Single Plan for Student Achievement

Any district school that shall participate in any state or federal categorical program specified in Education Code 64000 on an ongoing basis shall have a school site council which shall approve and annually review and update a single plan for student achievement (SPSA). If the school does not have a school site council, these responsibilities shall be fulfilled by a schoolwide

(cf. 1431 - Waivers)
(cf. 6020 - Parent Involvement)
(cf. 6171 - Title I Programs)
(cf. 6174 - Education for English Language Learners)
(cf. 6184 - Continuation Education)

The SPSA shall be developed with the review, advice, and certification of any applicable school advisory committees. (Education Code 64001)

Such groups may include, but are not limited to, a parent advisory committee established to review and comment on the district's local control and accountability plan (LCAP); advisory committees established for English learner and special education programs; Western Association of Schools and Colleges leadership teams; district or school liaison teams for schools identified for program improvement; and other committees established by the school or district.

(cf. 0460 - Local Control and Accountability Plan)
(cf. 0520.2 - Title I Program Improvement Schools)
(cf. 6190 - Evaluation of the Instructional Program)

The SPSA shall be aligned with the district's LCAP and school goals for improving student achievement. School goals shall be based on an analysis of verifiable state data identified pursuant to law, and may consider any other data developed by the district to measure student achievement. (Education Code 52062, 64001)

(cf. 0500 - Accountability)
(cf. 6162.5 - Student Assessment)
(cf. 6162.51 - State Academic Achievement Tests)
(cf. 6162.52 - High School Exit Examination)

The SPSA shall, at a minimum: (Education Code 64001)

1. Address how funds provided to the school through specified categorical programs will be used to improve the academic performance of all students to the level of the performance goals established by law
2. Identify the means of evaluating the school's progress toward accomplishing those goals
3. Identify how state and federal law governing the categorical programs will be implemented

In addition to meeting the requirements common to all applicable school plans, the SPSA shall address any content required by law for each individual categorical program in which the school participates.

In developing or revising the SPSA, the school site council or other schoolwide advisory group

or school support group shall:

1. Analyze student achievement data. Using measures of student academic performance, the school shall identify significant patterns of low performance in particular content areas, student groups, and/or individual students and determine which data summaries to include in the plan as most informative and relevant to school goals.
2. Assess the effectiveness of the school's instructional program in relation to the analysis of student data.
3. Identify a limited number of achievement goals and key improvement strategies to achieve the goals. School goals shall reflect the needs identified at the school site while aligning with goals identified in federally required district plans. The school shall specify the student group(s) on which each goal is focused, the methods or practices that will be used to reach the goal, and the criteria that will be used to determine if the goal is achieved.
4. Define timelines, personnel responsible, proposed expenditures, and funding sources to implement the SPSA.

The school site council or other schoolwide group shall approve the proposed SPSA at a meeting for which public notice has been posted and then submit the SPSA to the Governing Board for approval. (Education Code 35147, 64001)

The school site council or other schoolwide group shall regularly monitor the implementation and effectiveness of the SPSA and modify any activities that prove ineffective. At least once per year, the principal or designee shall evaluate results of improvement efforts and report to the Board, school site council, advisory committees, and other interested parties regarding progress toward school goals.

The school site council or other schoolwide group may amend the SPSA at any time. Any revisions that would substantively change the academic programs funded through the consolidated application shall be submitted to the Board for approval.
