glucose level, the proper use of a microhematocrit centrifuge, and the collection of other lab specimens. Students are required to draw blood on each other. Students on anticoagulant medications must call for information before registering. Completers are eligible to take a certification exam at an additional cost payable to the testing agency. **24 classes**

HCA1100

26FA: 09/25 – 01/13	**T/Th**	**6:00 PM – 9:30 PM**
Location: BTC		**Tuition: $2,097**
26WA: 01/07 – 04/15	**M/W**	**6:00 PM – 9:30 PM**
Location: SAEC		**Tuition: $2,097**
26WB: 02/10 – 05/19	**T/Th**	**6:00 PM – 9:30 PM**
Location: BTC		**Tuition: $2,097**

Additional information: It is recommended that all students have the Hepatitis B vaccine.

NCLEX BOOT CAMP

The NCLEX Boot Camp is an intensive, immersive program designed to equip you with the knowledge and confidence needed to pass the NCLEX-PN. Whether you were unsuccessful in your first attempt or have been out of school for some time, this boot camp offers a structured approach to mastering the content and skills essential for NCLEX success.

26SA: 04/20 – 08/19	**M/W**	**5:00 PM – 8:00 PM**
Location: SAEC		**Tuition: $1,555**

CAREER TRAINING, LICENSING AND CERTIFICATION PROGRAMS

REIKI 1 PRACTITIONER

Learn how to reduce stress! Reiki is a beautiful Japanese technique used for stress reduction and deep relaxation. It is one of the modalities that the health care field is recognizing for its ability to assist patients in the healing process. Hospitals (such as New York-Presbyterian) and health care facilities around the world now offer Reiki to their patients. This ancient art offers an opportunity to embrace body, mind, and spirit connection. Based on an understanding that life force energy flows through all livings things, Reiki enables an individual to address imbalances in their energy body. A practitioner (through the use of either light touch or by floating hand above the recipient) assists to restore balance. Reiki aids a person in taking an active role in resolving issues that they are experiencing in their lives. Participants will learn how to use Reiki on themselves and others. This program includes extensive practical experience. Upon completion of the course, each student will receive a certification as a Reiki 1 practitioner. **7 classes**

HCA7000
26WA: 02/02 – 03/23 **M** **7:00 PM – 9:00 PM**
Location: MTC **Tuition: $339**

REIKI 2

Reiki 2: Prerequisite: Reiki 1 Practitioner. Learn about hidden or inner teachings. Okuden is about the three symbols and three mantras that will aid in focusing the energy. At this level, you discover your hidden or inner qualities and learn to connect more deeply with the Reiki energy. **6 classes**

HCA7050
26SA: 04/20 – 06/01 **M** **6:30 PM – 9:30 PM**
Location: MTC **Tuition: $289**

REIKI 3

Reiki 3: Prerequisite: Reiki 2. Delve deeper into opening up your own natural ability to heal yourself and others. In the Reiki Master/Teacher training students will learn about the Reiki Master symbol and how to incorporate it into their Reiki practice to amplify healing and manifesting. A variety of techniques and meditations will be taught to further enhance their Reiki practice. Students will learn how to perform Reiju and Attunements to initiate others into The Usui Natural Healing System. **15 classes**

HCA7100
26FA: 09/08– 01/12 **M** **6:30 PM – 9:30 PM**
Location: MTC **Tuition: $689**

By the numbers, in the last 5 years, Eastern Suffolk BOCES secondary and adult programs have graduated:

948 Medical Assistants

798 Practical Nurses

735 Nurse Assistants

377 Dental Chairside Assistants

284 Physical Therapy Aides

200 Personal Trainers

Over **3000** **Health Sciences professionals** in **5** years!

Home and Garden

CONTINUING EDUCATION

FLORAL DESIGN

Are you creative and love to work with flowers? Experience working with a professional floral designer that will teach you unique tricks of the trade with fresh flowers. Bring home exquisite arrangements utilizing supplies from home, personal gardens, and your surroundings as you explore many styles such as: holiday decorating, center pieces, corsages and bouquets, and garden arrangements. **6 classes**

LFD1010

Public Safety

CAREER TRAINING, LICENSING AND CERTIFICATION PROGRAMS

SECURITY GUARD TRAINING* ★

Security Guard Training, an eight-hour, pre-assignment training, is a general introductory course. Upon successful completion of this course, the guard is issued a training certificate. This certificate must accompany the security guard's registration application when submitted to the NYS Division of Criminal Justice Services. **2 classes**

LPS5000
26FA: 09/15 – 09/16 M/T 6:00 PM – 10:00 PM
26SB: 03/16 – 03/17 M/T 6:00 PM – 10:00 PM
Location: BTC Tuition: $289

*Students will be entitled to a 100% refund at any time prior to the start of instruction. If a course is divided between two 4-hour days, student will be entitled to a 50% refund if the student cancels before the start of the second 4-hour block. Registration fees, cancellation fees, or deposits do not apply for Security Guard courses.

Transportation Technology

CAREER TRAINING, LICENSING AND CERTIFICATION PROGRAMS

Professional Automotive Services

AUTO BODY TECHNICIAN

Consider a career as an auto body repair technician. You will learn assembly and disassembly of parts, paint preparation, masking, jamming, finished work and final delivery. There is a great demand in the auto body industry for qualified technicians. Get on the road to an exciting career and enroll today. **29 classes**

TTE1040
26FA: 09/16 – 01/22 T/Th 6:00 PM – 9:30 PM
26WB: 02/03 – 05/28 T/Th 6:00 PM – 9:30 PM
Location: ICC Tuition: $1,598

AUTOMOTIVE REPAIR INDUSTRY CERTIFICATION PREPARATION (ASE) 📖★

requisite: Basic Auto Mechanics and Maintenance (TTE1010). Enter the fast-paced automotive industry. Gain the entry-level certification of the National Institute for Automotive Service Excellence (ASE) and be recognized by your peers and perspective employers. You will learn the many aspects of suspension and steering, brakes, electrical/electronic systems, engine performance, engine repair, automatic transmission/transaxle, manual drive train and axles, and heating and air conditioning. This course is a combination of lecture and shop demonstrations. Entry-level ASE certification exams will be offered throughout the course (topics subject to change). Exam fees are included in tuition.
58 classes

TTE1050
26FA: 09/29 – 06/01 M/W 6:30 PM – 9:30 PM
Location: MTC Tuition: $2,299

AUTOMOTIVE SKILLS 📖

Prerequisite: Basic Auto Mechanics and Maintenance (TTE1010). The automotive industry has a consistent need for trained workers. This course will provide you with fundamental automotive principles that are required for you to obtain your first job in the automotive field. Areas of focus include, but are not limited to, electronics and electrical systems, field delivery systems, emissions, brakes and suspension. You will learn the latest in scan technology and how to utilize an inspection machine with respect to annual New York State car inspections. Upon successful completion of this course, you will be prepared to enter the automotive field.
25 classes

26WA: 1/06 – 03/10	**T/Th**	**6:00 PM – 9:30 PM**	**Location: MTC**	**Tuition: $848**

MOTORCYCLE SERVICE AND REPAIR

Get ready for Summer. Tune up your bike and feel confident on the road. Course content will cover: review of basic 4-stroke engine theory, engine repair, adjustments and running of intake system, ignition/charging systems, valve clearance, clutch/ transmission service, wheel and drive chain inspections and adjustments, all fluid services, exhaust inspection and repair, servicing of suspension, wheel bearings, tires and brakes. **12 classes**

TTE4000

26FA: 09/25 – 11/18	**T/Th**	**6:30 PM – 9:30 PM**		
Location: WTC				**Tuition: $627**
26WA: 03/10 – 04/28	**T/Th**	**6:30 PM – 9:30 PM**		
Location: MTC				**Tuition: $627**

AUTO BODY REPAIR

If you are a beginner looking to become familiar with auto body repair related tools and equipment, then this is the class for you! Power tools, spray equipment, types of paints and basic repair techniques will be covered. Personal auto work may be allowed at the instructor's discretion. **14 classes**

TTE1030

26WA: 12/02 – 01/27	**T/Th**	**6:00 PM – 9:00 PM**		
Location: WTC				**Tuition: $744**

SMALL ENGINE REPAIR

Theory of operation of 2- and 4-cycle engines, carburetors, ignition systems, electrical systems and more will be covered. You will service, diagnose, troubleshoot and repair lawn mowers, chain saws, snow blowers and other power equipment. You will have an opportunity to work on your own equipment. **14 classes**

TTE5000

26FA: 10/22 – 12/10	**M/W**	**6:30 PM – 9:30 PM**		
26WA: 01/05 – 03/02	**M/W**	**6:30 PM – 9:30 PM**		
Location: BTC				**Tuition: $695**

MARINE REPAIR

If you love the water and the outdoors and are in search of a great career, then you belong in this course. The curriculum focuses on 50 horsepower or less outboard motors and stern drive engine repair procedures, tune-ups, water pumps, winterizing and basic operating principles of outboard motors and stern drive engines, using theory and demonstration. The instructor will address practical problems, troubleshooting, and advanced teardown and rebuilding of outdrive engines. You will have the opportunity to work on your own outboard motor. **17 classes**

TTE3025

26SA: 03/09 – 05/11	**M/W**	**6:00 PM – 9:00 PM**		
Location: BTC				**Tuition: $729**

Welding

CAREER TRAINING, LICENSING AND CERTIFICATION PROGRAMS

UNIVERSAL WELDING

Experienced welders are in high demand on Long Island. You will learn the fundamentals of shielded metal arc, Tig/Mig oxyacetylene and plasma arc cutting processes. Employment opportunities, as well as preparation for job interviews, will be discussed. You will have the basic skills necessary to break into this exciting and essential trade area. **24 classes**

WEL1000

26FA: 09/08 – 12/15 M/W 6:00 PM – 9:30 PM
Location: ICC Tuition: $2,658
26FB: 09/09 – 12/18 T/Th 6:00 PM – 9:30 PM
Location: MTC Tuition: $2,658
26WA: 01/12 – 04/20 M/W 6:00 PM – 9:30 PM
Location: ICC Tuition: $2,658
26WB: 01/13– 04/21 T/Th 6:00 PM – 9:30 PM
Location: MTC Tuition: $2,658

Additional Requirements: Students are required to provide gloves and helmet for all welding courses.

SHIELDED METAL ARC WELDING PREPARATION COURSE

The Shielded Metal Arc Welding (SMAW) Preparation Course is designed to transition basic welding knowledge into advanced SMAW procedures and practices using proper theory and hands- on applications. Students will demonstrate safe work practices as well as safe machine set- up and shut- down. Students will become familiar with polarity, electrode selection, and proper welding procedures. Students will become well versed in the basic welding joints used in the industry and apply them in the four different welding positions. After a comprehensive training applying the basic welding positions and joints, students will advance to the 1" grooved plate and perform either vertical and/ or overhead welds. Students will become familiar with the prequalified procedure standards that are in accordance to the American Welding Society (AWS) D1.1 structural welding code. After complete of this course students will have a thorough understanding and the hands-on skills necessary to produce a quality welds that are up to industry standards. **20 classes**

WEL1200

26FA: 09/09 – 12/04 T/Th 6:30 PM – 9:30 PM
Location: ICC
26WA: 02/10 – 05/05 T/Th 6:30 PM – 9:30 PM
Tuition: $2,270

***Telephone Registration Only: Please call (631) 286-6736 to register. ***

GAS METAL ARC WELDING (MIG) FUNDAMENTALS

Learn beginner to advanced MIG welding, covering welding steel plate coupons in the five basic welding joints in the flat, horizontal and vertical positions. Students will develop skills with the Gas Metal Arc Welding process (GMAW), or commonly called "MIG" welding, and be introduced to the Flux Cored Arc Welding process (FCAW). Upon completion, you can seek employment in industries such as manufacturing, fabrication shops, automotive related welding, HVAC related welding, ornamental welding and many more... **15 classes**

WEL1210

26FA: 09/08 – 11/10 M/W 6:00 PM – 9:30 PM
Location: MTC Tuition: $2,137

GAS TUNGSTEN ARC WELDING (TIG) FUNDAMENTALS

Learn theory and practical applications of TIG (heli-arc) welding, including machine set-up and operation of the Gas Tungsten Arc Welding (GTAW), commonly called "TIG" welding process. Course includes welding aluminum, stainless steel, pipe and steel tubing to American Welding Society (AWS) D17.1 standard. Upon completion, you can seek employment in industries such as aerospace, marine, automotive, nuclear and many others. **15 classes**

WEL1220

26WA: 01/05 – 03/04 M/W 6:00 PM – 9:30 PM
Location: MTC Tuition: $2,137

Welding

CAREER TRAINING, LICENSING AND CERTIFICATION PROGRAMS

WELDING QUALIFICATION COURSE

The Welding Qualification Course is a continuation of the Shielded Metal Arc Welding (SMAW) Preparation Course. Students will learn to identify welding defects and the corrective measures. Students will learn the welder's role in quality control, and different welding techniques that will advance the welders skill and hands-on knowledge. Students will weld on a 1" grooved plate in either the vertical or overhead position and apply their acquired skills to the Welders Performance Qualification test. ***Prerequisite: Requires successful competition of the Shielded Metal Arc Welding Preparation course.*** 12 classes

WEL1300

26WA: 3G	**12/11 – 01/29**	**T/Th**	**5:45 PM – 9:30 PM**	**Tuition: $2,477**

Location: ICC

Vertical Plate Qualification: Requires successful completion of the Shielded Metal Arc Welding Preparation Course.
Overhead Plate Qualification: Requires successful completion of the Shielded Metal Arc Welding Preparation Course.

Telephone Registration Only: Please call (631) 286-6737.

Enroll Today-Master Essential Welding Techniques in Our Hands-on Program.

CONTINUING EDUCATION

ORNAMENTAL WELDING

Learn professional welding techniques and work on your fabricating skills at the same time. In this course, you will learn fabrication skills important to all welding processes. This hands-on program will guide you from initial design through the fabrication process using plasma cutting, oxy-acetylene, TIG or gas tungsten and arc welding. Participants will be encouraged to complete several ornamental projects. Most materials are included.

Prerequisite: Participants must have some welding experience. It is recommended students complete universal welding or demonstrate equivalent skill levels before enrolling in this course. 10 classes

WEL1020

26SA: 04/13 – 05/13	**M/W**	**6:00 PM – 9:00 PM**	
Location: MTC			**Tuition: $1,046**

Tuition Assistance

FEDERAL STUDENT AID (Pell Grant, Direct and Parent PLUS Loans) is available to qualified individuals for eligible programs. Eligible programs include the *Practical Nursing Program* and *Cosmetology Program*. Students are required to complete a FAFSA (Free Application for Federal Student Aid) to determine their eligibility. For important information related to Federal Student Aid or Gainful Employment, please visit our Adult Education site at www.esboces.org/nursing or www.esboces.org/cosmetology

Eastern Suffolk BOCES is an eligible training provider for the following agencies:

ACCES-VR Adult Career & Continuing Education Service provides tuition assistance for individuals with disabilities.

DOL WIOA The Workforce Innovation and Opportunity Act, managed through the Department of Labor, provides assistance to those with significant barriers to obtain training for employment.

CSEA Civil Service Employees Association, Inc., union members may be eligible.

Veterans Administration Based on active duty service, the GI Bill® provides educational assistance to service members, veterans, and their dependents. Contact the Department of Veterans Affairs at 1-800-827-1000.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website at http://www.benefits.va.gov/gibill.

1199SEIU Members may be eligible for tuition assistance for the Practical Nursing Program.

Employers are an excellent resource for scholarships and tuition benefits.

Students enrolling in a course of study more than $1,000 may be eligible for private student loans.

Payment plans are available. An administrative fee of $75 will be charged for all approved payment plans.

EASTERN SUFFOLK BOCES REFUND POLICY

All withdrawals incur an administrative fee of $35. All withdrawal requests must be provided in writing to the Program Administrator.

Withdrawal prior to 5 business days of the first class:	100% Refund
Withdrawal within 5 business days prior to the first class:	90% Refund
Withdrawal after the first class and prior to the second class:	75% Refund
Withdrawal after the second class:	0% Refund

NO REFUNDS WILL BE PROVIDED AFTER THE SECOND CLASS. THERE ARE NO EXCEPTIONS TO THIS POLICY. Refunds other than charge cards may take 4 to 6 weeks.

FEDERAL REFUND POLICY

The *Practical Nursing Program* and the *Cosmetology Program* at ESBOCES do not observe the above-mentioned refund policy. Eligible programs follow federal guidelines related to withdrawals, refunds and credit balances. Please refer to the program handbook and/or the ESBOCES website for more information.

Any balance owed to the school resulting from a termination of enrollment is due immediately. Students may not enroll in any course provided by ESBOCES with an outstanding account balance.

CLASS CANCELLATION ESBOCES reserves the right to cancel a course that does not have sufficient enrollment or to change class dates, times, and locations as the need arises. Students will be notified by email or phone at least 2 days prior to the start date of class.

SENIOR CITIZEN DISCOUNT Tuition costs may be discounted 10% for senior citizens 62 years of age and older. Documentation is required (e.g., Driver License, leisure pass, copy of birth certificate). Please note: this discount does not apply to any ESBOCES program exceeding $1,000.

INCOME TAX INFORMATION Students attending the *Practical Nursing Program* and the *Cosmetology Program* at ESBOCES may be eligible to receive educational tax benefits. Please refer to IRS Publication 970 and/or a Certified Public Accountant for information regarding educational tax benefits. All other Adult Education programs at ESBOCES are not eligible programs as defined by the Internal Revenue Service.

For further information, please visit our website at www.esboces.org or contact Student Financial Services at **(631) 233-4450**.

Adult Education Program Policies

CONFIRMATIONS
Your registration is accepted unless otherwise notified. You will be notified if your class has been cancelled.

CERTIFICATES OF COMPLETION
Eastern Suffolk BOCES Adult Education Department will issue a Certificate of Completion to students who have maintained at least 80% attendance and have shown successful completion in the skills and aptitudes necessary for course completion as determined by a passing grade from the instructor. Completion certificate requirements may differ for licensing programs. Certificate and licensing courses may require additional percentage of attendance to qualify.

OFFICIAL TRANSCRIPTS/ EDUCATIONAL RECORDS
Students may request an official transcript of their grades or other student records by writing to the Adult Education Office and enclosing a money order payable to Eastern Suffolk BOCES for $15.

SECURITY/PERSONAL SAFETY
Appropriate safety standards are adhered to in all classes and labs. All students are required to sign the Eastern Suffolk BOCES Code of Conduct at the beginning of class. Students may be required to provide personal protection equipment items such as goggles and aprons. Students are required to maintain appropriate business and professional behavior while on Eastern Suffolk BOCES property. Prohibited behavior includes abusive behavior and language, violence, alcohol on breath or drug use, and sexual harassment, among other behaviors. Disregard for these prohibitions may warrant removal from the program. Refund policy does not apply. For information related to Campus Safety and Security as per the Clery Act, please visit our website at www.esboces.org

DAMAGE TO OR LOSS OF PERSONAL PROPERTY ON EASTERN SUFFOLK BOCES PREMISES
Eastern Suffolk BOCES does not assume any responsibility, either real or implied, for the personal property of any adult education student. It is suggested that students review their personal insurance coverage.

DRUG, ALCOHOL AND SMOKING POLICY
Eastern Suffolk BOCES follows and promotes a "Drug Free" protocol, "Smoke Free" and "Alcohol Free" environment, both on campus and in clinical settings. It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age in a public place or place open to the public is illegal. The possession, sale, manufacture or distribution of any controlled substance is illegal. Possession and use of any alcoholic beverage or illegal drug is prohibited in school. Violators may be subject to local, state, and federal law as well as school policy. (See Eastern Suffolk BOCES: Policy 6220 – Student and Substance Abuse; Policy 5160 – Drug-Free Workplace; Policy 5161 – Alcohol, Drugs, and Other Substances); (www.esboces.org)

INSTRUCTIONAL ACCOMMODATIONS
Students who require instructional accommodations are encouraged to contact a Career Planning Specialist at **(631) 286-6776** as soon as possible, but not less than 30 days prior to the beginning of the class. Eastern Suffolk BOCES needs a minimum of 30 days to arrange for reasonable accommodations, if so required.

9:30 AM - 1:00 PM or 6:00 PM - 8:00 PM

Registration Locations:

BSAEC	BTC	WTC
Bay Shore	Bellport	Riverhead
(631) 439-4784	(631) 286-6548	(631) 369-7570

Eastern Suffolk BOCES does not discriminate against any employee, student, applicant for employment, or candidate for enrollment on the basis of sex, gender, race, color, religion or creed, age, weight, national origin, marital status, disability, sexual orientation, gender identity or expression, transgender status, military or veteran status, domestic violence victim status, genetic predisposition or carrier status, or any other classification protected by Federal, State, or local law. ESBOCES also provides equal access to the Boy Scouts and other designated youth groups. Inquiries regarding the implementation of the applicable laws should be directed to either of the ESBOCES Civil Rights Compliance Officers at Compliance Officers@esboces.org: the Assistant Superintendent for Human Resources, 631-687-3029, or the Associate Superintendent for Educational Services, 631-687-3056, 201 Sunrise Highway, Patchogue, NY 11772. Inquiries may also be addressed to the Office for Civil Rights at the US Department of Education, 32 Old Slip, 26th Floor, New York, NY 10005, 646-428-3800, OCR.NewYork@ed.gov.

ENGLISH FOR SPEAKERS OF OTHER LANGUAGES

In Person Classes

Our ESOL (English for Speakers of Other Languages) classes designed to help non-native English speakers improve their language skills for everyday communication, academic success, and professional advancement. We offer flexible in-person classes during the day and evening across the eastern Suffolk region, allowing participants to choose a schedule that best fits their personal and work commitments. Interactive lessons focus on speaking, listening, reading, and writing, tailored to meet individual proficiency levels and goals. By emphasizing practical language use and cultural understanding in a supportive and inclusive environment, we empower students to achieve their personal and professional objectives through enhanced language skills.

Distance Education

Distance education offers flexible learning opportunities for individuals 21 and older interested in improving their English skills. Learners can access course materials and complete assignments at their own pace. This format accommodates varied schedules, making it easier for individuals to balance education with work or family responsibilities. Students receive support from experienced instructors via email, chat, or scheduled video sessions. With a focus on personalized learning, distance education empowers students to achieve their goals from the comfort of their own homes.

Dual Enrollment

The dual enrollment program for ESOL levels 3-6 students allows participants to enroll in one of our service-oriented training courses while simultaneously improving their English language skills. This innovative program enables students to earn industry-recognized credentials while acquiring the necessary language proficiency to become workplace-ready or to enhance current skills. By integrating career training with English instruction, students can accelerate their English language learning and effectively prepare for successful careers. This unique approach not only enhances employability but also fosters confidence in navigating the professional environment. Additional information regarding dual enrollment opportunities will be reviewed during student orientation. (see page 36)

FOUR PATHWAYS TO YOUR HIGH SCHOOL EQUIVALENCY DIPLOMA

GED® Preparation Classes – Classroom Instruction

Our GED® Preparation course offers in-person instruction designed to help students build the knowledge and skills necessary to pass the GED® exam. Recognizing that many students find this hands-on approach to be the most effective, our experienced instructors provide personalized support and engage learners through interactive lessons in key subjects such as math, science, social studies, and language arts. Additionally, the dual enrollment component of the program provides students with the opportunity to earn industry credentials that are nationally and/or internationally recognized. This combination of academic preparation and professional certification ensures that students are well-equipped to achieve their GED® credential and advance confidently into their future educational or career paths. Students are expected to attend at least 80% of their scheduled class in order to be successful.

Distance Learning

The GRASP distance learning course is designed for individuals seeking to earn their GED® in a flexible and supportive online environment. This program covers all essential subjects, including math, science, social studies, and language arts, using interactive materials and resources tailored to diverse learning styles. Students learning from home also have access to tutoring support on a weekly basis. Participants benefit from personalized guidance and regular assessments to track progress, ensuring they are well-prepared for the GED® exam. All assessments are required to be taken in-person. Whether you're balancing work or family commitments, GRASP provides the tools and support you need to achieve your educational goals.instructors via email, chat, or scheduled video sessions. With a focus on personalized learning, distance education empowers students to achieve their goals from the comfort of their own homes.

National External Diploma Program

The National External Diploma Program (NEDP) is a competency-based assessment program designed for adults aged 21 and older who wish to earn a high school diploma through an alternative pathway. Participants must have Internet access, as they complete coursework and assessments from home. The program focuses on real-world tasks that demonstrate skills in reading, writing, math, and technology. Participants work at their own pace and meet weekly with an assessor for guidance and support. Upon successful completion, individuals receive a recognized high school diploma. The NEDP provides a flexible solution for those balancing education with personal and professional commitments.

Regents High School Equivalency Pathway

This course is designed for students preparing for the GED®, with the added benefit that Regents examination scores can count as sub-tests for the GED® assessment. Participants will engage in a comprehensive review of essential subjects including math, science, social studies, and language arts, tailored to enhance preparedness and confidence. With flexible scheduling and targeted instruction, this course supports students in achieving their educational goals while maximizing their existing academic achievements. By integrating prior Regents scores, we provide a streamlined path to earning the GED® credential effectively.

Supported Employment & Rehabilitation Services

Working Together To Support Employment

Program Services are coordinated and funded by the Office of Adult Career and Continuing Education Services - Vocational Rehabilitation (ACCES-VR) and the Office for People with Developmental Disabilities (OPWDD). The following programs are for individuals with disabilities seeking to obtain, maintain or advance employment.

Employment Related Services:

Adaptive Driver Training

- Adaptive driver training is designed to service those with physical and non-physical disabilities
  - Evaluations, training, and retraining for individuals with physical and neurological limitations
  - Private referrals are accepted

For more information, call (631) 244-5886

Pre-Employment Transition Services

- Prepare students for life after high school
  - Career exploration counseling
  - Work readiness/soft skill training
  - Self- advocacy instruction
  - Explore vocational training and educational opportunities

For more information, call (631) 244-5930

Supported Employment

- Identify competitive employment opportunities and provide follow up services for individuals with intellectual and other developmental disabilities
  - Assessment of interests, needs and skills
  - Soft skills training and pre-employment preparation
  - Travel training to community employment site
  - On-site job coaching supports
  - Long-term support services, including employer contact

For more information, call (631) 244 -5930

Summer Career Exploration Program

for students 13 to 15 years old
July 6, 2026 - July 23, 2026, 8:30 a.m. - 12:00 p.m.
3 week session, Monday through Thursday

Automotive Technology
You will discover the basics of automotive technology. From brake systems, to steering and suspension systems, and engine repair, students get to participate in hands-on activities in our state-of-the-art shop!

Carpentry
Let's build! Explore the basics of carpentry, covering terminology, tools, and foundational techniques essential for crafting woodwork. Learn fundamental skills, various wood materials, and engage in hands-on projects to build foundational knowledge. This course provides a solid start for those eager to delve into the craft of carpentry and woodworking.

Computer Science
How does that robot do what it does?! Learn the fundamental engineering and technical principles of robots. Think it, build it, and watch it work!

Introduction to Construction Trades
Embark on a journey into the heart of construction trades with our introductory program covering electrical work, plumbing, and HVAC systems. Through hands-on engagement and safety-focused learning, students will explore entry-level installation and troubleshooting techniques across these vital systems.

Dog Care and Training
Explore the world of caring for dogs in our animal science program. Students will be introduced to animal behavior, breeds, safety and handling, basic tools, equipment and shampoos. Students will also have the opportunity to bring their dog to class and learn the basics of grooming and training.

Cosmetology
Welcome to the salon! Create up-do's, style with roller sets, experiment with blow-drying, curling/flat iron styling, French braids and more! You will also learn manicure and facial techniques. Come enjoy the salon experience and become a stylist for the summer.

Introduction to Culinary Arts
Look at what's cooking in the kitchen! Develop your cooking skills in an authentic commercial kitchen. Engage in hands-on experiences covering cooking, baking, kitchen safety, sanitation, and nutrition. Participate in an end of program cook-off competition!

Metal Magic
Spend some time in a metal shop exploring the basics of metalwork and welding. You will gain valuable insights, use tools needed to weld, and create fun projects.

Digital Audio
Discover the art and science of digital audio production in this immersive course. Students will explore the principles of sound, recording techniques, editing software proficiency, and the fundamentals of mixing and mastering. Delve into the world of digital sound manipulation and creative audio engineering.

Glam Lab (Esthetics) **New!**
Spa-La-La! Join us for a pamper party where you will learn to make your own lip balm, scrub, custom masks and more! Experiment with beauty techniques while learning the art of esthetics, skin care, and cosmetic treatments.

Registration begins February 9, 2026!

Classes vary by location – Bellport, Oakdale, and Riverhead
Online at registration.xendirect.com/esboces > select session Summer 2026 and search!

EASTERN LONG ISLAND ACADEMY OF APPLIED TECHNOLOGY
Find Your Future Here

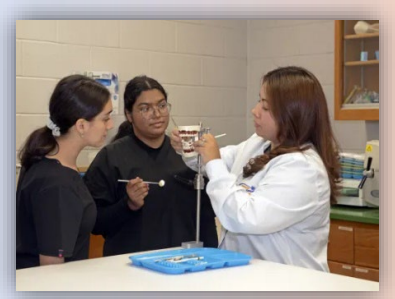

Career and College Pathways for High School Students…

At the Eastern Long Island Academy of Applied Technology, we don't just teach students about the world of work—we empower them to shape their own future. Whether a student is passionate about healthcare, construction trades, culinary arts, art and design, or automotive technology, our programs provide hands-on learning experiences that bring their passions to life. With access to cutting-edge facilities, industry-experienced instructors, and real-world projects, our students graduate with the knowledge and skills that give them a competitive edge.

The world is changing fast, and we're committed to ensuring that every student has the tools and experiences they need to thrive. Whether students choose to jump straight into a career, pursue higher education, or even start their own business, at the Eastern Long Island Academy of Applied Technology, we believe in dreaming big and equipping students to make those dreams a reality!

We offer approximately 60 career education courses across our three, main campuses, many of which connect Academy students to the vast array of college partners who offer opportunities to earn college credits or advanced standings at select post-secondary institutions.

More than 2,500 companies have employed graduates of our career and technical education programs.

Eastern Suffolk BOCES does not discriminate against any employee, student, applicant for employment, or candidate for enrollment on the basis of sex, gender, race, color, religion or creed, age, weight, national origin, marital status, disability, sexual orientation, gender identity or expression, transgender status, military or veteran status, domestic violence victim status, genetic predisposition or carrier status, or any other classification protected by Federal, State, or local law. This policy of nondiscrimination includes: access by students to educational programs, student activities, recruitment, appointment and promotion of employees, salaries, pay, and other benefits. ESBOCES also provides equal access to the Boy Scouts and other designated youth groups. ESBOCES fully complies with all applicable rules and regulations pertaining to civil rights for students and employees (e.g., Title IX of the Education Amendments of 1972, §504 of the Rehabilitation Act of 1973, Titles VI and VII of the Civil Rights Act of 1964, Dignity for All Students Act, §303 of Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and the Boy Scouts of American Equal Access Act of 2001). Inquiries regarding the implementation of the above laws should be directed to either of the ESBOCES Civil Rights Compliance Officers at ComplianceOfficers@esboces.org: the Assistant Superintendent for Human Resources, 631-687-3029, or the Associate Superintendent for Educational Services, 631-687-3056, 201 Sunrise Highway, Patchogue, NY 11772. Inquiries may also be addressed to the Office for Civil Rights at the US Department of Education, 32 Old Slip, 26th Floor, New York, NY 10005, 646-428-3800, OCR.NewYork@ed.gov.

60 Years Strong

Transforming Lives Through Nursing Education -Since 1965

Join 7,114 Graduates Making a Difference!

For six decades, the Eastern Suffolk School of Practical Nursing has been a cornerstone in the education of dedicated healthcare professionals. Over the years, the program's unwavering commitment to excellence has helped countless students launch rewarding careers in nursing. Many graduates have gone on to serve in hospitals, clinics, and healthcare facilities, bringing compassion, skill, and professionalism to the front lines of patient care.

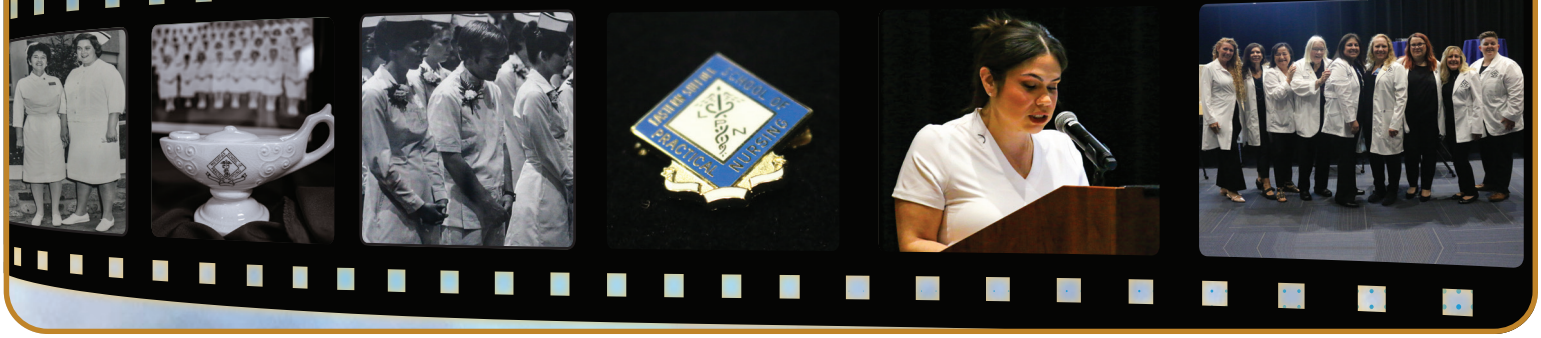

As we celebrate the program's 60th anniversary, we honor the legacy of its devoted faculty, staff and alumni, whose contributions continue to elevate the standards of nursing education and patient care. Their dedication helps shape the future of nursing, ensuring that each new generation of nurses is well-equipped to meet the challenges of an ever-evolving healthcare landscape.
