

INSTRUCTIONSchool-Sponsored Trips

The Governing Board recognizes that school-sponsored trips are important components of a student's development. Besides supplementing and enriching classroom learning experiences, such trips encourage new interests among students, make them more aware of community resources, and help them relate their school experiences to the outside world. The Board believes that careful planning can greatly enhance the value and safety of such trips.

(cf. 0460 - Local Control and Accountability Plan)

Field trips shall be conducted in connection with the district's course of study or school-related social, educational, cultural, athletic, school band, or other extracurricular or cocurricular activities. A field trip to a foreign country may be permitted to familiarize students with the language, history, geography, natural science, and other studies relative to the district's course of study. (Education Code 35330)

(cf. 6143 - Courses of Study)

(cf. 6145 - Extracurricular and Cocurricular Activities)

(cf. 6145.2 - Athletic Competition)

All trips involving out-of-state or overnight travel shall require the prior approval of the Board. Day trips more than a distance of 150 miles one way shall require the prior approval of the Board. Other trips may be approved by the Superintendent or designee.

(cf. 3312.2 - Educational Travel Program Contracts)

The principal shall establish a process for approving a staff member's request to conduct a field trip. When planning trips, staff shall consider student safety, objectives of instruction, the most effective use of instructional time, the distance from school, district and student expense, and transportation and supervision requirements. Principals may exclude from the trip any student whose presence on the trip would pose a safety or disciplinary risk. All Central rules and policies apply, and any behavioral breach will be followed by school discipline and consequences upon return based on the following tiered structure.

Level 1 – All Education Code section 48915, subdivision (a) and (c) offenses:
No school-sponsored trips for one year
Non-privilege list for 30 days

Level 2 – All other Education Code offenses and all violations of school or trip rules:
Discipline deemed appropriate by Superintendent, or designee, in consultation with the site principal

(cf. 3530 - Risk Management/Insurance)

(cf. 3541.1 - Transportation for School-Related Trips)

(cf. 5142 - Safety)

(cf. 5143 - Insurance)

(cf. 5144 - Discipline)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

No field trip shall be authorized if any student would be excluded from participation because of a lack of sufficient funds. The Superintendent or designee shall coordinate with community groups to supply funds for students in need. (Education Code 35330)

(cf. 1230 - School-Connected Organizations)

(cf. 1321 - Solicitation of Funds from and by Students)

(cf. 1700 - Relations Between Private Industry and the Schools)

The Board may approve the use of district funds for student expenses for in-state, out-of-state, or out-of-country field trips or excursions when permitted by law. In addition, expenses of instructors, chaperones, and other personnel participating in such trips, as well as incidental expenses for the use of district equipment during the trip, may be paid from district funds. (Education Code 35330)
