To the Class of 1959:

The faculty and administration at North High School extend to you their congratulations and best wishes as you near the end of your senior year. We hope you will find success and happiness in the years ahead.

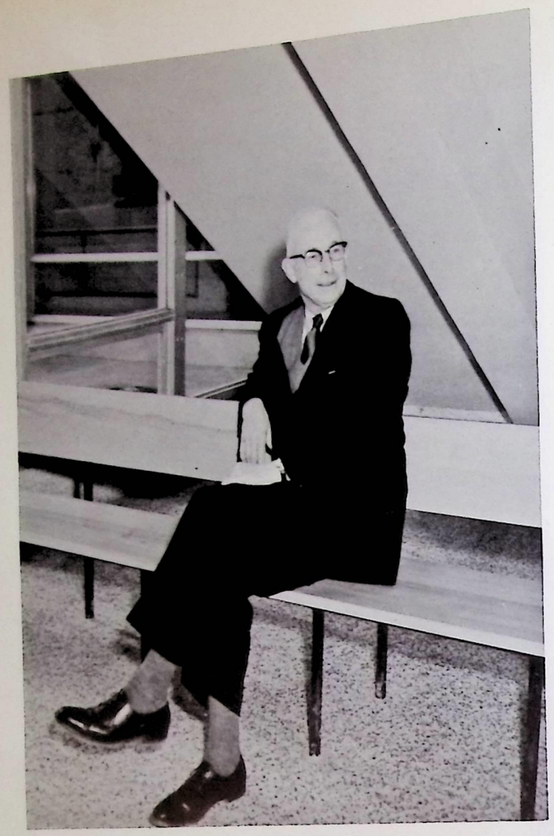

P. H. Farrar

Dedication

Miss Madeline Fickes' warm personality, dedication to her work and her constant willingness to assist students in their endeavors have been an inspiration to students and fellow faculty members over the years. For these reasons, and many others we dedicate to her the 1959 LENS as a gesture of appreciation for her many efforts.

Board of Education

J. B. Woodside, Superintendent of Schools

The responsibilities placed upon the Board of Education in the past year have increased along with the growing school system. Under the able leadership of J.B. Woodside, the school board continued to overcome the numerous problems involved in keeping our schools as progressive and efficient as possible. The student body of North High School wishes to thank you for the many hours of hard work that went into making our educational opportunities possible.

Left to Right: Robert Murphy, Bruce Huston, William McLaughlin, J.B. Woodside, James Smith, Dr. John Cumming, Mary Cole (absent).

Administration

Congratulations are due to our administrative department for the fine job that they have done in the past year. Under the hardship of a growing faculty and student body, Principal, O.H.Farrar, and assistant principals, Lorella McKinney, Richard Farrell, Sturgis Carbin and Richard Miller, have been kept busy co-ordinating the efforts of the students and teachers, maintaining discipline, and performing an unending number of thankless tasks. These people are to be commended for their service and dedication.

Senior Council in Session

This year the Senior Class has been very active. The numerous activities organized by the officers and class council included an activity each month beginning with the Splash Party in August and ending with the Senior Prom in May. The other activities included two roller skating parties, Senior Night at a football game and dance. The Senior Banquet and Senior Fun Night were additional events. Many thanks to the officers, council, and class sponsors, Mrs. Farmer and Mr. Foster, for the success of all these functions.

North is one of many high schools throughout the country that is constantly providing a continuous flow of competent, educated and honorable future citizens into our ever expanding American Society.

A typical year at North High School is a general composite of many activities- scholastic, athletic, cultural and social- which combined constitute important phases in the lives of the student body.

The following activity section of the Lens is in part an attempt to illustrate through pictures the total composite of the North High School scene during the 1958-59 year!
