Plan Revised February 11, 2025

What is Title I?

Ethel W. Kight Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to challenging state academic standards to reinforce and enhance efforts in improving teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parent & family engagement.

Title I schools must jointly develop a written Parent and Family Engagement Policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Ethel W. Kight Elementary School (EKES) will provide opportunities to improve parent & family engagement to support student learning. EKES values the contributions and involvement of parents & families to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that EKES will support parent & family engagement and how families can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

EKES invited all families to attend our annual School Improvement Forum last spring to review and revise this parent & family engagement policy, the school improvement policy, and the parental involvement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through a form available in the Parent Resource Center. The plan is posted on our school website for families to view and submit feedback throughout the year. All feedback received during the year will be used to revise the plan for the next school year.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. EKES will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

At the beginning of the year, the plan will be included in the parent-student handbook that is available on the school's social media sites. Copies of the plan will also be available at our Annual Title I Parent Meeting at the beginning of the year and housed in the Parent Resource Room.

1. Focus on student success and well being.
2. Ensure equitable opportunities for all.
3. Focus on recruiting, inducting and retaining quality staff.
4. Cultivate the capacity of the school system to function as a flexible and adaptable organization.

School-Parent Compacts

As part of this plan, EKES and our families will develop school-parent compacts by grade level. These are agreements that parents, teachers, and students develop to explain how all parties work together to make sure all our students reach grade-level standards and goals. The compacts will be reviewed and updated annually based on feedback from parents, students and teachers during the beginning of each school year.

Parents will receive a copy of the compact to keep at home.

Compacts will be reviewed with parents during the year as well.

Let's Get Together!

Ethel W. Kight Elementary School will host a variety of events and meetings to promote parent and family engagement. Parent Nights covering core curriculum will be held multiple times during the school year to improve student academic achievement. Multiple dates and times, including virtual meetings, will be chosen for these events, and we will continue to explore different alternatives to enhance our ability to continually reach more parents. The events will be designed to build the capacity for strong parent & family engagement and to support a partnership among the school, parents, and the community. Invitations to various events will come home in Tuesday folders, dates will be posted in grade level newsletters, on our school website, Facebook, and electronic messages using School Status, Digital Signage throughout the school and Class Dojo. We may also be able to offer childcare during meetings if needed. Please call the school office if services are needed.

- That parents & families are encouraged to be actively involved in their child's education at school.
- That parents & families are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- That parents & families play an integral role in assisting their child's learning.
- The carrying out of other activities as described in this plan.
