# PRINCIPALS OFFICE

## *A Message from the Principal*

Dear PLMS Families,

**Principal**  
**Dr. Andrew Haws**  
**andrew.haws@lsr7.net**

It is an honor to serve as principal of Pleasant Lea Middle School for the 2025–2026 school year. Since joining PLMS in the fall of 2022, I've had the privilege of working alongside a passionate team of educators and a remarkable group of students and families. I'm excited to continue building on our school's strong tradition of excellence.

Throughout my career, I've been fortunate to serve in various roles—including mathematics teacher, instructional technology facilitator, and building administrator—across several districts. Each experience has shaped my commitment to creating a school culture grounded in high expectations, mutual respect, and a shared belief in every student's potential.

At the heart of my work is a deep belief in the power of relationships. I strive to create an environment where every student feels seen, valued, and empowered to make a difference. I believe that strong partnerships between school and home are key to supporting students' academic, social, and emotional growth. As we look ahead, I'm eager to continue building meaningful connections with families and strengthening our ties to the Lee's Summit community.

Thank you for the opportunity to serve your students. I look forward to all we will accomplish together in the year ahead.

A handwritten signature in black ink, appearing to read 'Andrew Haws'.

# 25-26 REMINDERS

## Reminders for the School Year

### Backpacks and Coats

If students use backpacks to take their books to and from school, they are asked to put them in their lockers during school. Backpacks will not be allowed in classrooms or the cafeteria. Students are also expected to store their coats and purses in their locker.

### Cell Phone Policy

While personal electronic devices (cell phones, etc.) have become a part of our students' daily lives, a large and growing body of evidence is pointing to the harm caused by the amount of time students use personal electronic devices and social media each day. In order to fulfill our role to take care of students, and minimize the distractions caused by such devices in the school setting, the rules listed will be in place at PLMS for the 2025-26 school year and will be presented to our students once school starts. Please view our full cell phone policy on the next page.

### Student Pick Up & Lunch Drop Offs

When picking up a student during the school day, you must be physically present (with your photo ID) at the attendance window before we can call your student. Lunch may be brought in by only a parent/guardian for their student only. Students may pick up food that is dropped off during their designated lunch time (they should watch for an E-Hall Pass as they will not be called out of class to pick it up). No fast food deliveries (ex: Door Dash, Uber Eats) will be allowed or transferred to students during the school day.

# PLMS Cell Phone Policy

While personal electronic devices (cell phones, etc.) have become a part of our students' daily lives, a large and growing body of evidence is pointing to the harm caused by the amount of time students use personal electronic devices and social media each day. To minimize the distractions caused by such devices in the school setting, the rules listed will be in place at PLMS, and all other LSR7 middle schools, for the 2024-2025 school year and will be presented to our students once school starts.

## RULES

Personal E-devices (cell phones, personal iPods, iPads, AirPods, and other wireless headphones, smart watches, etc.) must be stored in a locker during school hours (8:15am - 3:15pm). Students' personal E-devices may not be used in the hallways, restrooms, or other common areas. No camera or video-capable electronic devices may be used in locker rooms or restrooms at any time. E-devices shall not be used to connect to district electronic equipment or district electronic networks at any time.

- Personal E-devices are not allowed to be in use by middle school students during the school day. The school day is defined as anytime between the beginning of the first period and end of the last period of the day.
- Personal E-devices shall be secured in a student's assigned locker and are to be powered off.
- Should the need arise for a student to contact parents during the school day the main office phone should be used for such a call.
- Should the need arise for parents to contact their child, parents may contact our main office at (816-986-1175). Parents may also email their child anytime using the students LSR7 email address.
- No camera or video-capable electronic device may be used in the locker room or restrooms at any time.
- Personal E-devices may be used by the student only at the request of the classroom teacher or other staff member.
- Personal E-devices used to monitor identified student health needs such as blood sugar levels are allowed and must be approved by the principal.

## CONSEQUENCES

- **1st Offense:** Electronic device(s) taken to the office, STAD warning, parent contact and student pick up from the office at the end of the day.
- **2nd Offense:** Electronic device(s) taken to the office, STAD 1-hour detention and parents notified. Parent pick up from the office at the end of the day
- **3rd Offense:** Electronic device(s) taken to the office, STAD 2-hour detention and parents notified. Parent pick up from the office at the end of the day
- **4th Offense:** Electronic device(s) taken to the office, STAD 3-hour detention and parents notified. Parent pick up from the office at the end of the day.
- **Subsequent offenses:** Electronic device(s) taken to the office and will result in progressive discipline measures being taken ranging from 3-hour detention to ISS. Parent pick up from the office at the end of the day

*The school reserves the right to search a privately owned device in accordance with applicable laws and policies if there is a reasonable suspicion that the student has violated the LSR7 Middle School District policies, procedures, rules, or engaged in other misconduct while using the device.*
