A Message from this week's Editor: Mr Brunson

On Tuesday, we had our transition morning, with children spending time in their new classrooms. The morning went very smoothly, and flew by as everyone was having so much fun!

Yesterday, Year 6 performed their end of term musical: Annie. It was a brilliant show with some outstanding individual performances. Alongside great singing and acting, 'behind the scenes' roles were undertaken extremely well, so everything ran smoothly. I look forward to seeing some of our Year 6 children in the performing West End in years to come! Huge thanks to Mrs Bharj, Mrs Uppal and Mr Hill for all their hard work preparing for the show. Have a great weekend.

LOOK AT WHAT WE HAVE BEEN DOING THIS WEEK!

"I liked meeting my new teachers, we made our own shields in Year 5!"

Myra - Year 4

"I coloured my name for my new peg in Year 1, I am so excited!"

Asees - Reception

Transition morning brought a buzz of excitement across the school on Tuesday. Children spent time in their new classrooms, getting to know their new teachers and becoming familiar with the environment they'll be in come September. It was an especially memorable moment for our current Reception pupils as they stepped out of the Early Years setting and into their Year 1 classroom. Throughout the morning, children took part in a variety of activities designed to help them feel confident and ready for the changes ahead. Meanwhile, our Year 6 pupils experienced a big milestone of their own, spending the day at their new secondary schools.

"The classroom was a different size but I feel happy, I can't wait to meet our new teacher!"

Fabian - Year 3

"I enjoyed sewing with my Mum."

Haaris - Year 2

"I imagined my own dinosaur, it was an iguana dinosaur, it was so colourful!"

Mariah - Year 1

This week marked the beginning of our Summer Term Express Events, as we proudly welcomed parents and families from Years 1, 2, and 5 into the hall to celebrate the children's creative achievements in Art and Design Technology.

Year 1 transformed the space into their very own Dinosaur Museum, showcasing fascinating historical creations inspired by their learning.

Year 2 impressed everyone with their newfound sewing skills — they designed and hand-stitched their own unique bag tags, combining creativity with craftsmanship.

Year 5 wowed visitors with stunning 3D artworks made from natural materials, beautifully linking to their current topic, Sow, Grow and Farm.

"I really enjoyed making my artwork and I will be taking it home to finish it with my Dad."

Lilly - Year 5

"The best bit of the whole performance is when Annie's parents are found to be fraudsters and marched off by the police!"

Aarush - Year 6

Year 6 End of Term Production

Our Year 6 children did a fantastic job this week at performing in front of the whole school, as well as in front of the Year 6 parents and other family members. We were incredibly proud at how confident and expressive they came across. We were also very impressed with how well they remembered all their lines, as well as knowing all the songs. They have been enthusiastic and proactive during all of our rehearsals which all paid off in the end. They have certainly set the bar high for future years! Well done Year 6!

"It's been a really good experience to bond with each other. We helped each other with our lines."
