SOUTHERN ASSOCIATION OF COLLEGES AND SCHOOLS
COMMISSION ON COLLEGES

May 16, 2016

Dr. Rhett Brown
President
Wingate University
220 North Camden Street
Campus Box 3055
Wingate, NC 28174

Dear Dr. Brown:

Thank you for your letter of January 15, 2016, notifying the Commission of your intent to relocate the Hendersonville off-campus instructional site, effective August 30, 2016. The location of the site is:

Previous Address	New Address
Wingate University	Wingate University Health Sciences Center
220 Fifth Avenue East	805 6th Avenue West
Hendersonville, NC 28792	Hendersonville, NC 28792

The new location for the site will serve the same pool of students within the same geographical area. The new site will provide a more professional environment. The site will be equipped with state of the art PolyCom interactive technology linking the site to the main campus. All programs and coursework will remain the same. Less than 50% of any academic program will be taught via distance education. All courses will continue to be taught by doctoral qualified faculty within the teaching discipline or within a related field. The University will utilize secure login and pass codes, proctored exams, and live synchronous two-way video to ensure registered students are the same students participating in and completing coursework. Written procedures regarding student privacy and requirements for notifying students of projected additional charges associated with verification of student identity are included in chapter two of the College's Faculty Guide.

We accept notification of the relocation of the Hendersonville off-campus instructional site and require no additional information.

Best regards,

Belle S. Wheelan
