What is Title I?

Callaway Middle is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to challenging state academic standards to reinforce and enhance efforts in improving teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parent and family engagement.

Title I schools must jointly

develop with all parents

a written Parent &

Family Engagement

Policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Callaway Middle School (CMS) will provide opportunities to improve parent and family engagement to support student learning. CMS values the contributions and involvement of parents and families to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that CMS will support parent & family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

In the spring, CMS will invite all families to attend our School Improvement Forum to review and revise this parent & family engagement policy, the school improvement policy, and the parental involvement budget. In addition to the spring forum, parent input and comments regarding this policy are welcome during the school year through a form available in the Parent Resource Center. The policy is posted on our school website for parents and families to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. CMS will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

Our 2024-2025 Parent and Family Engagement Policy is available in many ways. The plan is housed in the Parent Resource Room. The plan will also be posted on the school website. Copies of the plan will be available at our Title I meetings as well.

School-Parent Compacts

As part of this plan, CMS and our families will develop a school-wide parent compact. This is an agreement that parents, teachers, and students will develop that explain how all parties will work together to make sure all our students reach academic standards and goals. The compacts will be reviewed and updated annually based on feedback from parents, students and teachers during the beginning of each school year.

Families will receive a copy of the compact to keep at home.

Compacts will be reviewed with parents during the year as well.

Let's Get Together!

Callaway Middle School will host the following events to build the capacity for strong parent and family engagement to support a partnership among the school, parents, and the community to improve student academic achievement. Many meetings for parents will be offered at 2 different times to accommodate parents. We may also be able to offer childcare during meetings if needed. Please call the school office about this service.

Annual Title I Parent Meeting – Beginning of the Year

We invite you to an evening of learning and sharing about our Title I program, including our parent & family engagement policy, the schoolwide plan, the school-parent compacts, and parents' requirements. Invitations will come home with students, will be posted on the website, and mentioned in school newsletters.

Parent Workshops- Throughout the Year

We will host parent workshops during the year to present parents with academic information that will inform and enhance their knowledge of curriculum. The topics of workshops will be determined by using parent input. Invite flyers will come home with the students and events will be mentioned in newsletters. Some of these workshops include Family Math Night, Family Literacy Night, and Preparing for the GMAS Family Informational Night.

Conferences- October, 2025

In October, we invite parents to student-led conferences to share student progress and provide opportunities for greater understanding of grade level requirements. 6th-8th graders will have student-led conferences with parents to share academic accomplishments. In addition to these set conference times, all parents are welcome to schedule conferences with teachers as often as desired throughout the school year.

Parent & Family Engagement

CMS believes that parent & family engagement is the participation of parents in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school.
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- The carrying out of other activities as described in this plan.

CMS is committed to helping our parents attend the parental activities listed in this plan. Please call or email us if you miss a meeting and would like a copy of the minutes.
