

STARTUP PROGRAM

A step-by-step roadmap to help STEM entrepreneurs turn big ideas into thriving businesses—from that first AHA! moment to launch, growth, or acquisition.

WHO IS IT FOR?

- Aspiring and early-stage entrepreneurs.
- Based in Yuma County or the Southwest region.
- Focused on innovation and STEM.
- Seeking mentorship, structure, and support.

WHY IT WORKS

- **Clear Milestones** – Breaks complex steps into achievable goals.
- **Practical Tools** – Checklists and real startup strategies.
- **Expert Guidance** – Mentors, workshops, and pitch coaching.
- **Founder Growth** – Focuses on personal and professional evolution.
