MISS GRACE RECKARD

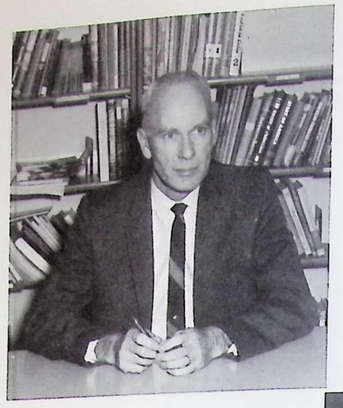

For more than forty years, Miss Grace Reckard has served as a teacher in the public schools of Indiana and Ohio.

Of these, twenty-two have been spent in service of the Willoughby-Eastlake City School System and its predecessors.

Since its inception in 1957, she has taught English at North High School.
In grateful appreciation for this record of dedicated service and the immeasurable inspiration it has provided countless students for more than two generation, this 1966 edition of the Lens is dedicated.

the movement towards individual goals . . . cooperation in team efforts . . . communication to broaden horizons . . . learning through experience . . . and . . .

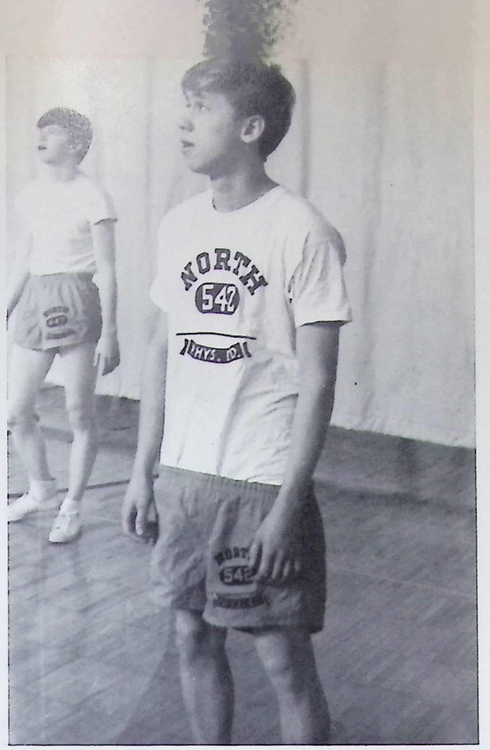

NORTH HIGH IS . . .

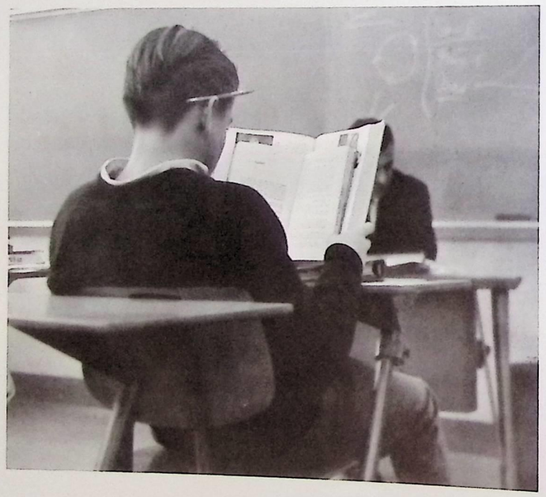

Amidst the clutter of facts and fallacies, an eager mind sometimes turns to silent desperation. You can concentrate over an open book only so long. Your gaze wanders out an open window as you push your chair from a disorganized desk. There's always an escape into an imaginary Utopia. And suddenly . . . it doesn't seem so bad.

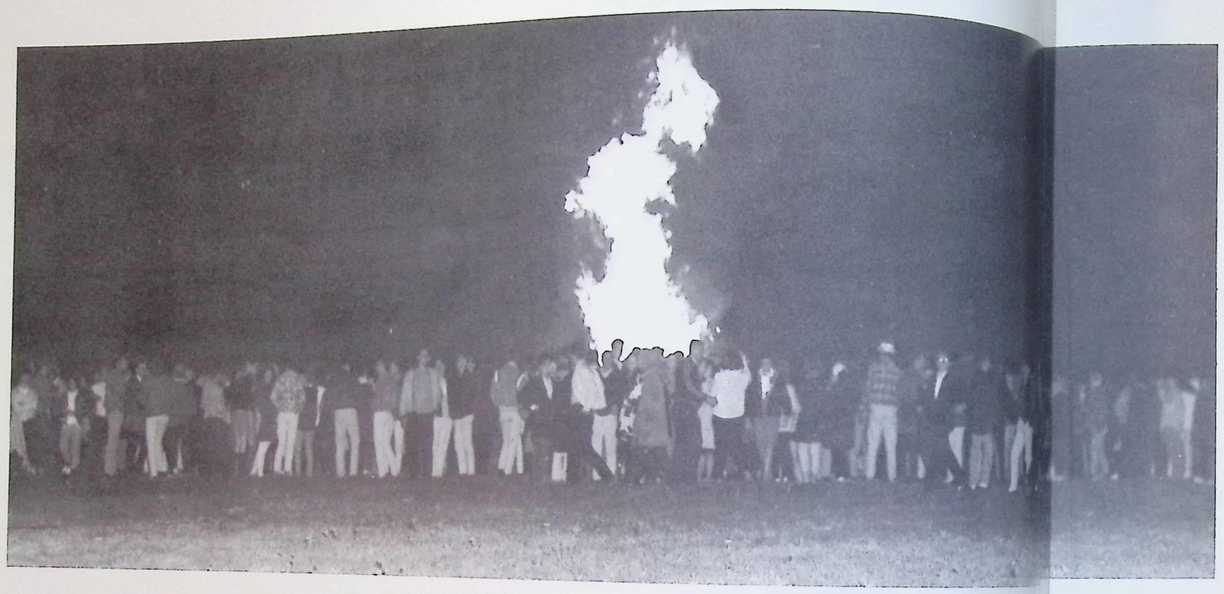

Friendship in high school is the intimacy of a private conversation. It is the warmth of being in a crowd and knowing that when you turn around there will be familiar faces. It is friends that grope for the answer to seemingly unsolvable problems. From friends you learn to understand human beings. And you begin to learn to love.

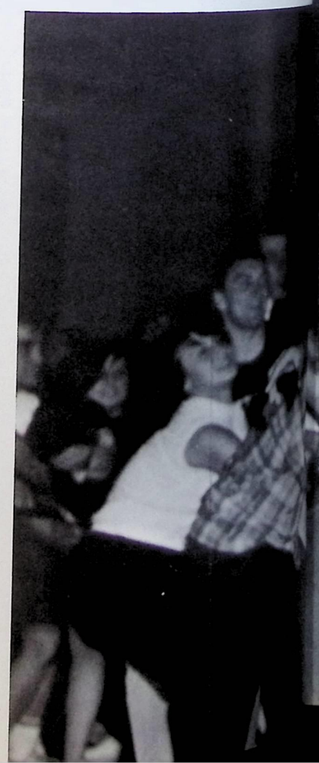

The days drag on until the routine vibrates with the excitement of activity. Groups laugh and joke around a Christmas tree, knowing all along that it really wasn't that funny. Rivalry between classes causes friction, but not enough to break up friendship. Who cares whether you're a sophomore, junior, or senior? You all still sit in the lounge and have a coke, or run through the gym with the most adorable little kid at the F.C. party. Later, it will be these incidental gatherings, the informal times, that will be remembered most fondly.

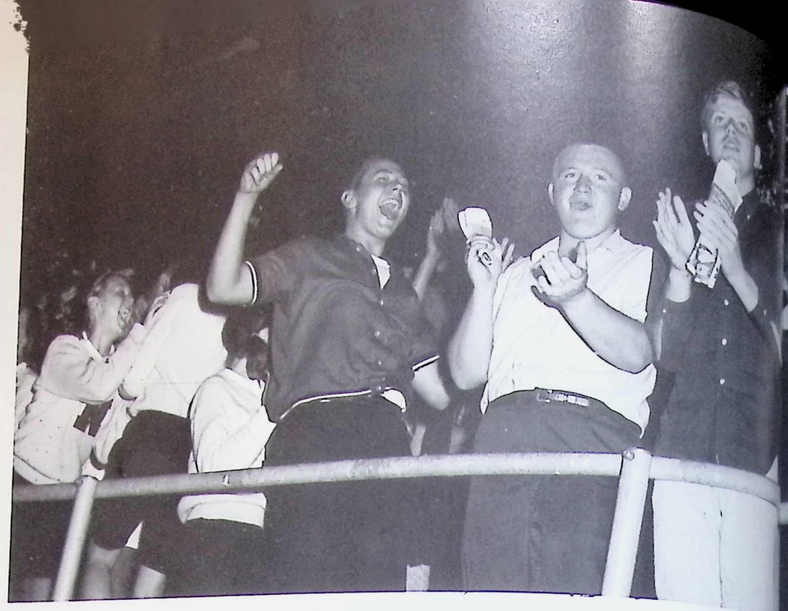

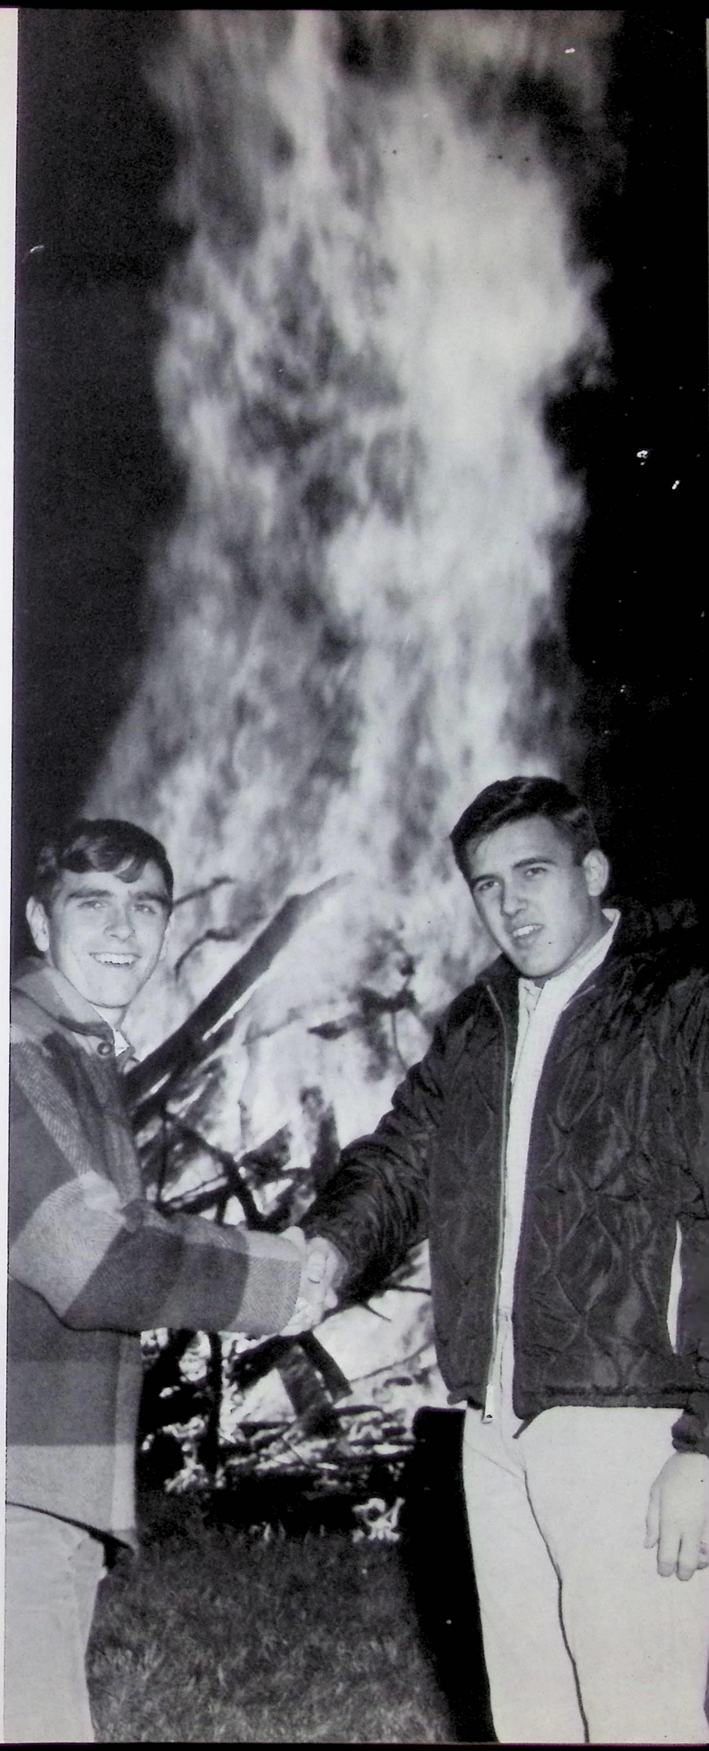

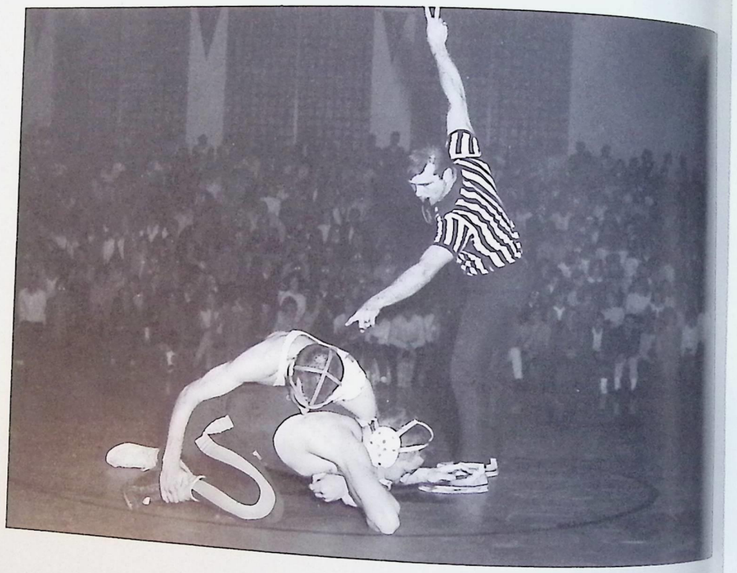

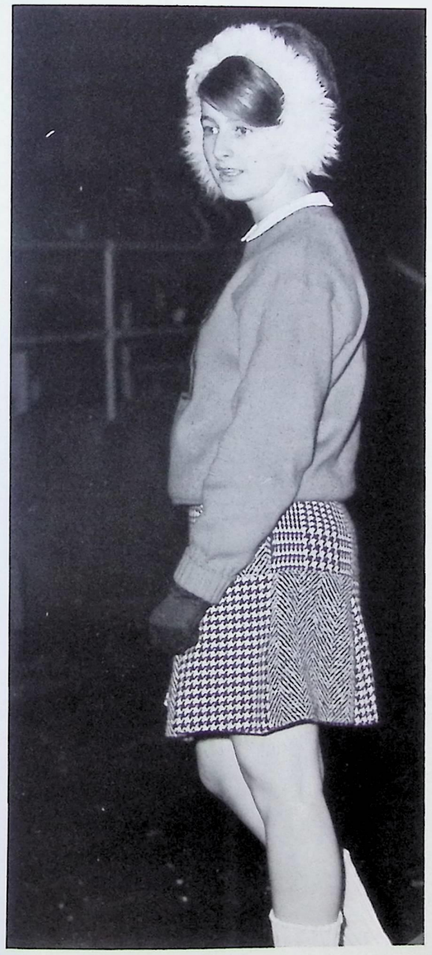

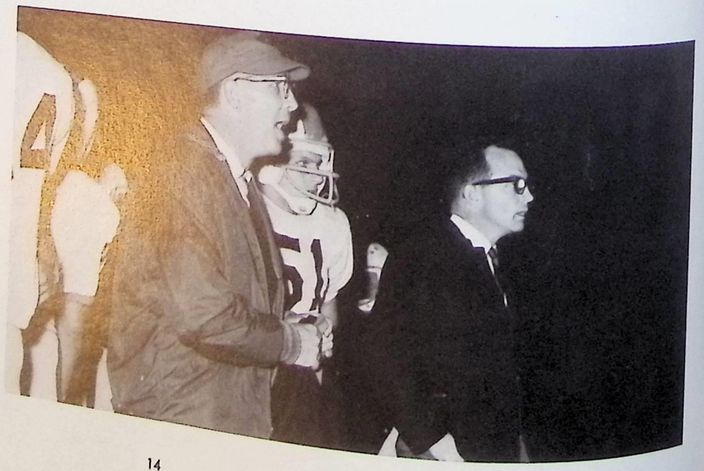

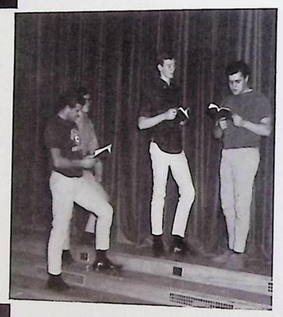

Effort is rewarded by appreciation from an enthusiastic crowd. And between the clasped fingers of a hand shake, lies North High School spirit. Before a game and after it's over—Rangers never die—they grow stronger under the bright lights and encouraging cheers . . .

PURSUIT. . .

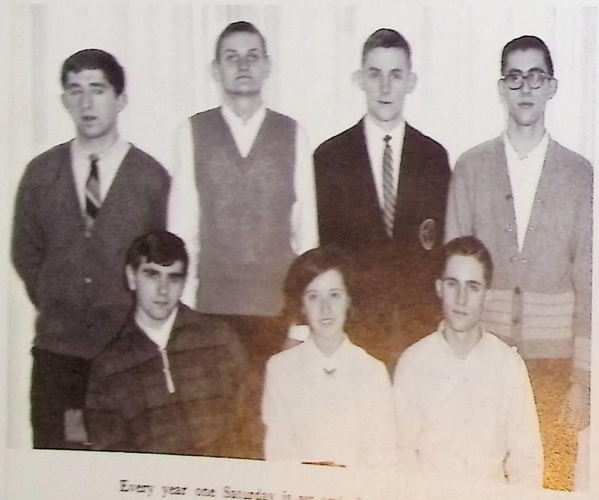

ACHIEVEMENT THROUGH STUDY . . .

These students have demonstrated their superior ability by the individual achievement in scholastic competition. By striving to do their best they have not only distinguished North with honors, but have, no doubt, gained great self-satisfaction. It should be understood that it is impossible to have recognized all of the students having high scholastic ability.

The North High 'It's Academic' team is evidence of North's high level of academic achievement. The team was selected from about 25 juniors and seniors at an audition at the East Ohio Gas Company. The final team consisted of seniors Bob Planisek, John Cumming and Jeff Meyers, captain. Coached by Miss Foley, they worked hard to prepare themselves for the taping of the WEWS show.

Every year one Saturday is set aside for the National Merit Scholarship Qualifying Test. Thousands of high school students take this test in hope of receiving scholarships to help further their careers. This year North was honored by having seven students place as finalists, which is the largest number North has ever had. The finalists are from left to right *SITTING:* Jerry Roberts, Linda Leko, John Cumming. *STANDING:* Benny Nichols, Bob Planisek, Jeff Myers, Bruce Miller.

BOTTOM LEFT: Chris Skrocki, Sue Dumek; Judy Griffin, Kathy Gura; Nancy Nice, Adrienne Klein; Janice Haase, Linda Leko; Jean Ladwig, Joann Lynch; Gloria Lewis, John Cumming; Joan Metzung, Bruce Miller; Bob Planisek, Eugene Wilmen; Paul Antonin, Lynn Curtis, Jeff Meyers.

ACADEMICS

SKILL THROUGH PRACTICE . . .

KNOWLEDGE

THROUGH

RESEARCH . . .

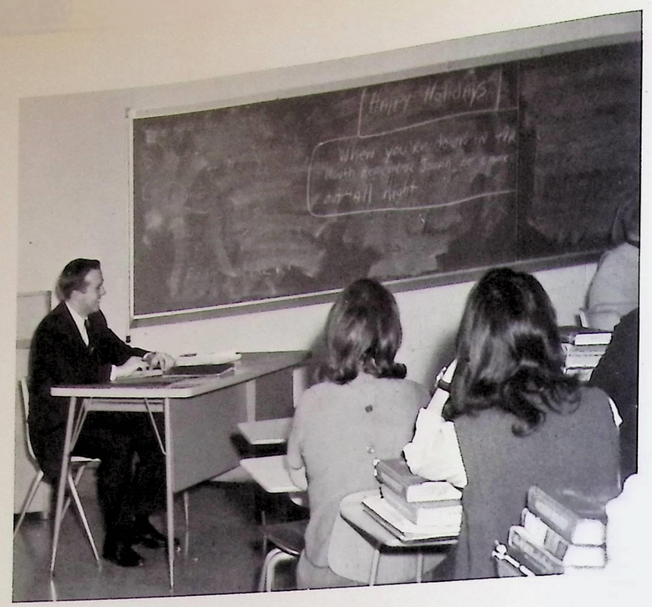

Amid the strange odors and odd-looking apparatus, emerges the knowledge to cope with a modern world. Preparing young minds to shape the future, the science department offers detailed study from text books and learning experience in the laboratory. Here the students of biology, chemistry, physics, and botany climax their efforts by creating detailed projects for the annual science fair.

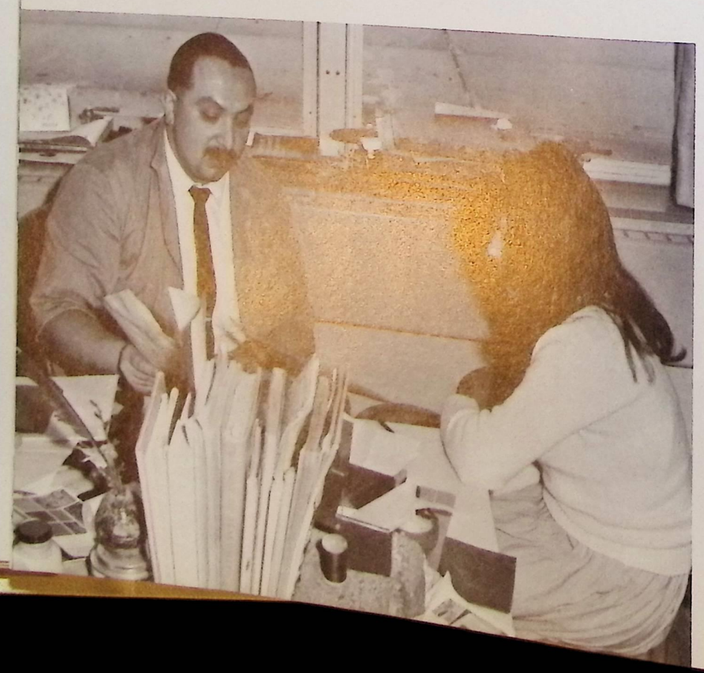

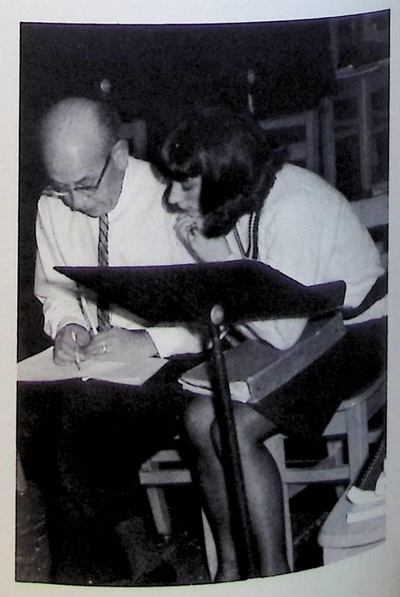

Individual achievement can not be attributed to any one stimulation, but rather it must be a combination of the student's desire to learn and an expressed interest and effort made by the teachers.

Academic performance, essential in any educational institution, is ennunciated by the programs installed in North High School. The facilities provided by North enable the student to pursue proferred courses of study and thus enable him to prepare himself for a chosen vocation. As evidenced by the many honors brought back to the school, academic achievement has always been important.

AMERICAN FIELD SERVICE

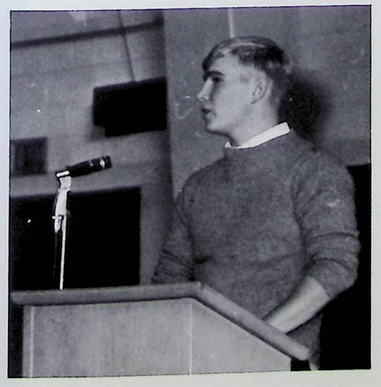

The American Field Service bridges the gap between countries of the world. Students from various nations spend a full year in a different country, trying to understand the customs and learning to love all people.

In the 1965-1966 school year, Lynn Curtis travelled to Te Puke, New Zealand, while Flor de Maria Granados, visiting Eastlake, Ohio from San Jose, Costa Rica went to school with fellow Rangers.

The insight that is gained in an experience with the AFS is immeasurable. And the bonds of friendship that grow in one year can never be broken.

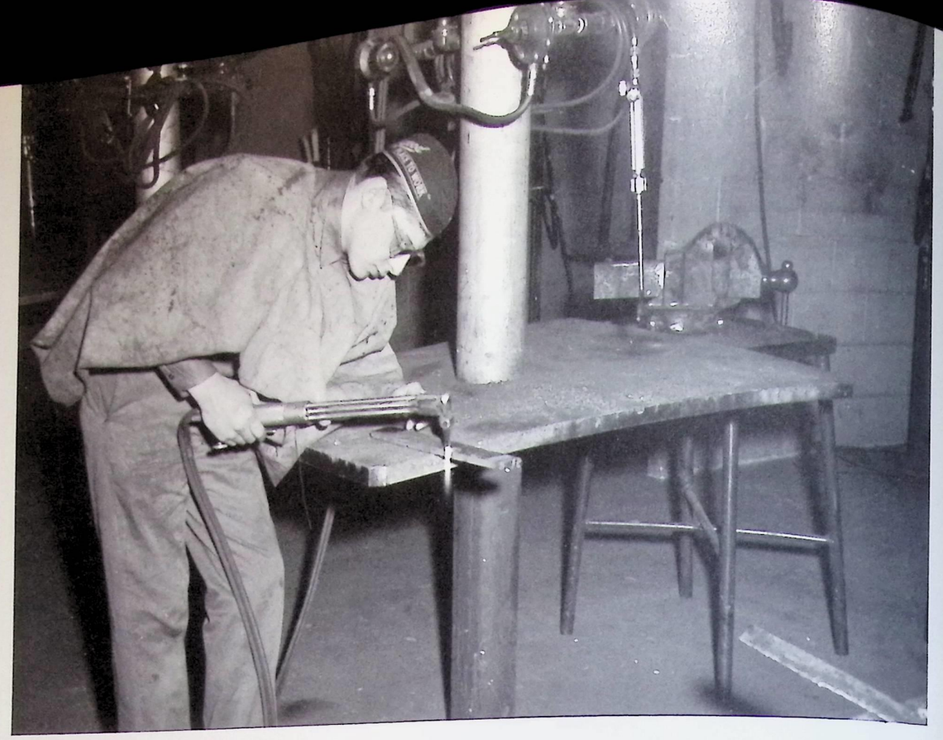

Flor is fascinated by her discovery of snow!

Glad to be home again, Lynn relates his experiences in New Zealand.

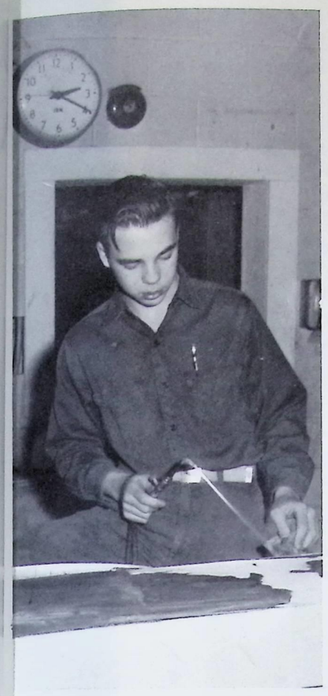

VOCATIONAL WELDING

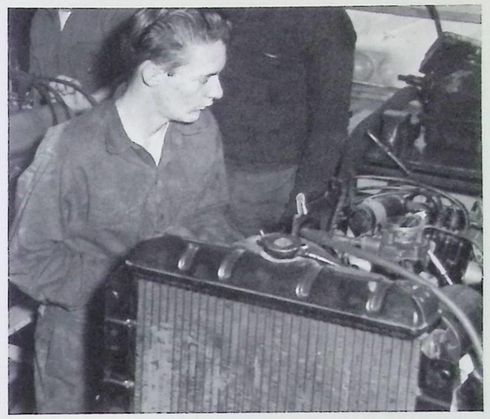

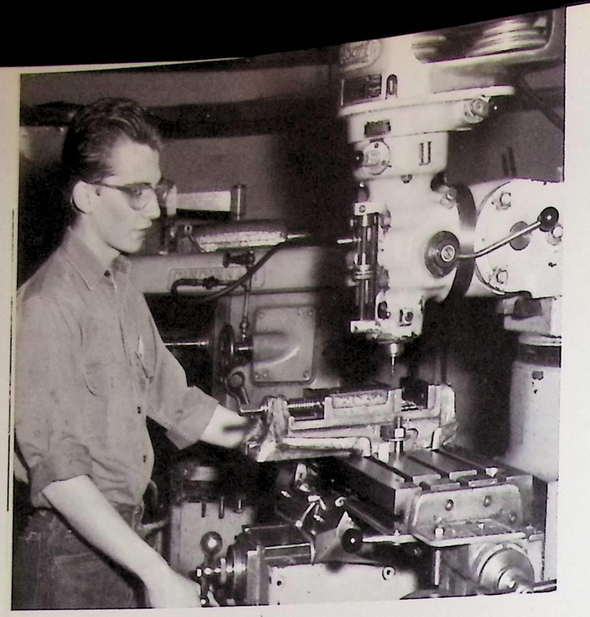

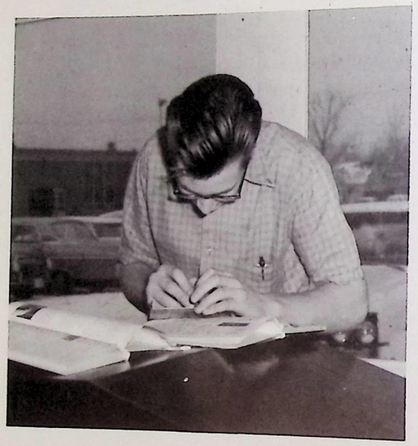

AUTO BODY AND MECHANICS

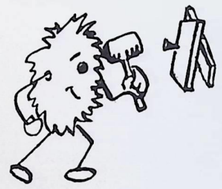

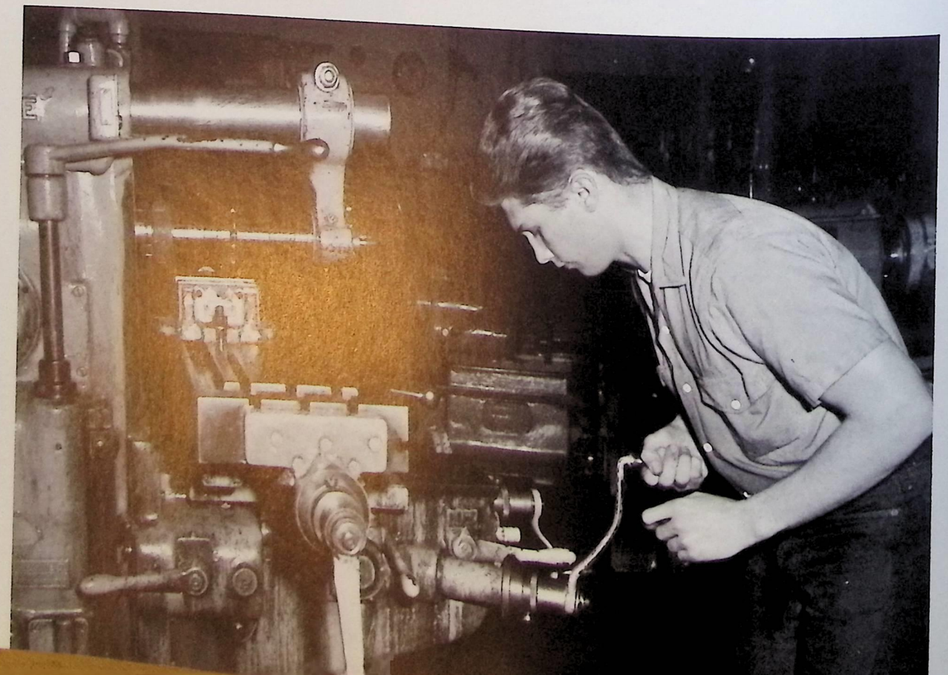

At North High School, the Vocational Department is an integral part of education. Here in the varied fields of auto mechanics, various shops, drafting, electricity, and cosmetology, students are brought in contact with specialized education that trains them for tomorrow's jobs. In the "two and six period a day" classes shown, student study begins in the junior year and continues through the senior year. Each class is designed to give a well-rounded background in the students' chosen fields that is supplemented with mandatory courses such as English, American History, and American Government.

The Student Council's worthwhile endeavors in governmental activity and social events aids as many students as possible. The Student exchange program, an abstract idea which became a reality in 1966, enables various schools to gain insight into North High School. The AFS club, related to the Student Council, promotes understanding with other nations. Homecoming and the Variety Show, following tradition, were sponsored by the Student Council, as well as the first annual car caravan to South, the Hootenanny, and participation in the Cleveland broadcast of the Jerry G. The deadline is met as the pressure is on from all angles. The Searchlight is printed and easily placed in view of all the students. But behind those two weekly pages is hard work and determination to meet the demands of the student body.

In the small Searchlight room sits frustrated Judy Griffin, editor, who *will* make the deadline. And with her is a capable staff under her command. No one realizes the work and worries that lie behind the publication of the paper. But all realize the quality of the Searchlight after it is printed.

THESPIANS

Under Mr. Moyer's guidance, North's Thespian Troupe produced the Junior and Senior Class Plays, and the Thespian Play. Though Thespians are primarily thought of as actors, students who work on costumes, props, lighting, scenery, and business management are also eligible for membership. The Thespians have worked hard on their productions and should be credited for a task well-performed.

Friendship Club, North's largest organization, in its 39th year of service to school and community, has become synonymous with two entirely different endeavors—service and fun. These girls attempt to achieve both simultaneously. By dwelling upon the end result and not the task itself, this can be accomplished. Donating a few of their many productive hours to a worthwhile undertaking, reflected not only honor to their club, but also to the school and community. Most important, they achieved self-satisfaction.

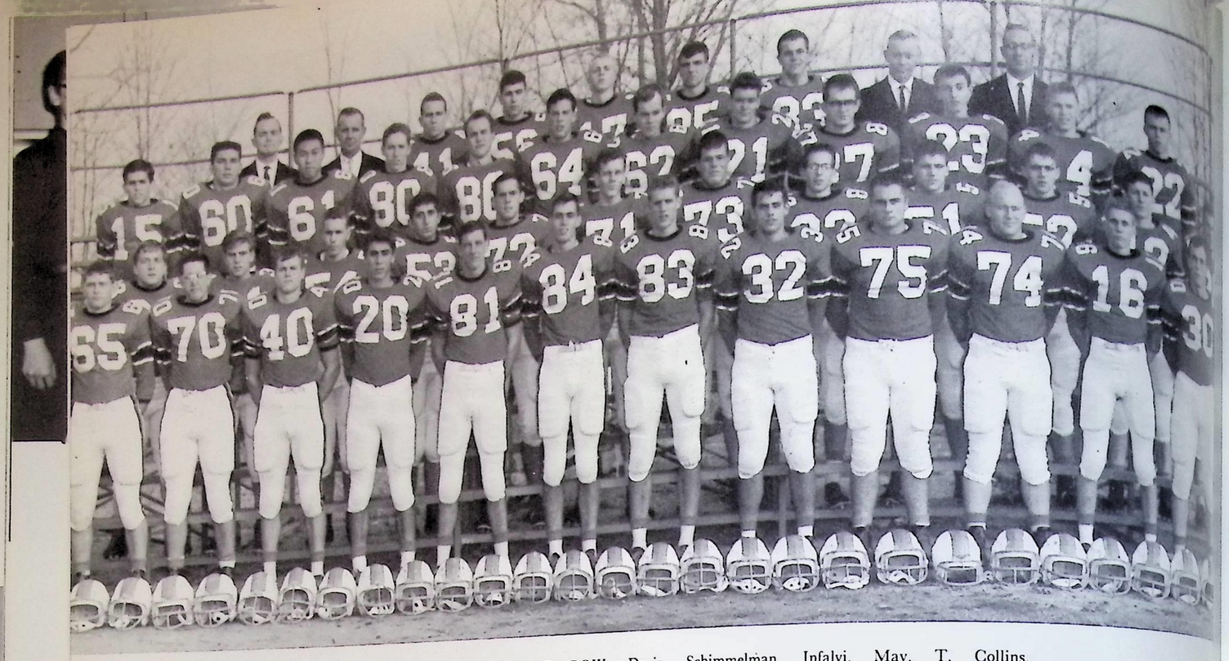

The Get Acquainted, Children's Party, Father-Daughter Night, Mother-Daughter Tea and especially the Formal will long be remembered by the girls of Friendship Club ... as will all the events, large and small that went into making successful the year of Friendship Club, 65-66.

FOOTBALL

MARK OF 8 WINS, 2 LOSSES IS ONE OF FINEST

With a lack of experience and a tough schedule to face, the outlook was not good for Coach McIntire's Rangers, but they pulled through, outscoring their opponents 286 to 99. The defense was tough, recording three shutouts to open the year.

Four seniors who made All-GCC were Bill Kirschensteiner, Damon Infalvi, Al Lunder, and Jim Gilmour.

The team finished seventh in the final city ratings, losing only to rugged Garfield and Massillon.

Big wins over South, Maple, Midpark, and Brush highlighted the season.

The North coaching staff had reason to be happy with their team in '65. They are Head Coach McIntire, Coach Crowe, Coach Stocker, and Coach Freeland.

Coach Vic McIntire stands with his senior co-captains Ed Flavin, who was Third Team All-Ohio Tackle, and Mike Haworth.

The hard nosed Ranger defense allowed only 99 points, recording three shutouts. They are: Damon Infalvi, 40; Terry Collins, 81; Jim Gilmour, 72; Bill Murton, 42; Bruce Yee, 61; Bill Kettunen, 17; Ed Flavin, 75; Terry Fawcett, 31; Bill Kirschensteiner, 83; Mike Haworth, 30; and monster Frank Buehner, 25.

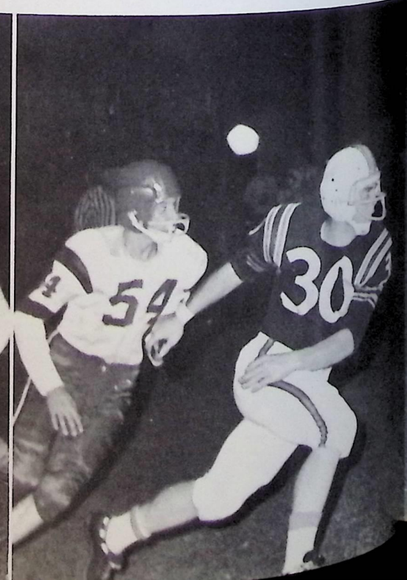

Al "Thunder" Lunder finds daylight in North's 20—0 victory over arch football rival Harvey.

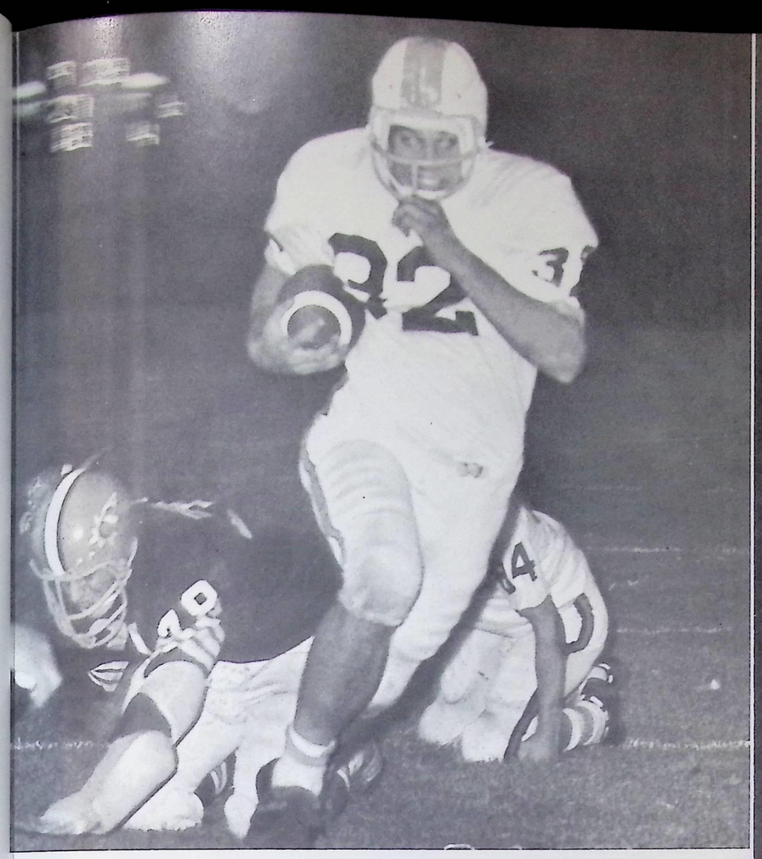

All-GCC defensive halfback Damon Infalvi also provided some of the offensive muscle with 400 yards on the ground and 172 yards through the air.

Co-Captain Mike Haworth throws a fake on a Midpark defender in North's 39—12 victory. Mike averaged 5.9 per carry and was responsible for kicking two extra points—the first conversions ever to be made in the history of North High football.

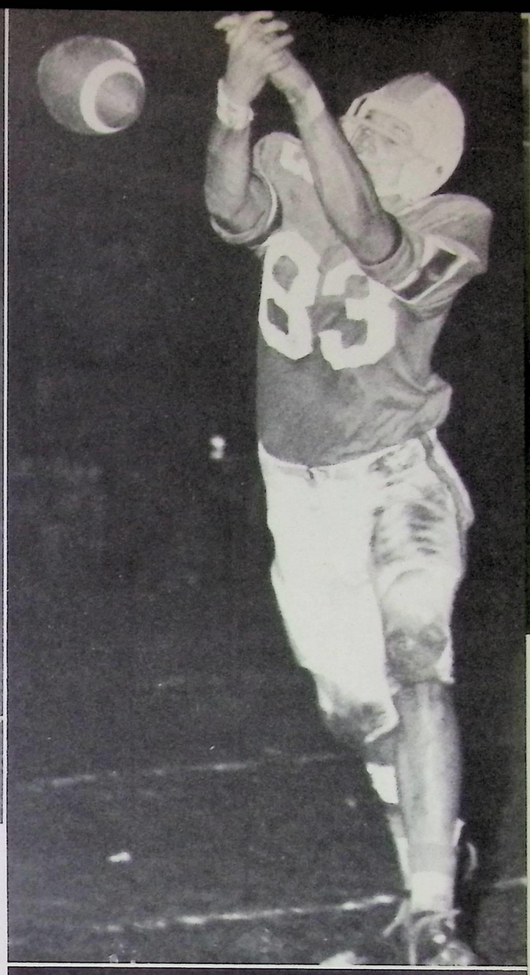

All-Scholastic fullback Al Lunder breaks through the center of the Midpark line. Al's marks of 925 yards rushing and 110 points seem destined to stand for a long time in North history.

Haworth and Kirschensteiner converge on a Kettunen pass in the Painesville Harvey game.

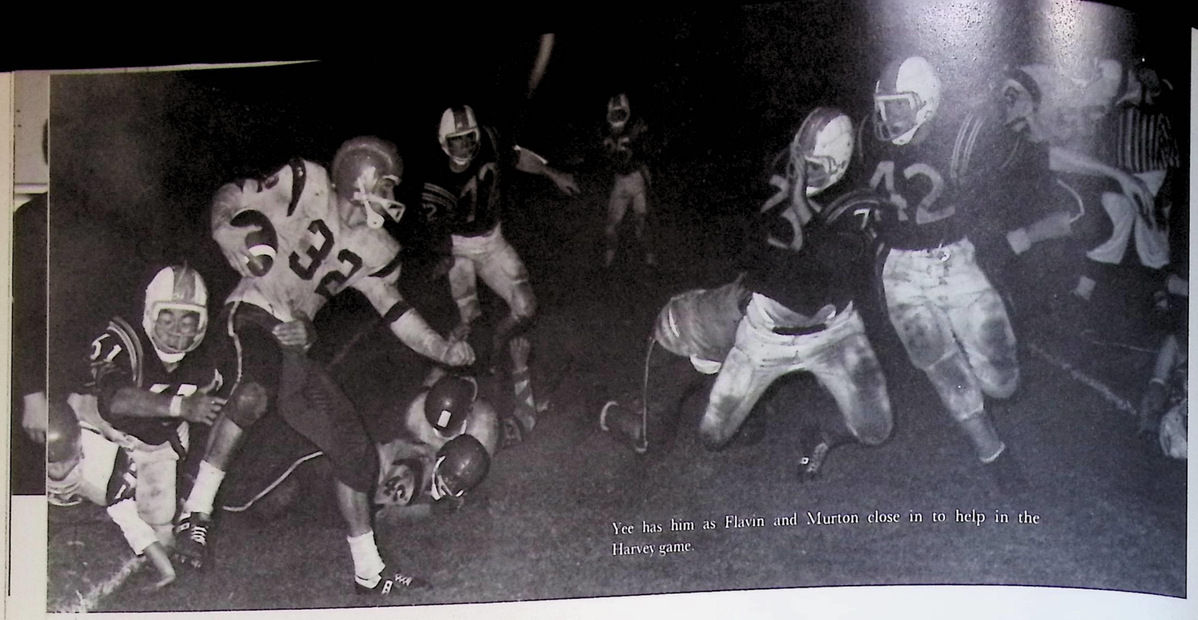

End Bill Kirschensteiner, also an All-Scholastic choice, was known for his defensive prowess, but also led the team with 14 pass receptions for 177 yards.

Senior Frank Buehner, a two-way starter, scored 40 points, the second highest mark on the team.

Yee has him as Flavin and Murton close in to help in the Harvey game.

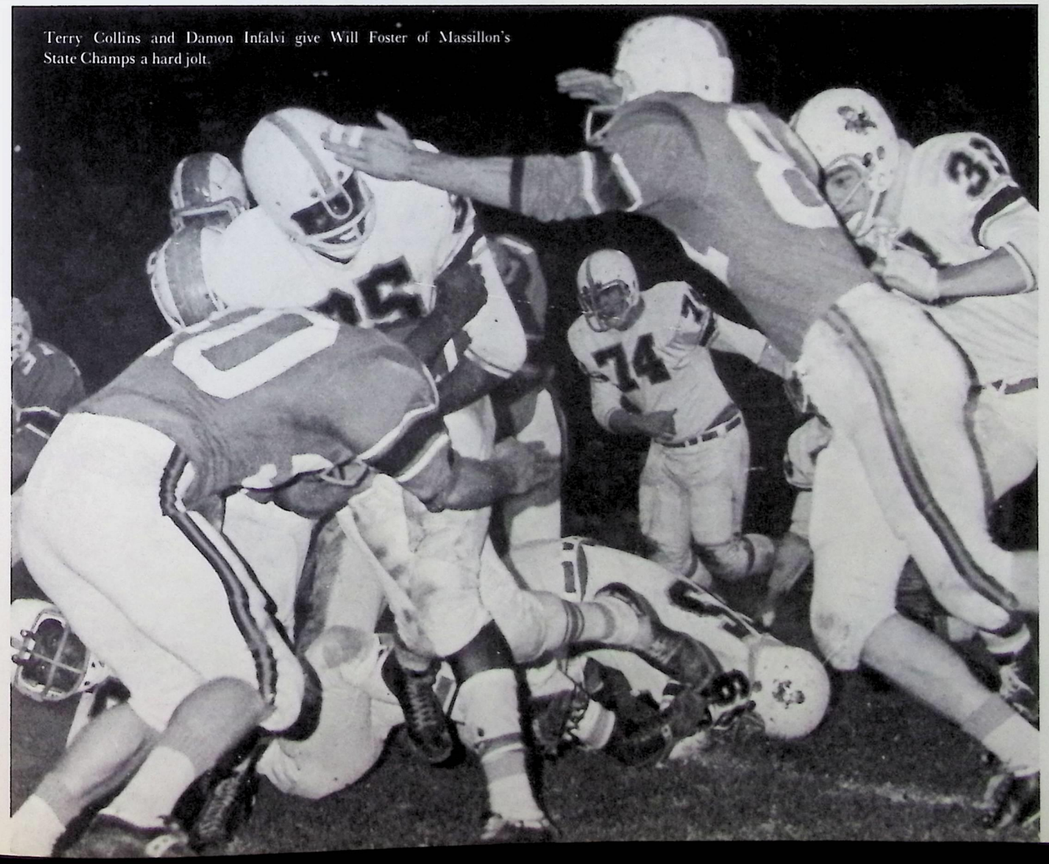

DEFENSE IS DESIRE

Infalvi drops Sigmund of Garfield in the 25—18 loss which decided the conference title.

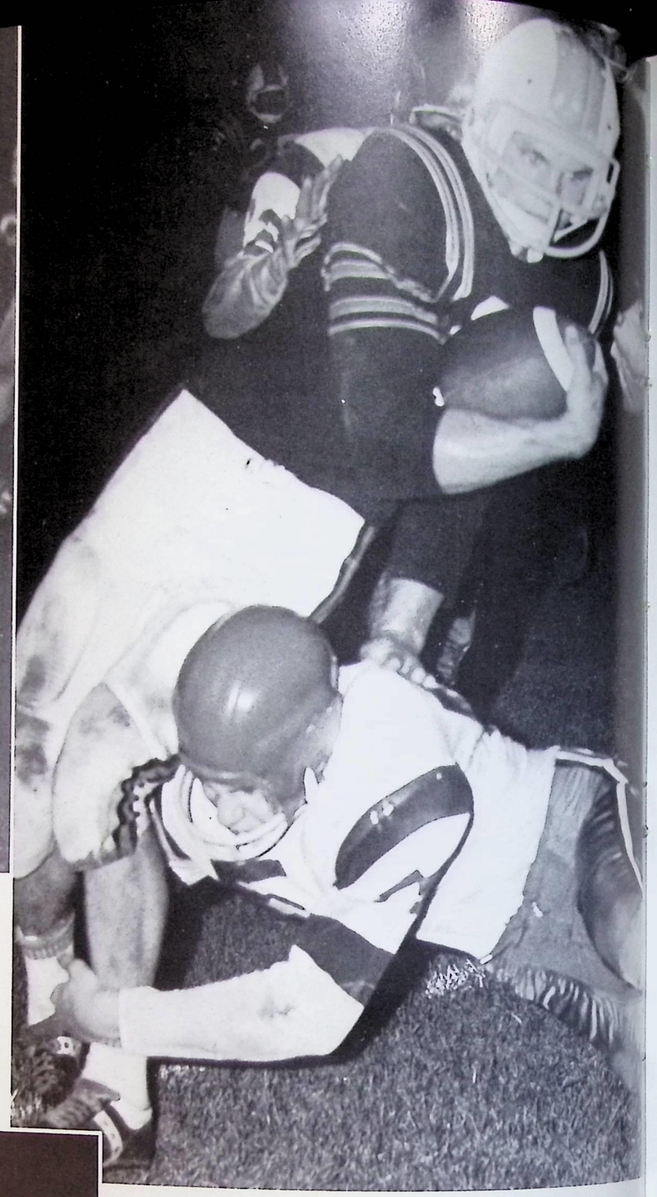

All-GCC tackle Jim Gilmour and his side of the line dump a Harvey ball carrier for a loss.

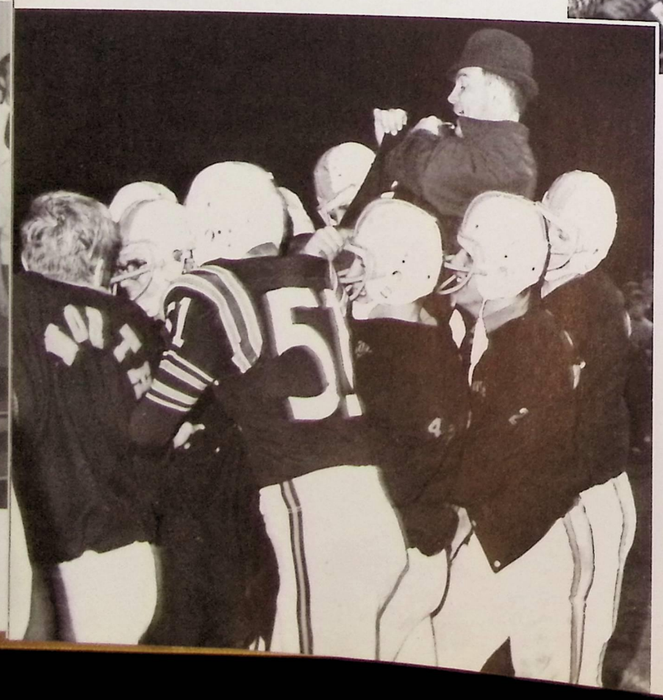

Terry Collins and Damon Infalvi give Will Foster of Massillon's State Champs a hard jolt.

Bill Murton, junior middle linebacker, makes a key interception. Bill set a new season record with 145 tackles, and a new game record with 26 tackles against State Champion Massillon.

Halfback Damon Infalvi falls forward for extra yardage in the Painesville Harvey victory.

History repeats itself. North bombed South again, 38—16, to cap a fine season. The second, third, and fourth (Jayvees) strings all saw action in a game which was 30—0 in North's favor at the half. Coach McIntire is carried out on his team's shoulders.

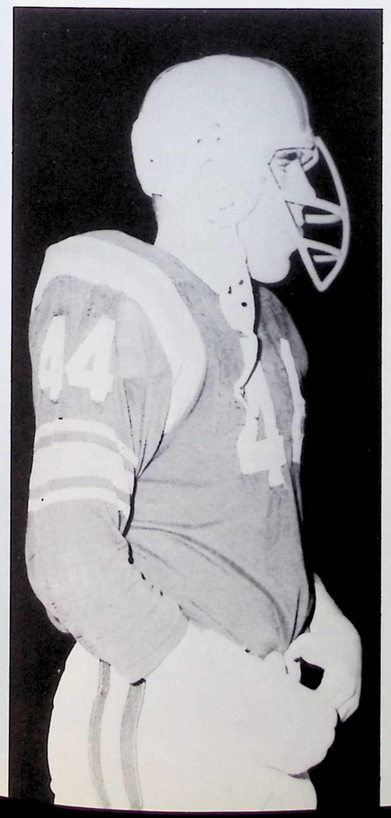

The Ranger defense converges on the Bedford quarterback in a 20 to 0 home victory.

WIN 6 GAMES, BLANK FOUR

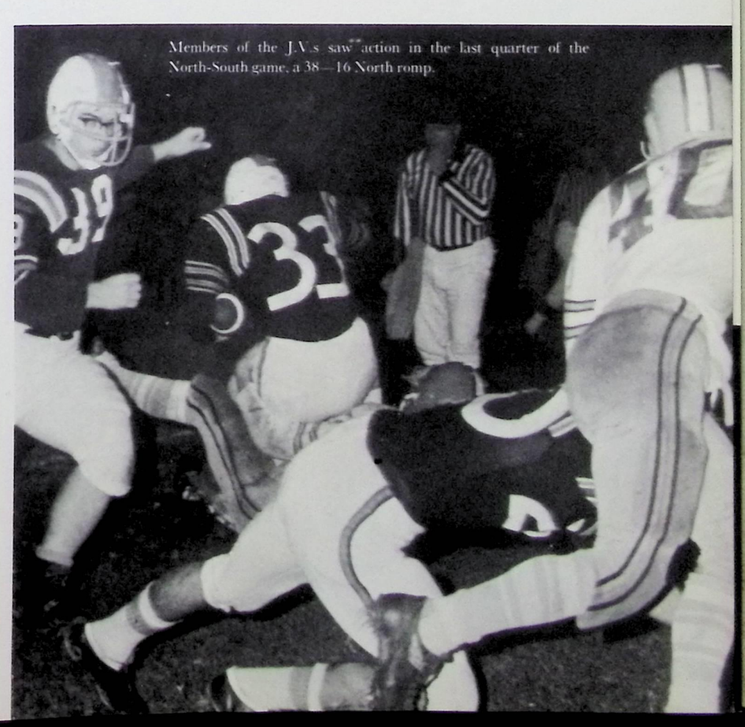

The Junior Varsity defense proved how tough it was by blanking 4 opponents, without the aid of several members who were moved up to the varsity. South was defeated again.

Sophomore Dale Stakich moved up to the varsity and earned a letter. Here he waits to see action at home.

BASKETBALL

RANGERS TAKE SECTIONALS, WIN MOST GAMES EVER

It looked like a rebuilding year for the North basketball team as no starters returned to start the year, but the cagers caught fire in the tournaments, taking North's first Sectional championship. The annual event was held on North's home floor for the first time. Big Sectional victories over Saint Joseph, Euclid, and Shaw gave North the championship. Dick Spotz, with 58 points in three games, was the Most Valuable Player. Jack Polcar was also on the All-Sectional Team.

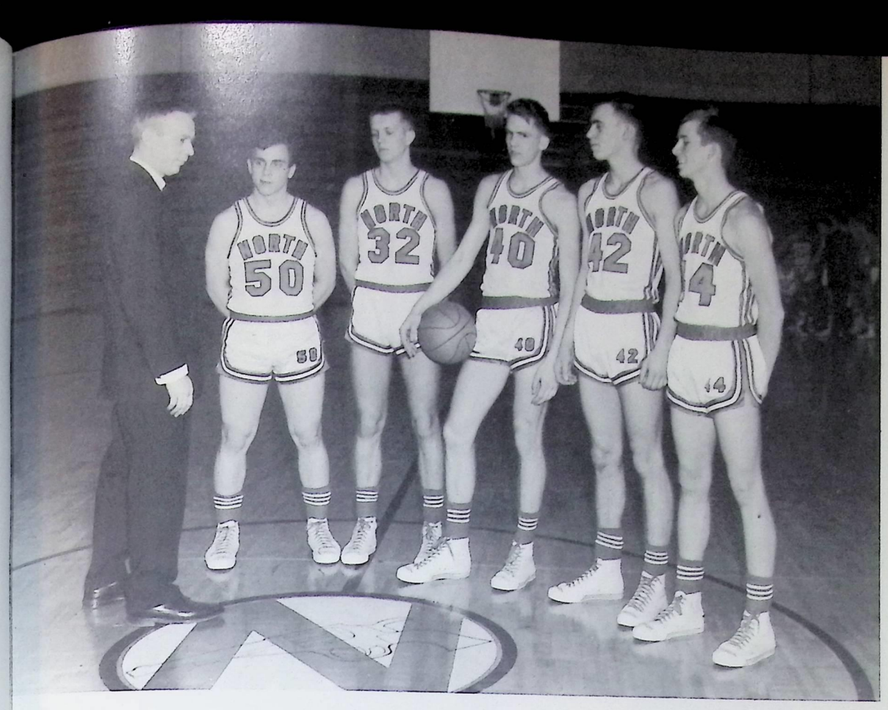

The starting five consisted of Jack Polcar, Dick Spotz, Mike Haworth, Chuck Taylor, and Bill Kettunen for most of the year's games. Coming off the bench to help in most games were Scott MacDonald, Ray Cmarik, and Ken Kastelic.

The big victories of the year were over Shaw and St. Joseph, for the Sectional title, over Berea for a third place in the Greater Cleveland Conference, and over highly rated Mayfield and Wickliffe.

Although they were only 5—5 in rugged league competition, the Rangers were 7—1 in independent action, losing only to Mentor on a bad night. Twin wins over South were satisfying to Coach Crowe and his team, whose 16th victory was the most ever recorded by a North squad.

North is 15 points ahead of St. Joseph as Coach Crowe calls time to give them a well-earned rest as the St. Joseph "Viking" looks on.

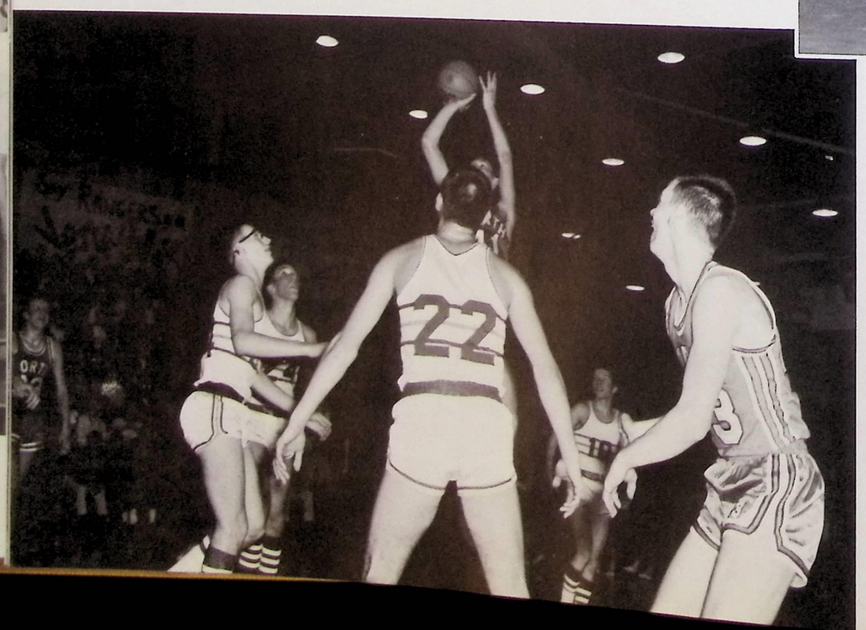

The Ranger 3—2 zone tightens up against the Bedford Bearcats in a home contest. In the picture All-GCC Gongos of Bedford attempts to drive Bill Kettunen as All-GCC Jack Polcar keeps a wary eye on two-time All-GCC choice Ron Roharik.

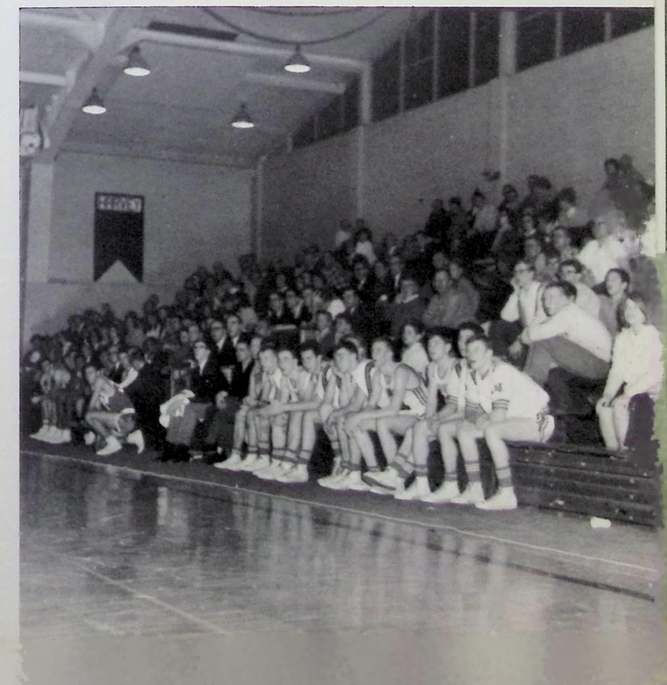

Junior Bill Kettunen drops off on the zone defense to help cover a Bedford opponent. North dropped this home contest to the 15—2 Bearcats 49—33. Bedford was 2nd in the GCC.

Hrnyak of St. Joseph obscures North's Jack Polcar, a tournament All-Star, as he launches a jump shot in North's fabulous 64—44 win. Tournament MVP Dick Spotz goes for the rebound off the backboard.

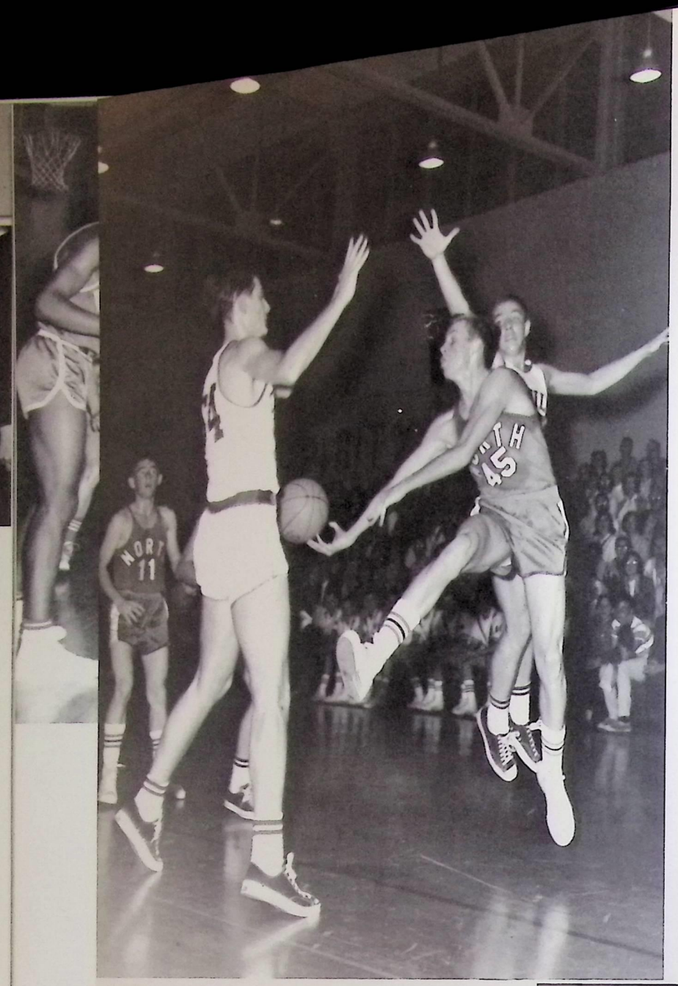

Mike Haworth, senior co-captain, was only 5 feet, 8 inches but sparked North's drive in many season games and in the tournaments. Mike hit for 25 points against Geneva and Midpark, and collected 20 in each South game, all of them North victories.

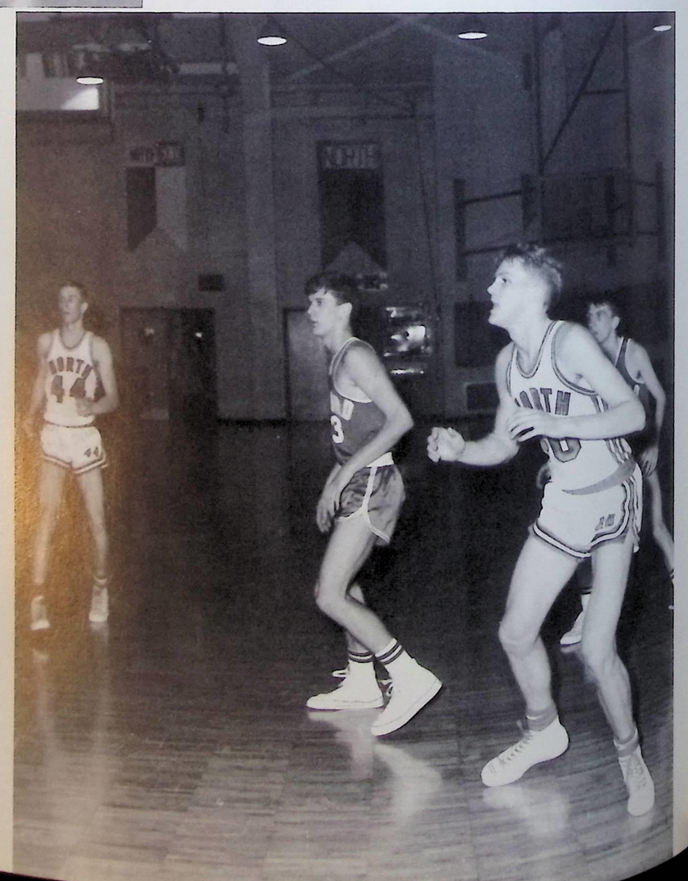

Action stops for a moment and the attention of the bench becomes focused on the ensuing foul shot. Bench strength helped out the North Rangers considerably during the year.

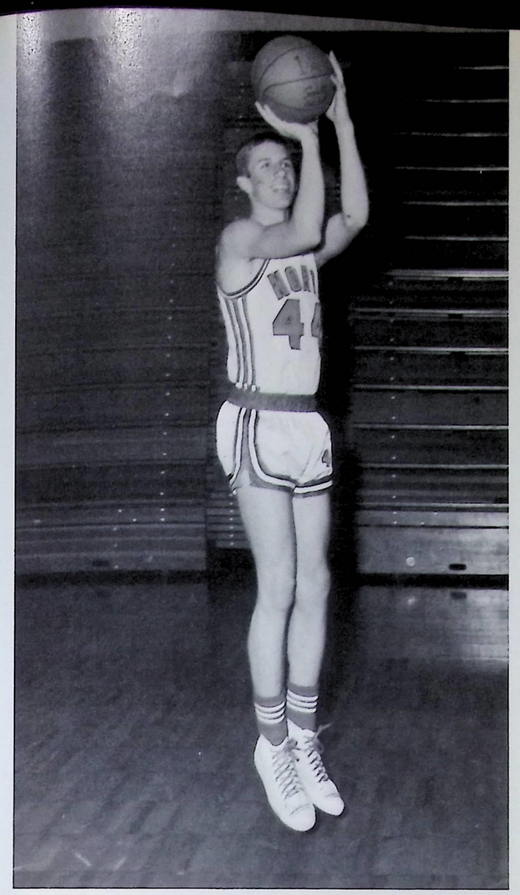

Chuck Taylor looses a jump shot in a pre-game workout. Primarily a defensive specialist, Chuck passed up many scoring opportunities by handling the ball all season.

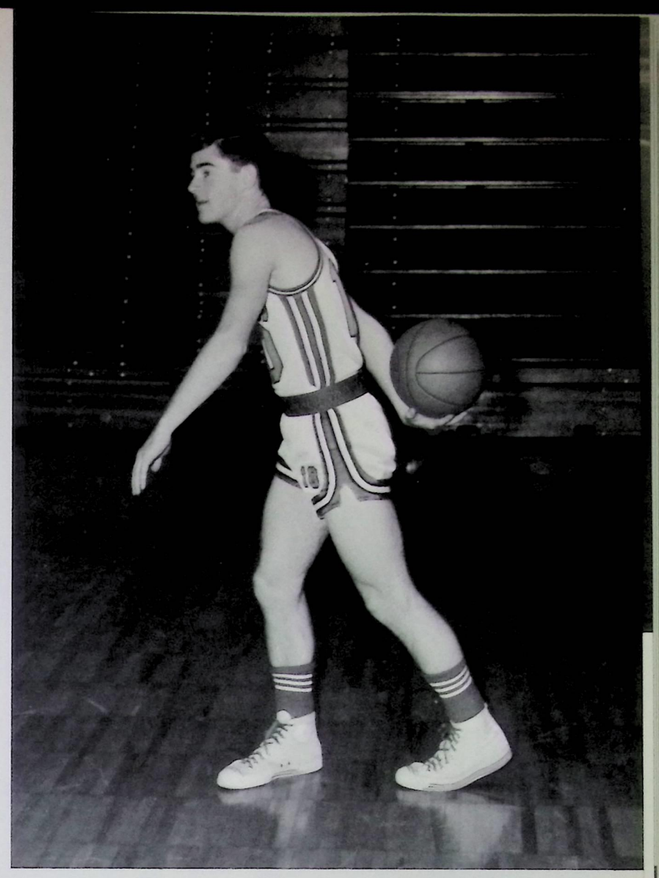

The Lens Sports staff would like to extend their appreciation for the consideration shown them by the News-Herald, The Telegraph, and the Cleveland Plain Dealer.

Taylor draws two Wickliffe defenders into the air and then passes underneath in North's 55—50 opening victory. Looking on is Scott MacDonald, number 11.

At 6'2", Jack Polcar was one of the toughest around off the boards. He recorded more than 15 rebounds per game to set a new North mark. At right he moves into position for the shot.

Junior playmaker Scott MacDonald entertained the crowds with his flashy ballhandling and defense. At 5 feet, 4 inches, he was the smallest varsity cager in Lake County during the season.

The team's leading scorer, Dick Spotz, also was the second leading rebounder. Here he takes the ball away from his St. Joseph opponent in the sectionals. Dick was the tourney MVP.

J.V. BASKETBALL

WIN 6 OF LAST 7 TO EVEN RECORD FOR THE YEAR

Sophomore Bob Beutel, leading J.V. scorer, moved up to the varsity for the tournaments on the basis of his outstanding play through the year.

After losing 8 of their first 11 games, the J.V. Basketball team, under the guidance of Coach Quarzo, finished strong with streaks of four and two victories.

Despite a lack of height, the jayvees were able to stay close in most games, losing a few by only one or two points. They never gave up trying and this finally produced results.

Some of the big victories for Coach Quarzo's team were over Maple Heights, South, Mayfield, and Berea. It is hoped they will continue to improve for next year's varsity.

WRESTLING

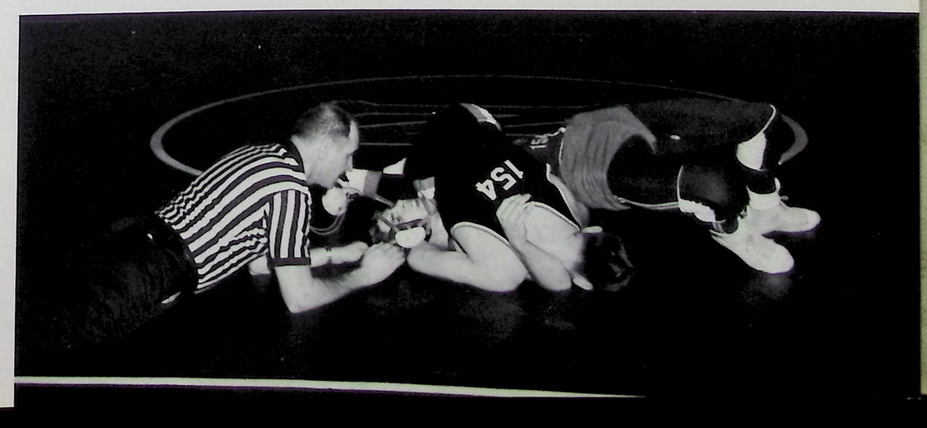

RANGERS WIN SECTIONALS AGAIN, BEAT VALEY FORGE, EUCLID

Under the expert direction of Coach John Matteucci, the wrestlers had another fine season. Of their 9 victories in 12 outings, the rangers posted decisions over rivals Euclid and South and a perennially strong Valley Forge.

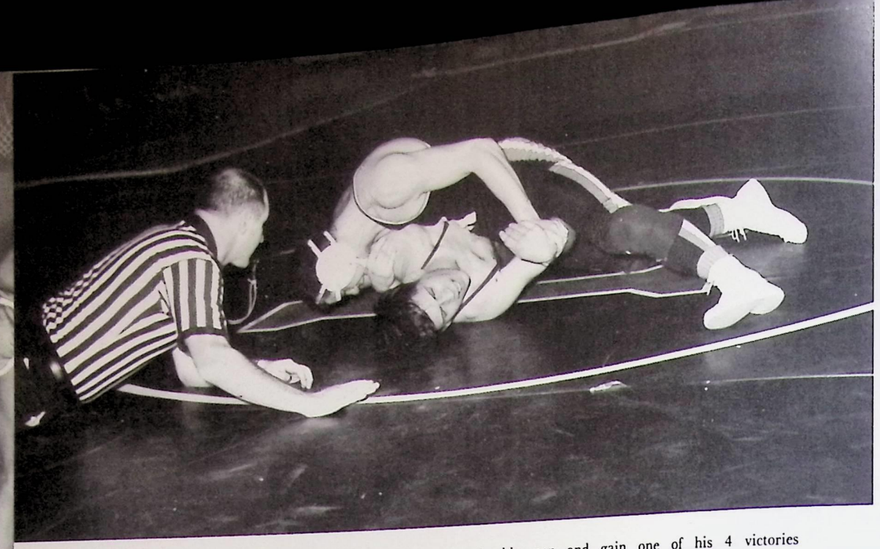

The first four weight classes carried a great deal of the load this year as they combined for 32 victories and 118 team points. Three of these four boys are Juniors and will be tough competitors next year.

Bill Murton flattens another of his opponents. Murton's 8 victories came on 4 pins, most on the team for the regular season.

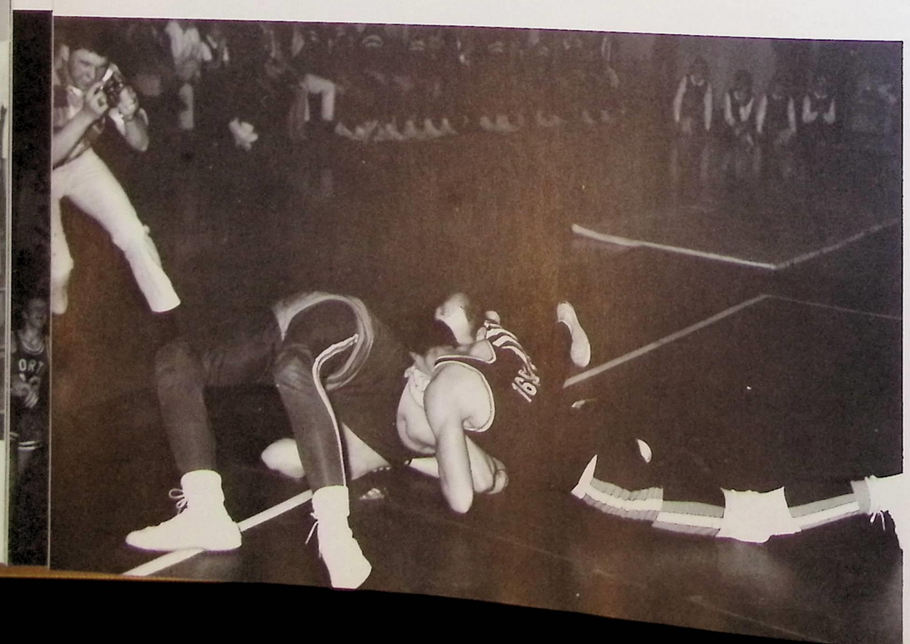

Bob Brandt, junior strongman, is struggling to pin his man and gain one of his 4 victories against 1 loss.

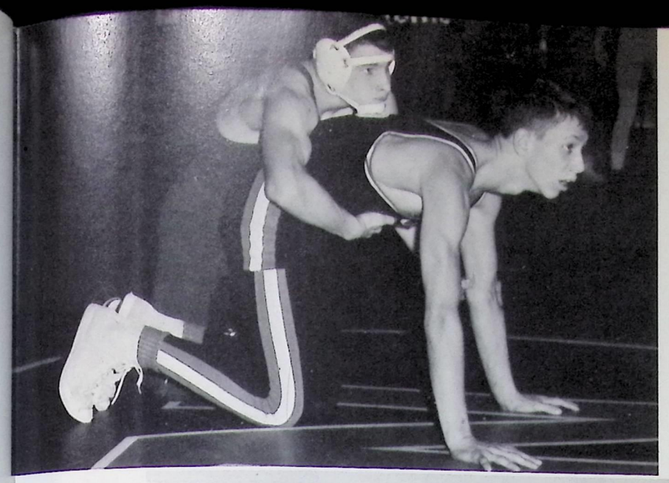

Karl Naugle gains control of another opponent as he scraps for another victory.

Jim Stone, one of the few seniors on the team this year, handles an opponent as he works for another victory.

Surely the high point of the season for Mark Verdi was pinning his Maple Hts. Opponent. Here he is demonstrating his fine form. Mark, also, was named to the All Conference Second Team. He had a 9—2 season record with 5 more victories in the state tournament.

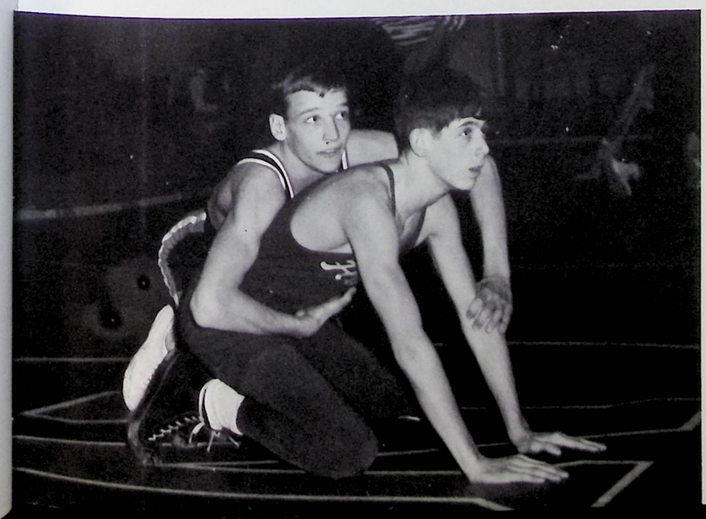

Sam Schiciano, one of the areas top wrestlers, returns next year with high hopes of going to the state finals. Sam scored 31 points for the team this year.

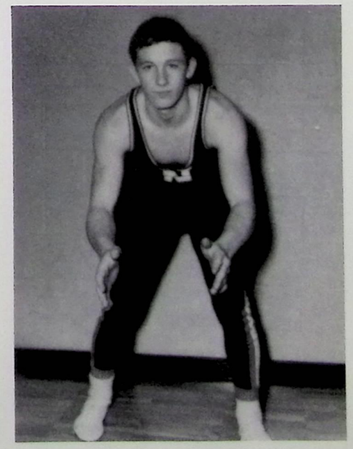

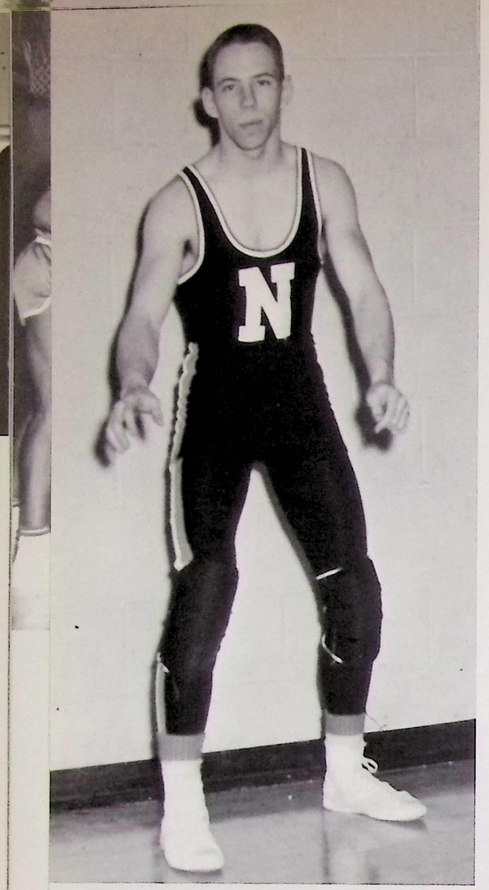

Varsity lightweights Ron Evens, Frank Kovacs, Sam Schiciano, Bruce Bullard, and Bill Murton comprised the "strength" of the team.

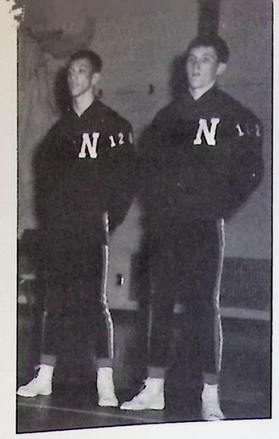

Ronnie "Stretch" Evens awaits his chance to charge into action. Ron was selected to the All Conference Second Team this year. The GCC was probably the best conference in the state this year.

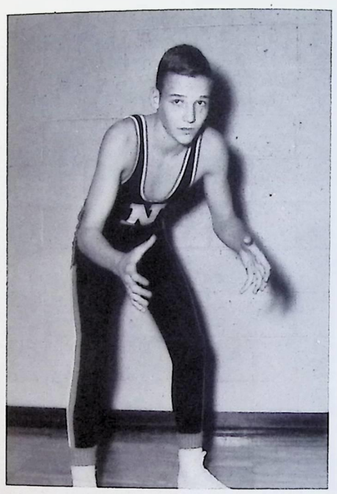

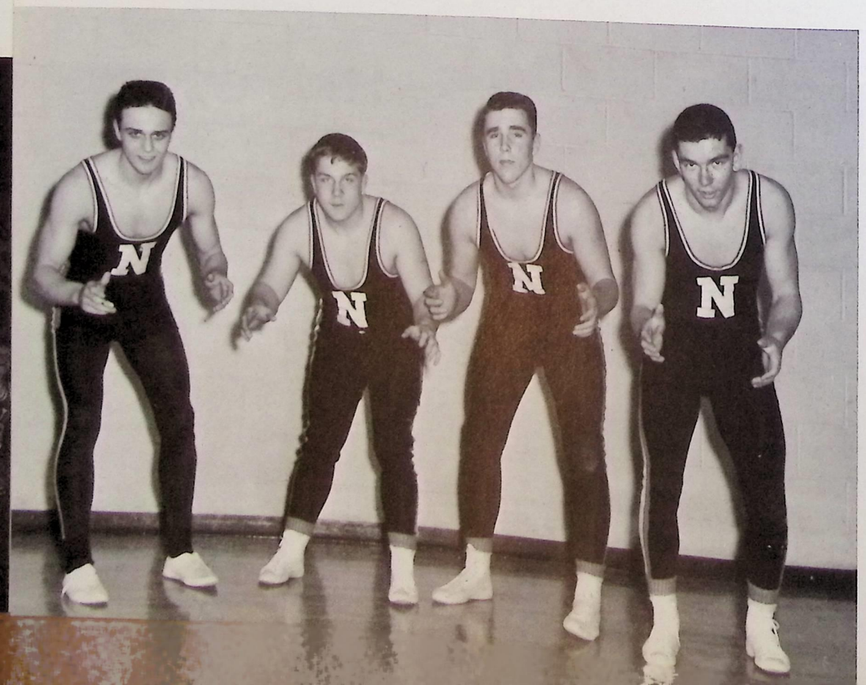

Karl Naugle who was Brecksville Tournament champion, third at sectional, and third in district, was the only Ranger to go to state this year. Karl lost only 3 matches in the regular season while registering 3 pins.

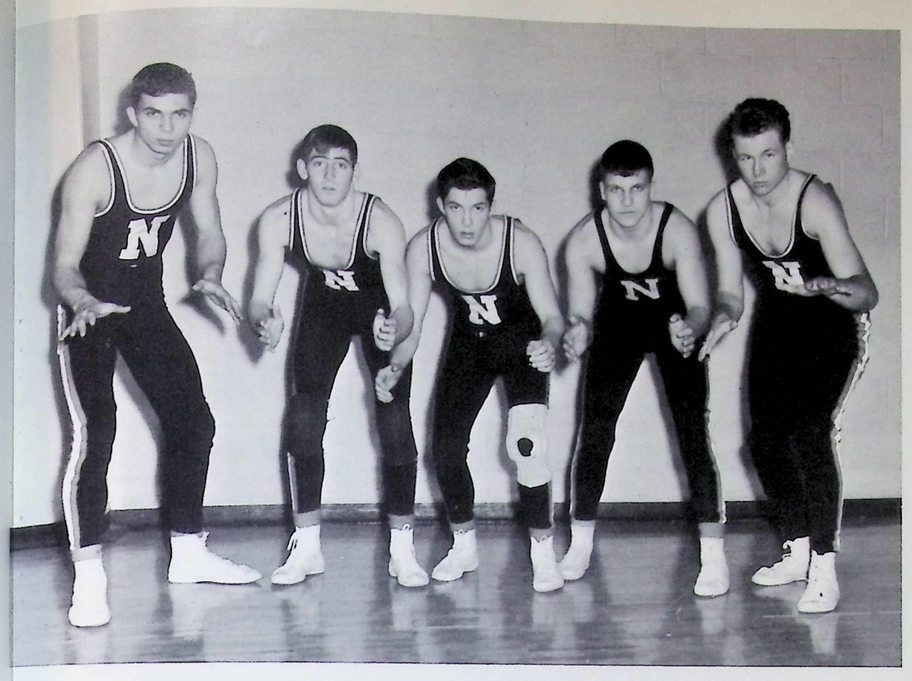

Sam Schiciano and "Ernie" Kovacs, ready for another match.

Ron Evens 9—1—1

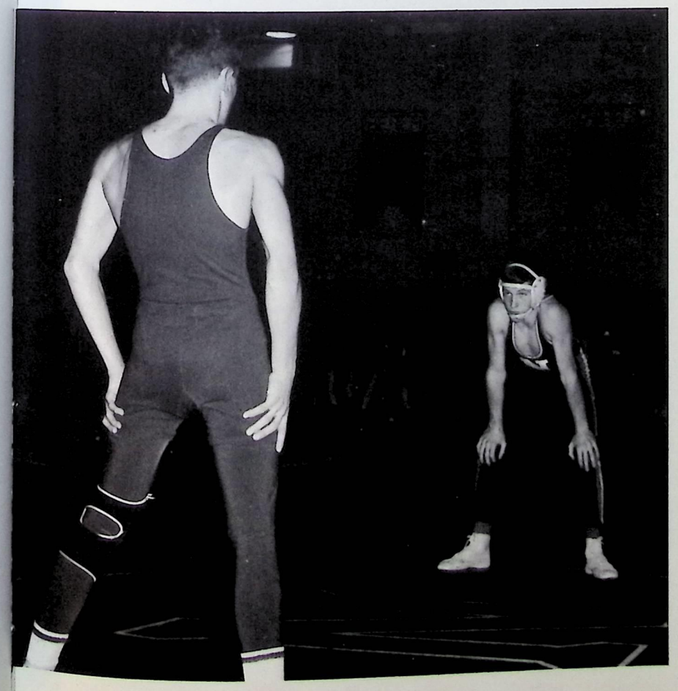

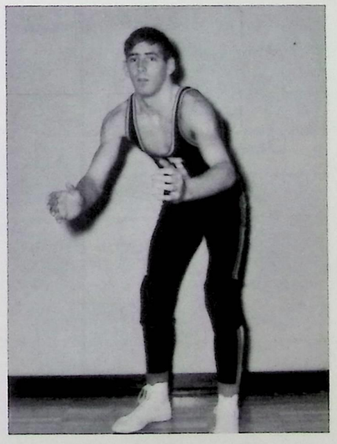

Ranger musclemen Mark Verdi, Don Wank, Dale Stakich, and Bob Brandt won 19 matches between them. Don is the only senior of the group. Dale is a sophomore.

Frank Kovacs squares off against his opponent and stares intensely in his eyes. Frank had 3 pins during the season and 3 in tournament action. Four of his pins came in less than one minute.

A fine season for North's Junior Varsity grapplers ended with a 9 wins, 3 losses record. Coach Smarto had two undefeated wrestlers, Bill Fickes with a mark of 10—0—2, and Dale Colagross with 10—0—2. Four others with commendable records were Gary Grenon (6—0), Don Winchell (6—1), Wayne Eby, and Tom Hulsman.

Coach Smarto said of his team:

"They were a good team ... very green at the beginning, but they came out fast as the latter part of the season shows, particularly the Bedford match."

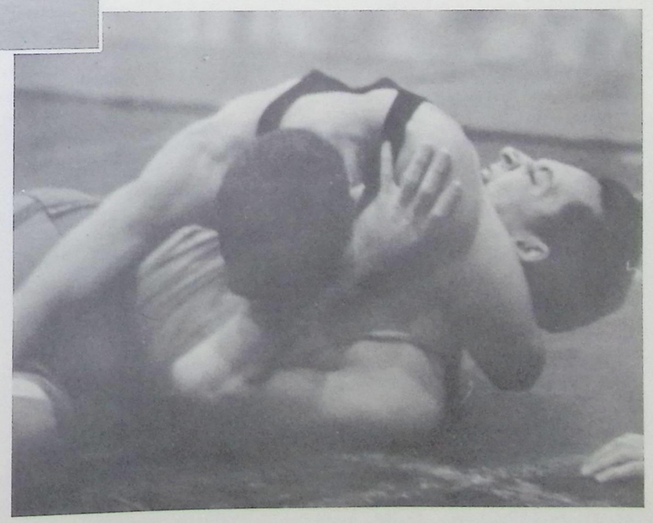

Tom Hulsman, J.V. Co-captain, started the season in a varsity berth. This outstanding wrestler is expected to do a lot next year. Tom (Batman) finished the season with a fine 5—0—1 J.V. record. At right he is on his way to his fourth pin of the year.

Paul Bush, 112 pound regular, did his share for the jayvees. In the picture at left Paul displays an effective ride on his South foe.

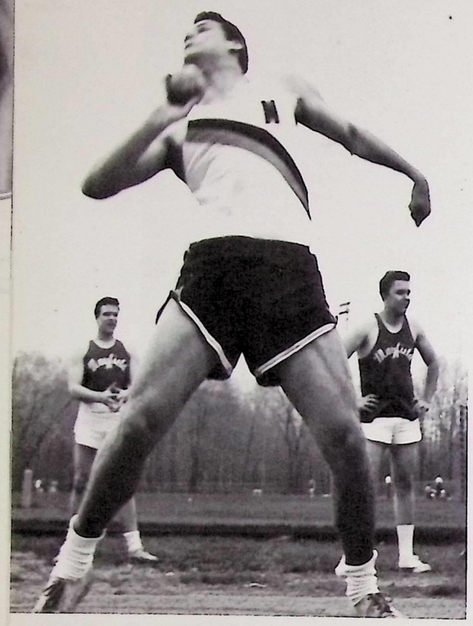

Dale Colagross, J.V. Co-Captain, has only two years of wrestling experience, but was the best matman for Coach Smarto. Dale is shown pinning his South opponent at right. He recorded 6 pins enroute to a 10—0—2 record.

TRACK

RANGERS POST 6—1 MARK IN '65

Recovering from an 0—7 season, the 1965 harriers went 6 wins and 1 loss in dual meet competition. Fifth place in districts was made possible by fine individual efforts by Bill Nose, Lou Colagross, Al Lunder, Jack Polcar and other team members. Many school marks fell, notably in the shot put, pole vault, and broad jump.

Al Lunder shattered the shot put record by more than a foot with his heave of 54 feet 6 inches in the district meet at South.

Regional and District pole vault champion Bill Nose soared to a new school record of 13 feet 4 1/2 inches in the district meet.

Co-Captain Bob Sternot's 19 or 20 feet efforts in the broad jump led to many sweeps of the event in dual meet competition.

NOSE, LUNDER, COLAGROSS CARVE OUT NEW SCHOOL RECORDS

Bill Kirschensteiner, Bill Masters, and Bill Kettunen sweep the 120 low hurdles in a home meet. Masters and Kettunen hold the school record with a 15.3 time.

Senior Bill Masters' determination led him to records in the high and low hurdles.

Defending district champion Lou Colagross broke his own record with a jump of 21 feet 1 1/2 inches, yet finished only second in the district.

Junior Larry Kiehl cleared 5 feet 10 inches in 1965 and is a good bet to better that in 1966.

Lou Colagross, co-captain of the team, did 5 feet 10 inches in one of his few appearances in the high jump. Such a mark would have won the district meet.

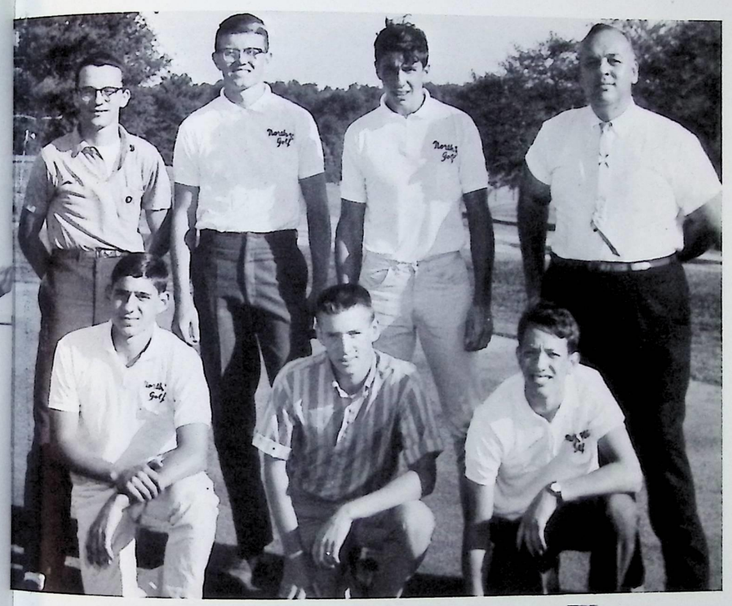

Quarter miler Cliff Metz did 52.0 in his best effort of the year. His big victory of the year was over Bill Davis of South in that dual meet.

GOLF '65

In a rebuilding year, Coach Larry Cooper's golfers finished as district runner-ups, narrowly missing repeating as champions. Five of six team members return to the 1966 team. The final mark of 13—7—2 provides hope for an excellent season to come.

Sophomore Ken Kastelic flashes the style he showed in his excellent first year on the squad at right.

Flanked by his teammates, senior Rick Carr leaves the field after striking out the side. His final record of 3 wins and 5 losses is no indication of his fine pitching over two years.

Bill Whitney with an average of 310 is the leading returning hitter for the 1966 team. His mark was second only to Karl Billhardt.

In his first year on the team, Karl Billhardt led all hitters with a .393 average. He also led in home runs, runs batted in and hits.

BASEBALL

SENIORS STAR, WIN 10 GAMES

It was a long, hard year for the baseball team. The record of 10 wins and 8 losses could easily have been 15 and 3. Southpaw Rick Carr, a Tri-County All Star and an All G.C.C. selection lost several games by one or two unearned runs. Outstanding seniors Chuck Hoban, Karl Billhardt, Marty Jacobs, Jerry Pintaric, Bob Vilcheck, and Jeff Carter will be missed in 1966, although a good year is probable.

The main reason for North's exceptional choir is the skills its members have acquired in Glee Club. While learning to read syllables and then, finally, to sight—read music, the constant goal of these students is that of becoming a valuable member of the choir.

"Introducing the 1965-66 Ranger Marching Band" blares the public address system as the eight-by-eight group struts onto the field. Under the bright lights, each marcher remembers what went into the show and each hopes for a better halftime show to come.

The mind moves back and covers the expanse ... band camp ... drills ... blistered feet ... eight-to-five ... All-Bran ... salt tables ... shock of the first football game ... band buses ... fire batons ... Robin at the whistle ... Massillon ... We'll Raise Our Song ... Mr. Ruddick ... drum solos ... pep band ... Batman ... Majorette basketball shows ... the Alma Mater ... work ... sweat ... satisfaction.

Scintillation, abounding for three years at North High School, reached its culmination as the Class of Sixty-Six became Seniors. Emerging in the final harried preparations for graduation, each Senor finds a portion of his thoughts reverting to remembrances of past incidents. The Senior, as he moves about the crowded halls, suddenly realizes that his years, months, and days, spent at North are dwindling to nothing. Amid the excitement and bustle, the Senior Class gazes back upon its infamous history and accomplishments over the past three years. Scintillation is responsible for inspiring all students to desert general apathy: "Forget Lake Erie, Save North High." The Seniors enthusiasm took hold of North and shouts of "Go Arena! "and" What? No Confetti? reverberate through the orange and black halls. Overcoming a seven year handicap, the Class of Sixty-Six was responsible for a most successful bonfire and a heretofore unheard of car caravan to South. Scintillation has grown to mean much more than a name to a class. It is the title of THE Class.

During their second year at North High, the Sovereign Class of '67 emerged as a class in their own right, filled with effervescent and dynamic vitality. Determined to outshine all previous classes, the junior class relaxed from the dignified "sovereignty" to show North spirit, which bounced off the paint on their signs onto the gym bleachers.

Straining their lungs at pep assemblies, the Junior Class claimed to be loud and enthusiastic, yet sovereign when regal sophistication was needed. Class determination contributed greatly to their metamorphosis as school leaders. Attempting, and practically achieving, to outshine their favorite competition, the Class of '66, the Juniors provided the boost needed to keep the Seniors working. No one can ever forget the work and organization that went into the unforgettable Junior Class All-School Fun Night, the Junior Dance, and the design of the class buttons.

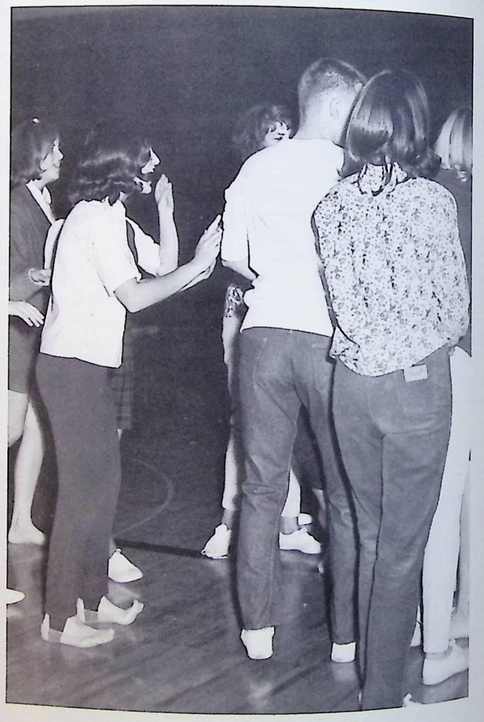

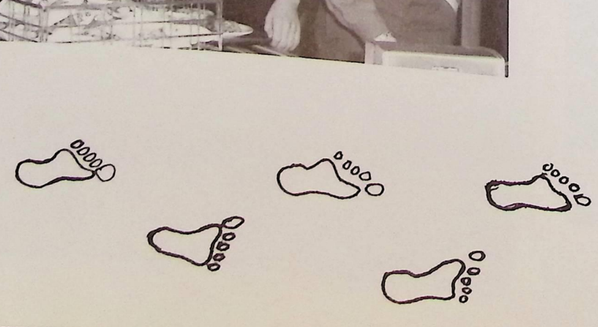

The surprising Sophomore Class captured the glory of North and astounded upper classmen this year with heretofore unheard of school spirit. When called upon at pep assemblies, their unpolished, yet resounding cheers reverberated. The Sophomores entered (or fought their way into . . .) life at North and showed themselves to be a cut above North's greater expectations.

Even with their lone fun night and spring activity, the Class of '68 displayed the qualities which promise to bring them the coveted position of upper classmen.
