SACS COC™

SOUTHERN ASSOCIATION OF COLLEGES AND SCHOOLS
COMMISSION ON COLLEGES

September 28, 2017

Dr. T. Rhett Brown
President
Wingate University
220 North Camden Street
Campus Box 3055
Wingate, NC 28174

Dear Dr. Brown:

Thank you for the letter of May 2, 2017, notifying SACSCOC of your intention to close the Master of Arts in Education in Health and Physical Education degree program, effective summer 2017.

No students have been enrolled in the degree program since the summer of 2012, and the last student to graduate with the degree was in August 2012. Faculty teaching in the degree program made the recommendation to close the program. Faculty and staff members will maintain their positions in support of the undergraduate program in the School of Sport Sciences.

We approve the closing of the M.A. in Education in Health and Physical Education degree program.

Best regards,

Kevin W. Sightler, Ph.D.
Director of Substantive Change
