What is a
6 DAY SCHEDULE?

Sierra Verde implements a “6-day Schedule” to accommodate all Special Area classes **(Art, Music, Band, STEAM, Choir, & PE)**. This means that each school day is represented by a number, 1 through 6. The first day of school will be “Day 1”. Each proceeding day will follow in numeric order until it gets to Day 6. At that time, the numbers will start back again to Day 1. Within those 6 days, students will have their specific Special Area classes on those specific days through the remainder of the school year.

(example: Art on Day 1, Music on Day 2, P.E. on Day 3, STEAM on Day 4, Band on Day 5, and P.E. on Day 6)
