

Oxnard School District
Expanded Learning Opportunities Program
(ELOP) Plan 2025-2028
Board Meeting: April 2, 2025

Introduction to ELOP

- The Expanded Learning Opportunities Program (ELOP) provides before and after-school programs, intersessions, and summer learning opportunities.
- Focus is on academic, social, emotional, and physical development through hands-on learning experiences.
- This plan serves as a living, working document to address student and family needs.

Vision, Mission, and Purpose

Vision: Changing the World!

To nurture inspired, accomplished, multilingual global citizens through enriched learning experiences in school and beyond.

Mission: The Expanded Learning Opportunities Program will support the Oxnard School District mission to champion students' development of twenty-first century skills through activities which promote communication, collaboration, critical thinking and creativity, supporting the development towards the specific strand of each site.

The goals of the program are to:

1. Align with the regular day.
2. Academic focus on writing applications, reading comprehension, algebra functions and geometry.
3. Provide enrichment and physical activities.
4. Develop a connection to the community.

Requirements

We **MUST** provide access to ANY family who requests access

Provide a comprehensive 9 hour day (Bell to bell + extended learning)

Funds **MUST** be spent for programs outside the regular instructional day

Offer program to ALL unduplicated pupils

Board Approved Program Plan

30 additional 9 hour non school days

TK-6 served first
Ratio 20:1 1st-8th
Ratio 10:1 for TK/K

Board Approved Program Plan

OSD Student Profile

Oxnard School District students will be promoted from our schools with the following traits:

Innovator

Students will be creative writers, successful readers and mathematical thinkers; able to create, design, and apply new knowledge in a variety of contexts.

Problem Solver

Students will be confident and solution oriented; able to demonstrate a growth mindset and advocate for themselves and for others.

Achiever

Students will be able to demonstrate their knowledge on local and state measures in all academic areas.

Global Thinker

Students will be compassionate, multilingual, and inclusive; able to understand and to convey pride in their identity, heritage, and history.

Collaborator

Students will be collaborative learners; able to communicate and learn through and with others.

Digital Learner

Students will be technologically, artistically, academically and linguistically prepared to succeed and to lead.

Focused on the Future

Students will be high school, college, and career ready; challenged to select rigorous courses and equipped with the tools, knowledge, and skills to be prepared for the future.
