THE

LENS

EASTLAKE NORTH HIGH SCHOOL

34041 STEVENS BOULEVARD, EASTLAKE, OHIO

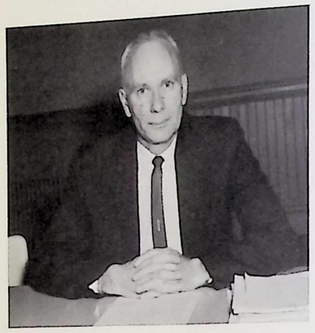

DEDICATION

MR. TOM CROWE

For contributing directly in time and effort to the glory of our athletic teams
For trying to show us that discipline and knowledge must go together
And most of all in appreciation of the happy moments left with all of us through his sense of humor.

Dr. Guy F. Eberhart
Superintendent

Mr. Willis P. Kern

I leave now, for later.
I leave yesterday, for tomorrow.
Yet, what do I leave?
Hopes, which shall be fulfilled,
Dreams, which I shall live,
Love, which I shall find.
Although I leave past for present,
I leave with a full heart,
Happy in the knowledge that
I missed naught,
Accomplished much.

RANGERS WIN G.C.C. CROWN

SHARE TITLE WITH MIDPARK

BOW TO MASSILLON

Coach McIntire gets a ride from the field on the shoulders of his squad after North's 50-20 rout of South.

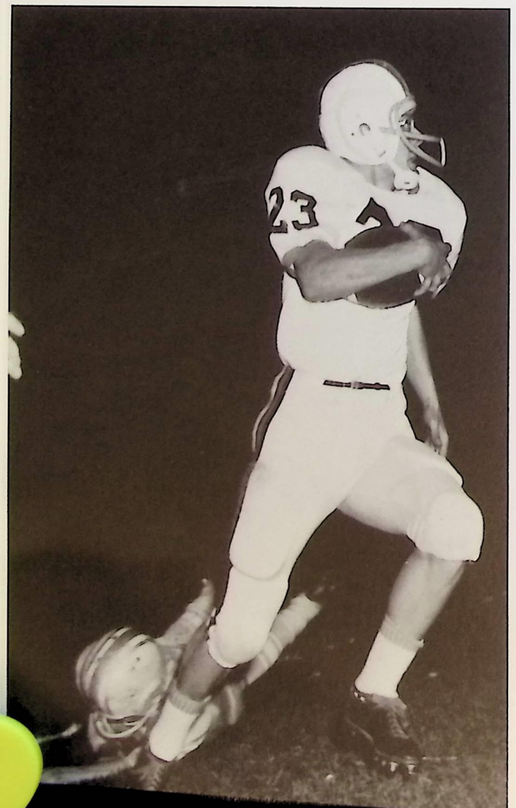

Despite late season losses to state champion Massillon and Berea Midpark, the 1964 North High Football season must be considered an outstanding success. Following an opening game tie with Mayfield, the Rangers reeled off six straight victories over Harvey, Brush, Bedford, Garfield, Berea, and Maple Heights. The last four victories over G.C.C. foes assured North of a tie for the conference title.

Undoubtedly, the most enjoyable contest of the year was the closing 50-20 thumping of arch rival South—a game in which North rolled up a 42-6 half time lead. While the heart of the attack was built around the passing of All-Ohio 2nd Team Quarterback Jeff Carter, the running of Roy Infalvi, Al Lunder, and Lou Colagross was a prime factor in making it successful. Carter's favorite targets were Bill Mose, Infalvi, and 2nd string All-Ohio end Chuck Hoban.

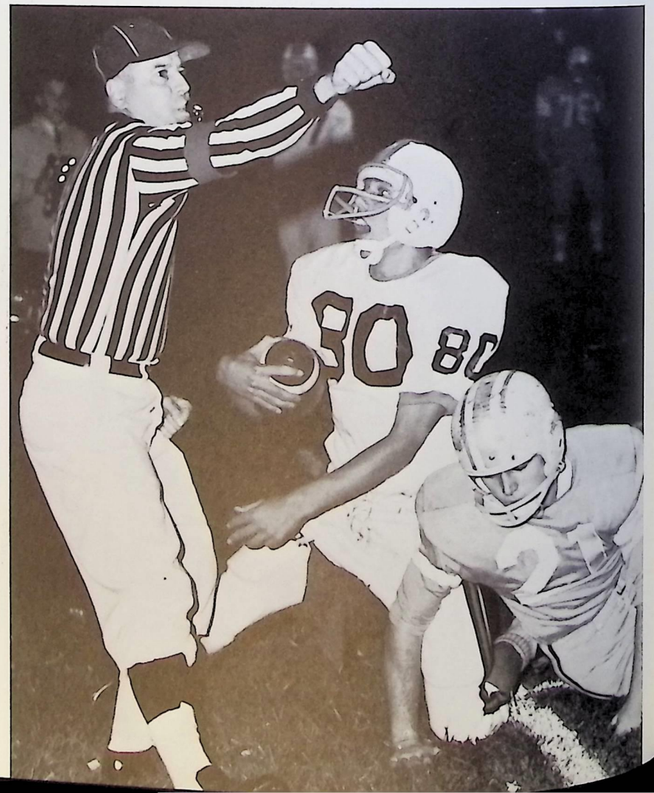

The stalwart line was anchored by All-Conference tackle Sandy Effron, guard John Beccia, and center John Mikulak.

While the trip to Massillon did not result in a favorable outcome, North's determination caused special notice and next year's trip is awaited with interest.

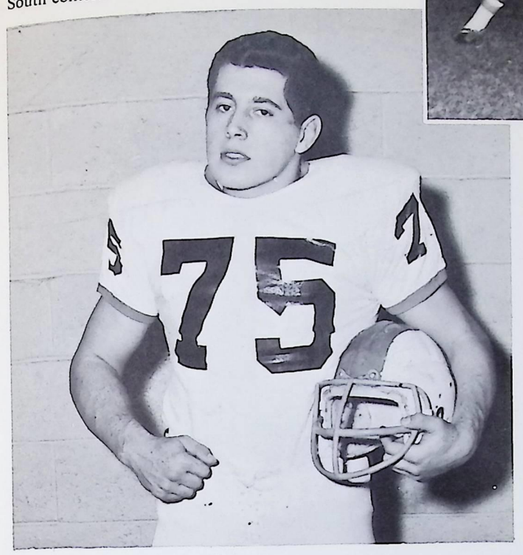

Senior halfback Lou Colagross turns the end and moves upfield against South.

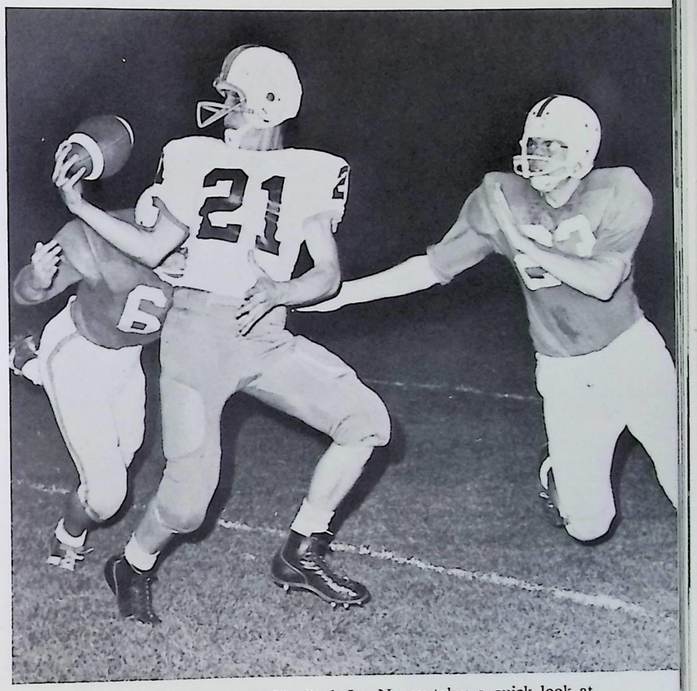

End Bill Nose has just scored the first of seven touchdowns against South High. The referee's arm indicates that Nose had gone to the right of the boundary flag and thus into the end zone. Nose had just completed a pass from Carter.

Sandy Effron (below), North's tackle, received a signal honor when he was selected for the First Team All Ohio High School Squad. Sandy became the first North High football player to make the first team. At right he is seen leading the blocking for Sternot in the South contest.

"THIS DOES SEEM TO BE OURS"—Back Joe Noggy takes a quick look at the pigskin as Bedford defenders close in.

JAYVEES SET NEW WIN RECORD

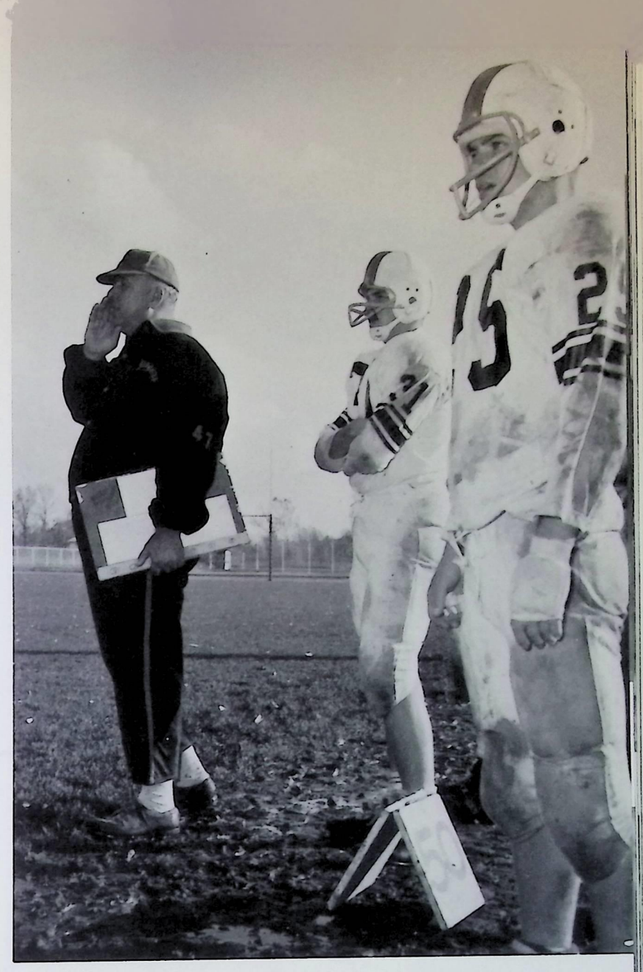

Compiling the best record in North High J.V. Football history, the Rangers swept to a second place in the G.C.C., behind undefeated Garfield. The record of six wins, one loss, and one tie included a perfect record of four wins at home.

Some of the big victories of the season were Mayfield, Brush, Berea, Midpark, Maple, and Bedford. Except for the Garfield game, the defense was excellent, providing the margin in many of the close games.

The 1964 North Cross Country Team, coached by Mr. Chuck Miller, continued the winning tradition of Ranger Harriers by compiling a 6-1 dual meet record. Big victories in the season included victories over St. Joe's, South, and Mentor. North was paced by: Seniors Captain Cliff Metz and Jim Post; Juniors Dave Boltauzer, Jack Polcar, and Bob Phillips; and Sophomore Cliff Eisaman. The season was highlighted by the breaking of the school record in the two mile by Dave Boltauzer. "Tauz" was clocked at 10:04 against Bedford.

154 pounder Don Wank struggles grimly with his Bedford opponent.

Coach Matteucci's 1964-65 wrestling team produced another winning season. In eight years under his guidance the Ranger wrestlers have never had a losing season.

This year's squad won 8 of 12 matches and finished 3rd in the powerful Greater Cleveland Conference. Highlight of the season was a 21 to 18 win over a strong Euclid team. In conference meets they downed Maple, Midpark and Bedford.

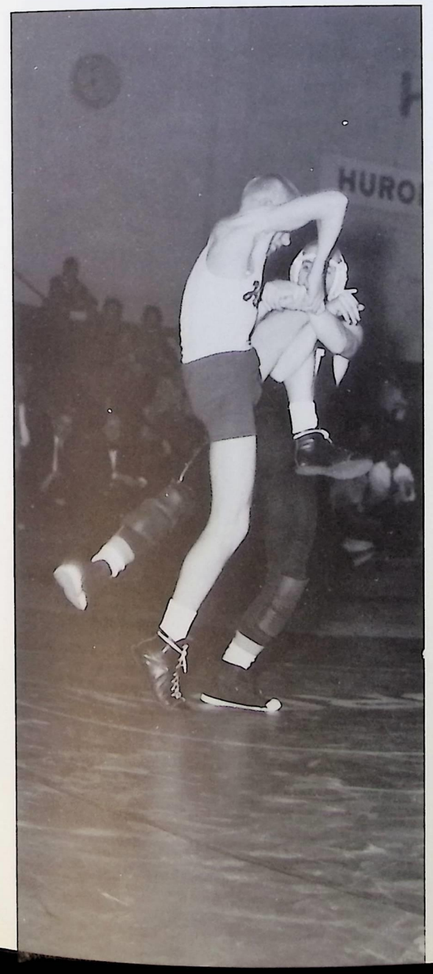

North was particularly strong in the lighter weights with 112 pounder Chuck Burger winning 10 of 11 bouts and going to the state finals. Other outstanding records were posted by Ray Sabin, Jon Dobre, Karl Naugle and heavyweight Sandy Effron.

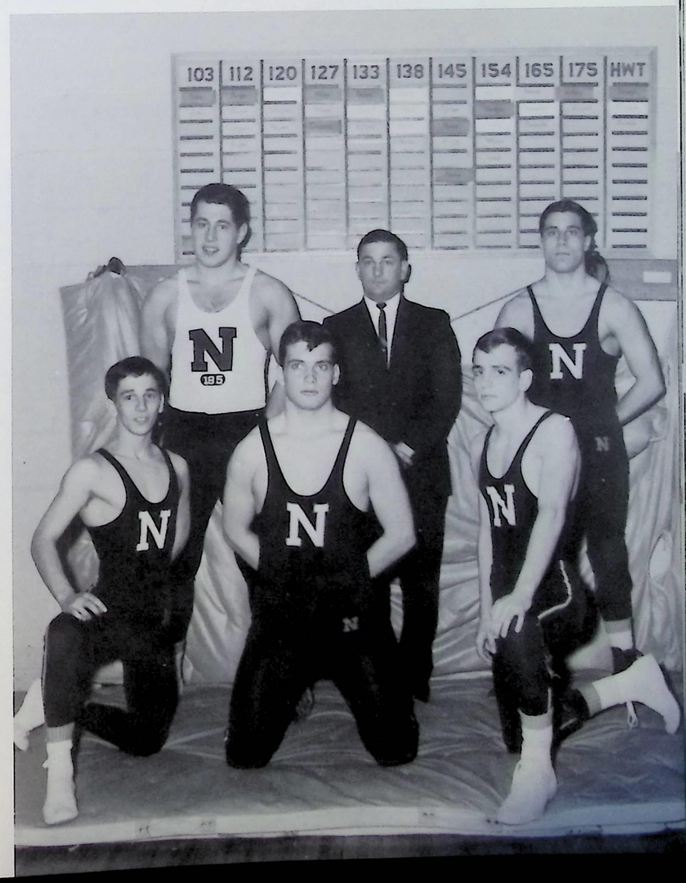

112 pounder Chuck Burger turned in the finest record in state tournament competition, advancing to the state finals at Columbus before being eliminated. Here he is seen en route to a 5-1 decision over his Euclid counterpart, Pete Goulis. Burger won his way into both the sectional and district finals.

Although the 1964 track season spelled a losing record for the North track team, it did produce many outstanding individual performances. Cliff Metz, Bill Masters, Jim Post, Bill Kirchsteiner, Lou Colagrass, and Craig Linkhorn gave Ranger fans much to be proud of as they consistently performed well in dual competition. They also turned in excellent efforts in the District and Conference Meets. North was especially proud of its two cindermen who copped District honors and thereby competed in the Ohio State High School Track Meet, Linkhorn and Colagrass. With the 1964 squad being composed almost entirely of sophomores and juniors, the Rangers looked forward to the future with considerable hope and optimism.

SEASON SUMMARY

The four man team of Gary Polanz, Jerry Polanz, Al Kurash, and Jeff George captured North's first district championship in golf with a combined score of 335 strokes for 18 holes of play. The same four went on to place thirteenth in the state tournament from a field of twenty-four teams.

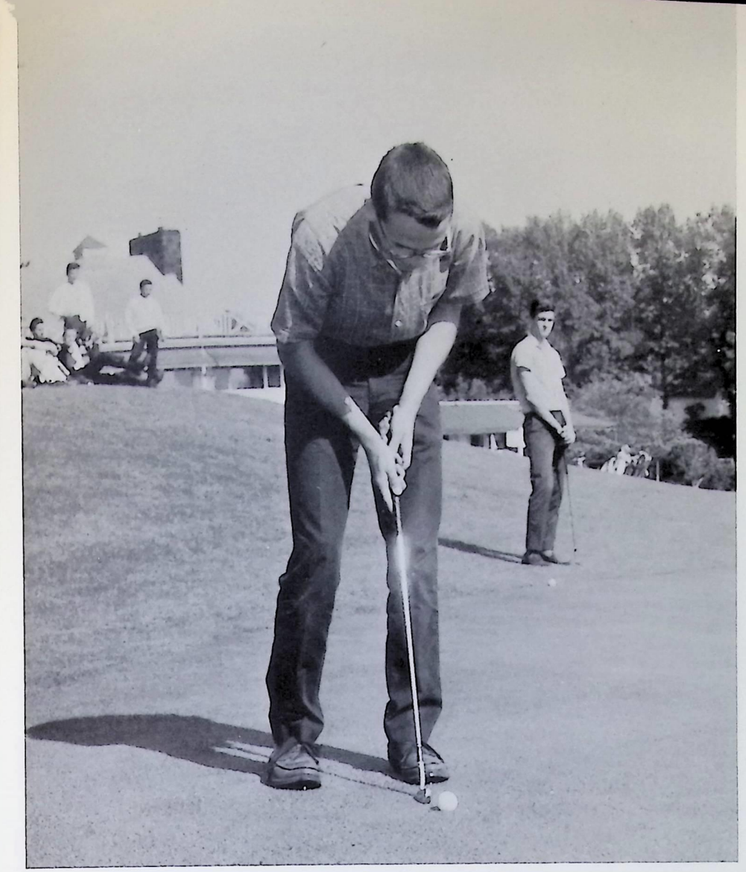

The Rangers placed second in the Northeast League behind Wickliffe. The linksmen posted a fine season record of thirteen wins, two losses and one tie.

Individually, the honors fell to graduating seniors Jerry and Gary Polanz. Each averaged exactly 40 strokes for nine holes of play, according to Coach Cooper's figures.

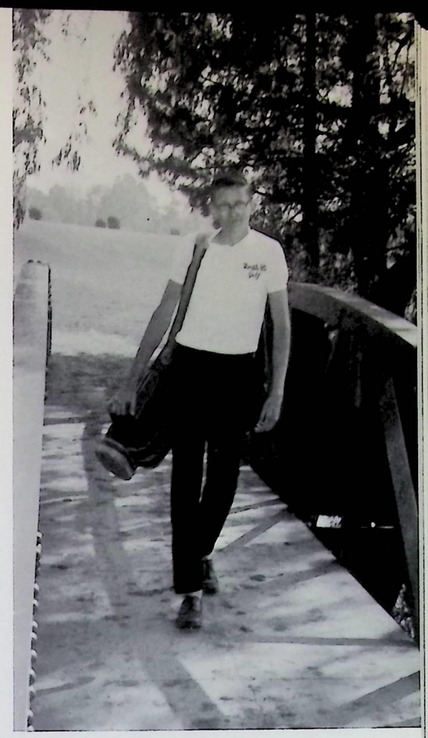

Returning members of last year's team are Al Kurash, Jeff George, and Jon Bastick. The four graduating members were the Polanzes, Bill Tuttle, and Bob McIlveen.

Al Kurash, Plain Dealer Putt-Putt Champion, shows his form as he concentrates on an important putt in conference play.

Bill Tuttle, shown crossing a bridge, was a regular for much of the year.

The Polanz brothers, Jerry and Gary, led last year's District Champions. Each averaged 40 strokes for 9 holes of play to tie for the individual lead.

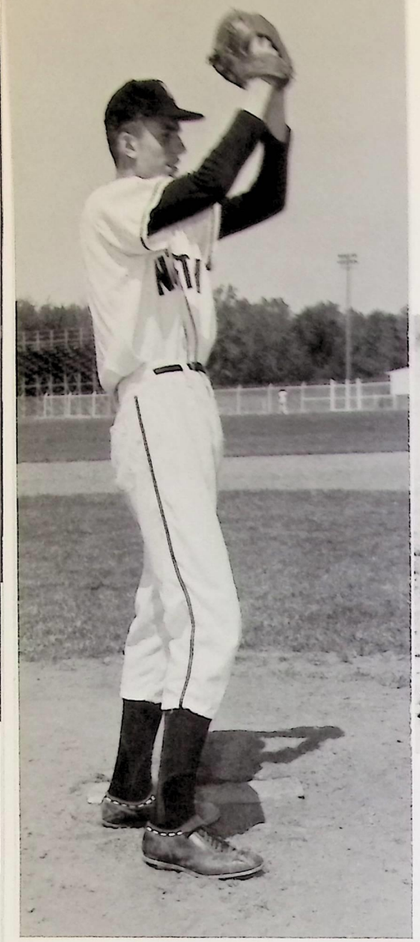

Rangers Finish Strong

Win Final Six Games; Beat State Runner-up Benedictine 5-3

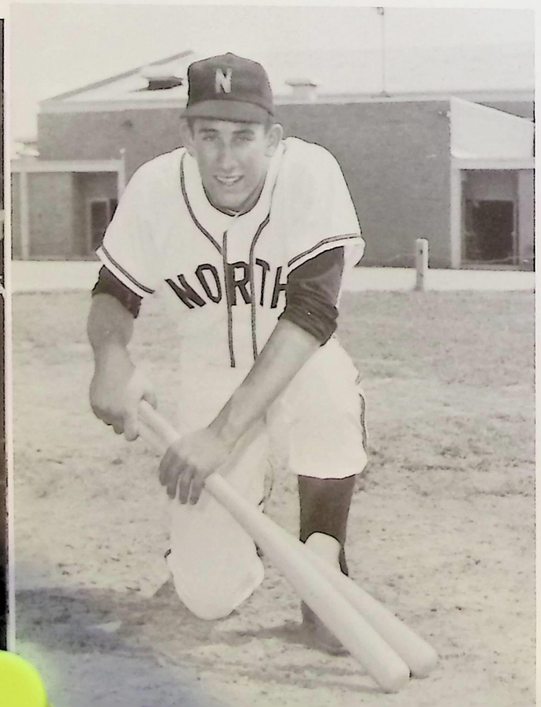

A North High batter lays down a bunt in home action on the diamond.

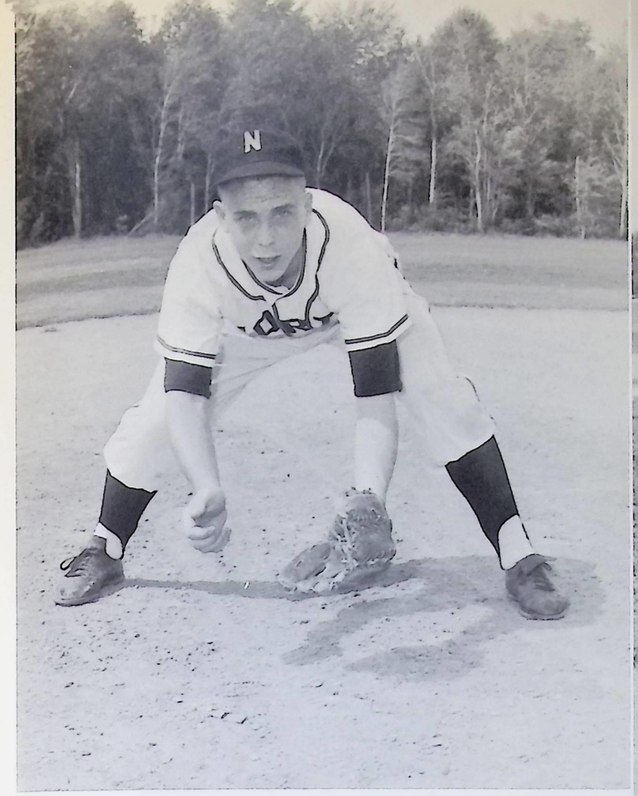

Southpaw Rick Carr shows the form which made him one of the top starters in '64.

Andy Dow, three year regular in the Ranger infield, was Athlete of the Year.

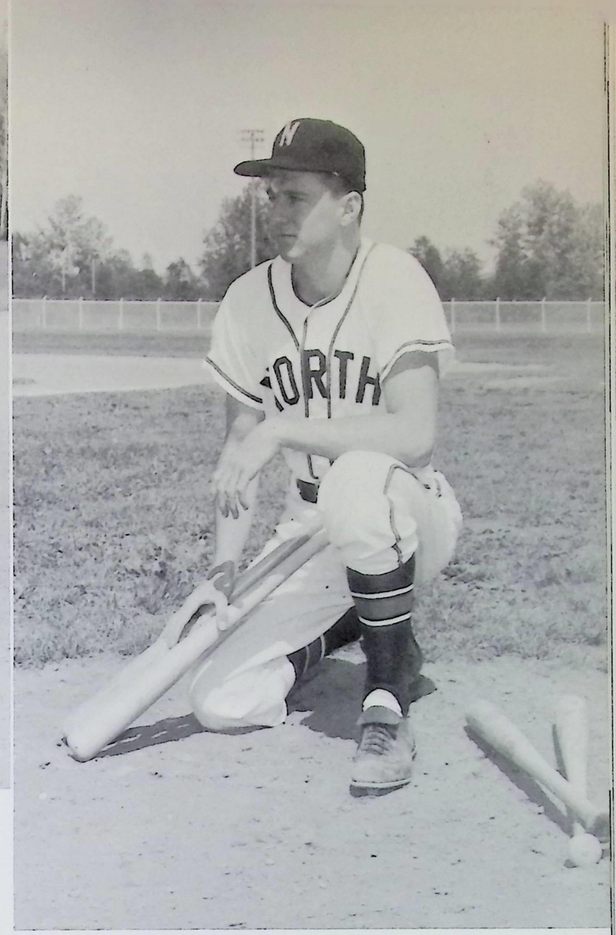

The North baseball team finished with a third place in the G.C.C. and compiled a fine record of 11 victories and 6 defeats, including the big win over the Benedictine Lions. Coach Vic McIntyre has ten lettermen returning with the possibility of a championship team. The scores of the individual games were:

Truly the spirit of a school lies in her students, just as the spirit of a choir lies in her glee clubs. Without the glee clubs for a constant source of talent and training, the North High Choir could not exist. Only a select group from

DO RE MI FA SO LA TI DO

the glee clubs can get into the choir the next year—the ones who have made an enthusiastic effort to show themselves worthy of choir. The time in glee club is never wasted. Your ambition is sight-reading; your goal is choir.

The Student Council, with the assistance of Mr. Rutherford, gained prestige by accomplishing much toward the betterment of the student government. By representing the student body in community projects, such as the United Appeal, financial assistance to the American Field Service, and Boys' and Girls' State, the 1964-1965 Student Council has proved its merit.

The student governing body assisted North High School with service projects such as opening day ceremonies, Christmas decorations, underclass pictures, the erection of the school sign, and the initiating of the Inter-Club Council and spirit committee.

For student participation, the organization led in the planning, election, and presentation of the 1964-65 Homecoming Queen and Court, and sponsored the Homecoming Dance, TWIRP Dance, and the Variety Show.

In view of these accomplishments, the North High School Student Council has proved to be an outstanding organization in spirit, leadership, and high standards.

The largest service group of North High School, the Friendship Club, has done much to earn the respect of the school and the community. The girls have helped the needy through its clothing drive, "Toys for Tots" campaign, and other monthly service projects.

Scattered through the many undertakings are fun-filled events. The theme of this year's activities was "Far Away Places." The 1964-65 year began with the formal initiation followed by the traditional informal initiation . . .

. . . The club also gave an opportunity for parents and friends to participate in various events, such as the Christmas party, Dads' Night, and the Mother-Daughter Tea.

Members of the Friendship Club traveled to Paris for their annual Friendship Club Formal, the second largest activity at North High School. The formal represents the culmination of a very successful school year.

Much appreciation should be shown to the girls of the Friendship Club, a notable and worthwhile organization.

"PILLOW TALK"
SENIOR CLASS
PRESENTATION

Thespian Troop 220 of North High has done much to add to the enjoyment of students and adults in our area. Their first experience on the stage of North High's Speech Room was in Bettye Knapp's comedy "The Other You" during their junior year. Since that time they have become more proficient in their acting skills under the expert guidance of Mr. Moyer. The seniors have produced two comedy plays this year, "Pillow Talk," and their most recent and final production, the Thespian Play, "Onions in the Stew."

RIFLE TEAM

The 1964-1965 Rifle Team gathered many honors in the Northeastern Scholastic Rifle League. Although competition was keen the team blazed a league winning streak.

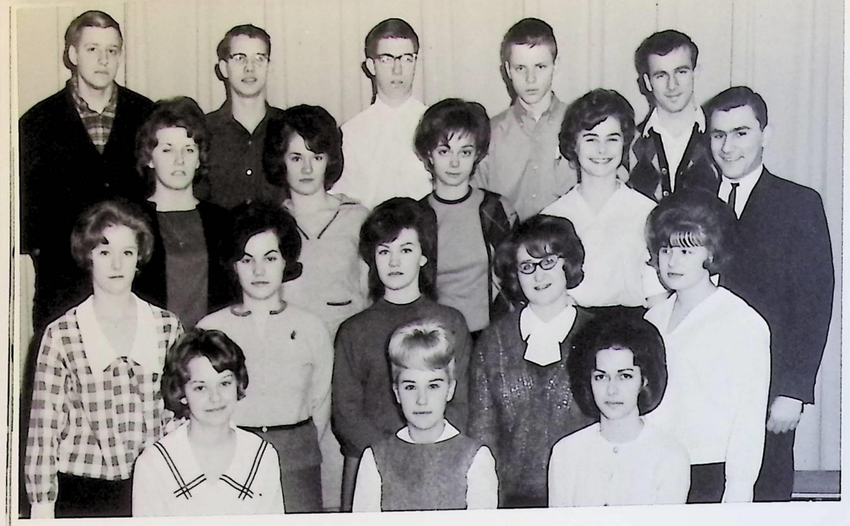

Four positions are shot in a match: prone, kneeling, sitting, and offhand. The team, coached by Mr. Harper and Miss Lenz, traveled to matches in Northeastern Ohio and New York State.

Sandy Culp and Tim Culek, traveling anonymously as Lens photographers, have earned a position high on the pedestal of the Lens' greats. Both Seniors have proved to be excellent in picture shooting and in dependability; both are always on the scene and ready to go at all times. Their constant persistence of "There's no organization!" will long live in the hearts of the Lens Staff.

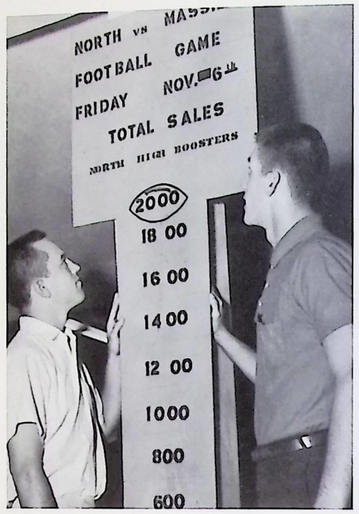

Another year. Another Lens. No one can realize the pain and sacrifice that is given to a yearbook. Not one soul, aside from the Lens staff itself, will treasure these memories: two and one-half minutes to six, who's who, snapping pics, "Keep Out!" signs, McDonaldburgers on early Saturdays, radios blaring, typewriters incessantly click . . . clicking, Mr. Dangler's constant panic, lost pictures, copy writing, sections battling for the use of the two tired typewriters, munching stale doughnuts, fights over the reduction scale, the "empty" blackboard, Tim and Sandy lounging in the "Lens Den," junk heaped on the overcrowded desk, stolen pictures, first deadline . . . second deadline . . . third deadline, snake-in-the-box, colorful copy sheets, the unmanageable managing editor, the watchful eyes of co-editors, shrieks of "We made it!" . . . fourth deadline, exhaustion, relief, and pride.

AMERICAN FIELD SERVICE

Henrik Enell

To Sweden

For as long as I can remember I have wanted to travel, to meet new people, and to see far-off places. The summer of my senior year I spent two months in Sweden as a representative of North High School. They were the most valuable two months of my life.

The purpose of A.F.S. is to create better understanding between America and other nations. I hope I have helped fulfill that purpose.

Your friend,
Lynn Taylor

From Sweden

I do not know in which way I best can express my feelings and thankfulness to you. You have meant so much to me. Among you I really have found a second home, where I have lived and been a part of North—a thing I am very proud of. I will never forget all the wonderful experiences I have had with you. But above all, I will never forget you—for what you have been to me, taught me, and given me. My year here will always stay in my memories as a year of understanding, knowledge, and experience. But it will not die—it will always be alive and real to me.

I think A.F.S. is among the finest and most important organizations in the world we are living in just now. I think you have realized that we are basically the same, even if we are living in different countries with different backgrounds, traditions, and political systems. And it is important because "tomorrow is now."

With North always in my memory

Brazil and New Zealand

In January of 1965 an assembly was held for our A.F.S. students. The purpose of this assembly was to welcome back Georgene Yuratovac and to bid farewell to Lynn Curtis. Georgene, a senior, arrived here after a year's stay in Brazil. We are certain her friendly personality has spread goodwill to every place she has traveled.

A junior at North High, Lynn Curtis was chosen to spend a year in New Zealand as a representative in the Americans Abroad program. Lynn was reported as being a "good, wholesome, American boy" by a New Zealand newspaper. During his stay, Lynn is living with the H. M. Collins family of Te Puke, New Zealand.

VOCATIONAL

INDUSTRIAL ARTS

The industrial arts shops are double-period, one credit classes in the following subject areas: graphic arts, metal arts, woods and crafts, and power mechanics. The purpose of these courses is to teach the basic fundamentals of many useful skills.

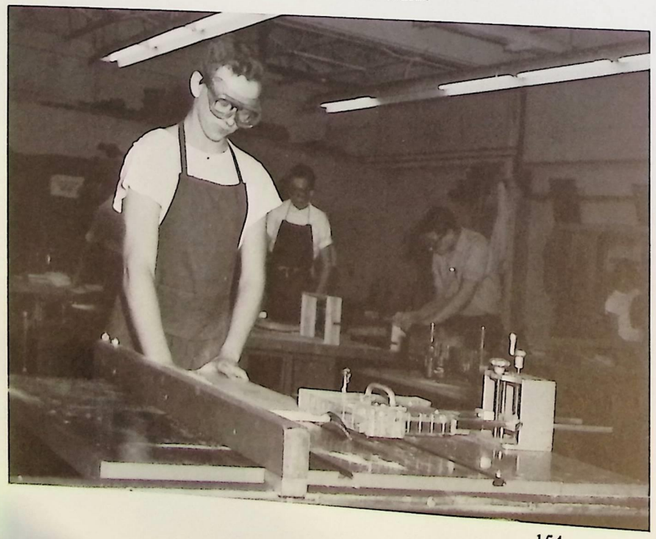

Power mechanics is a study of the various means by which usable power is developed from energy sources. The study of power mechanics includes the following, dis-assembly and re-assembly of a four-stroke cycle piston engine, maintenance of two-cycle engines, and related work in the types of internal combustion engines. Other units taught at North are the carburetor and fuel pump.

Woodshop is concerned in teaching the use of machines and woodworking tools skillfully and properly. Projects are designed to give practice in all aspects of woodworking—layout and design, cut-out, assembly, and finishing.

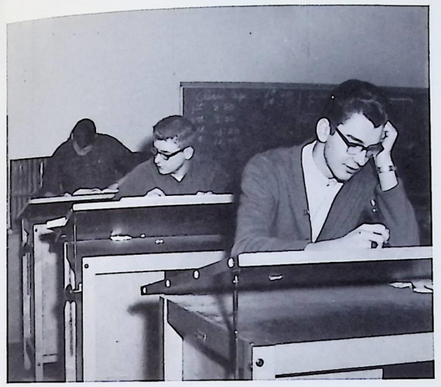

Engine maintenance in Power Mechanics.

Bench saw in Woods & Crafts.

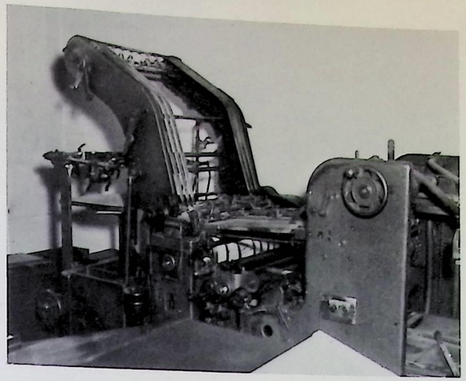

Mechanical Drawing

Graphic arts covers the basic fundamentals of printing, mechanical drawing, silk screening, and photography. Also, a single period ½ credit course is offered drawing for pre-engineering student.

Students in metal arts learn to develop and assemble sheet metal and wrought iron projects. Oxy-acetylene welding and arc-welding are taught, as are the operations of lathes, drill presses, milling machines, and other machine shop equipment.

Oxy-acetylene welder.

VOCATIONAL

There are six vocational courses offered at North. These classes are designed to prepare students to become apprentices upon graduation. They meet six periods a day, including four shop periods and two related class periods, which are devoted to theory. A course in any of the six areas is completed in two years.

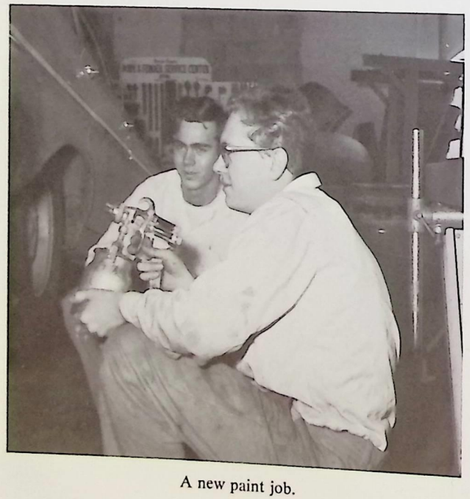

Machine shop layout.

Vocational machine shop teaches the basics of all types of machine tools, operations, and tool designs. Students are trained in the operation of lathes, milling machines, sharpers, and heat treatings.

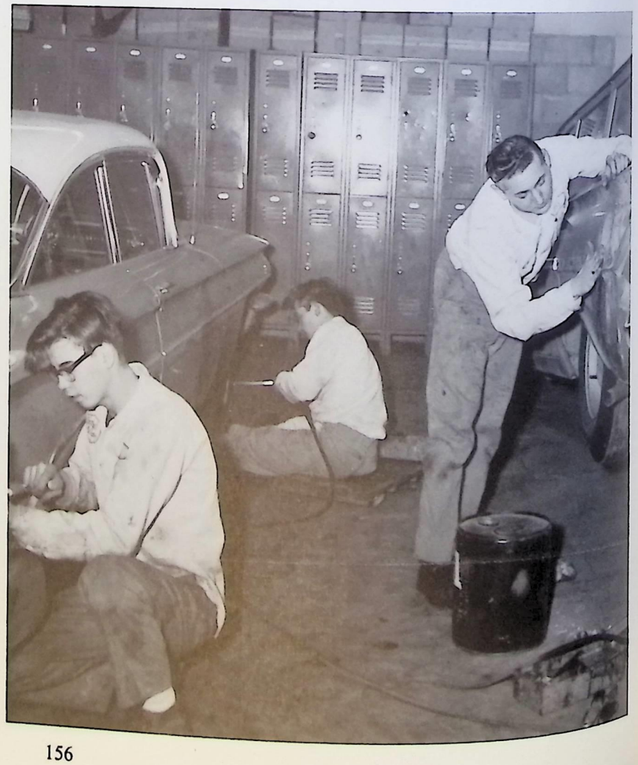

Cutting and reshaping.

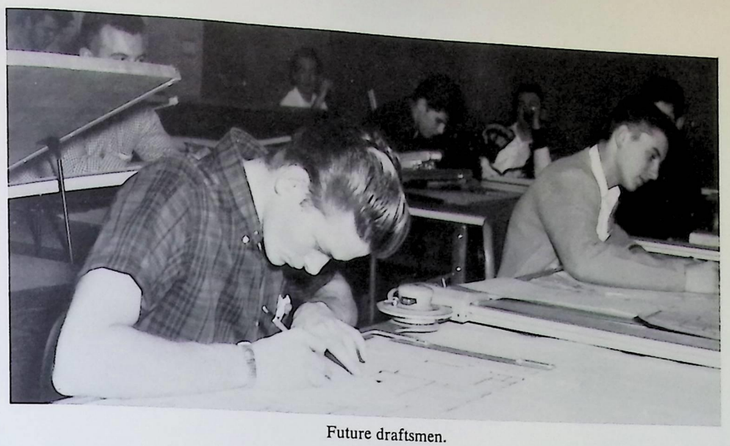

A new paint job.

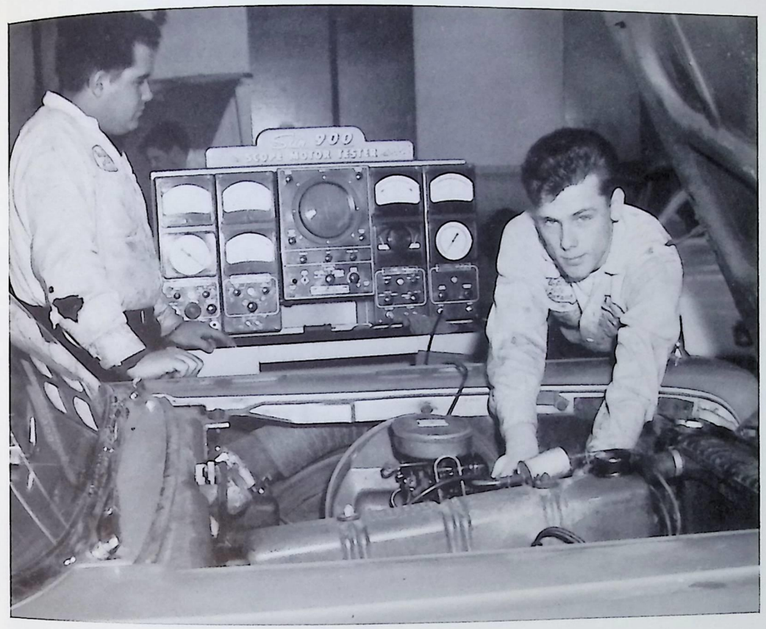

The automotive body course provides instruction in every aspect of repair, remodeling, and refinishing, with emphasis on practical experience. Not only is there a thorough instructional program covering theory and technique, but the student is provided on-the-job instruction while he is applying his knowledge, perfecting his skill, and gaining valuable experience.

Vocational drafting includes the drawing of machines, tools, welding fabrications, architectural blueprints, and electrical diagrams. The designing of plumbing and electrical systems, automobiles, and working drawings with material is also taught.

Future draftsmen.

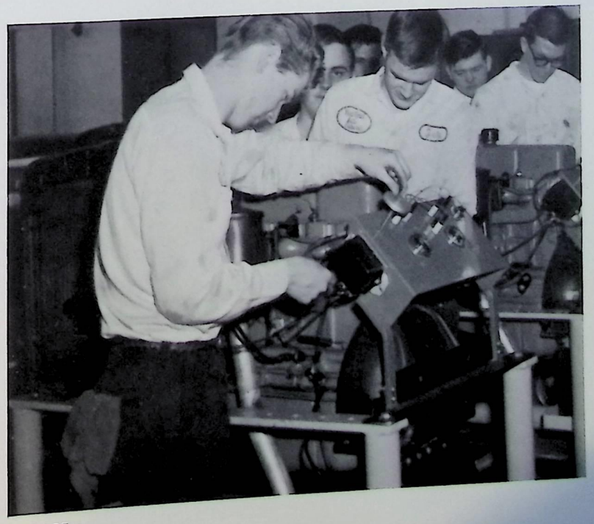

On-the-job experience.

The automotive mechanics program is designed to enable a student to achieve an understanding of automotive principles and also have a salable skill upon completion of the course. The entire mechanical and electrical systems and their servicing and maintenance is explored. Every mechanical operation necessary to automobile upkeep is studied and performed time and again to fully prepare the student.

The automobile engine.

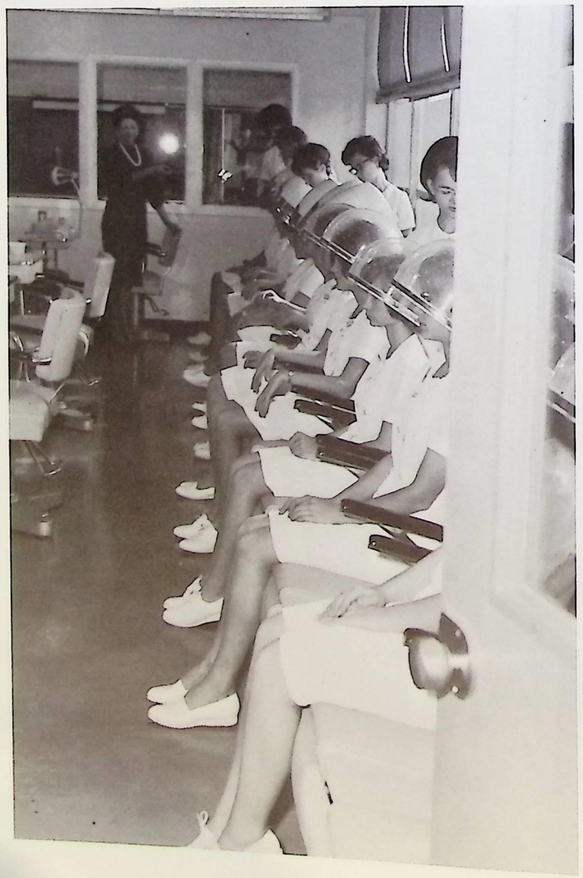

New to North is the Cosmetology Department. The twenty girls enrolled learn such things as hair styling, manicuring, professional ethics, and public relations. Upon completion of the 1650 hour course the graduates are eligible to take the Ohio State Board of Cosmetology tests and become practicing cosmetologists.

Training on manikins.

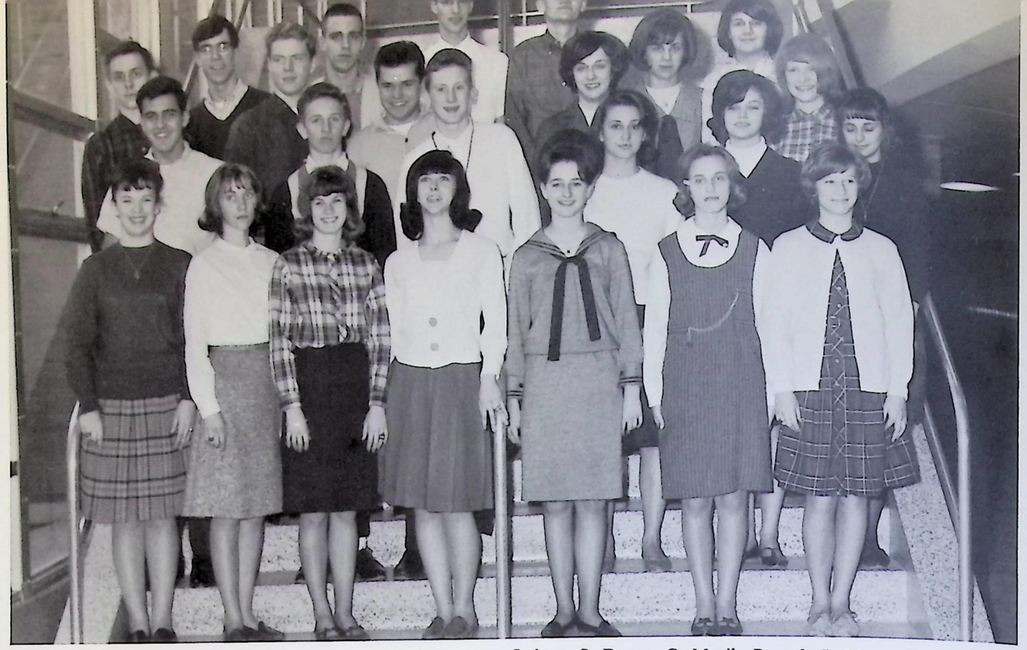

The vocational welding shop trains the welder just as he would be trained in an industrial situation. Both arc and acetylene welding, along with many other industrial operations, are taught here.

SOPHOMORES

The Class of '67 swept into the hallowed halls of North High School this year, sponsoring a Fun Night that will long be remembered. The Sophomore activity included volley ball, basketball, dancing, cards, the raffling of a stuffed poodle, and "cough syrup" pop. Their future activities, if continued in this same enthusiastic manner, will place the Class of '67 among the North High notables.

Surprise! Scintillating Sixty-Six is here again! With phenominal pep and enthusiasm, the Junior Class has taken hold of the reins of North High spirit. The Juniors will always remember: chaotic council meetings, LXVI buttons, lounging in the lounge, after-game dances, cowboy hats, the *GREATEST* Fun Night ever, "Peanuts," The Bird, "Scintillating" signs, and the Junior Dance. Long live the Class of Sixty-Six!
