Today's Adventures...

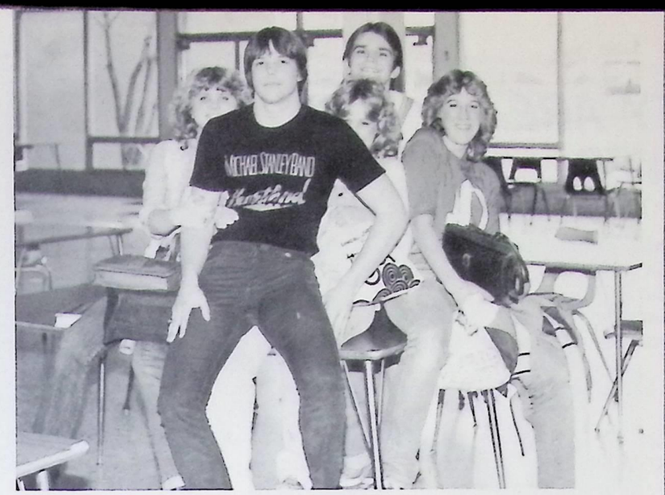

...Tomorrow's Memories

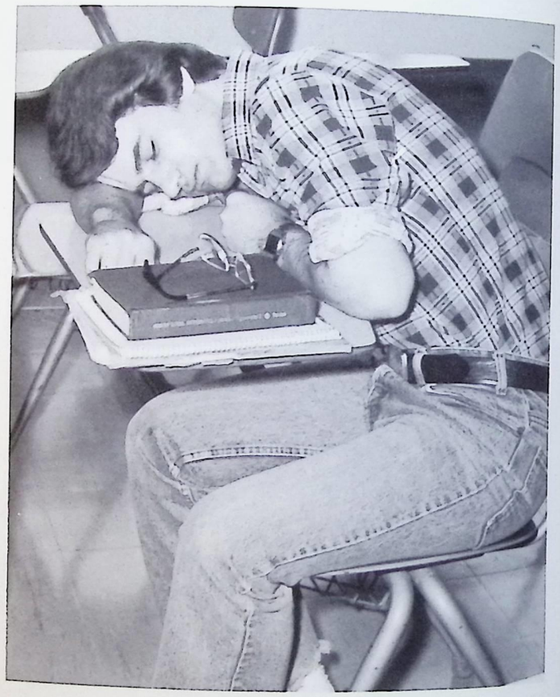

TODAY'S ADVENTURES ARE . . .

At one time or another, more than one of the following thoughts have passed through everyone's mind. As we spend our time at North High, little things happen that will always remind us of our high school days in years to come. *In essence, Today's Adventures* . . .
Cheering at football games . . .
Trying to get my locker open . . .
Sleeping through history class . . .
Passing a timed writing . . .
Playing pool during lunch . . .

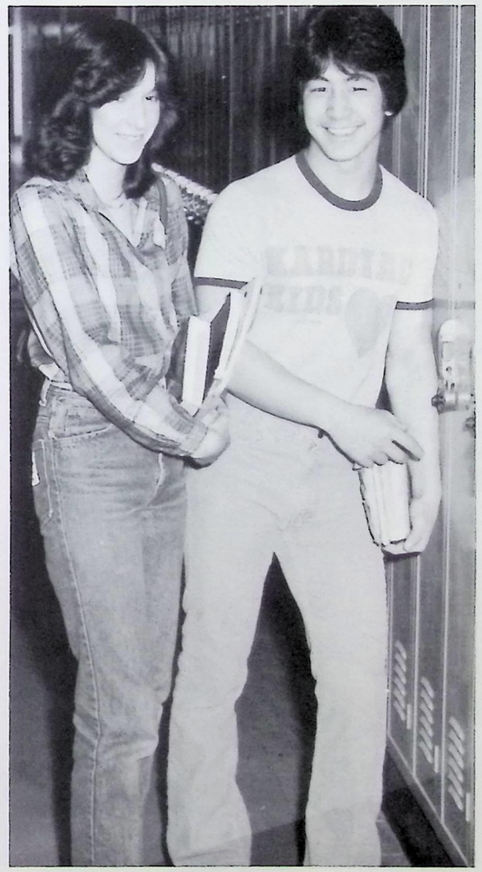

Laughing at Mr. Rubin's physics tests . . .
Cheating and not getting caught . . .
Going outside for firedrills . . .
Remembering the friends I met . . .
Skipping classes to go to the park . . .
. . . *become Tommorrow's Memories.*

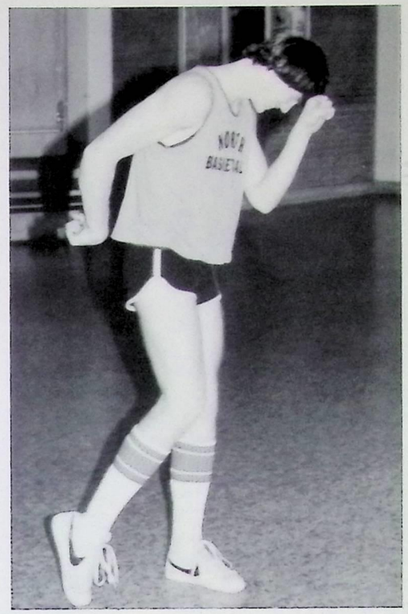

THEY ARE ENJOYED . . .

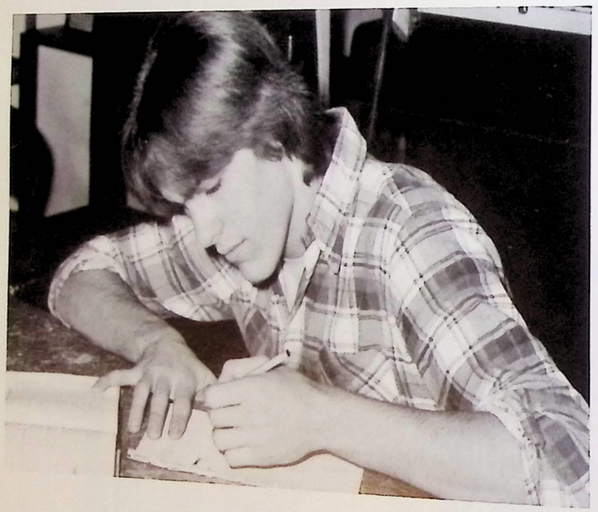

Toilet papering houses and classrooms . . .
Playing frisbee on the lawn . . .
Forging passes out of studyhall . . .
Trying to get to school on time . . .
Dreading the everyday routine of getting dressed for gym . . .
Sliding down the banister in the commons . . .
Matching wits against the electronic machines in the recreational area . . .

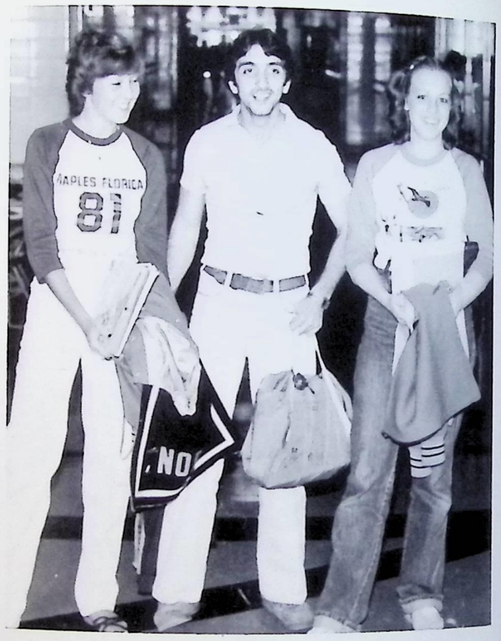

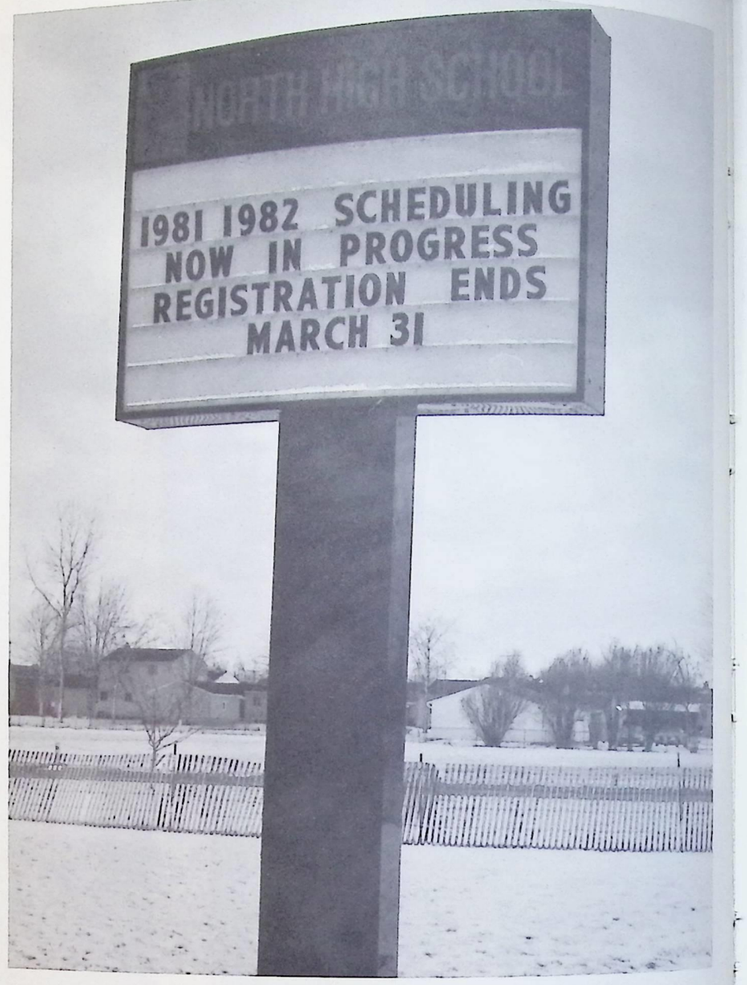

. . . AND TREASURED

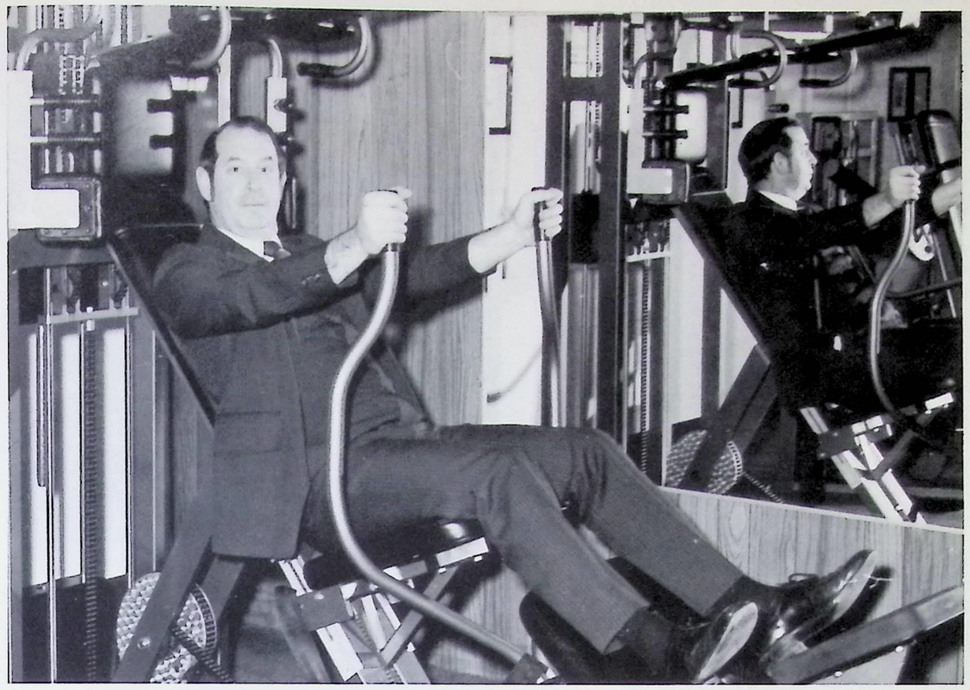

BUT THINGS CHANGE . . .

The beginning of the 1981 school year brought numerous changes to North High. One of the more obvious changes is the illuminated sign that is located in the front of the building. The sign was a gift from the Class of 1980. Last year's Senior Class also commissioned two graduating seniors of '80 to paint murals. Diane Ullemeyer painted the one in the middle of the opposite page and Ellen Manchook designed the one below it. Each of the girl's paintings represents different aspects of life.

The Athletic Boosters have purchased nautilus machines to help keep our athletes in top condition. The Boosters have created an office in the old SLRC and set up video equipment. The SLRC has been transformed into an English Program to help students who have difficulty learning.

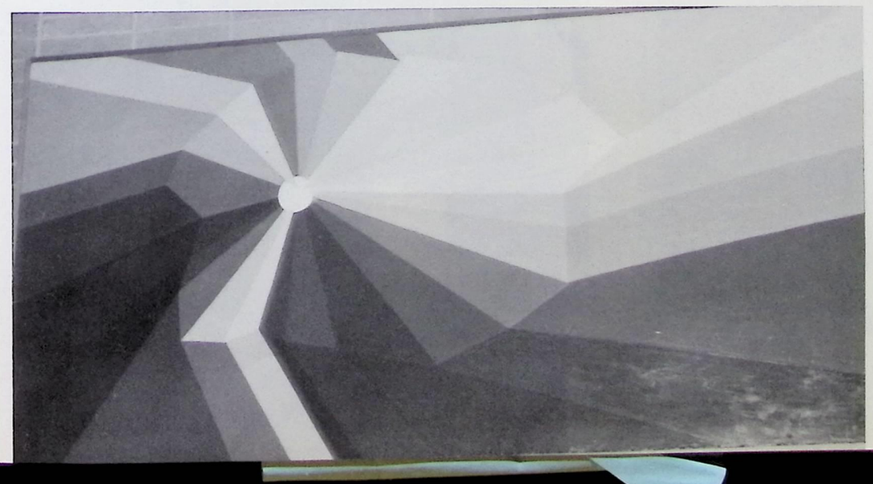

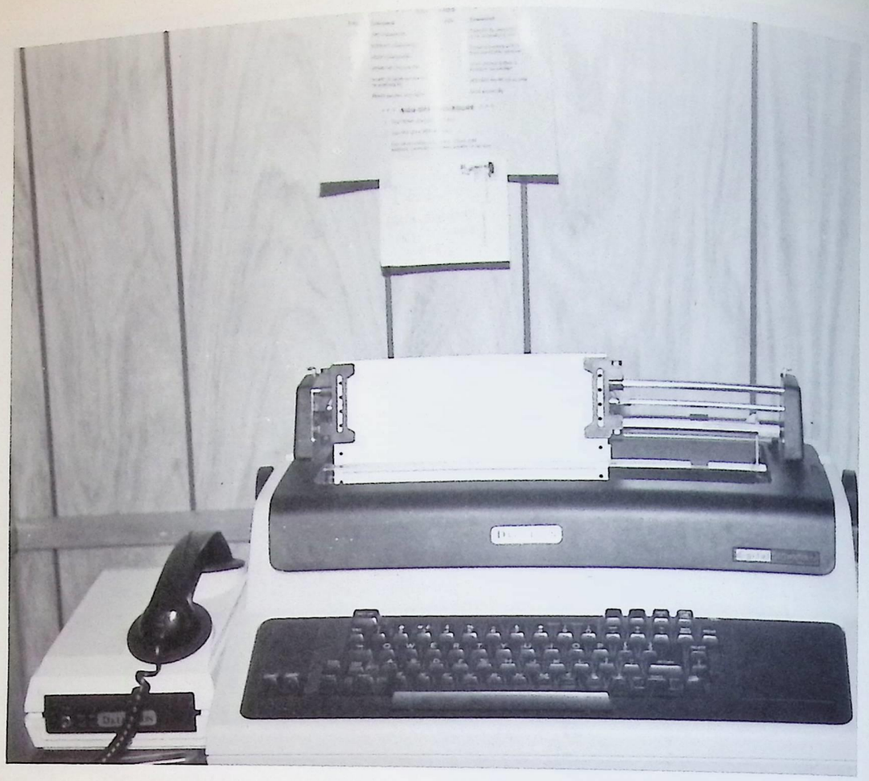

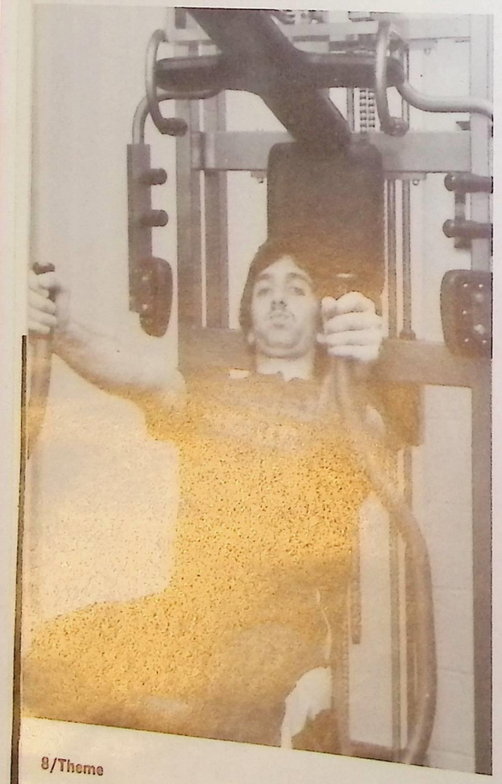

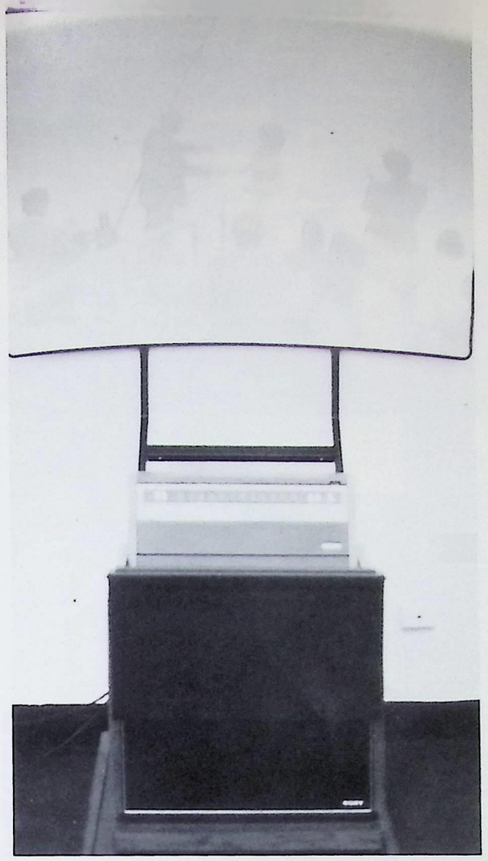

. . .AND NORTH GETS BETTER . . .

. . . UNTIL WE ARE . . .

Is it a typewriter? No. It is much more. The new computer terminal, funded by the Martha Holden Jennings Foundation, is located in the guidance office. The terminal can assist students who have questions concerning public and private colleges, vocational training schools, financial aid, and scholarships for these schools all across the nation. In addition, the computer can relate specific details about a college, such as the location, room and board fees, and enrollment. The computer is used by both North and South High, which share 22 hours of computer time a month. The computer terminal will be used as a means of providing communication [illegible] the school, students, and parents, and as a resource center [illegible]ed students.

Another change at North was the [illegible]f the school mascot on top of the press box by the footbal[illegible] Ranger is eight feet tall and could have been seen by anyone in the vicinity of Nick Carter Field. However, half way through the year, vandals stole our proud Ranger. He was returned, repaired, and he will remain inside the school for a while.

In February, new video equipment was installed in the old SLRC. This gift from the Atheletic Boosters consists of two distinct areas. The first is a viewing room which seats 60 people and features a six-foot TV screen. Adjoining is a color production studio complete with special lighting, studio cameras and a special effects mixer, and a portable unit.

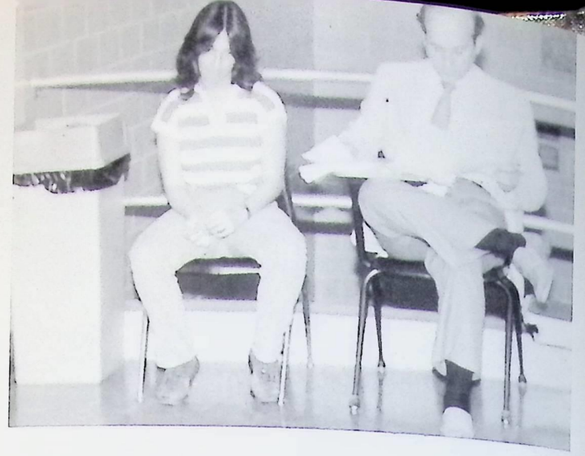

. . . THE BEST!

THE BEST THINGS . . .

Enduring E.Z.'s mid-morning P.A. announcments . .

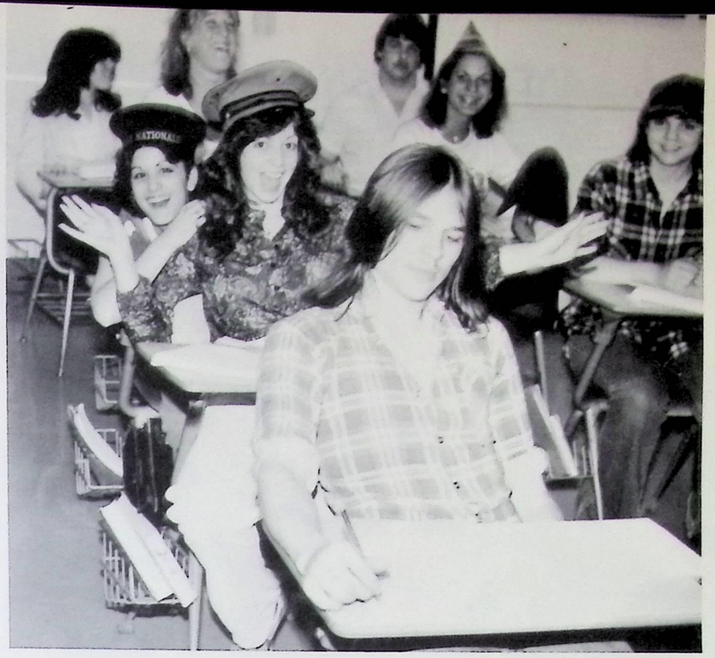

Hiding squirt bottle fights from Mr. Hewitt . . .
Typing a term paper until 4:00 in the morning . . .
Going to get your excuse slip in the lunch room for class and finding our Mr. Rodgers left a note for you to see him right away . . .
Laughing with Miss Furian . . .
Pushing myself through one week at Band Camp . .

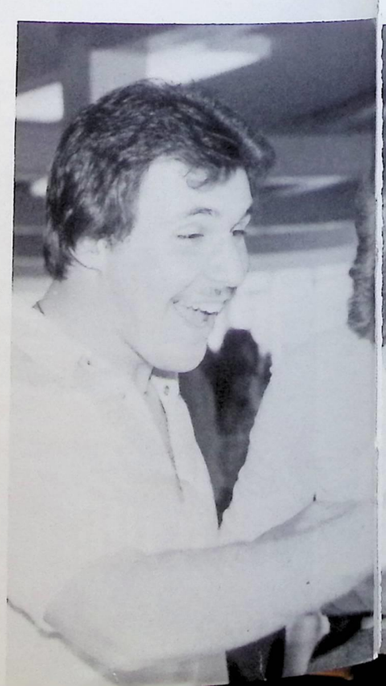

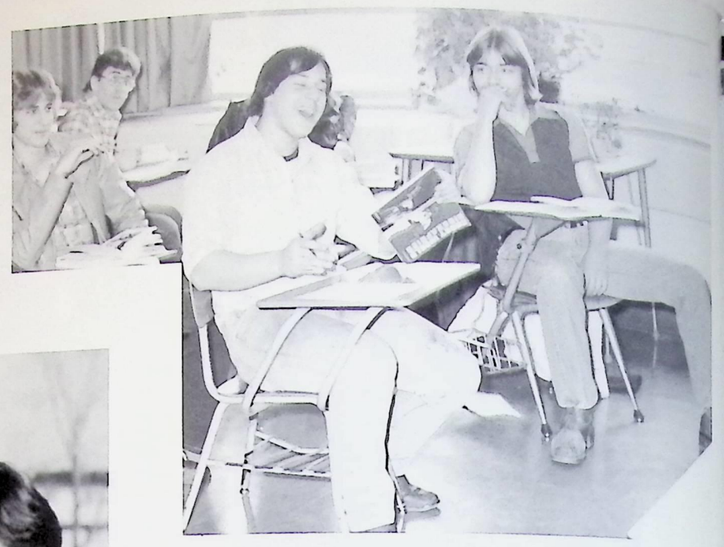

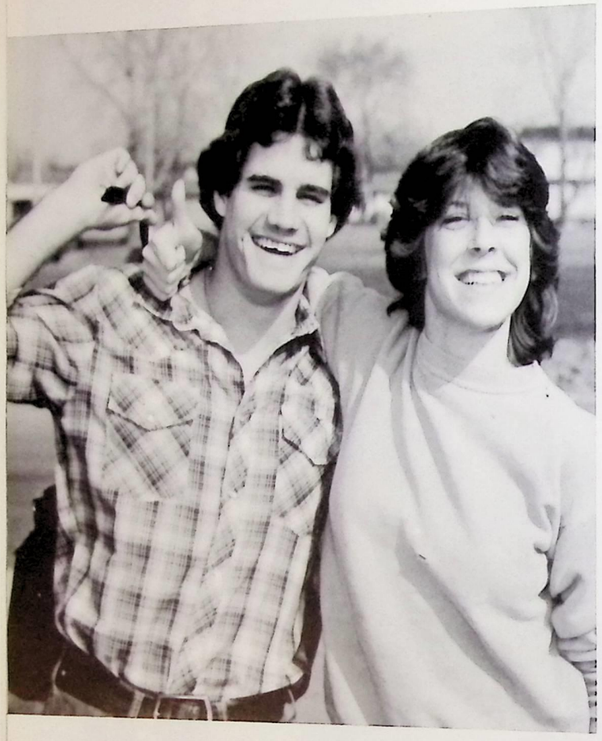

10 Theme

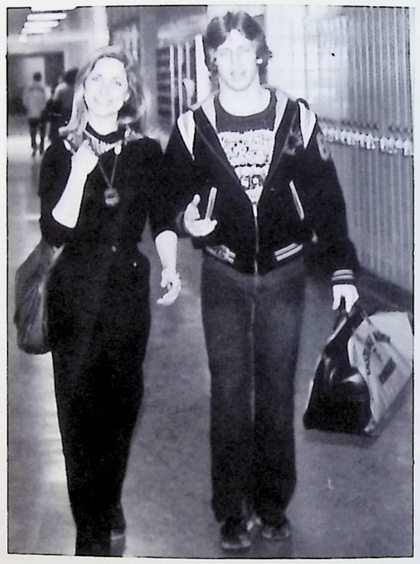

. . . WE REMEMBER

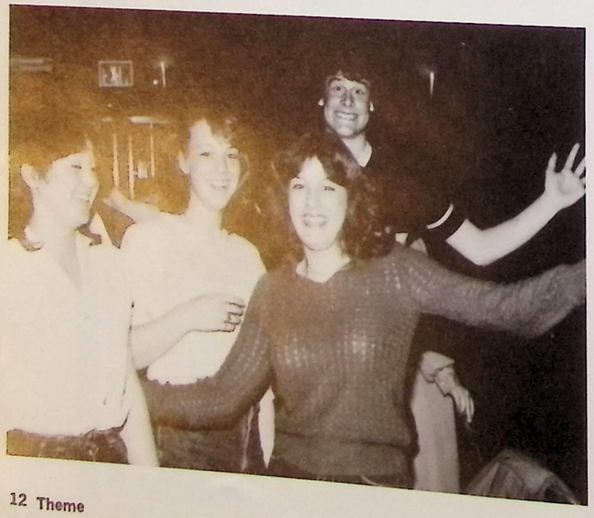

. . . AND CHERISH . . .

Practicing track after school . . .
Stealing Mr. Silversteen's erasers . . .
Going to Prom . . .
Traveling to Quebec for the second time . . .
Listening to Mrs. Bowman's cat tails . . .

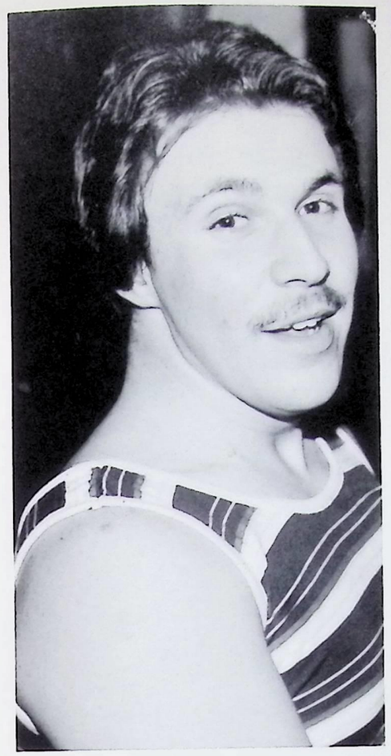

Today's Adventures are . . . for now. They are enjoyed . . . and treasured. But things change . . . and North gets better . . . until we are the best! The best things we remember . . . and cherish . . . for Tomorrow.

Cindy Szadkowski gives it all she has against Maple Heights.

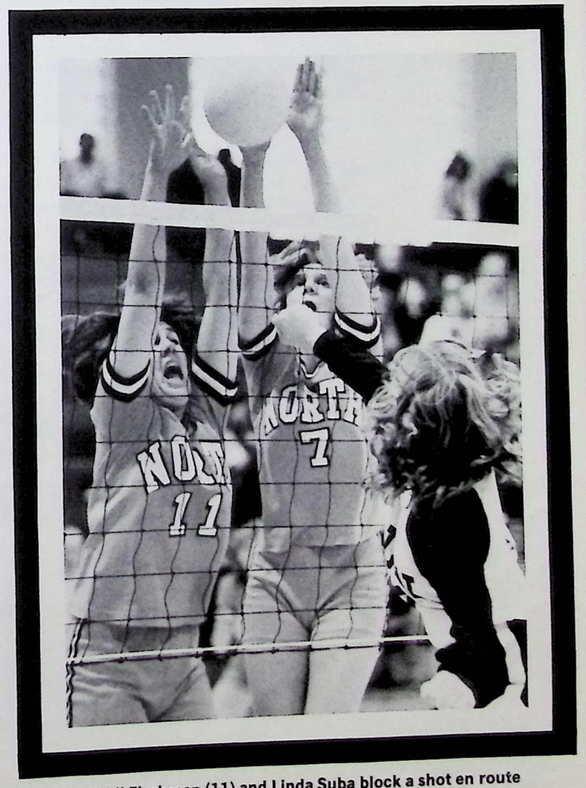

Finishing a volleyball season in first place is not uncommon at North. However, for only the second time in their history, the Lady Rangers finished the conference season 14-0. Their overall record was 17-2, with the only losses coming from Shaker Heights in the final season opener and at the hands of Mentor in Sectional Quarter Finals.

The team, led by the awesome trio of Seniors Patty Heller, Linda Suba, and Heidi Fleshman, proved that the Rangerettes were second to none. In fact, the ladies were forced to play a third game in only five of their nineteen matches.

As in the past, the 1980 North Volleyball team had an abundance of talent. All conference honors went to Seniors Heidi Fleshman, Patty Heller, and Linda Suba, as well as Sophomore Debbie Suba. Recipients of Team Awards were Debbie Suba, Best Spiker; Linda Suba, Best Blocker; Claudia Euse, Best Server. Patty Heller was honored as the team MVP. In addition to the other awards, Coach Pat Attamante was selected for the third time as GCC Coach of the Year.

Senior Linda Suba shows her delight after beating South.

The Ranger football team had a disappointing season in 1980. The squad was big in spirit but few in number. With less than fifty players on the team, it was of the utmost importance for everybody to stay healthy; unfortunately, several key players were sidelined with injuries. Senior Quarterback Gary Mihalek had a fine season, passing for 500 yards in five games, until he was injured in midseason. John McDowell had an outstanding season by catching 26 passes. Leading the defense were Harry Slocum and Jim Gentile, the leading tackler.

BOOTERS KICK UP SUCCESS

The 1980 Ranger soccer team, in keeping with the tradition of North's fine soccer program, put together a winning season. Despite a slow start (0-4), the team finished third in the GCC with a respectable record of 8-7-2 overall and 5-4-1 in the Conference. Coach Vic St. Hilaire cited injuries to several key players as the major reason for the slow start. A consistent defense, led by Senior Co-captain and Goalie Frank Daniels, helped rost four consecutive shut-outs late in the first half of the season. Forward Dave Ambrose, Senior Co-captain, scored 17 of the team's 34 goals and was named MVP. The junior varsity team also extended North's winning tradition by finishing the season with a record of 8-7-1. As always, the North soccer program produced numerous high quality players and provided both athletes and spectators the chance to participate in one of the most exciting sports in the world.

For many girls a major decision to be made in high school is whether to try out for a sport or a cheerleading squad. Those who choose to become cheerleaders soon find that it takes hard work and dedication. Preparation may begin in grade school by cheering for a community team, followed by cheering in junior high. The real test, however, comes in the spring when squads are selected for the following year. After a succession of after- school clinics, the girls are judged by a panel of teachers on skill, poise and enthusiasm. Those who are chosen attend cheerleading camp in the summer, where they learn routines and techniques. During the season the girls boost the morale of the team and get the fans enthused. Every season has its special moments, and each girl carries with her a feeling of pride knowing that she helped make North a great school. RAH!

The 1980-1981 boys' basketball team produced a fine season, finishing with 17 wins and 5 losses. After a strong start, the team suffered two consecutive losses to South and Mentor. The Rangers held on until the end, falling only to league champion Mayfield, and placing third in the GCC.

John Kovalchuk (32) and Greg Dugger put pressure on a Bedford guard.

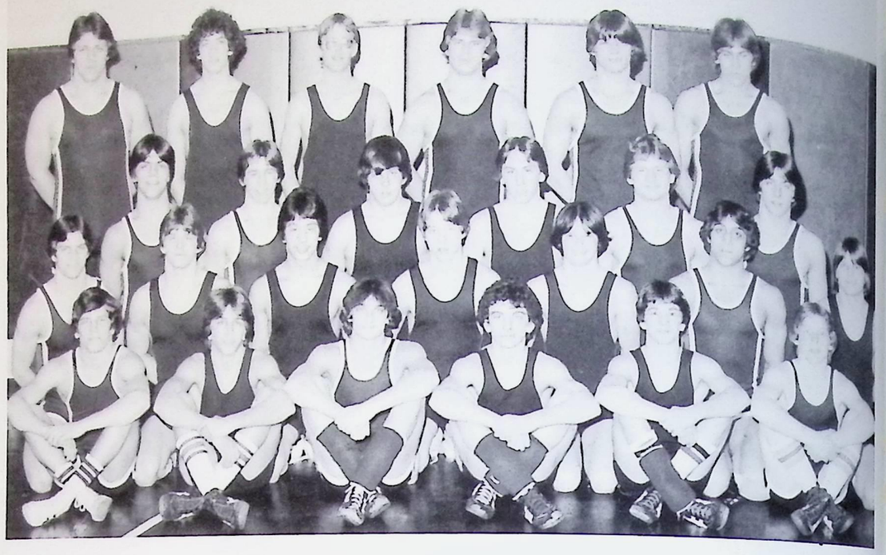

Speed was not a strong point for the Rangers. Instead, smart playing and a steady defense led the team to victory. North out-reached and out-muscled their opponents, thanks to 6'8" Sam Purkey, 6'3" Rich Colarick, both seniors. Seniors John Kovalchuk and Dave Romeo carried their load exceptionally well, as did Juniors Greg Dugger, Doug Drake, and Jim Smalley.

The junior varsity finished with a respectable record of 7-9. Lou Peterlin and Bill Smiley proved to be the leading sophomores, complimented by Dave Ingrim and Dennis Honkala.

The 1980-1981 season proved to be outstanding for North's wrestlers. Under the careful guidance of veteran coach John Matteucci, the team captured second place in the GCC with a 12-2 record. The only losses were handed to the grapplers by Brush, 21-29 and Chardon, 25-26. The team had an abundance of talent, including Dave Suplicki, who advanced to state semifinals, and Chuck Britton, who finished his high school career undefeated, 37-0, in dual meets. Senior Brian Vinborg and Juniors Brian O'Neil and Vince Matteucci also had excellent seasons. Moreover, a notable effort was put forth by Bob Erickson, who ended the season 10-4, despite wrestling in the 185 lbs. class at 172 lbs.

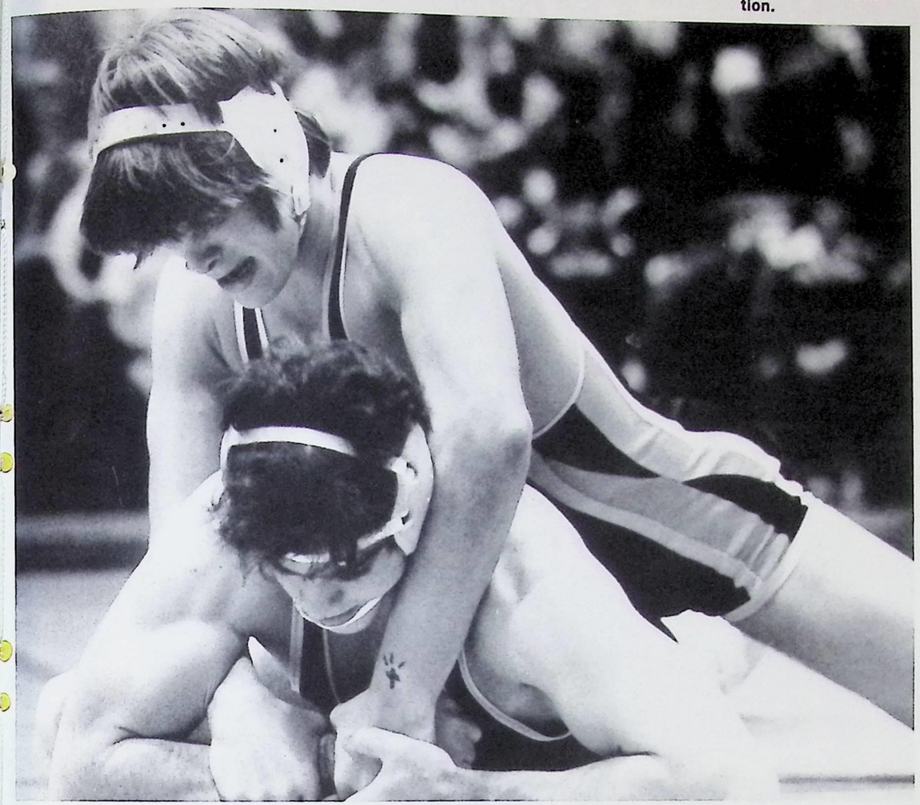

Coach Dave Craig's junior varsity squad compiled an excellent record of 10-4. Mike Morris led the team with a 12-2 record.

There are a few words which would truthfully describe the girls' basketball program at North. Awesome. Fantastic. Superb. Yet all fall short in describing the girls' winning tradition. 1980-1981 was no exception. Piloted by first-year coach Bob Beutel, the Lady Rangers cranked out a 19-4 record. The girls outclassed every team they played, with the possible exception of Mentor; and the Cardinals were even given a run for their money!

Naming a leading player is next to impossible, for the Rangerettes were loaded with fantastic talent. Junior Kim Cantwell was the top scorer with 281 total points and a 12.2 per-game average. Classmate Mary Petrecca sunk 239 points, averaged 10.3 points per game, and grabbed a team leading 238 rebounds. Joyce Chisar led the team in steals with 100. Linda Suba, Sue Rendina, and Sandy Ertter performed well all-around, contributing greatly in every aspect of the game. Senior Joanne Stanich, although injured for much of the season, also had a fine season.

The junior varsity compiled an excellent 19-1 slate. Coached by Tom Henderson, the "Little Ladies" assured North's fans that victory would continue to favor the Rangerettes in the years to come.

The final evaluation of any baseball team always reveals that success relies upon two basic skills: hitting and pitching. The 1981 North High baseball team lacked neither, and they have the record and awards to prove it. Our boys finished the season 20-9 overall and 9-5 in the GCC, which landed them in second place.

In the hitting department, Dan Minardo and Chris Kucharski set the pace for the Rangers. Dan scored 23 runs, knocked in 19, had a .451 on-base percentage and hit a team high .397. Chris led the team in runs scored with 25, hits with 30, and an on-base percentage of .462. Senior CO-MVP John McDowell blasted 14 extra-base hits, and was the RBI leader with 27. Co-MVP Harry Slocum and Jim Gentile also hit extremely well by batting .351 and .333 respectively.

While North's bats were sending pitchers to the showers, Ranger pitchers kept opposing hitters frustrated all season long. Junior Larry Kucharski hurled 62 strike-outs, and compiled an incredible ERA of 0.93 to end the season 5-2-1. Gentile struck out 43, had 2.16 ERA and had a 3-2 record while McDowell (5-2) whiffed 54 and posted a 2.60 ERA. Chris Kucharski won 5 games for the Rangers while losing only 2.

It's easy to see that this team accomplished quite a bit. Besides statistics, further proof is in the many individual honors reaped upon the Rangers:

Tri-County All-Star: McDowell, Minardo, C. Kucharski, Gentile, Kovalchuk

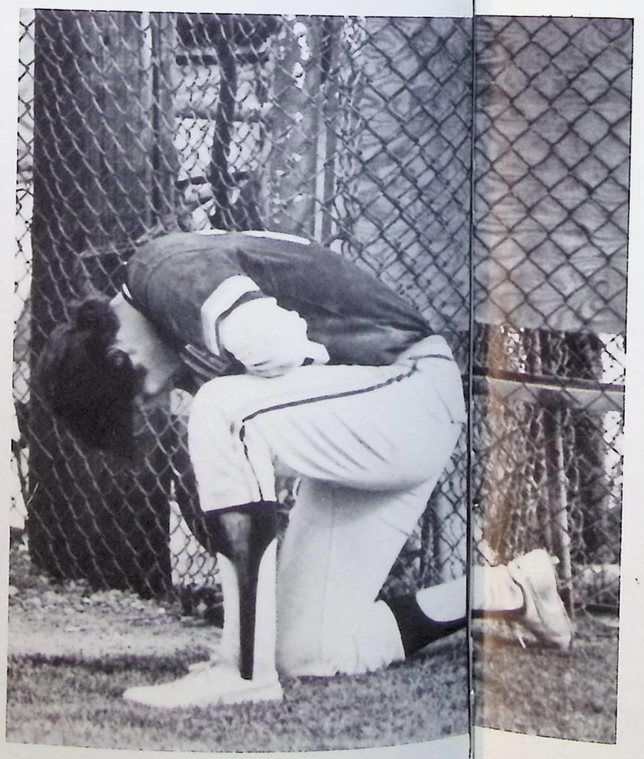

Greater Cleveland All-Star: McDowell, Minardo, Slocum

All-GCC: McDowell, Minardo, G. Kucharski, Gentile (HM), Kovalchuk (HM), Slocum (HM), L. Kucharski (HM)

In addition, John McDowell received all-state honors and was named to the *Plain Dealer* "Dream Team."

Describing the 1981 North High softball team as successful would be an understatement. The Rangerettes found their place as one of Northeastern Ohio's best varsity squads with a 16-5 overall and 10-2 GCC record.

After beating Euclid for the third time, the team found themselves in second place with one game remaining. Our girls were not to be denied a piece of the conference crown and shut-out the Cardinals 13-0 to tie for first place.

Senior Sharon Heeley was the team's MVP and finished the season with a 16-5 record. Sharon also proved to be the team's most consistent offensive player, posting a .429 batting average.

Senior Shortstop Patty Heller emerged as a leading offensive spark by scoring a team high of 25 runs and batting a respectable .348.

All-GCC selection Mary Petrecca was the Rangerettes' leading hitter with a .463 batting average and was named to the *Plain Dealer* "Dream Team." Junior Sandy Ertter and Diane Destro also received All-GCC honors. Tina Conti, Janis Pappas, Renee Stevens, and Kathy Murray also played an important part in the team's success.

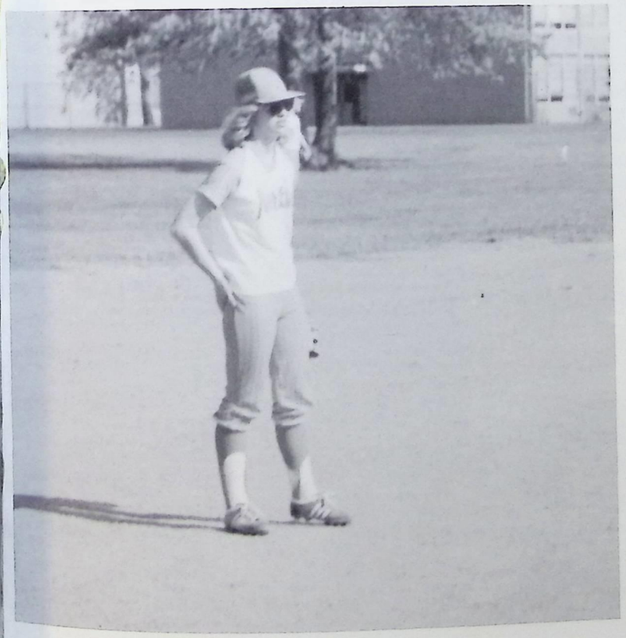

Coach Rocque Trem called the first-place standing the result of real *team* effort. Next year's team promises to be a killer, but it will certainly have a tough time topping the 1981 season.

Joyce, Patty and Kim are happy to tell you who's *number one!*

The 1981 boys' track team has had better years, ending the season 1-7. Adam Rosciszewski qualified for the district meet in the 400 meter run and shared the MVP honors with Todd Leovic. Adam received ALL- GCC honors for the 800 meter run and the 400 meter run. Todd made ALL-GCC for the long jump and Barry Harper did a fine job in the intermediate hurdles and was one of the most improved runners on the team. Mike Banman earned ALL-GCC in the 2 mile as did Mario Valenti (100 meters) and Jim Ralph (pole vault).

Coach Joe Topoly felt that the team improved as the season progressed. In his words, "Our record was poor, but the boys improved all year and became a good team by the end of the season."

Chris Bartholomew lets loose in the shot put event.

Mario Valenti and Gary Mihalek hoof it in the 100 meter dash.

Adam Rosciszewski sets the pace in the 800 meter run during the Ranger Relays.

Bernie Pawlikowsky surges out of the blocks.

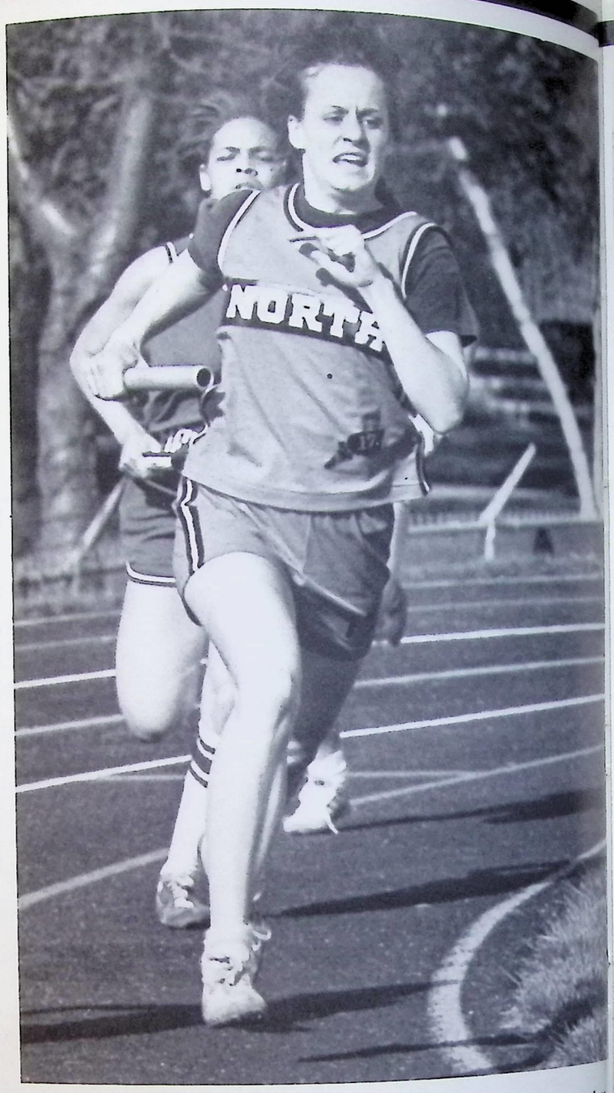

Vaulter Jim Ralph injured his ankle while warming up before a meet but still had a very good season.

Sue Rendina bears down in the discus event.

The girls' track team had a fine season in 1981, finishing with a 7-3 record. Unfortunately, the 3 losses were all conference meets, and the resulting 5-3 record was only good enough for third place. Despite this, there were several noteworthy accomplishments by members of the team.

Of these efforts, the most notable were those of Senior Joanne Stanich. Joanne received the MVP honors for the third straight year as well as the distinction of being elected the North High *Athlete of the Year.* As a junior, she placed second in the state in the 800 meter run, and this year she placed fourth in the 1600 meter run in Columbus. As a senior, Joanne was the GCC, Sectional, and District Champion in the 800 meter run, and she holds the school records for the 800 (2:16) and 1600 (5:02). Teammate Linda Suba was the GCC Champion and qualified for the district meet in the high jump. Linda broke her own record by setting a new high jump mark at 5'4".

The 3200 meter relay team, consisting of Juniors Joyce Chisar (a District Qualifier in the 800), Kim Cantwell, Lisa Fonick and Sophomore Michelle Kozar set a new record of 10:12. Laura Wingfield, Sue Weir, and Christy McDonald proved that sprinters are winners too by turning in a fine performance. Sue Rendina and Debbie Suba were consistent point winners in the shot and discus.

Linda Suba clears 5'4" with ease. Linda captured the GCC high jump crown.

Uzu certainly made Mr. Velasco smile!

What does a woman like me need?

Thanks for the drink!

Once again, North High's Drama Department produced another professional production. This year's fall play, *Barefoot in the Park,* was enjoyed by all who saw it. Much of the credit for the play's success should be given to the director, Mr. Richard Mele, and student director, Laura DePledge. The play concerned a young couple who had only been married for six days. Corie, the wife who was played by Debbie Krainz, was young and full of life. She yearned for her husband to be as carefree as she; finally, they compromised and realized that they were truly meant for one another.

The honeymooners' first quarrel.

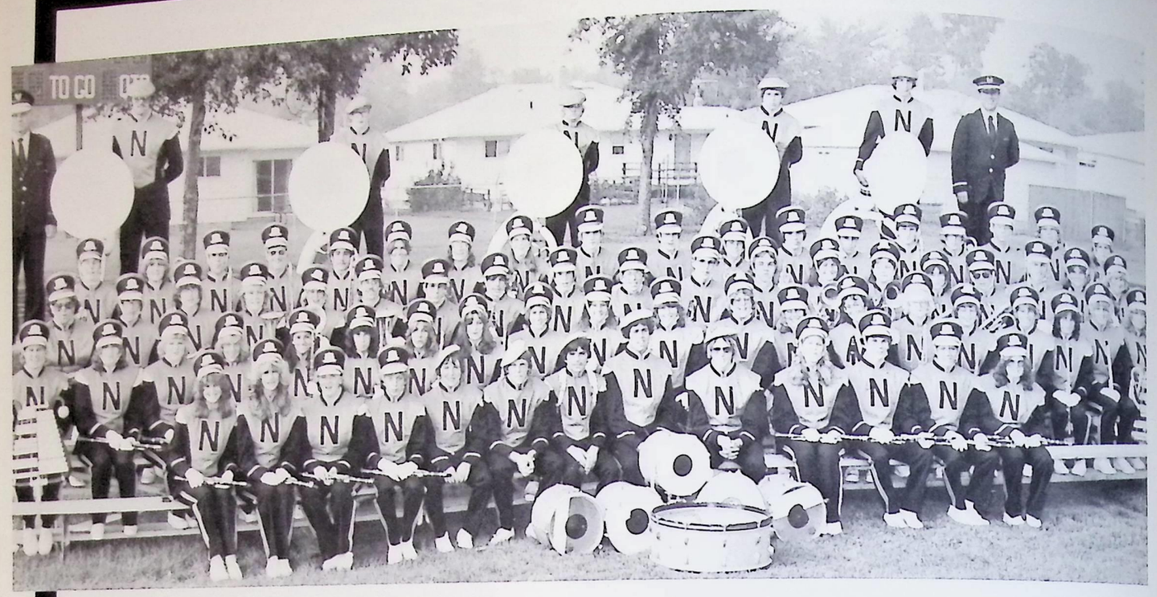

Really, mother, he is a nice man.

. . . and then a cab went by and splashed my stockings!

Not even a sexy negligee can attract the attention of a busy lawyer!

PRESENTING . . .

The Entertainers, presented on January 16, 20 and 30, and February 2, was a variety show directed by Mr. Chuck Wood. Its purpose was to introduce performing in front of a live audience to students who have expressed an interest but had never performed in a play. Both Thespians and newcomers from the acting classes participated. Dance routines, skits, pantomines, monologues, one-act plays and a magic act were included in the evening. Behind the scenes were stage manager Linda Hlebak and house manager Frank Ponzani.

Scott Kosits mesmerized a volunteer from the audience in his magic act with his ring trick.

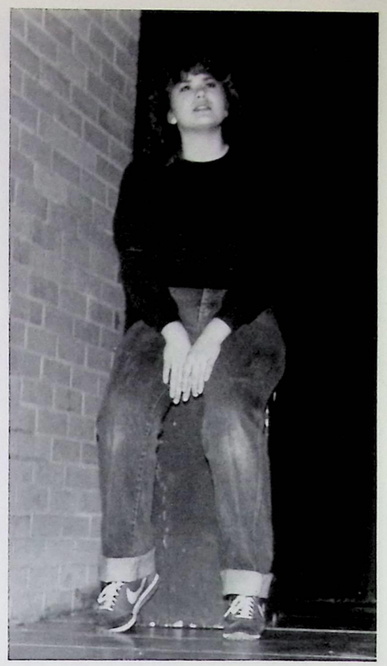

Connie Keenan leads an audience participation sound game.

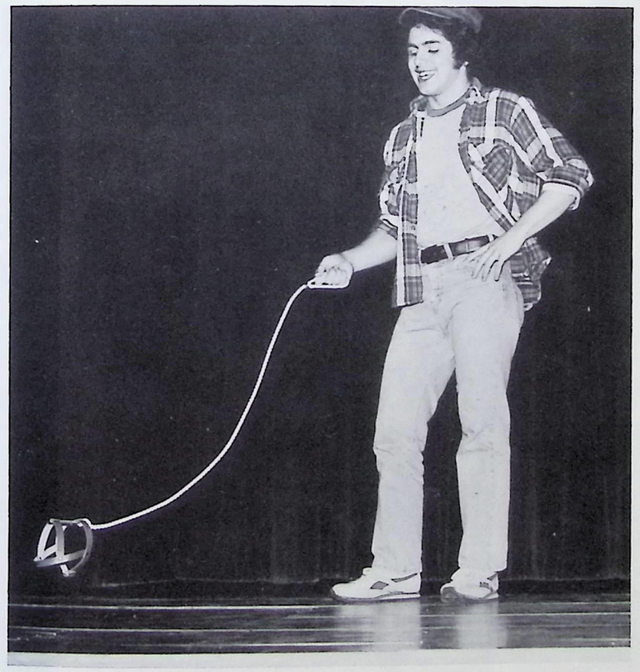

Bill Boxler and Len Richards do a remake of the famous Abbott and Costello routine, "Who's on First?".

"The bench mime": Debbie Krainz, Bill Boxler, Terri Turner, and Len Richards fight for a spot on a park bench.

Terri Turner recites a monologue on the life of an entertainer.

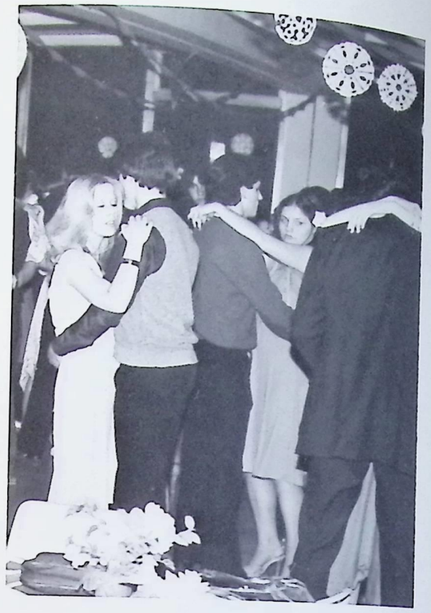

Len Richards stars in a one-act play about a con artist selling an invisible dog.

The spring play, *Seventeenth Summer,* was a great success due to the hard work of both cast and crew.

The play featured two newcomers to the North High stage, Corine Reebel as Angie Morrow and Frank Daniels as Jack Daluth. In the production, Jack asks Angie to be the first girl to go out for a sail in his boat, and it's at this moment that Angie's very special summer begins. It was to be a summer full of romance, excitement, laughter and tears.

The cast also included Tami Tuskas, Kim Brush, and Bev Thomas as Angie's sisters, and Bill Streb and Stephanie Muraski as her parents. Also starring in roles were veterans of the North stage Debbie Krainz and Mike Reep. In supporting roles were Patty Jellick, John Manchook, Len Richards, and Linas Vysnionis.

Seventeenth Summer, directed by Mr. Charles Wood and student director Kathy Norton, was one of the most financially successful plays ever performed on the North High stage.

MRS. WHITNEY HANGS IT UP

Mrs. Marge Whitney, secretary to Principal Ernest A. Zimmerman, retired this year after 24 years of service to North.

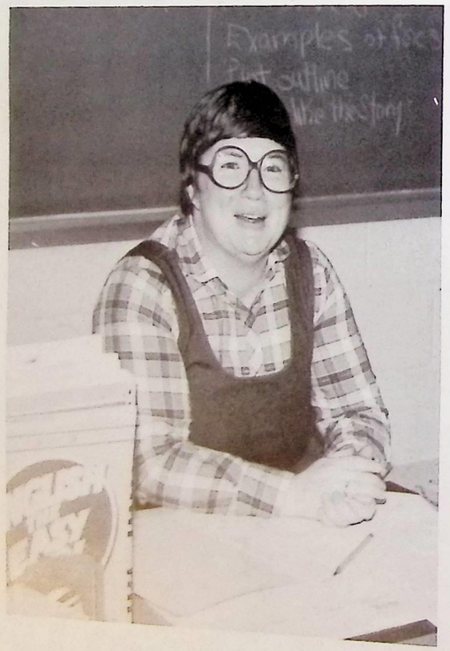

From North's opening in 1957, Mrs. Whitney had been working at North in either the guidance or main office. She began working for Mr. Zimmerman in the 1969-70 school year. She missed the contact with students and keeping up with scholarship offerings and winners, but found compensation in her new post. ("I had all the important phone calls and messages first!")

"North has always been my home away from home," Mrs. Whitney said. "It's a great place to make good friends and to work." North's staff and students will certainly miss her friendliness and constant willingness to help, but wish her the best in the years to come.

Study hall is hell!

Bless you!

But you don't understand, Connie. They're all for me.

Spirits are high at Christmas.

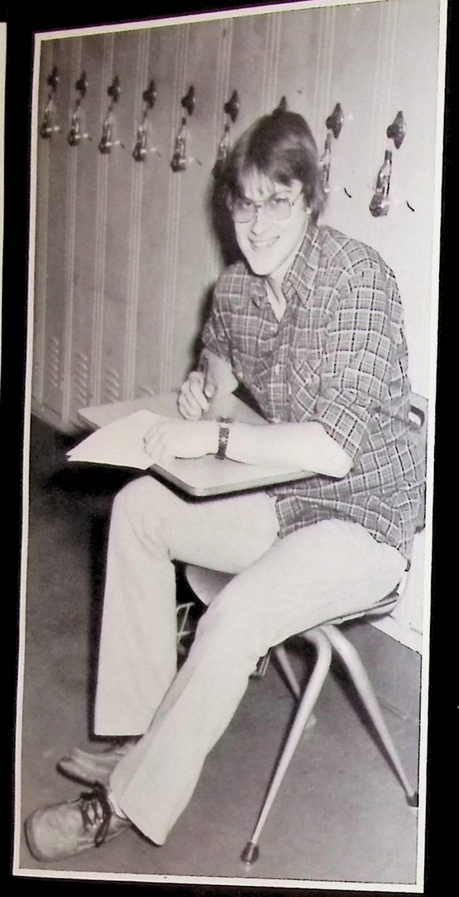

Yes, we have no bananas . . . .

But my dog really did eat my homework, Mr. Wood!

Are you sure the Wright Brothers started this way?

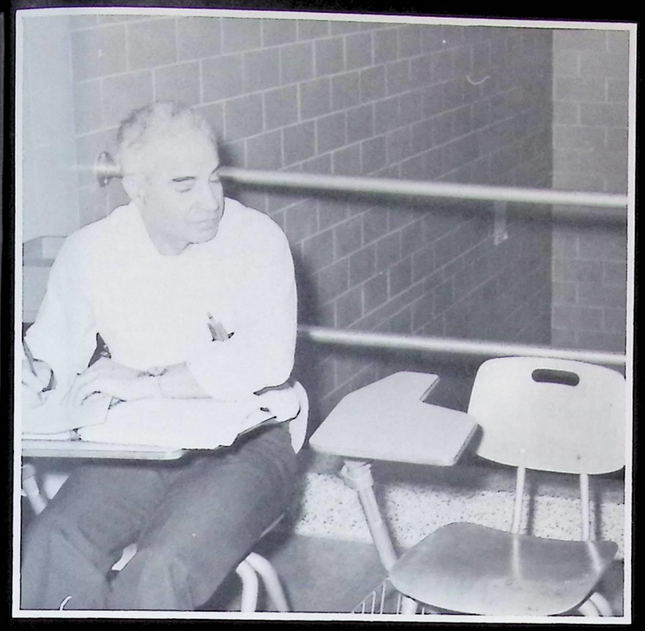

Is *this* the face of a cheater?

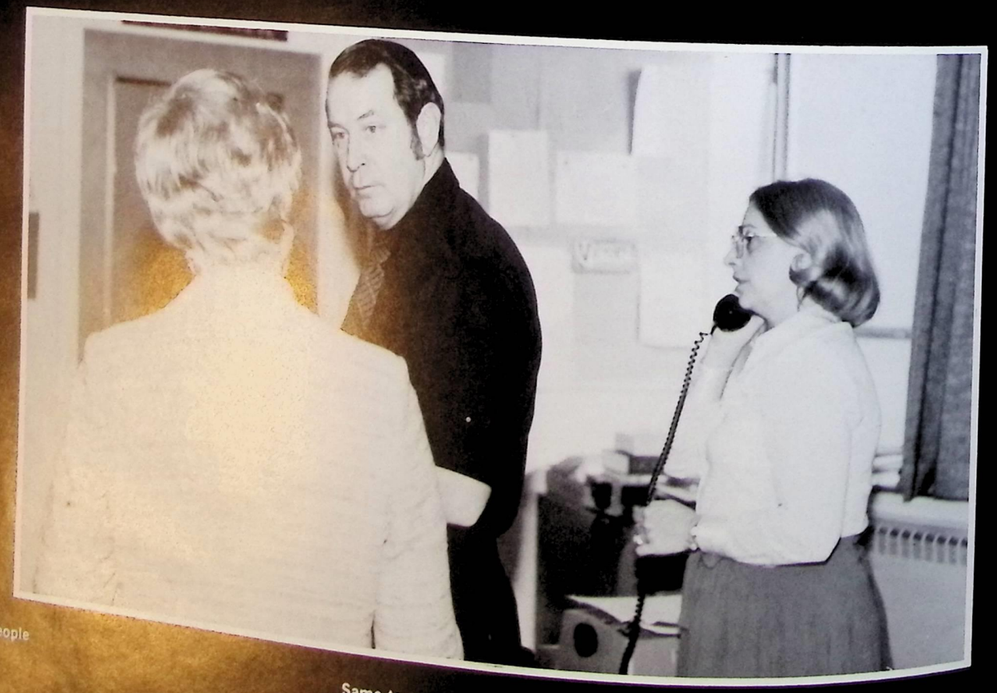

Coke always has this effect on me.

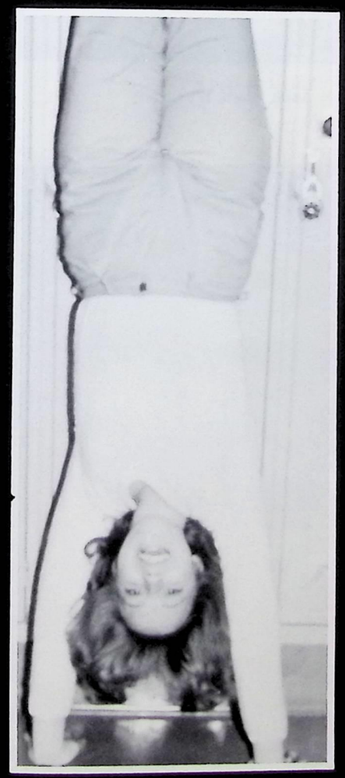

It's lonely at the top.

Who said I can't be Homecoming Queen?

Same to you, Mrs. Lowther!

This is my first in-school suspension.

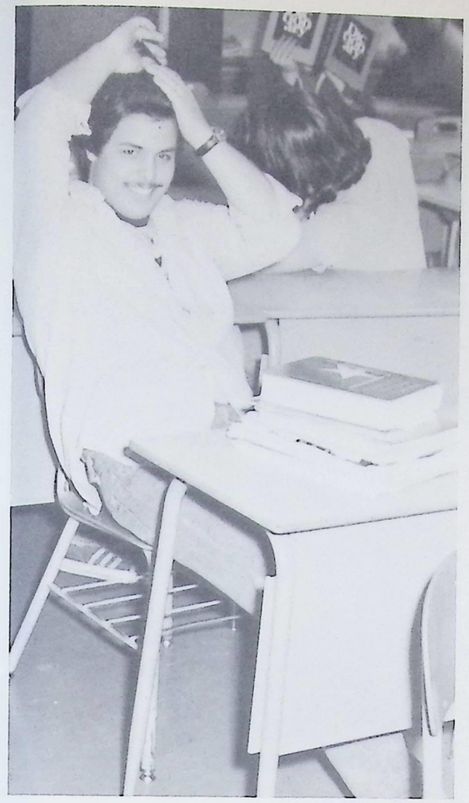

Now where did that bug go?

Are they ever going to fix this leaky roof?

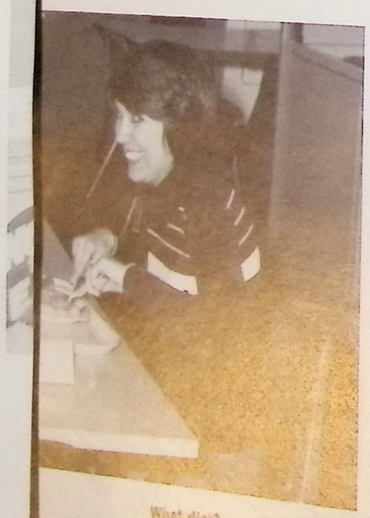

Look, Mom. It's clean!

Is my part straight?

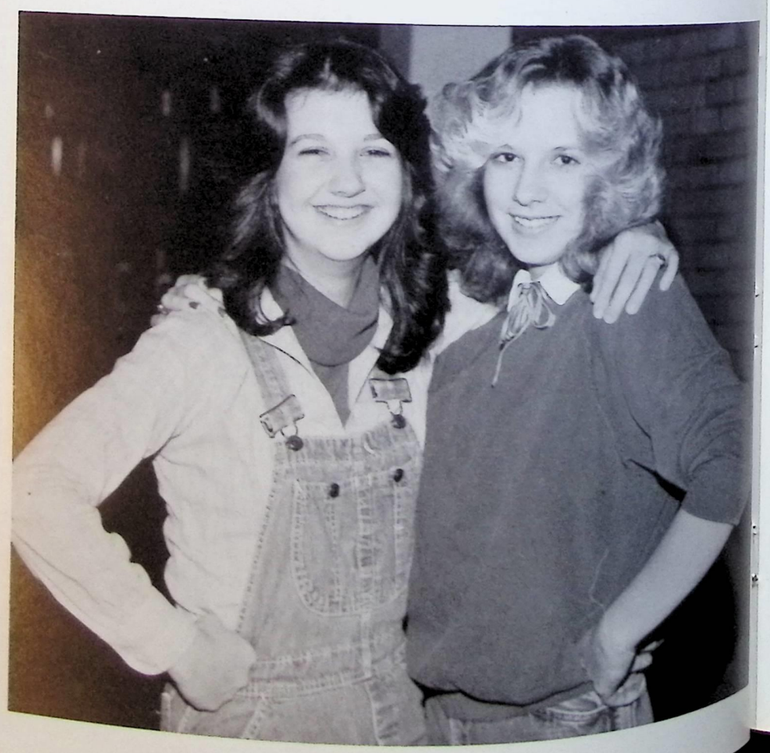

Got any ideas on what to do with this one, Coach?

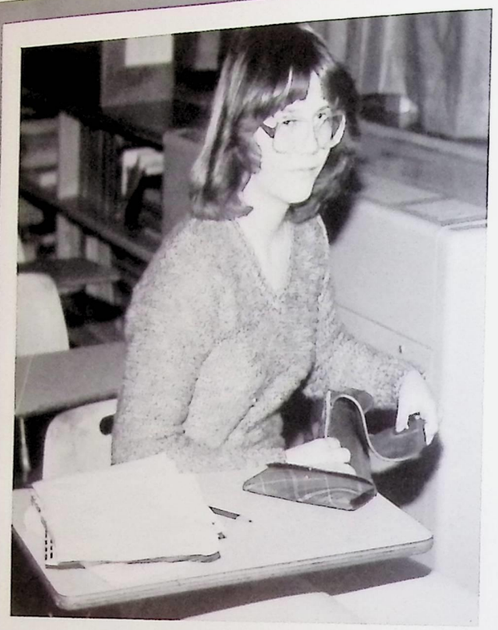

What diet?

Attention: Eligible bachelors . . . .

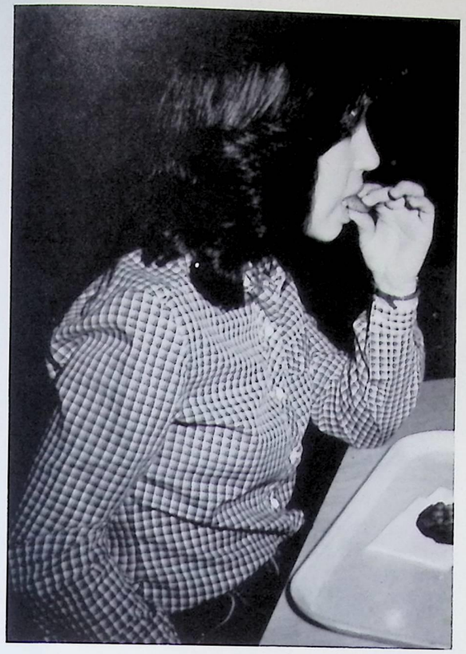

Mr. Rubin would be proud of us; we all remembered our physics books.

Rats! Another *A!*

Lisa contemplates life beyond World Scene.

I hope this doesn't stick to my dental work!

Look at what I found in my locker!

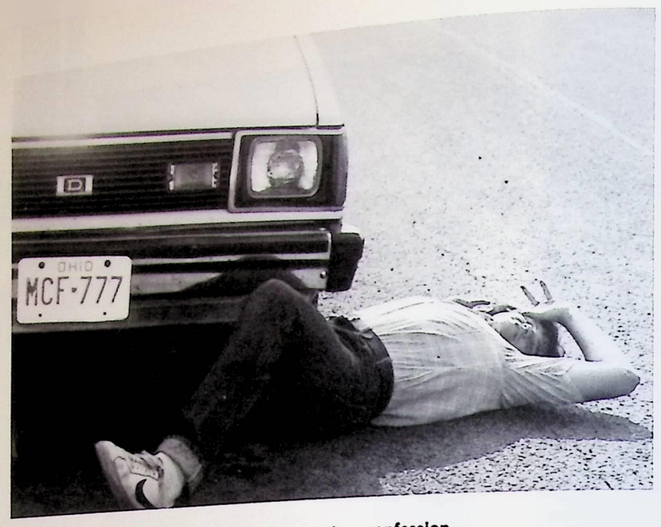

What? *Another* senior class sales project?

Are you sure this is how one makes pancakes?

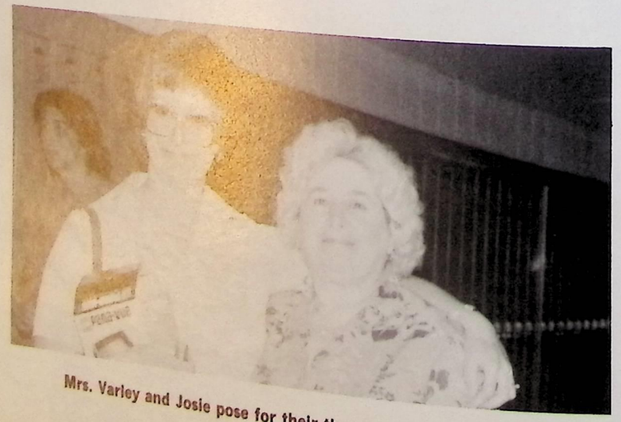

Get that shoe back on before we all pass out!

Mr. Zimmerman *always* gets a confession.

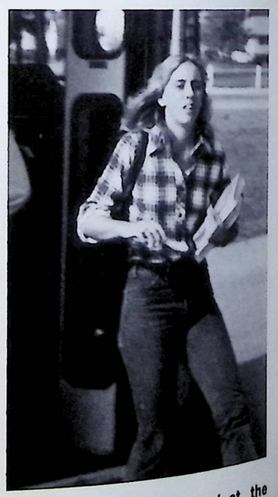

What do you mean I need a parking permit?

Mrs. Varley and Josie pose for their throngs of avid admirers.

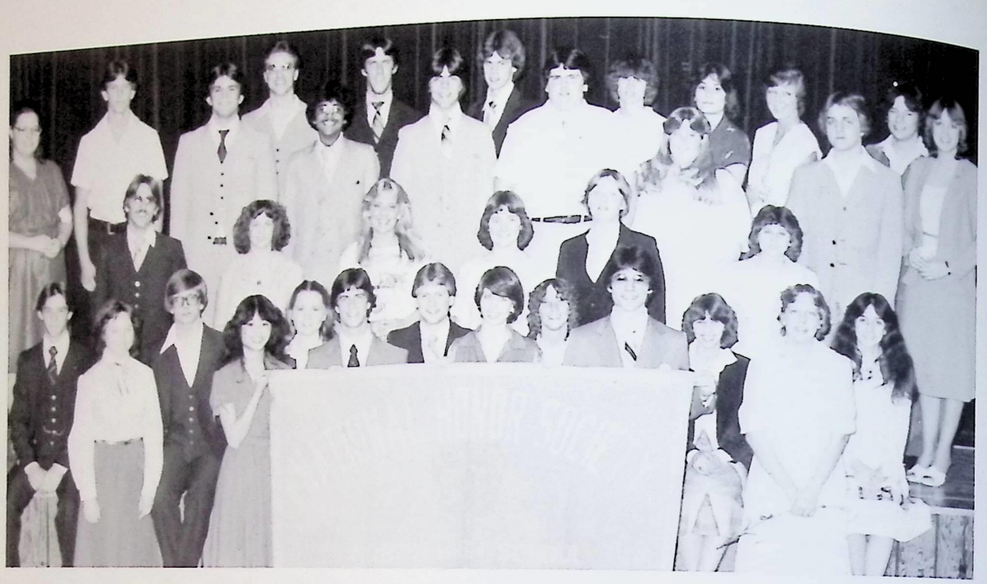

Friends, Romans, countrymen, lend me your ears . . .

Another student *thrilled* at the thought of a Monday morning.

Vice-President Patricia Lin delivers her speech on scholarship.

David Suplicki escorts initiate Sandy Ertter.

On May 19, 1981, Student Council sponsored the third annual Senior Honors Breakfast. All seniors with a cumulative point average of 3.00 or higher were invited. In addition to a few words by Principal E. A. Zimmerman, the main speaker was Lake County Prosecutor John Shoop. All students in attendance received honor pins as lasting reminders of the event.

Karen Sarkisian and Kim Pipoly listen attentively to the guest speaker.

John Shoop offers words of wisdom to the seniors.

Debbie contemplates the advice of John Shoop.

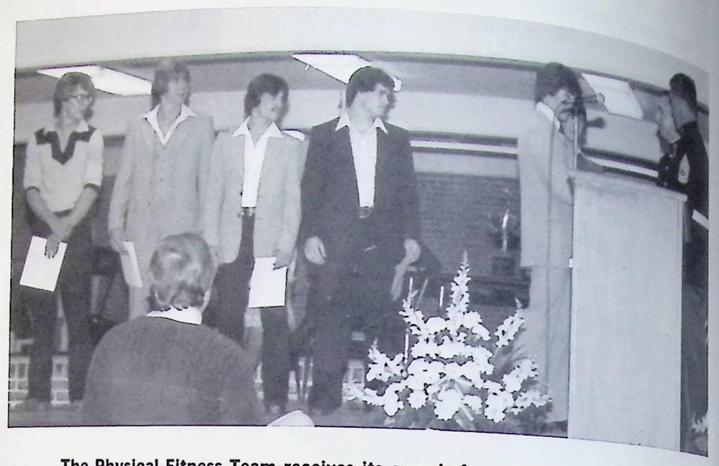

SCHOLARS ACKNOWLEDGED

One of Patty Lin's awards included the Phi Beta Kappa.

As a gesture of ackowledgement for fine scholastic achievement, North sponsored the annual senior awards night on June 1, 1981. Along with the departmental awards, state certificates, and community awards, Miss Kathy Newton introduced some of the scholarship award winners. The class of 1981 accumulated over $80,000 in monies for higher education. Almost 44% of the class intends to go to college; 10% to the military; 2% into apprenticeship programs and the rest will go into the work force.

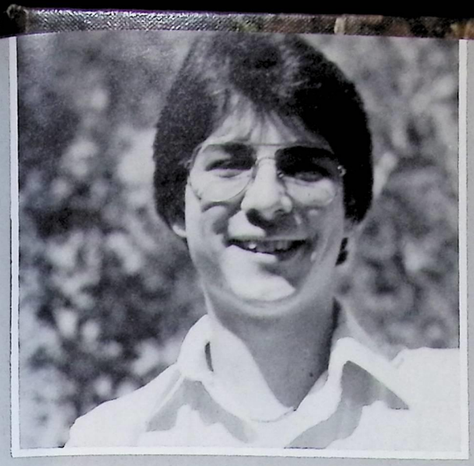

The Physical Fitness Team receives its awards from Sgt. Robert Schwarz.

Kim Pipoly is one of 34 seniors who earned state certificates.

GENIUS IS ONLY THE POWER OF MAKING CONTINUOUS EFFORTS

The line between failure and success is so fine that we scarcely know when we pass it: so fine that we are often on the line and do not know it.

How many a man has thrown up his hands at a time when a little more effort, a little more patience, would have achieved success.

As the tide goes clear out, so it comes clear in.

In Business, sometimes, prospects may seem darkest when they are on the turn.

A little more persistence, a little more effort, and what seemed hopeless failure may turn to glorious success.

There is not failure except in no longer trying.

There is no defeat except from within, no really insurmountable barrier save our own inherent weakness of purpose.

Young savers got their first introduction to banking back in the early 1930's when Society started the first School Savings Program for children. Back then, the kids brought us their pennies, nickels and dimes. Today, they're adults bringing us their dollars. Which just goes to prove that saving at Society can get to be a habit.

Kids started bringing us their pennies back in the 30's.

These second year tourists stop on Quebec's Boardwalk for a picture overlooking the St. Lawrence River.

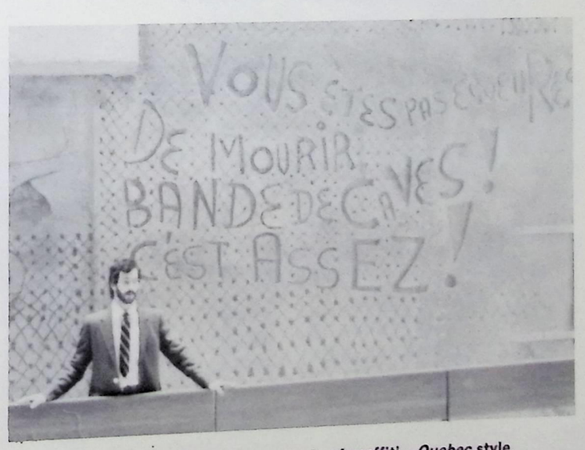

THE CANADIAN CONNECTION

Marsha and Cindy made themselves at home the minute they walked into the lobby.

The fortress brought mixed emotions for Tracy Carr, Lori Corpora, Dave Fairbanks, Cindy Szadkowski, Eric Tunquist, and Patty Bailey.

A perfect example of graffiti - *Quebec* style.

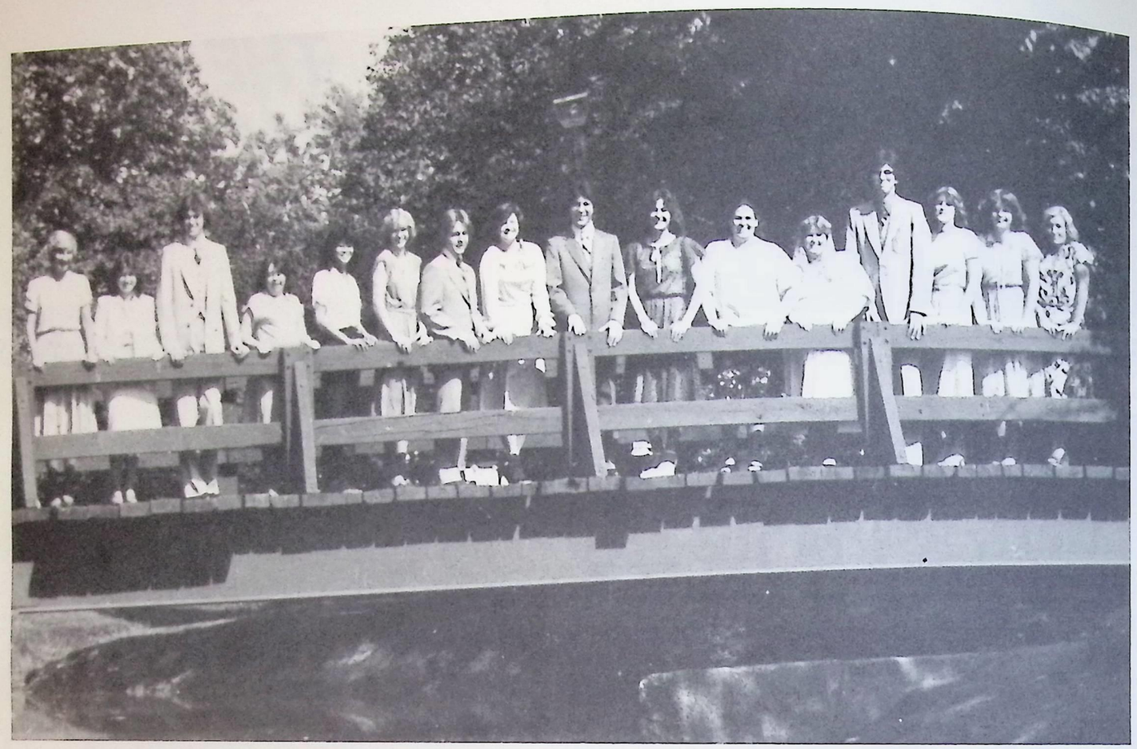

After a long night on the town, most students just went back to their rooms to relax.

Yeah, but where's the exit?

OUR WAY!

ACKNOWLEDGEMENTS

Organizing and producing a high school yearbook is by no means an easy task. Both hard-working students and concerned advisors are mandatory for a smooth staff operation. The 1981 Yearbook Staff, fortunately, included fourteen very dependable students and two outstanding faculty members.

Of the staff members, John Zakaria was without a doubt the most valuable helper. He was the "right-hand man." His skills as an artist are evident throughout the book, especially in the collages. I am truly indebted to John for his work and his friendship.

Nearly every page of this book includes pictures. Good photography is the most important aspect of a quality yearbook. There would be no pictures without *Raimor Studios.* A big "thank you" is in order to Doug, Larry, Michelle, "Angel", and Jim, for their long hours and constant cooperation. Other pictures in the 1981 Yearbook were taken by Jim Lender, Laura DePledge, Brian Knotts, John Zakaria, Mr. Borgert, Mr. Swiderski, and the News-Herald.

These acknowledgements would be incomplete without mentioning Miss Strumbel's and Mrs. Hostetter's classes, Miss Furlan, Mr. Nightengale and Mike Reep for their noteworthy help in writing captions, headlines and copy. Your time and effort are greatly appreciated.

Thank you Kathy Woodson and Brenda Stephenson for your help in taking yearbook orders last fall. The staff also appreciates the work of those students who contracted patrons for this book, and to the advertisers themselves. This yearbook certainly would have been impossible without your support.

A great amount of gratitude must also be extended to Mrs. Lowther, Mrs. Bennington and Mrs. Frese, as well as the other secretaries, for taking telephone messages, answering questions, and typing yearbook correspondences. A special thank you is a must for Mr. Hart and Mrs. Lucas at the Tech Center, who relayed information from Tech to North.

The administration must also be thanked, especially Principal Ernest Zimmerman for his financial and moral support throughout the school year. Mr. Zimmerman will always have my personal respect for his involvement with the students, as well as their activities. Mr. Rodgers and Mr. Galovic were also very helpful to the production of this yearbook.

The advisors of the 1981 Yearbook, Mrs. Barrie Alves and Miss Barbara Strumbel, deserve as much, if not more credit, than anyone mentioned so far. They stood firmly behind the complex network of students who worked on the staff. Miss Strumbel and Mrs. Alves did more than advise; they encouraged, helped, and consistently provided the staff and me with a little sunshine everyday.

Finally, on a more personal note, I would never have survived without the support of my family and friends; their backing made the difference. I also must recognize my employer, Mr. Michael LaMalfa, owner and manager of LaMalfa's Party Center, for his ever-present cooperation, which enabled me to participate in this project and work for him at the same time.

Best wishes to next year's staff!

Sincerely,

Eric E. Tunquist
